MARKDOWN IN PLACE

This form is designed to allow a retailer to mark overstocks down to 50% off and give them credit for this transaction. A full credit "as if" a return has been received will be issued and a new invoice for the titles at 75% off will be created.

****Marked down books are non-returnable****

Only in-print books can be marked down. Short run titles and Cambridge Bibles are not eligible.

NEW titles are not available for markdown until 90 days after release.
