

Encountering the Old Testament

A Christian Survey, 3rd ed.

Bill T. Arnold and Bryan E. Beyer

ENCOUNTERING BIBLICAL STUDIES

Walter A. Elwell, series editor

This new edition of a successful evangelical survey of the Old Testament has been thoroughly updated and features a beautiful new interior design. It is lavishly illustrated with four-color images, maps, and charts and retains the pedagogical features that have made the book so popular:

- chapter outlines, objectives, and summaries
- study questions
- sidebars featuring primary source material, ethical and theological issues, and contemporary applications
- lists of key terms, people, and places
- further reading recommendations
- endnotes and indexes

Praise for Previous Editions

“The excellent scholarship represented here, along with an appealing format, make this one of the best, if not *the* best Old Testament introduction for first-year college students. It could hardly be more helpful.”—**Elmer A. Martens**, *Review of Biblical Literature*

“Arnold and Beyer have produced an exciting survey of the Old Testament with the college student specifically in mind. I enthusiastically recommend this volume.”
—**Tremper Longman III**, professor of Old Testament, Westmont College

“For college students who are encountering the Old Testament for the first time, this attractively produced textbook offers a clear and helpful orientation to the world and literature of the Old Testament. The full-color photographs and maps, as well as the user-friendly charts, sidebars, and review aids, combine to invite everyone who opens this book to begin reading it immediately—a refreshing improvement over the standard textbook fare!”—**Richard Schultz**, Wheaton College

Gospel of Glory

Major Themes in Johannine Theology

Richard Bauckham

Throughout Christian history, the Gospel of John's distinctive way of presenting the life, works, teachings, death, and resurrection of Jesus have earned it labels such as "the spiritual Gospel" and "the maverick Gospel." It has been seen as the most theological of the four canonical Gospels. In this volume, leading biblical scholar Richard Bauckham illuminates main theological themes of the Gospel of John, providing insightful analysis of key texts.

Some of the themes Bauckham addresses have been much neglected, and others have been much debated during the past century of New Testament scholarship. Bauckham sheds light on the "individualism" apparent in John's portrayal of the believer's relationship to Jesus and the mutual indwelling of individuals (Jesus and God, the believer and Jesus); divine and human community; how Jesus reveals God's glory and how disciples participate in it; John's understanding of the key events in his christological story; baptismal and eucharistic overtones; the background and significance of John's dualistic language; and how John's language evokes multiple meanings without negating the literal sense of his narrative. A concluding chapter explores the significance for faith of the differences between John and the other Gospels.

This compact volume will serve students as an ideal supplemental text in a course on John or the four Gospels. *Gospel of Glory* will also serve New Testament scholars and theologians as a reexamination of the Fourth Gospel by a master of their guild.

Contents

1. "Individualism"
 2. Divine and Human Community
 3. Glory
 4. Cross, Resurrection, and Exaltation
 5. Sacraments?
 6. Dualisms
 7. Dimensions of Meaning in the Gospel's First Week
 8. The Johannine Jesus and the Synoptic Jesus

2 Corinthians

George H. Guthrie

BAKER EXEGETICAL COMMENTARY ON THE NEW TESTAMENT
Robert W. Yarbrough and Robert H. Stein, series editors

In this addition to the award-winning BECNT series, a respected New Testament scholar offers a substantive evangelical commentary on 2 Corinthians. George Guthrie leads readers through the intricacies of literary structure, word meanings, cultural backdrop, and theological proclamation, offering insights applicable to modern ministry contexts. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text; extensive research; thoughtful, chapter-by-chapter exegesis; and an acclaimed, user-friendly design. It admirably achieves the dual aims of the series—academic sophistication with pastoral sensitivity and accessibility—making it a useful tool for pastors, church leaders, students, and teachers.

Endorsement

“George Guthrie brings his significant skills to the task of interpreting this complex Pauline letter and proves to be a competent and helpful guide. Guthrie strikes the right balance in choosing how much information to impart without overloading the reader. His judgments on the interpretive issues are always fair and insightful, and I especially appreciate the clarity of his writing. Pastors and teachers will find this a very useful volume in preparing messages on 2 Corinthians.”—**Clinton E. Arnold**, Talbot School of Theology, Biola University

Praise for the BECNT Series

“In this age of unprecedented proliferation of biblical commentary series, it is an outstanding accomplishment for the Baker Exegetical series consistently to have produced what with only rare exceptions have become the best available commentaries on the Greek text of the New Testament book or books treated.”

This Strange and Sacred Scripture

Wrestling with the Old Testament and Its Oddities

Matthew Richard Schlimm

“Many of us have waited a long time for this book, a compelling engagement of the toughest questions about the Testament that both attracts and repels us. In plain language, without taking theological shortcuts, Schlimm shows why Christianity needs the Old Testament in order to address the complexities and real difficulties of life. His concrete guidance for how to read this strange literature and his suggestions for further study are invaluable.”—**Ellen Davis**, Duke Divinity School

“Schlimm adroitly considers many of the thorny issues that puzzle modern people of faith; he is a gifted guide in showing readers that the Old Testament’s alien qualities do not render it useless for Christian faith. To the contrary, he reveals how often the Bible’s strangeness leads us into deeper understanding of God and of ourselves.”—**Jacqueline Lapsley**, Princeton Theological Seminary

“The Old Testament has raised numerous questions for readers through the centuries. And it continues to do so! Matthew Schlimm explores many of these issues, especially those regarding creation, law, gender, images for God, and violence. With matters of biblical authority always in view, he works through these texts carefully and thoughtfully—and with clarity! With pastoral sensitivity, Schlimm provides an excellent case for understanding the Old Testament as our friend and not our enemy.”—**Terence Fretheim**, Luther Seminary

Old Testament Theology

Reading the Hebrew Bible as Christian Scripture

R. W. L. Moberly

“Walter Moberly is easily among the best and most compelling Old Testament theologians working today. In his latest offering, he builds off of previous work, advancing a reading of Israel’s scriptures within a Christian frame of reference such that the claims of the ancient text are repeatedly shown to have lively and enduring implications for contemporary faith. Moberly reads the text with careful attention to both its large conceptions and its detailed philology, offering an interpretation that is at once theological and existential, designed ultimately for lively and faithful performance. More than anything else, this volume distinguishes itself (and its author) as exceedingly wise—something that can be said for precious few books these days. Here is a volume that I will use and return to often.”—**Brent A. Strawn**, Candler School of Theology, Emory University

“Old Testament theology in the form of eight exegetical performances. A Moberly omnibus: clear, thoughtful, engaging, and of contemporary relevance.”
—**Christopher Seitz**, Wycliffe College, University of Toronto

“Moberly’s modus operandi is to examine key OT traditions, usually by interpreting one core text that exemplifies that tradition, and then drawing in other related texts as conversation partners. His choices . . . are both important loci of theological reflection in the OT and, not surprisingly, generative for constructive biblical theology. . . . Moberly’s work is a rich feast for those who long to hear the Hebrew Bible as Christian Scripture.”—**Jacqueline Lapsley**, *Catholic Biblical Quarterly*

“Moberly’s work is a must-read of a moderate critic who commendably, in the tradition of Childs, is striving to read the Hebrew Bible as Christian scripture and make it applicable to the church in the early twenty-first century.”—**David Pettus**, *Journal of the Evangelical Theological Society*

“It is [Moberly’s] creative imagination married with his methodological discipline and critical thinking that produce this stimulating volume. . . . Anyone who is interested in thinking deeply about the intersection of scripture and faith would benefit from Moberly’s thoughtful and honest reflections. The book will also be of great import for interfaith dialogue as it uncovers the logic behind how certain texts are construed and translated into doctrinal formulations.”—**Kengo Akiyama**, *Biblical and Early Christian Studies*

“Recommended. Libraries supporting general readers, researchers, students, and practitioners within the Protestant evangelical tradition.”—**J. W. Wright**, *Choice*

Reading the New Testament in the Church *A Primer for Pastors, Religious Educators, and Believers*

Francis J. Moloney, SDB

“*Reading the New Testament in the Church* succinctly describes the first-century context, insightfully probes what we know about the ‘historical Jesus,’ deftly explains the literary strategies of the Gospels, explores the passionate commitments and engaged rhetoric of the apostle Paul, and assists those wrestling with the complexities of somewhat strange texts such as Hebrews and Revelation. Readers seeking an introduction that combines scholarly integrity and theological responsibility will find Fr. Moloney’s book a welcome aid to understanding the foundational documents of the church.”

—**Harold Attridge**, Yale Divinity School

“Frank Moloney’s very readable guide to the New Testament attempts to bridge the gap that all too often exists between the scholarly interpretation of Scripture and the faith of the church. Although the book is addressed primarily to Catholics, Christians of all denominations will discover here how sacred Scripture can still speak to and challenge believers today.”—**Morna D. Hooker**, University of Cambridge Life Fellow, Robinson College

“Every now and then a scholarly work so aptly meets a glaring need that one is tempted to cry out, ‘Why wasn’t this done before?’ Once again, Francis Moloney has drawn upon his internationally renowned biblical expertise, vast knowledge of scholarly literature, and theological sensitivity to produce this timely resource for pastors and educators in the Christian tradition. It admirably achieves its aim of bridging the gap between technical biblical scholarship and scriptural literacy in the church.”—**Brendan Byrne, SJ**, University of Divinity (Melbourne)

Francis J. Moloney, SDB (DPhil, University of Oxford), is a Senior Professorial Fellow of Australian Catholic University at its Melbourne campus. He is the former Provincial Superior of the Salesians of Don Bosco for Australia and the Pacific region and former Katharine Drexel Professor of Religious Studies and dean of the School of Theology at the Catholic University of America. Father Moloney is a Fellow of the Australian Academy of the Humanities, a Member of the Order of Australia, and the author of more than forty books. He is also a member of the editorial board for *Paideia: Commentaries on the New Testament*.

B

“Frank Moloney, after decades devoted to rigorous yet creative historical analysis of biblical texts and from a lifetime of service to the church, equips religious teachers and the faithful with the essential knowledge they need to bring the New Testament into provocative conjunction with their own lives and their own experience.”—**Philip F. Esler**, University of Gloucestershire

“Moloney’s latest book is a gift for Catholics who want to read the New Testament as both serious Christians and intelligently critical citizens of the modern world. It will also serve as a comprehensive textbook for students who may read only one book on the subject.”—**Sandra M. Schneiders, IHM**, Jesuit School of Theology of Santa Clara University and Graduate Theological Union, Berkeley, California

“In this learned but pastoral guidebook, Moloney helps Catholics (and ecumenical readers) read Scripture both critically and with faith in Jesus, and in and for the church. I heartily recommend this introduction to reading the New Testament as an excellent textbook for seminaries and training programs for deacons and lay Catholic ministers.”—**William S. Kurz, SJ**, Marquette University

A Compact Guide to the Whole Bible

Learning to Read Scripture's Story

Robert W. Wall and David R. Nienhuis, editors

“This compact guide is a true *vade mecum*: ‘Walk with me.’ The authors cordially invite you to accompany them into the drama of faith through Christian Scripture. Especially if you are new to biblical study and desire to read the Bible seriously and faithfully, it’s an invitation I encourage you to accept.”—**C. Clifton Black**, Princeton Theological Seminary

“It’s easy to find introductory textbooks that overwhelm students with information and theories *about* the Bible—textbooks that complicate rather than open up the Bible to its readers. The promise of this slender volume is its commitment to genuinely invite students into the Bible by giving readers a keen sense of how each section of Scripture contributes to the whole and by identifying key landmarks for making sense of the biblical materials. This compact guide is the obvious choice for undergraduate courses concerned with the Bible as the church’s book.”—**Joel B. Green**, Fuller Theological Seminary

“Those of us who teach Scripture as part of a larger theological enterprise often long for a concise and accessible way to present the whole scope of Scripture to students. This book is an answer to those longings. It is clear, theologically acute, and written with beginning students in mind. These colleagues have brought their scholarly expertise and their commitment to reading theologically to bear on the whole Bible. The result is a collaborative work that is unified in its approach, uniformly accessible, and of immense value to the rest of us.”—**Stephen Fowl**, Loyola University Maryland

2 Samuel

Robert Barron

BRAZOS THEOLOGICAL COMMENTARY ON THE BIBLE

R. R. Reno, general editor; Robert W. Jenson, Robert Louis Wilken, Ephraim Radner, Michael Root, and George Sumner, series editors

In this addition to the The Brazos Theological Commentary on the Bible, highly acclaimed author, speaker, and theologian Robert Barron offers a theological exegesis of 2 Samuel. He highlights three major themes: God's non-competitive transcendence, the play between divine and non-divine causality, and the role of Old Testament kingship.

Endorsement

"Fr. Barron brings his theological erudition to the task of interpreting sacred scripture. The result will be a delight for all his readers. Not only will they relish the many profundities of the text, but they will be able to join the author in wrestling with its various conundrums. Even the challenging parts of David's life are handled in fresh, creative, and—most importantly—productive ways."—**Gary Anderson**, University of Notre Dame

The Cultural World of the Bible

An Illustrated Guide to Manners and Customs, 4th ed.

Victor H. Matthews

The cultural world encountered in the Bible can seem strange to modern readers. In this new edition of a successful book, now updated throughout, a leading expert on the social world of the Bible offers students a reliable guide to the manners and customs of the ancient world. From what people wore, ate, and built to how they exercised justice, mourned, and viewed family and legal customs, this illustrated introduction helps readers gain valuable cultural background on the biblical world. The attractive, full-color, user-friendly design will appeal to students, while numerous pedagogical features—including fifty photos, sidebars, callouts, maps, charts, a glossary of key terms, chapter outlines, and discussion questions—

Endorsements

“Matthews provides a reliable guide to the world of the Bible. Readers will be enlightened by the many details that he pulls together from a wide range of sources. His broad knowledge of the ancient world and its texts will serve well the reader who desires to dig deeper into the Bible and understand it in its cultural context.”
—John Walton, Wheaton College

“This classic work is packed full of fresh information from archaeology and texts from outside of the Bible that provide a multitude of insights into the Bible’s social and religious practices. With its accessible style, the book contextualizes Israelite ways of life within the broad sweep of the ancient periods that the biblical books purport to represent. Highly recommended as a companion to reading the Bible.”
—Mark S. Smith, Skirball New York University

PAIDEIA: COMMENTARIES ON THE NEW TESTAMENT

Mikeal C. Parsons, Charles H. Talbert, and Bruce W. Longenecker, series editors

“This excellent commentary sets Paul’s letter effectively within its historical context, finely illuminates the text while well illustrating and contributing to the range of discussion on the letter within contemporary scholarship, and stimulatingly concludes each section by posing issues that should provide fruitful agendas for discussion groups.”—**James D. G. Dunn**, Durham University

“Peter Oakes has delivered the goods in his much anticipated Galatians commentary. Despite the many difficult passages in Galatians, Oakes provides a judicious and magisterial treatment of the text. His study of Galatians is informed by archaeological, sociological, and historical data usually ignored by most scholars. He also does not shy away from mapping the theological implications of the text. Oakes’s commentary is a great reminder that the Brits still do some of the best work in biblical exegesis.”
—**Michael F. Bird**, Ridley College, Melbourne, Australia

“Drawing on his extensive knowledge of Paul’s social world, Peter Oakes here offers a fresh reading of Galatians that is historically secure, exegetically precise, and theologically relevant. Oakes masterfully filters the best of current scholarship in an accessible form, adding many original insights of his own. Students and scholars alike will relish this engaging exposition of Paul’s most radical letter.”
—**John M. G. Barclay**, Durham University

“In *Galatians* Peter Oakes combines a deep grasp of the ancient social context, a close familiarity with the exegetical issues, and an insightful identification of contemporary theological questions that are impacted and provoked by this potent Pauline letter. He couples this with a succinct style and an elegant delivery to produce an ideal *vade mecum* on this text.”—**Philip Esler**, University of Gloucestershire

“In this eminently readable and erudite commentary, Peter Oakes guides the reader through the text and argument of Paul’s Letter to the Galatians with careful exegesis and theological sensitivity. His considerable knowledge of ancient Greco-Roman culture and the latest scholarship is everywhere on display. He has produced a volume from which not only students and pastors but also professional scholars and teachers will benefit.”—**Martinus C. de Boer**, Vrije Universiteit Amsterdam

The Kingdom according to Luke and Acts

A Social, Literary, and Theological Introduction

Karl Allen Kuhn

“Karl Kuhn’s groundbreaking monograph on Luke-Acts will reset modern interpretation of these books and influence New Testament studies for years to come. Pastors, teachers, or anyone who looks to Luke’s writings for guidance on how communities of faith might live responsibly in a secular world will want to read and treasure the insights of this book.”—**Mark Allan Powell**, Trinity Lutheran Seminary

“Kuhn provides a rich introduction to Luke’s two-volume work, carefully unraveling its thick, interwoven tapestry of literary patterns, rhetorical strategies, social networks, political tensions, and theological themes. This book is beautifully written and structured and chock-full of carefully explained examples from Luke’s text. While helpfully assessing the current state of Lukan scholarship, Kuhn also offers many fresh insights.”—**F. Scott Spencer**, Baptist Theological Seminary at Richmond

Contents

Introduction: The Heart of Luke’s Witness to the Kingdom

Part 1: Luke and His World

1. Imperium Romanum: An Empire of Disparity and Want
2. Israelite Visions of the Kingdom
3. Luke’s Place in Caesar’s Kingdom: The Social Location of the Third Evangelist

Stanley E. Porter (PhD, University of Sheffield) is president, dean, professor of New Testament, and Roy A. Hope Chair in Christian Worldview at McMaster Divinity College. A prolific scholar, he has authored or edited dozens of books, including *How We Got the New Testament*, *Fundamentals of New Testament Greek*, *Hermeneutics: An Introduction to Interpretive Theory*, and *Biblical Hermeneutics: Five Views*.

B

Linguistic Analysis of the Greek New Testament

Studies in Tools, Methods, and Practice

Stanley E. Porter

“Porter has produced numerous excellent books on New Testament Greek and has shown himself to be a master of Greek grammar, syntax, idiom, and text. In this latest study he draws on his masterly learning and prodigious reading and research in this area to examine such subjects as discourse analysis, structural linguistics, sociolinguistics, verbal aspect, word order, and hyponymy. He also considers such examples as John and a new approach to the Trinity. Porter is always judicious, informative, and creative. I warmly commend this book.”—**Anthony C. Thiselton**, University of Nottingham

Contents

Introduction

Part 1: Texts and Tools for Analysis

1. Who Owns the Greek New Testament? Issues That Promote and Hinder Further Study
2. Analyzing the Computer Needs of New Testament Greek Exegetes
3. “On the Shoulders of Giants”: The Expansion and Application of the Louw-Nida Lexicon
4. The Blessings and Curses of Producing a Lexicon

Part 2: Approaching Analysis

5. Linguistics and Biblical Interpretation
6. A Multidisciplinary Approach to Exegesis
7. Sociolinguistics and New Testament Study
8. Discourse Analysis: Introduction and Core Concepts
9. The Ideational Metafunction and Register
10. Time and Aspect in New Testament Greek: A Response to K. L. McKay
11. Three Arguments regarding Aspect and Temporality: A Response to Buist Fanning, with an Excursus on Aspectually Vague Verbs
12. The Perfect Tense-Form and Stative Aspect: The Meaning of the Greek Perfect Tense-Form in the Greek Verbal System

Jesus the Priest

Nicholas Perrin

Nicholas Perrin's critically acclaimed *Jesus the Temple* argued that the theme in early Christianity that identified Jesus as the new temple—the new locus of God's saving presence and beachhead of God's coming reign—was not an invention or extrapolation on the part of Paul and Jesus's other early followers but Jesus's own understanding of himself. In *Jesus the Priest*, Perrin extends his analysis into the territory of a longstanding division between those who have seen Jesus as an eschatological prophet (conservative tradition) and those who have seen him as a teacher of wisdom (liberal tradition). Perrin identifies the priesthood of Jesus as a mediating understanding that sheds crucial light on the kingdom of God. By viewing Jesus as priest, we understand that the central aim of God's kingdom is not the salvation of individual souls (a conservative understanding) or the creation of a better society (a liberal understanding) but rather the establishment of authentic worship.

This insightful theological contribution to Jesus studies synthesizes the best in traditional/conservative and liberal reconstructions of Jesus's life and teaching. It will appeal to professors and students in New Testament and Jesus courses, scholars, and other readers interested in theologically engaged historical-Jesus study.

Praise for Perrin's *Jesus the Temple*

"There is little in the book that is conventional, and readers will be surprised again and again by Perrin's creative insights and control of both primary and secondary literatures. This is a significant advance in an important area of study."—**Craig A. Evans**, Acadia Divinity College

"Perrin's work is stimulating to read. . . . A highly suggestive and potentially fruitful line of interpretation that will warrant further reflection as well as considerable fleshing out in subsequent work."—**James P. Sweeney**, *Journal of the Evangelical Theological Society*

"By taking on the theme of the temple, undoubtedly an important area for sustained investigation, Perrin has produced a significant study to inspire further debate and discussion."—**Karen Wenell**, *Theology*

"Here is an innovative and suggestive thesis for future development and nuancing by Perrin and others."—**Matthew Sleeman**, *Journal for the Study of the New Testament*

Engaging the Christian Scriptures

An Introduction to the Bible

Andrew E. Arterbury, W. H. Bellinger Jr., and Derek S. Dodson

“This introduction to the Bible is brilliant in clarity and thoroughly engaging. Never before have I read a textbook that is as scholarly, concise, imaginatively written, and artistically laid out as this one. For teachers and students alike, this volume is a ‘pearl of great price.’”—**Carol J. Dempsey**, University of Portland, Oregon

“This team of scholars has put together an excellent text for a course covering both Old and New Testaments. Their summaries of the biblical books give a flavor for each book’s contents and the world that influenced the biblical writers. Of particular importance to students is the careful treatment of sometimes controversial materials as the authors demonstrate a moderate and thoughtful consideration of different viewpoints.”—**Victor H. Mathews**, Missouri State University

The Drama of Scripture

Finding Our Place in the Biblical Story, 2nd ed.

Craig G. Bartholomew and Michael W. Goheen

This updated and revised edition surveys the grand narrative of the Bible, demonstrating how the biblical story forms the foundation of a Christian worldview.

Praise for the First Edition

“Much recent scholarship has emphasized the narrative quality of Scripture. This book takes that insight and brings it to life, enabling even the beginner to grasp the sense of Scripture as a single great story—a drama in which we are all invited to play a part. I am delighted to see solid scholarship made easily accessible in this splendid fashion.”—**N. T. Wright**, University of St. Andrews; former bishop of Durham

“An intelligent, engaging overview of the narrative of Scripture in six acts. Bartholomew and Goheen have produced a clear and theologically sensitive account of the Bible that is perfect for college students.”—**Christopher Seitz**, Wycliffe College, University of Toronto

1–2 Thessalonians

Jeffrey A. D. Weima

BAKER EXEGETICAL COMMENTARY ON THE NEW TESTAMENT
Robert W. Yarbrough and Robert H. Stein,
series editors

“Weima has written a full and authoritative commentary on 1 and 2 Thessalonians that readers will want to consult regularly and frequently. He sets the stage for his exegesis and exposition of each section by laying out the literary character and shape of the unit to be discussed. Weima shows awareness of the current debate on a wide range of issues in Thessalonians research, while also ably defending traditional positions regarding authorship, interpretation, and even text-critical matters. I am sure that this commentary will be widely used.”—**Stanley E. Porter**, McMaster Divinity College, Hamilton, Ontario

“One would be hard-pressed to find a full-length, up-to-date treatment of [the Thessalonian Letters] that offers more than Weima’s. Judicious in judgment, gracious in engagement, and clear in argument, this commentary catapults Weima to the front of an increasingly crowded field. It will become a standard, go-to resource for scholars, ministers, and students alike.”—**Todd D. Still**, Truett Seminary, Baylor University

Jeffrey A. D. Weima (PhD, Wycliffe College, University of Toronto) is professor of New Testament at Calvin Theological Seminary, where he has taught for more than twenty years. He has taught courses all over the world and is the author of several books and articles.

Acts: An Exegetical Commentary, vol. 3

15:1–23:35

Craig S. Keener

In the third volume of this four-volume commentary, Craig Keener continues his detailed exegesis of Acts. The first three volumes cite more than 45,000 extrabiblical ancient references.

Endorsement

“Keener’s incredibly detailed megacommentary on Acts is a scholarly achievement that is unlikely to be surpassed in the foreseeable future. The author has an enviable mastery over an amazing number of primary and secondary sources, evident on nearly every page in footnotes providing both documentation and stimulating discussions. He provides in-depth discussions of various critical approaches to the major interpretive issues in Acts, revealing the strengths and weaknesses of each position while carefully arguing his own position. The commentary also includes a rich variety of informative excursions that provide detailed analysis of a wide variety of important side issues and topics. Every serious student of Acts owes it to herself or himself to carefully work through this significant contribution to scholarship.”

—**David E. Aune**, University of Notre Dame

Craig S. Keener (PhD, Duke University) is the F. M. and Ada Thompson Professor of Biblical Studies at Asbury Theological Seminary. He is the author of many books, including *The IVP Bible Background Commentary: New Testament, Miracles: The Credibility of the New Testament Accounts*, and numerous commentaries.

Defending Substitution

An Essay on Atonement in Paul

Simon Gathercole

ACADIA STUDIES IN BIBLE AND THEOLOGY

Craig A. Evans and Lee Martin McDonald,
series editors

“The meaning of Jesus’s death remains controversial. In this short exploratory study Simon Gathercole draws on a range of classical as well as biblical sources to argue that for Paul, at least, the notion of substitution remained central. Many questions remain, but this book will give new energy to the ongoing discussion.”—**N. T. Wright**, University of St. Andrews, Scotland

“In this little book, Simon Gathercole carefully and convincingly dismisses false dichotomies. The death of Christ is presented in the Bible as both representative and substitutionary. These learned and lucid lectures use the prism of modern disputes to take us to the heart of Pauline teaching on the cross. I highly commend it.”—**Mark Dever**, pastor, Capitol Hill Baptist Church, Washington, DC

The Church according to Paul

Rediscovering the Community Conformed to Christ

James W. Thompson

“Always with one foot planted firmly in the academy and the other in the church, James Thompson has given us a highly insightful, theologically rich, and timely study of the apostle Paul’s view of the church—one of the best Pauline ecclesiologies in print. This excellent volume should be studied not only by students of Paul but also by all who are (rightly) concerned about the identity and mission of the church today.”—**Michael J. Gorman**, St. Mary’s Seminary & University, Baltimore

“*The Church according to Paul* is as challenging as it is clever. It is clever because Thompson takes contemporary visions of the church and replaces the language of their proponents with Paul’s own language, thereby upturning today’s categories. It is challenging because it virtually dares those who are concerned with the state of the church today to rethink the church according to the mind of Paul. A useful and quite valuable read for anyone interested in either the church or the Bible, perhaps even both.”—**Raymond F. Collins**, Brown University

Encountering the Book of Romans

A Theological Survey, 2nd ed.

Douglas J. Moo

ENCOUNTERING BIBLICAL STUDIES

Walter A. Elwell, series editor

This new edition of Douglas Moo's accessible guide to the book of Romans has been updated throughout and features a new design.

Endorsements

"It is hard to imagine a more reliable guide to Romans than Douglas Moo. In this work he distills his knowledge in a way that is accessible to the ordinary person. If one wants to become acquainted with Paul's theology and gospel in Romans, this volume is the perfect place to begin."

—**Thomas R. Schreiner**, Southern Baptist Theological Seminary

"This clearly explained, beautifully illustrated introduction to Romans by one of the leading scholars in the field will be immensely useful to anyone interested in the letter. One could not find a more experienced and highly skilled guide through the terrain of Romans than Douglas Moo. The well-chosen maps and photographs and the thoughtfully crafted discussion questions make this book an ideal choice for introductory classes on the letter."—**Frank Thielman**, Beeson Divinity School

Douglas J. Moo (PhD, University of St. Andrews) is Kenneth T. Wessner Professor of New Testament at Wheaton College Graduate School. He has authored many books, including *Galatians* in the BECNT series, and chaired the Committee on Bible Translation for the New International Version revision.

Reclaiming Biblical Eschatology

J. Richard Middleton

"Richard Middleton plunges boldly into a most-treasured misreading of the Bible. He shows the way in which 'otherworldly' hope of 'going to heaven' is a total misread of gospel faith. In a demanding, sure-footed way he walks the reader through a rich deposit of biblical texts to make clear that the gospel concerns the transformation of the earth and not escape from it. Middleton summons us to repentance for such a mistaken understanding that has had disastrous practical implications. When his book catches on, it will have an immense impact on the way in which we think and act about our common future in the gospel, a common future with important socioeconomic, political derivatives."—**Walter Brueggemann**, Columbia Theological Seminary

"Middleton provides a much-needed corrective. This book is so comprehensive, so exegetically based and theologically rich, that it could serve admirably as a basic textbook on biblical theology. I cannot recommend it highly enough."—**Donald A. Hagner**, Fuller Theological Seminary

J. Richard Middleton (PhD, Free University of Amsterdam) is professor of biblical worldview and exegesis at Northeastern Seminary and adjunct professor of theology at Roberts Wesleyan College. He authored *The Liberating Image* and coauthored *Truth Is Stranger Than It Used to Be* and *The Transforming Vision*.

The Gospel of John

Francis Martin and William M. Wright IV

CATHOLIC COMMENTARY ON SACRED SCRIPTURE

Peter S. Williamson and Mary Healy, series editors

“This extraordinary book is a result of the rich renewal in biblical studies that has taken place in the last twenty-five years. Increasingly scholars see the importance of putting historical analysis of the scriptural texts in dialogue with theology, spirituality, and the dogmatic tradition. Francis Martin and William Wright have produced just such a reading of the Gospel of John. Their commentary is textured, smart, accessible, and spiritually alert. I would recommend it to novices and scholars alike.”—**Robert Barron**, Mundelein Seminary

“Commentaries on John are beyond counting. But amid the many books devoted to this great Gospel, this volume stands out for its easy accessibility, academic thoroughness, and enthusiastic support of the Roman Catholic tradition, its liturgical calendar, and its teachings. Abundant fascinating sidebars draw the reader back in time to both the biblical world and the great voices of the Catholic Church. An ideal commentary for lay leaders, teachers, and priests in the Catholic tradition.”—**Gary M. Burge**, Wheaton College and Graduate School

Revelation

Peter S. Williamson

CATHOLIC COMMENTARY ON SACRED SCRIPTURE

Peter S. Williamson and Mary Healy, series editors

Seasoned New Testament scholar and popular speaker Peter Williamson interprets Revelation from within the living tradition of the Church for pastoral ministers, lay readers, and students alike.

Endorsements

“Dr. Williamson, drawing on the best scholarship, has done an excellent job making sense out of a book that is notoriously difficult to interpret. Academically sound, pastorally useful, spiritually inspiring. Highly recommended.”—**Ralph Martin, STD**, Sacred Heart Major Seminary, Archdiocese of Detroit

“Peter Williamson has written a balanced, clear, informative, and insightful commentary on Revelation that is both Catholic and catholic. Attentive to the first-century context, the history of interpretation, and Christian liturgy and life, it offers us—like Revelation itself—guidance for the spiritual struggle between the first and second comings of the Lord.”—**Michael J. Gorman**, St. Mary's Seminary and University, Baltimore

First, Second, and Third John

George L. Parzenios

ΠΑΙΔΕΙΑ: COMMENTARIES ON THE NEW TESTAMENT

Mikeal C. Parsons, Charles H. Talbert, and Bruce W. Longenecker, series editors

“Amid a crowded field of commentaries on the Letters of John, this volume is perhaps first among its peers. At once accessible, thorough, and conversant with the intricacies of the Greek text, Parzenios provides both scholar and preacher with enormously valuable insights. This may just become the first commentary many will reach for when working in these short letters.”

—**Gary M. Burge**, Wheaton College and Graduate School

“This concise and able mid-range interaction with John’s letters draws on rich resources—ancient Greco-Roman backgrounds, patristic commentators, medieval art, and modern scholarship like that of Raymond Brown and Judith Lieu. John’s letters are seen as a coherent literary development of themes laid down earlier in the Fourth Gospel. Parzenios’s creative exposition will stimulate fresh reflection on these letters’ literary strategy and on the characteristics of faithful fellowship in the Johannine tradition of ‘christomorphic life.’” —**Robert W. Yarbrough**, Covenant Theological Seminary

Luke

Mikeal C. Parsons

ΠΑΙΔΕΙΑ: COMMENTARIES ON THE NEW TESTAMENT

Mikeal C. Parsons, Charles H. Talbert, and Bruce W. Longenecker, series editors

“No one is better suited than Parsons for the task of creating such a multifaceted commentary on the Gospel of Luke, and he delivers an innovative and helpful work—brilliant yet succinct and accessible.” —**David B. Gowler**, Oxford College of Emory University

“Contract a Greco-Roman historian, a literary critic, and a theologian—or commission Mikeal Parsons! Filled with rich interdisciplinary and intertextual insights, *Luke* in the Paideia Commentaries is vintage Parsons: tersely brilliant.” —**David P. Moessner**, Texas Christian University

“Mikeal Parsons deftly navigates through Luke’s Gospel, attending to its rhetoric, theology, historical context, and interpretive history. His rich engagement with the text itself makes this companion volume to his *Acts* Paideia commentary a welcome read.” —**Brittany E. Wilson**, Duke University Divinity School
