“Mark reminds us that faith in Jesus is worth the risk.”—Max Lucado

Now in  
paper

- Shows how the miracles of Jesus reveal what he wants to do in your life
- Stories of everyday people demonstrate that God still performs miracles today
- From the *New York Times* bestselling author of *The Circle Maker*

There are miracles all around us all the time,” says *New York Times* bestselling author Mark Batterson, “but you won’t see them if you don’t know how to look for them.” Batterson reveals the incredible power of the seven miraculous signs of Jesus found in the Gospel of John, showing how they were not simply something Jesus did in the past but are something he wants to do *now*, in the present. He shares true stories of people today who are experiencing miracles in their lives. And he brings to light countless miracles, big and small, that we take for granted every day that point us toward the One who healed the sick, calmed the storm, and yes, even raised the dead.

Nothing has changed since Jesus called Lazarus out of his tomb four days after his funeral. Our impossible situations still double as God’s greatest opportunity to reveal his glory. No matter how big the problem is, God is bigger still. Anyone who longs to see God work in miraculous ways today will love Batterson’s faith-building, life-giving message.

# Breaking through our Comfortable View of Jesus

- Author is a popular Christian blogger whose work has been featured by *The Washington Post*, *Focus on the Family*, *First Things*, *Christianity Today*, *Relevant*, and *Beliefnet.com*
- Easy-to-read, inspiring call to follow the Christ of the Scriptures with abandon
- Challenges ten pervasive “Americanized” views of Jesus

From hit songs to bumper stickers to eye-black, Jesus is trending high wherever you look. But at the end of the day, many “try Jesus” and come away disappointed in the experience. That’s because the Jesus of popular culture looks much more like us than the God-man who appeared in the flesh two thousand years ago. We’ve got Guru Jesus, Braveheart Jesus, Dr. Phil Jesus, Free-Range Jesus, and plenty more imposters that feed into our selfish desires. The problem is, they don’t have the power to save us or transform us into new creations. Luckily, it doesn’t have to be that way.

*The Original Jesus* calls readers back to the Jesus who demands our worship—the potter who molds us, the clay. Seekers, skeptics, and sojourners in the way of faith will see Jesus for who he really is: God in the flesh, calling us to surrender our very lives that we may truly live. Foreword by Russell Moore.

## EXCERPT

Following God in the dark places is scary, but not paralyzing. He knows when we should make a trail and where to pitch the tent. Where the next stream of life-giving water is and what the village on the other side of the mountain looks like. He sees what I cannot and illuminates the path. Not running ahead of me; not forcing me. But side-by-side, as trusted friends, we walk step in step. And I realize I am walking on holy ground. My lostness is made holy, my journey made bearable, my unknowing state becomes fully known as God journeys deep into the dark places with me. He is the treasure. His presence, the riches found in secret places. With each step the detour feels less like a curse and more like a holy excursion. Jesus has become the guide and the Guide is teaching me how to move forward in the dark.

*Do you trust Me?* I hear him ask.

My answer is sheepish and small. I don't yet have the courage to look him full in the eyes.

"Yes. I mean, I don't know how. But I'm trying. I want to trust You."

*Then take My hand. Oh, and Jenny? Fear not. Fear not. Fear not. Fear not.*

The *treasure of darkness* tells me not to fear. The *riches hidden in secret places* invite me to follow him deep into the unknown. I am not alone in my lostness.

# Lean into Life's Uncertain Seasons

- Beautiful and engaging writing style that will appeal to readers of Ann Voskamp, Margaret Feinberg, Jen Hatmaker, and Bob Goff
- Author is singer/songwriter and popular blogger with over 150,000 followers on social media
- Vulnerable, hopeful, and humorous guide to living through tragedy and doubt and moving forward

No matter how great or how terrible life is going, one thing is for sure—it's going to change. Sometimes it happens in an instant—you get married, you have a baby, you lose a loved one, you lose a job. Sometimes, it happens over time—you drift away from a friend, you discover you're not the same person you used to be, you find yourself struggling with doubt. But no matter what, we must deal with both the change we choose and the change foisted upon us.

Jenny Simmons is no stranger to both kinds. In this thought-provoking book, she shares her final days as the lead singer of the band Addison Road and the subsequent journey that led her through seasons of change, lostness, and finding new life. The result is a painfully vulnerable, laugh-out-loud, honest, and hopeful reflection on life's uncertain times. This encouraging book invites readers to view their not-how-I-planned-it moments as holy seasons that didn't catch God off guard at all.

# A World Traveler's Guide to Finding Home and Identity

- “Emily is an immensely gifted writer with a knack for taking her reader on a journey of experience.”  
—Tsh Oxenreider, author of *Notes From a Blue Bike*
- Wierenga is an award-winning journalist, the author of five books, an active blogger, and founder of the nonprofit The Lulu Tree
- Answers the age-old questions “Who am I?” and “Where do I belong?”
- Women will realize their source of identity lies nowhere around them but rather within them

For women who have grown up in the tension between third-wave feminism and Martha Stewart, it can be a struggle to define and embrace the meaning of *home*. There is constant pressure to do things a certain way, and sometimes intense criticism from those who think you’re doing it wrong. But what if home isn’t really about whether or not you homeschool or have a career? What if it’s more about who you *are* than what you do?

A self-proclaimed “former subversive,” Emily T. Wierenga has learned the art of making a home and the joy of settling down. Emily takes readers on an unconventional journey through marriage, miscarriage, foster parenting, and the daily struggle of longing to be known, inviting them into a quest for identity in the midst of life’s daily interruptions. Through soul-stirring writing, she helps women understand that homemaking is much more than old-fashioned tradition; rather, it’s a timeless art requiring mind, body, and spirit.

# Cultivating Peace in Our Time-Obsessed Culture

- Reveals a biblical understanding of time, releasing readers from cultural expectations
- Success of titles like *Crazy Busy* and *Margin* show a receptive market
- Lyrical, transformative writing in the tradition of Eugene H. Peterson
- Provides a Christian framework for both thinking about time and living faithfully within it

There's never enough time. So we try to cram as much as possible into what little time we have—work, friends, play, rest. But what if *How do I fit it all in?* isn't the right question?

Scripture has a lot to say about time. Taking a cue from Ecclesiastes—"Better one handful with tranquility than two handfuls with toil and chasing after the wind"—and drawing on everything from Augustine's *Confessions* to conversations with air traffic controllers, David W. Henderson encourages us to move beyond merely trying to open up a bit of margin or to say no once in a while, and to take a purposeful step back from our lives to examine those internal and external dynamics that propel us into busyness and hurry. Sharing honest stories about his own struggles with busyness, he helps readers explore the way the Scriptures frame our time—understanding the times, making the most of the time, and trusting God with the rest.

For anyone who is tired of feeling the push and pull of our time-bent culture, this book will be a welcome invitation to rest and to live artful and faithful lives marked by peace and tranquility.

# Focused Biblical Scholarship to Teach the Text Effectively

- Helps pastors move seamlessly from the meaning of the text to its effective communication
- Each preaching unit includes five sections: Big Idea, Key Themes, Understanding the Text, Teaching the Text, and Illustrating the Text
- Full-color illustrations, maps, and photos illuminate the text

To craft informed sermons, pastors scour commentaries that often deal more with minutia than the main point. Or they turn to devotional commentaries, which may contain exegetical weaknesses. The Teach the Text Commentary Series bridges this gap by utilizing the best of biblical scholarship and providing the information a pastor needs to communicate the text effectively. By concentrating each carefully selected preaching unit into six pages of focused commentary, each volume in this series allows pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage; sections dedicated to understanding, teaching, and illustrating the text; and full-color illustrations, maps, and photos.

The newest release in this innovative commentary series is Joe M. Sprinkle's treatment of Leviticus and Numbers.

# Spiritual Warfare Explained for Every Christian

Updated &  
Expanded

- Author is teaching pastor and CEO of *Living on the Edge* radio program, reaching more than one million active listeners each week
- A balanced approach to spiritual warfare for the next generation of believers
- Ingram's books continue to sell, year after year

Some Christians believe strongly in the existence of demons and spiritual warfare. Others downplay or even ignore the idea. With such divergent views, how are Christians supposed to know the truth about demonic forces at work in this world? *The Invisible War* examines what every believer needs to know about Satan, demons, and spiritual warfare, offering a balanced look at this controversial subject. This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer. Now repackaged for a new generation, *The Invisible War* offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves.

## EXCERPT

Theologian and pastor, John Piper, calls the eighth chapter of Romans the greatest chapter in the Bible. Or in shorthand, The Great Eight. Who am I to argue with him? Martin Luther called it “the clearest gospel of them all.” William Tyndale, who was martyred for translating Scripture into English, called it “the most excellent part of the New Testament.” I’ve always thought of it as the *What If* chapter because it’s so full of possibilities.

It’s Da Vinci’s Mona Lisa.

It’s Beethoven’s Symphony No. 5.

It’s Abraham Lincoln’s Gettysburg Address.

The Great Eight starts out in storybook style: *There is therefore now no condemnation to those who are in Christ Jesus.* It has a fairytale finish: *Nothing can separate us from the love of Christ.* Right in the middle, it crosses the Brooklyn Bridge of the Bible—all things work together for good to those who love God and are called according to His purpose. And then there’s the subplot—in all these things, we are more than conquerors through Him who loved us. But the touchstone is a little two-letter word in the middle of the chapter. It’s the linchpin, the kingpin. It’s the hinge on which the greatest chapter turns.

*If God is for us, who can be against us.*

That’s the game-changer, the life-changer.

If you have subconscious doubts, it’ll manifest in a thousand forms of fear.

If you believe it, it turns *if only* regrets into *what if* possibilities.

# God Is for You. All the Time. In Every Way Imaginable.

- From the *New York Times* bestselling author of *The Circle Maker* and *The Grave Robber*
- Unpacks the promise of Romans 8:31 to reveal the possibilities available to those who discover that God is for them
- Simultaneous curriculum release with full church campaign resources

**I**f is a powerful little word. Some people are stuck in “if only,” trudging through lives marked with regret. But God wants us to live lives marked with possibilities, with the “what if” attitude that looks forward to the future with confidence. Why? Because the answer to “If God is for us, who can be against us?” is “No one.” God is always on our side. Every day, in every way.

With his trademark enthusiasm and contagious joy, Mark Batterson helps readers overcome feelings of guilt, fear, and doubt because in Christ there is no condemnation. Unpacking the promises of Romans 8, he shows readers that they are more than conquerors—right now and forever. And because of that, the possibilities for their lives are limitless.

Christians from all walks of life will find themselves set free by this inspiring and entertaining read.

# Make a Difference Right Where You Are

- Shows readers that God made them just the way they are for a reason
- Author is an active speaker, thought leader, blogger, and managing editor of TheHighCalling.org
- Helps women transform feelings of uselessness into grace-filled, impactful living
- Foreword by Ann Voskamp

Every woman has had that moment—we see a need in our church, our school, our neighborhood, our family, or our world and we think, *Someone really should get to work on that*, never imagining that *we* might be the answer to that need. We don't have the time, the expertise, the money. We've got careers to manage, bills to pay, meals to prepare, and way too much laundry piling up. Besides, who are we to think we can change the world?

In this encouraging and empowering book, Deidra Riggs calls women to accept God's invitation to join him in making a difference right where they are, regardless of their current life stage. She shows women that they were created with a purpose and with the capacities to fulfill that purpose. And she reminds readers that it's not up to us to fix the world, but it *is* up to us to join God—and the rest of his people—in his redemptive work. For when God calls and the timid reader looks over her shoulder and answers, "Who, me?" God always emphatically answers, "Yes, you."

# Riveting Story of Pain, Friendship, and Triumph

- Beautifully written, gritty narrative encourages readers toward friendship, faith, and fortitude
- Author speaks to over 100,000 people annually
- Foreword by Mike Huckabee

In 1953, in Jonesboro, Arkansas, a baby boy was born—dead. The attending physician set his little body aside and tended to his mother for eighteen minutes. Now, more than sixty years later, that boy leads an internationally known ministry that encourages hundreds of thousands every year. *The Boy Born Dead* tells his incredible story from the perspective of his best friend, David Wideman.

As a teenager in the small town of Liberty, Missouri, in the late 1960s, David Ring grew up with the challenges that come with cerebral palsy, a result of his eighteen minutes of newborn silence. Along with his physical limitations, Ring was orphaned and shuffled from home to home, finally landing in an abusive situation that made him feel unworthy of love and, eventually, unworthy of life. But God had a purpose for Ring's life, and sent an agent to help him achieve it. Through the friendship of David Wideman, a boy he met in the halls of Liberty High School, Ring found strength he didn't know he had and went on to face his demons, marry the love of his life, and start an international speaking ministry.

Full of hope, this moving story illustrates how friendship and love triumph over adversity. Anyone who faces tough times will treasure this story of hope and courage.

## Pastors! Break Out of the Trap of Average and Pursue God's Best

The average church in America is declining by 9% every year, is behind on budget, and is unable to move forward with the kingdom plans God has in store. The average pastor is stressed out and struggling to maintain healthy relationships and life balance. But there is a way to overcome the cycle of average and step into a life of impact and excellence. *The Renegade Pastor* is a relevant, step-by-step resource for church leaders who are ready to step up in surrender to the pursuit of God's best for his or her life and work.

# Surviving Jihad, Finding Jesus, and Seeking Redemption

- The incredible story of an Egyptian boy bent on revenge becoming a force for forgiveness in his majority-Muslim country
- Personal account demonstrates the transforming power of forgiveness
- Author has an international platform as an advocate for the Christian church in a majority-Muslim Middle Eastern country

When Brother Nathan was a child in Egypt, he witnessed the unthinkable—his own father’s murder at the hands of terrorists. At first, he struggled with his powerful urge to seek revenge against his father’s assassins. Today, he ministers in the very village where his father was killed, as well as in countless other cities and villages across Egypt and throughout the Middle East.

*Love Casts Out Fear* tells the gripping story of a deadly attack, Nathan’s initial anger, and forgiveness that makes way for redemption. It also gives a firsthand account of the challenges faced today by Middle Eastern Christians, and of God’s provision for a ministry that touches the lives of thousands. Readers will passionately come alongside Brother Nathan in this true-life thriller as he shares the love of Christ in a dangerous place to claim Christ as Lord.

### ABOUT THE AUTHORS

**Brother Nathan** is a Christian leader currently working in **Egypt**, where Christians are a small minority and are subjected to many forms of discrimination on a daily basis. He graduated from university as a veterinary surgeon, but followed the call of God he felt on his life by leaving his job in 1986 to study at New Life Bible School in New Zealand. Upon completion of his studies, he returned to Egypt to begin his ministry. He and his wife have three children.

**David Culross** has been involved in various ministries for over forty years, including church music ministry and sacred and symphonic music publication. His global mission work has taken him to more than sixty countries around the world, including Eastern European countries during the days of communism and throughout nations in Africa and Asia. His up close and personal encounters with Christians all over the world give him unique insight into the persecuted church. He currently lives in **Grand Rapids, Michigan**, with his wife Sharon.

# Helping New Pastors Start Off Strong— and Smart

- Encouragement and practical help to discern a call, start a pastorate well, and avoid common pitfalls of the first years of ministry
- Advice to help a new pastor prepare for ministry and thrive in their unique call
- Written in a warm, conversational style from a pastor who's been there

**M**ost seminary graduates will begin their ministries with plenty of important head knowledge to share—but with a deficit of some of the most practical aspects of doing ministry, such as

- which ministry role most suits them
- how to start out strong at a new church
- persevering during difficult seasons of ministry
- leading meetings and delegating tasks
- safeguarding their family
- fighting discouragement, pastor envy, and a lack of contentment
- navigating special ministry needs, such as hospitals, weddings, and funerals
- and much more

Through his hard-won wisdom, Jason Helopoulos comes alongside new pastors as a trusted friend and mentor, ready to guide them through their first years of ministry with intelligence and compassion.

## How to Prepare Now for Pastoral Succession

Every pastor is an interim pastor. While there is no simple, one-size-fits-all solution to the puzzle of planning for a seamless pastoral succession, *Next* offers church leaders and pastors a guide to asking the right questions in order to plan for the future. Vanderbloemen, founder of a leading pastoral search firm, and Bird, an award-winning writer and researcher, share insider stories of succession successes and failures in dozens of churches, including some of the nation's most influential. Through case studies, interviews, and real-time research, the authors demystify successful pastoral succession and help readers prepare for an even brighter future for their ministries.

## EXCERPT

I find that most people, whether Christ-followers or not, have a horrible view of heaven. At best it's a cloudy, ethereal, disembodied, non-physical experience—yeah, maybe with love, joy, and no suffering sprinkled in—but if we're honest, we don't really get *excited* about it. We can't imagine actually *liking* it. At worst, people think of it as an endless, boring church service, singing songs you're not excited about—forever! That sounds horrible to me, and I'm a pastor!

How you think about heaven affects everything in life—how you prioritize love, how willing you are to sacrifice for the long-term, how you view suffering, what you fear or don't fear. I'm convinced we can't even begin—but we should try—to picture how magnificent, how spectacular, how much fun heaven will be—how much of what we love about this life and more awaits us in eternity. As the Scripture says, "No eye has seen, no ear has heard, and no mind has imagined what God has prepared for those who love him" (1 Corinthians 2:9, NLT). But that doesn't mean we shouldn't push our imaginations to the limit trying to understand.

I'm convinced that a poor view of the life to come is one of the primary reasons many people (Christian or not) live materialistic, self-centered lifestyles. They can't imagine heaven, so they don't live for it. But all the great heroes of faith "were looking for a better place, a heavenly homeland. That is why God is not ashamed to be called their God, for he has prepared a city for them" (Hebrews 11:16). Imagining and living for heaven is not optional in God's eyes—it's the hope God wants us to hold in our mind's eye.

# Fascinating Near-Death Experiences Reveal Scripture's Heaven

- Bestselling author of *No Perfect People Allowed* and pastor of a growing megachurch in Austin, Texas
- Author speaks to church leaders around the world on a regular basis
- Books about heaven and near-death experiences remain popular
- Puts NDEs to the test, comparing them with Scripture and encouraging a holy imagination when we think of heaven

It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises.

*Imagine Heaven* is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: *Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets?* This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

# Exploring the Hope and Tenacity of Jesus' First Followers

- Energetic communicator and pastor of Houston's First Baptist Church helps readers become part of something bigger than themselves
- Offers an engaging look at the Book of Acts that weaves the modern world with the biblical world
- Inspires readers to pursue what could be instead of being held back by what is
- Celebrates the church as a powerful force of renewal

The path of least resistance is seldom the path of greatest impact. This is a truth that the apostles knew intrinsically, but from which we, the modern church, seem to shy away. They boldly proclaimed the Gospel, in season and out of season. We want to avoid risk, avoid stepping on toes, avoid any bad publicity that might come with going out on a limb. But much like the first rockets to leave Earth's atmosphere, giant leaps forward in God's kingdom don't come without a big vision and a great big dose of risk.

In *Unstoppable Gospel*, pastor Gregg Matte calls readers to take up the task of the early church and go change the world. He shows how using ordinary, everyday people has been God's plan from the beginning and how we all have a part in that plan. He shares many practical ways Christians can get involved in their churches and communities to take advantage of the countless opportunities God provides for us to make a lasting kingdom impact in our world.

# God Is at Work—and Invites Us to Join Him

- Inspires discouraged Christians who yearn to see and be part of God's restoring work in this world
- Will appeal to readers of *WORLD* magazine and listeners of *BreakPoint*
- Foreword by *Focus on the Family's* Jim Daly

It's easy to get discouraged by the headlines. It can often feel as if God has left the building, like we are on our own. We want to believe God's promises to us, and we search for signs of his continuing restoration of the world in which we live. Now, with passion and heart, two leading experts on Christianity and culture cut through the chaos and uncertainty to show readers how God is powerfully active and intensely engaged in fulfilling his promise to restore all things unto himself. Through inspiring real-life stories of justice, mercy, love, and forgiveness in our midst, Smith and Stonestreet present a God who is intimately involved in his creation and using his church to work out the redemption of this world.

## Trusted Resource Updated for a New Generation of Ministry Leaders

3rd  
Edition

Strong leaders have vision that is both far-reaching and focused on the details. Having that vision is what separates the church with a hodge-podge of ineffective programs and activities from churches that reach people effectively, efficiently, and consistently with the Good News. Now in its third edition, this groundbreaking book continues to offer church planters, pastors, and ministry leaders concrete help with crafting vision statements, encouraging buy-in from the influencers in the church, turning up the energy level, and ultimately growing the church.

## Cultivating a High View of Scripture in a Relativistic World

In a culture in which all truth is relative and there are no absolutes, what does it mean to trust in God's Word? Do we really believe that such ancient texts have meaning for us today? How can we get the most from God's Word? Esteemed Bible teacher John MacArthur examines these and other questions regarding the authority, infallibility, and trustworthiness of the Word of God. Includes a Bible reading plan, a new preface, and helpful tools and resources for studying the Bible.
