EXCERPT

Our story here is more than just a vintage tale of what God did in a past generation. It's a bit of time travel, or a message in a bottle from an intriguing, long-gone era. And the message is this: God can do it again. He can surprise us all with a new season of extraordinary, radical, spine-tingling hope, and a new flood of His Holy Spirit on a new generation.

A new Jesus Movement would not look the same as it did fifty years ago. But in our own unruly times, God can certainly bring powerful revival to His Church and an awakening among people who don't yet know Him.

But that is something He tends to do only if people admit they need Him.

The hippies, flower children, and others who came to Jesus back in the '60s were desperate. They were willing to go to any lengths, or on any trip, to find what they were looking for. They'd throw off their clothes or their conventions, longing to break free of sin and shame. And when they heard the Gospel—the good news about Jesus Christ, and that He was real and alive and loved the whole world—it blew their minds, to put it in '60s vernacular. Their desperate search was satisfied.

So that's the central question for all of us, today. Young or old, are we going through the motions, comfortable and complacent, consuming some brand of cultural churchianity that has little to do with the electrifying Gospel of Jesus Christ? Are we really desperate to know God, to embrace the fresh, mysterious, powerful wind of His Holy Spirit?

Revival, after all, is not about human plans, programs, campaigns, or particular denominational movements. It comes from the real revolution that only God can bring.

IESSIS REVOLUTION

HOW GOD TRANSFORMED AN UNLIKELY GENERATION AND HOW HE CAN DO IT AGAIN TODAY

GREG LAURIE AND ELLEN VAUGHN

AURIE | VAUGHN

How the Jesus Movement Transformed the Church—and Can Transform You

- Riveting story of the Jesus Movement challenges readers to be radically transformed from the inside out
- Jesus Revolution documentary and feature film will release in 2019
- Laurie has a large social media platform with more than 1 million Facebook followers, and a daily nationally syndicated radio program, A New Beginning, broadcast on more than 1,000 outlets around the world

G od has always been interested in turning unlikely people into his most fervent followers. Prostitutes and pagans, tax collectors and tricksters. The more unlikely, the more it seemed to please God and to demonstrate his power, might, and mercy. America in the 1960s and 1970s was full of unlikely people—men and women who had rejected the stuffy religion of their parents' generation, who didn't follow the rules, didn't fit in. The perfect setting for the greatest spiritual awakening of the 20th century.

With passion and purpose, Greg Laurie and Ellen Vaughn tell the amazing true story of the Jesus Movement, an extraordinary time of mass revival, renewal, and reconciliation. Setting fascinating personal stories within the context of one of the most tumultuous times in modern history, the authors draw important parallels with our own time of spiritual apathy or outright hostility, offering hope for the next generation of unlikely believers—and for the next great American revival.

Those who lived through the Jesus Revolution will find here an inspiring reminder of the times and people that shaped their lives and faith. Younger readers will discover a forgotten part of recent American history and, along with it, a reason to believe that God is not finished with their generation.

The Secrets of True Significance

God can transform your life from ordinary to extraordinary, just as He did with Elijah. As far as God is concerned, there can never be enough Elijah-like men and women walking the earth, standing for His truth and upholding His glory. How does such a transformation take place?

In the chapters that follow, we will explore the seven secrets of significance, which are resolves you and I must make to experience the incredible life God desires for us.

Choosing the

Secret #1: Discover Your **Unique Purpose**

Every follower of Christ has a general purpose in life-to bring God glory and to enjoy Him forever. But each of us also has a unique purpose that answers the question: "Why has God placed me in this world?"

Elijah's life offers clues to how we can answer that question in our own lives. Elijah's unique purpose was serving faithfully as a prophet of God, confronting a wicked king and queen, and calling his nation back to the worship of the true God. Your call and purpose is probably different, but like Elijah, you have a specific purpose in life. In the next chapter, we will discover two questions that will help you determine God's unique purpose for your life.

What It Means to Be a Christian in an Increasingly Polarized Culture

- Insightful exposition of the exile narrative paired with engaging modern-day examples
- Author has a unique perspective as an influential pastor in the post-Christian context of Portland, Oregon
- Foreword by Gabe Lyons

For three generations, God's chosen people were exiles in the land of Babylon. Today, many Christians in America feel like exiles within their own country, and there is growing disagreement regarding how to live faithfully in this complex cultural moment. Some desire to conquer our Babylon and return to a type of Christendom they believe existed in an idealized past. Others seek to assimilate the values of our culture into the church. And in between are those who are uncomfortable with either extreme, who feel spiritually homeless. These exiles are looking for a new way of understanding what faith looks like in a polarized, pluralistic, post-Christian culture. They want to know: What does it mean to be the people of God now?

That's the question Rick McKinley seeks to answer. He shows exiled Christians how people of faith from other times and places discovered how to live faithfully, prophetically, and imaginatively, neither compromising their principles nor their compassion, and never giving in to despair.

- Author is a pastor of Watermark Community Church and the leader of The Porch, an influential young adult gathering of more than 3,500 each week in Dallas, Texas
- Each chapter includes discussion questions, a great resource for young adult small groups and excellent graduation gift book

Every day, another Millennial becomes an adult. For many young people, the transition is a bumpy one, fraught with opportunities to make mistakes and bad choices. The clear expectations they had at home or in school are gone, and they may feel unprepared to face what comes next.

But sometimes we make it harder than it has to be. Combining entertaining stories from his own experience, insights from the Bible, and compelling evidence from research, "JP" Pokluda lays out a roadmap for how to navigate life as an adult, addressing topics like

- friendships and dating
- career and money management
- interpersonal conflict
- controlling anxiety
- recovering from addiction
- and discovering your purpose on this earth

Anyone struggling to find a footing in the world of adult life will welcome this witty, non-patronizing guide.

ABOUT THE AUTHORS

Jonathan "JP" Pokluda is teaching pastor at Watermark Community Church, with an average weekly attendance of 12,000 people, and leader of The Porch, an influential gathering of thousands of young adults who come hear the gospel and get equipped for Kingdom purposes. Pokluda came to understand the grace of the Gospel in his early twenties after being involved in different denominational churches his entire life. This ignited a desire in him to reach people in their twenties and thirties for Christ. He lives with his wife, Monica, and their three children.

Kevin McConaghy works as a copywriter for a marketing agency in Dallas, Texas. He's been involved with The Porch since the day it first launched, and served in a variety of roles there for over a decade. As an editor and contributor to *The Porch* blog, he's collaborated with JP on writing projects for a number of years. He and his wife, Juliana, have one daughter, Clara, and another child on the way.

We're looking for a book that reminds us why we read in the first place. One that was written well and feels like it was written just for you—one that made you think about things in a new way, or feel things you didn't expect a book to make you feel, or see things in a new light. A book you didn't want to put down, whose characters you didn't want to say goodbye to. A book you close feeling satisfied and grateful, thinking *now that was a good one.*

If I could read only great books for the rest of my days, I would be very happy. But actually finding those books—for myself or any other reader—isn't so easy, because a "great" book means different things to different people.

When we talk about reading, we often focus on the book itself, but so much of the reading life is about the reader as an active participant. To put a great book in your hands, here's what I need to know: When you turn to the written word, what is it you are looking for? What themes speak to you? What kind of writing resonates with you? What sorts of places do you want to vicariously visit? What types of characters do you enjoy meeting on the page? What was the last story you wished would never end; which was the last volume you hurled across the room, and why?

Without the details of what great means to you, and without knowing what kind of reader you are, the question might be simple, but it's not an easy answer. It might even be impossible!

To hand you a great book, I don't just need to know about books, I need to know you.

I lived so much of my life with a list of things to change, to do better at, if not on paper then in my mind. I think most of us do and the message is always: we can do better.

We'll not only join the gym, we'll go!

This new diet plan will work and by summer we'll be bikini ready. (Note to self, don't you dare buy a bikini. Even if you're thinner things are not where they used to be and no one but your loving husband needs to know that.)

We'll start that read-through-the-Bible-in a year plan again. (Last year I got to May 7th and got distracted and by the time I realized it, I was a whole Leviticus, fifty-three Psalms, and Romans behind.) OKEY NOT

BE

OKA

We'll recover from the overspending and be financially responsible.

We'll cook wholesome nutritious meals for our family and sit down at least five nights a week together at the table.

We'll reduce our television watching and read more books.

Sometimes the messages carry much more weight.

This marriage will work.

We will get out of debt.

Our children will come back to Christ. We'll eat better to save our lives not our waistlines.

I don't know what your internal list looks like but if it's anything like mine it usually serves to let us know where we've failed. Lists are written when the kids are asleep or you've had a good night's sleep and a cup of coffee. The trouble is the kids wake up and that impossible woman you work with gets louder and more obnoxious by the minute and no amount of coffee is going to help.

This cause-to ignite the next generation of Christians for Jesushas lit Mark and me up for a long time. Mark has written books, taught hundreds of thousands of teens and leaders, and prepped parents for life in this new reality. I, too, have spent the better part of my working life trying to get a handle on the problems facing the next generation, and on potential solutions

It is our contention in this book that today's society is, for many reasons we will explore, especially and insidiously faith-repellent. Certainly God's people have weathered hostile seasons in the past; the pages of Scripture and the annals of Church history remind us it is never easy to live faithfully. But our research shows that resilient faith is becoming more rare today, and tougher to grow.

That reality leads us to our main argument in Faith for Exiles:

Non-Christians are avoiding Christianity and young Christians are abandoning church.

But by cultivating five practices, we can meet the deepest longings of our anxious age.

Even now there is hope hidden in the cracks. We find this hope breaking through in places like Scotland and Ireland and the wider UK and Australia-societies that are even more post-Christian than our own. We see it in our research in North America, too. And what we find confirms again what Christianity's long history reveals: The roots of faithfulness can sink deeper in anxious, unsettled times. Faith can grow even—and sometimes especially—in the darkest of times and places.

Over a decade's worth of research with nearly 100,000 teens, young adults, parents, and church leaders shows us how young faith can mature and last a lifetime. This book is about what we've discovered. as best we can describe it at this moment in time.

n a series of groundbreaking studies that led to two bestselling books, David Kinnaman and his Barna Group uncovered the truth about why young people are increasingly resisting and rejecting the church. But the news isn't all bleak. Recent analysis of Barna's incredible store of data reveals a hidden hope: the church is already perfectly equipped to meet young people's deepest desires and most pressing needs.

In *Faith for Exiles*, David Kinnaman teams up with former executive director of Youth Specialties Mark Matlock to reveal five formational practices that have the power to cultivate resilient faith in the next generation. Drawing on groundbreaking insights and never-before-released data, Kinnaman and Matlock show readers that God has not given up on the American church. In fact, the church is needed now more than ever.

Pastors, youth ministers, and concerned culture-watchers will find the hope they've been looking for as they navigate a rapidly changing, increasingly alien culture alongside young, faithful, thriving Christians exiled in digital Babylon.

Trusting God When He Isn't Living Up to Your Expectations

- Demonstrates how to have real faith in a world that's messy, in a church that's imperfect, and when God doesn't live up to our expectations
- Tackles tough theological questions from a biblical viewpoint
- Author's podcast, *Newsworthy with Norsworthy*, had more than 300,000 downloads in the past year and more than 1 million downloads total

t's hard to say that God is good when God isn't always what we expect *good* to be. A good father wouldn't make it so difficult to get to know him, would he? And if God is all-powerful, wouldn't he ensure that we never suffered? Either our understanding of God is incorrect, or our definition of *good* is inadequate.

In a world that is messy and a church that is imperfect, it's easy to let our faith be lost. But that doesn't mean we have to lose God. It means we must consider the fact that perhaps our idealized expectations are just plain wrong. With transparency about his own struggles with cynicism and doubt, pastor Luke Norsworthy helps frustrated Christians and skeptics trade their confinement of God in an anemic definition of *good* for confidence in the God who is present in everything, including our suffering.

Be a Man of Strength, Courage, and Honor

- Tome is the pastor of the fastest growing church in America according to *Outreach Magazine*, with more than 30,000 members
- A profound look at manhood from the perspective of the five marks that make a man
- Encourages men to assume responsibility for their place in the world and step into a new reality—one defined by strength, purpose, and a code of honor

Aboy doesn't automatically become a man at age 18. What differentiates a man from a boy is the way he lives. A man has a vision for his life while a boy lives day to day. A man is a team player while a boy wants to be MVP. A man works while a boy plays. A man has the courage to take a minority position while a boy wants the reassurance of the crowd. A man is a protector while a boy is a predator. These are the five marks of a man. It's not enough to just know them. A real man aggressively pursues them on a daily basis.

Drawing from his own experience and the lives of others, pastor Brian Tome calls on men to examine themselves and take steps in the direction of a fully realized manhood that honors God, respects women, elevates others, and works purposefully for an end greater than their own satisfaction or pleasure. It's time for men to step into their honorable place in the world and lean into a new reality—one defined by strength, purpose, and honor.

An All-In Faith in a World Full of Options

- Each chapter includes guestions for individual or small group study, challenging readers to consider whether they are faking it or fully following Jesus
- Author is an active speaker at ARC churches and conferences such as Hillsong, Cherish, and reCreate
- Invites readers to stop faking it with misplaced worship, religious obligation, cultural captivity, and rule following, to live as passionate followers of Jesus

e live in a culture where many identify as "Christian" without fully V embracing what it looks like to follow Jesus day-in and day-out. After gathering on a Sunday, do we simply go about our business, void of true transformation? Is the gospel simply a self-help tool, the church just a place where our needs can be met? It's time to ask ourselves, "Am I really following Jesus? Or am I just faking it?"

With eye-opening personal stories, Scripture, and thought-provoking questions, Andi Andrew lovingly invites readers to examine their hearts to discover whether their faith is a genuine, life-giving marriage of belief and practice in response to Christ's life and sacrifice, or if it is just a lifestyle choice on par with any other. She encourages readers to surrender their whole lives to Jesus daily, grapple with hard questions they may have been avoiding, and discover a life fully alive, following in the way, the truth, and the life of Jesus Christ.

Finding God's Goodness and Love in the Midst of Uncertainty

- Great writing on one of the most beloved passages of Scripture invites readers to experience Psalm 23 in a fresh way
- Author is a significant leader with Convoy of Hope, the World Assemblies of God, and speaks to hundreds of thousands annually
- Asks the provocative question: What if what we perceive as a spiritual trial is actually an invitation from God?

Perhaps no psalm is more widely known than Psalm 23. Spoken by David during a time of great stress and difficulty, it summons us to lie down in green pastures and walk thru the valley of the shadow of death. Yet so often it seems we do just the reverse, lying down in the valley and fixating on the danger, fear, and uncertainty. We wonder where God has gone and why he doesn't make things right, never considering that perhaps what we perceive as a spiritual trial is actually an invitation from God.

In this inspirational examination of Psalm 23, Heath Adamson asks the provocative question: What if the green pasture and valley of the shadow of death is the same place? Uncovering the rich historical and spiritual context of the shepherd's psalm, he explores how God has provided a place of rest for each of us, even in the times of unrest, uncertainty, moral ambiguity, and fear.

ABOUT THE AUTHOR

Heath Adamson's life was changed dramatically when, at the age of 17, he was saved out of a life steeped in drug abuse and the occult. Now a popular and powerful speaker at conferences, seminars, universities, and churches, Adamson seeks to bring audiences from simply knowing information about God to actually experiencing God in life-changing ways. His dramatic salvation experience has led him to serve in multiple leadership roles with global

influence, including Empowered 21's Next Generation Network, and as the global chairman for the Next Gen Commission for the World Assemblies of God Fellowship. He serves at Convoy of Hope, a global nonprofit focused on God's compassion and justice, where loving the poor and needy is a privilege. He is currently a PhD candidate in religious studies at the University of London. He and his wife, Ali, love living God's dream together with their two daughters.

How to Influence Your Teenager's Life When They Seem to Be Pulling Away

- Gives fresh perspective on how parents can be an effective influence in their child's life through the critical adolescent years
- Author writes, podcasts, and frequently speaks on parenting topics
- Author's blog receives more than 75,000 monthly visitors and has 60,000 email subscribers

Many of us enter parenthood with a perfect vision of what our family will be. But along the way we discover that the children we've been blessed with are real human beings, with their own minds, ideals, and views of the world. Our influence only goes so far, and when those children reach the pre-teen and teenage years, it may seem to have disappeared completely. Yet at no time in a kid's life is their parents' positive, godly influence more critical.

For parents who are concerned that their child is pulling away, following poor role models, or making choices that will lead to pain and difficulty, Mike Berry has good news: it's not too late. He offers parents six keys to maximizing and leveraging their influence to help their children through these difficult years and develop a relationship with them that can weather any storm.

Field-Tested Guide for Faithful Service as an Elder

- Concise guide shows pastors how to raise up and train elders
- Authors have a combined 42 of years training pastors at Trinity Evangelical Divinity School and The Orchard Network
- Helps potential elders grow in knowledge of the Lord, in godly character, and in skills to serve God's people

Pastors and church leaders are in need of mature, godly elders to ensure church health, but the training of elders is often entirely missing or badly neglected. What if there were a process to proactively call and train elders?

The New Elder's Handbook is designed to equip elders with the knowledge, character, and skills the office calls for. It takes church leaders through the development of a vision for ministry, recruitment of elders to carry out that vision, and specific, biblical training, providing a way to be intentional about developing elders.

Pursue Peace and Unity in Your Church

- Foreword by Ken Sande, author of bestselling *The Peacemaker* which has sold more than 500,000 copies
- Gives pastors and church leaders practical tools for proactively pursuing unity rather than reactively responding to conflict
- Author has been a pastor for more than 35 years

When human beings are involved in any endeavor, conflict is inevitable. But the best fight is the one a church never has to have because its members have been intentionally cultivating practices that lead to peace and preserve unity.

Whether they are dealing with conflict right now or hoping to avoid it later, church members, pastors, and ministry leaders will benefit from the proactive approach to peacemaking found in *The Peacemaking Church*, which will equip them with the knowledge and practices they need to instill in their church leadership and membership. The Essential, Comprehensive Dictionary of World Religions

- Apologetics resource helps readers understand the differences between religions
- Compiled by more than 75 contributors and scholars, including Francis Beckwith, Robert Bowman, Winfried Corduan, Gary Habermas, and Irving Hexham
- Comprehensive resource contains nearly 500 entries covering world religions, movements, theological terms, and major historical figures

With all of the different religions, sects, denominations, and belief systems out there, it can be difficult to separate the facts from mere opinion, especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them. How can we truly understand if we cannot even be sure we are getting the facts straight?

In this comprehensive resource, more than 75 evangelical scholars offer a thoroughly researched guide to Christianity, other world religions, and alternative religious views, including entries on movements, theological terms, and major historical figures. Perfect for pastors, students, and anyone who wants ready access to information on today's religious landscape.
