EXCERPT

There were four of them, clad in orange jumpsuits, hands and feet manacled together, shuffling into the courtroom. All in their late teens, they looked down, avoiding eyes, exuding pain and shame more than anger or defiance.

Ours was third in line. He looked for us, then turned away. My tears came—I couldn't stop them. That was my son—chained and imprisoned.

Loving a prodigal isn't easy. That prodigal most often is a child, but can also be a sibling, a grandchild, a friend, a spouse, even a parent.

And when those prodigal choices continue over years, you—the one who loves this prodigal—can grow desperate. Nothing is making a difference. Fear escalates. Faith dwindles. Hope wanes. What can you do?

You will ask for help, for wisdom, for advice. You will be told to set boundaries, to practice tough love, and for sure to not enable that prodigal.

These are good things, but I think God has given us a higher priority in his model. He has focused most often on love, mercy, and grace—in his dealings with Israel, his restoration of individuals, in the life and death of his Son, and in the story of the prodigal son.

In my own life, as well, I have not experienced judgment and punishment from God, but rather love, mercy, and grace—over and over. So come, walk with me through this difficult but rewarding wilderness journey of loving a prodigal.

Hope and Help for Those Agonizing over a Prodigal

- Author is director of women's resources for Cru and the wife of Cru president Steve Douglass
- Douglass has created a thriving community for families struggling with prodigals
- Author has firsthand knowledge from walking with her own prodigal for over 20 years
- Offers comfort, hope, and encouragement for continuing the pursuit of a prodigal

Loving a prodigal is a long and desperate journey, filled with fear, worry, anger, self-recrimination. You wait for the phone call—will it be from jail or the hospital? You plead with your loved one. You search for help. You feel the shame. You cry out to God, "How long, Lord?"

Author Judy Douglass knows these lovers of prodigals well. She is one herself and has created a large and growing community with others. *When You Love a Prodigal* is a collection of 90 essays—90 days of perspective on what God offers to you as you love your prodigal. At the end of each brief essay, response questions will help you process how God intends to use the wilderness journey to mold your spiritual life. You can work through it day by day, or you can read it straight through.

Judy has traveled this road with her own prodigal—reading, learning, praying, and seeking God. Over and over he continued to give her wisdom, he sustained her, he covered her with grace, and he filled her with hope. May you, too, be strengthened and filled with hope as together you discover how God will take you through your own valley.

365-Day Devo Gives Readers a Relational Overview of the Whole Bible

- Draws women into an experience with God rather than just a study of the Bible
- Focuses on the whole narrative of the Bible as it moves from Genesis to Revelation
- Great for women who want a less time-intensive approach to going through the Bible in a year

God put the Bible together for you, and he wants you to understand and know him better. But sometimes you can get lost in the details and miss the big picture. The Bible is more than just a collection of wisdom, instructions, and history. It's one unified story of the incredible love of God!

Encountering God's Heart for You takes you on a daily journey through the full narrative of Scripture in a year. And in the process, it will draw you nearer to God as you discover his love and compassion. It won't cover every verse, or even every chapter, in the Bible, but by the time you're through, you'll have a strong grasp of what the Bible is all about.

Reading Scripture isn't just a way to collect information or check something off a to-do list. Let this book bring you into God's presence to better understand the Bible's story of love, sacrifice, and redemption as he draws you to himself.

Vital Advice When You Are Considering Foster Care or Adoption

- Trustworthy advice from a global agency that has provided adoption and foster care services for 75 years
- Bethany Christian Services has about 100 branch offices in 33 states and a presence in 10 countries
- Sure to be a high-interest topic, particularly during National Adoption Awareness Month (November) and Foster Care Month (May)

More and more individuals, families, and churches are seeking ways they can respond to the biblical mandate to care for “the least of these.” The desire to help children coming from difficult situations is a necessary starting point, but what comes next? You need to know the steps for getting involved and what will truly help.

Filled with real-life stories and practical advice, *Called to Care* starts by helping you honestly assess your motivation to help—sometimes the wrong motivation sets the stage for an unsuccessful experience. From there, the book shows what adoption and foster care really look like in a variety of situations, from domestic and international adoptions to short-term foster care and foster-to-adopt arrangements. Also included is how churches and individuals can minister to refugees. Rounding out this comprehensive yet concise book are tips for assessing your preparedness, how to meet common emotional and physical challenges, and the most effective ways to help families stay together and thrive.

You Can Help Your Daughter Overcome Worry and Anxiety

- Anxiety has become a childhood epidemic, particularly plaguing girls
- Practical strategies for parents of girls ages 6–18
- Also helpful for educators, children’s pastors, and grandparents
- Foreword by Carlos Whittaker

If you have a daughter, it would be surprising if she doesn’t struggle with anxiety and worry—either in short episodes or for longer periods. For a variety of reasons, childhood anxiety rates are soaring, especially among girls. Today’s parents need to know what contributes to anxiety and worry and how they can empower their daughters to overcome troubling emotions.

In this immensely practical book, veteran counselor Sissy Goff shares how you can instill bravery and strength in your daughter. Addressing common age-specific issues, Goff gives you the tools to help you and your child understand why her brain is often working against her when she starts to worry, and what she can do to fight back. With your help, she will find the anchoring truth of God’s strong, safe love for her and the confidence she needs to thrive.

A Helpful, Illustrated Guide for Elementary-Aged Girls Dealing with Worries and Anxiety

- The first book of its kind—a girl's guide to overcoming anxiety from a Christian perspective
- An ideal complementary resource to *Raising Worry-Free Girls*
- Author is a sought-after expert with 25 years of counseling experience

As a parent, you can use certain strategies to help your elementary-aged daughter when she struggles with worry and anxiety. But it is also important that she learn how to work through her emotions on her own.

This illustrated guide—created for girls ages 6 to 11, the stage when anxiety issues often surface—will help your daughter see how brave, strong, and smart God made her. Through easy-to-read stories and writing and drawing prompts, she will learn practical ways to fight back when worries come up. She will feel empowered, knowing she is deeply loved by a God who is bigger than her fears. This level of trust is the spiritual antidote to anxiety and the path to feeling capable and confident in any situation.

Take Control of Your Blended Family Finances

- Finances are the #1 topic for the blended family audience, based on Ron L. Deal's website hits and conference interest
- The Smart Stepfamily brand is the biggest platform in the Christian blended family community
- Unique blend of financial and legal information and personal/relational advice for blended families

Money issues are a frequent source of conflict in all marriages. But blended families are a monetary minefield. Debts, bills, and child support payments from previous relationships often influence the finances of a blended family. And planning for college expenses, retirement, and inheritance gets even more complicated in remarriage. These issues can explode couple unity and blow up developing family harmony.

However, proper blended family money management can make money an asset to your relationship, not a liability. The authors use over 50 years of combined financial planning and blended family educational experience to help you envision your combined financial future and plan for how you'll get there. You'll discover practical ways to merge your current financial realities and protect your marriage while doing so.

Get real-world financial advice specific to unique blended family legal and relational matters so you can provide for your family both now and in the future.

EXCERPT

Though each of our motherhood stories is unique—no two mamas have walked, crawled, or stumbled down the exact same road—I believe we all share the common bond of feeling like we’re not quite cut out for the job. It’s a fear that transcends our individual challenges and abilities. Whether you birthed your child through hours of physical labor or you labored through years of prayer and paperwork for a courtroom declaration, at some point every mom wonders if she really is enough. Our feelings of inadequacy may manifest in different ways, but essentially, we’re all grappling with the same thing: how to love well the imperfect child entrusted to our imperfect care.

If you’re hoping I will share a ten-step solution to total-confidence parenting, I guess now’s the time to break the news that this is not a book of magical motherhood how-to’s and inadequacy quick fixes. I don’t have it all figured out. But I know the One who does. And I want to virtually reach through these pages, put my arm around your shoulders that are sagging under the weight of motherhood, and whisper in your ear, *You can do this. You ARE doing it. God did not make a mistake in pairing you and your child together. You are the right mom for the job.*

The Encouragement and Support You Need for Challenging Mom Days

- Author is the new community manager and face of (in)courage—DaySpring’s online community of Christian women, with 500,000 subscribers and followers
- Addresses a top struggle of today’s moms: feeling inadequate
- Foreword by Lisa-Jo Baker, bestselling author and national speaker

No Better Mom for the Job is for any mom who has ever felt inadequate—who loves her kids fiercely but sometimes thinks another mom would do a better job in her shoes. Becky Keife knows the ups and downs of motherhood. And she has learned along the way and from other mamas that it doesn’t work to try to do more or be better. Confidence comes from leaning on the One who made you a mother.

Through these pages, you will discover how to

- exchange negative internal dialogue for joyful gratitude
- identify and celebrate your one-of-a-kind mom strengths
- establish boundaries that set you and your child up for success
- recognize evidence of God’s work in your life and growth in your kids
- and much more

Filled with encouraging stories and practical, biblical wisdom, each chapter also includes one simple action step and a powerful prayer, all to help you see yourself as exactly the mom your child needs.

Daily Encouragement for Your Soul through the Prayers of Jane Austen

NOW IN PAPER

- Author is a premier Jane Austen scholar who regularly writes for the *Jane Austen's World* blog, which receives over 1 million hits per year
- Charming family stories and scenes from her novels bring Jane Austen's faith to life
- "Praying with Jane is a wonderful devotional for anyone, and a perfect gift for an Austen fan."
—Julie Klassen

The charm of Jane Austen and her novels has been enjoyed for over 200 years by readers around the world. Much has been written about her fascinating life, yet little is known about Jane's spiritual side. In this lovely 31-day devotional, you will get an in-depth look at Miss Austen's vibrant, steadfast prayer and faith life. Her intimate relationship with the Father comes to life through her exquisite prayers, touching biographical anecdotes, intimate excerpts from family letters and memoirs, and illuminating scenes from her novels.

Spiritual insights and Scripture references shed light on the profound meaning behind Miss Austen's prayers and the enduring truths they contain. Each day ends with a key Bible verse and invitation to pray, helping to ignite and deepen your own vibrant relationship with the Father.

Seeing Things from Your Stepchild's Perspective Can Revolutionize Your Family

- Foreword by Ron L. Deal, bestselling author of *The Smart Stepfamily*
- Author grew up in a blended family and writes from that perspective
- Author works in the field of relationship education, counseling and speaking on the topic of family relationships

As a stepparent or biological parent in a blended family that has experienced divorce, you may encounter resistance. But take heart. That resistance is probably not because of your personality or something you've done wrong, but because of the position you hold. Walking in your child's shoes for a while, to see things from their point of view, can make all the difference.

Lauren Reitsema's stories, research, and firsthand experiences will help you better understand the mindset of your child. While every stepparent/stepchild relationship is unique, there are many common themes that children experience as they adapt to their changing family. Lauren carefully explains these themes and brings out practical ideas that will help you cultivate authentic connections.

Discover what's going on in the heart and mind of your child and learn to walk beside them. Your efforts will pay off in stronger, closer blended family relationships.

A.W. Tozer on Jesus’s Love Seen through the Book of John

- Originally a sermon series, this material has never before been available in print
- Focuses on Jesus’s relationships on earth as a model for our relationship with him
- Tozer continues to be one of the most influential pastors in recent history

God came in the flesh to show us what love looks like. To truly see the dynamics of this love, we must take a close look at Jesus’s relationships while he was here on earth. How he loved then is how he loves now, and how he loves now is how we as believers are to love.

No Greater Love is a study of Jesus’s interactions with people throughout the book of John, including Nicodemus, the woman at the well, and even the Pharisees. What did this love look like in action, especially with those who are hard to love? As it turns out, he didn’t love people because they deserved it; he loved them because he *is* love.

With the great tragedies in our culture today there is a need for this “Jesus love” that’s available to all believers. May this book help you better know his love for you—which, in the end, will lead you to becoming more like him.

No Greater Love

The Most Practical Small Group Book on the Market

- A great resource for pastors and small-group ministry leaders
- Focuses on overcoming challenges, how to lead discussions and prayer times, and sample studies
- Author served for five years as the small-groups pastor of a large, rapidly growing multisite church and is well connected in the small-groups ministry community

You're interested in leading a small group, but you're a little afraid. What are you getting yourself into? How do you get started? Don't worry—you're not alone. Many small group leaders feel ill-equipped for the task of leading in spite of the many books, conferences, online resources, and church-based training opportunities that are available.

Other small group books tend to focus on the overall theory of the small group's place in the life of the church rather than the day-to-day nuts and bolts. *Small Groups Made Easy* focuses on practical pointers, overcoming challenges, and how to lead discussions. Half the book is made up of short sample Bible studies and topical studies that include icebreaker questions, discussion questions about the text, and guides for leading prayer times.

In this book you'll discover all the tools you need to lead an effective small group.

Discover the Living Truth of a Foundational Christian Belief

REPACK

- One of the leading texts on a key doctrine of the church
- Author continues to speak, debate, and teach around the world
- A balanced look at all three persons of the Trinity

While many of us struggle to understand it, the Trinity is one of the most important teachings of the Christian faith. It defines God's very essence and describes how he relates to us. And while it can be a difficult concept to get our heads around, it is crucial for believers to understand how God explains his triune nature in his Word.

In this book, James R. White offers a concise, understandable explanation of what the Trinity is and why it matters. While refuting the distortions of God presented by various cults, Dr. White shows how understanding this teaching leads to renewed worship and a deeper understanding of what it means to be a Christian. And amid today's emphasis on the renewing work of the Holy Spirit, *The Forgotten Trinity* is a balanced look at all three persons of the Trinity.

May this book deepen your understanding of this important doctrine while also drawing you closer to the triune God himself.

A Compact Version of the Bestselling *The Kingdom of the Cults*

- Over 1 million copies sold of the full version
- Includes all the latest research on demographic changes, cultural trends, and shifting beliefs within religions
- This quick reference guide on cults and religions is perfect for teachers, pastors, and students

False religions abound in the US and beyond, and Christians need information they can trust. Since the 1960s, *The Kingdom of the Cults* has been a trustworthy, well-researched resource on this topic for pastors, lay leaders, and other Christians.

The Kingdom of the Cults Handbook takes that same, reliable information and pares it down into a more concise and simplified format. It's perfect for everyone from Christian teachers and ministry leaders to those who just want to better understand the religion of their neighbors. Covering everything from established religions like Islam and Buddhism to shifting trends in Mormonism, Scientology, and Wicca, this book will answer your questions and help you understand and communicate the key differences between true Christianity and other belief systems.
