# Powerful New Release from a Rising, Energetic Leader in the Vineyard Community

- Author has ministry connections with Robby Dawkins, Randy Clark, and Putty Putman
- Blount has been equipping believers and churches in living a life of empowered evangelism throughout the US and internationally for over 20 years
- Blount has been featured as a guest on Sid Roth's *It's Supernatural!*
- Foreword by Robby Dawkins

The Holy Spirit has empowered every believer not only to proclaim but also to demonstrate the reality of the good news of the gospel by living a lifestyle of signs and wonders that puts Jesus on display. As we look for the Holy Spirit's activity happening around us, listen for His voice, and respond in obedience, we enable others to encounter the love and power of Jesus through us. We don't bring ministry, Pastor Brian Blount says; we simply step into it. But there is still risk involved: We have to step out of the boat and walk on the water of uncertainty for the sake of the kingdom. How can we overcome the fear of failure and rejection?

Offering practical insights and tools through true personal stories, Brian helps believers stand on a firm biblical foundation in order to engage in the ministry of Jesus every day.

Live boldly as you participate in the lively lifestyle of everyday evangelism!

**EXCERPT**

How can a Christian be in bondage to the spirit of fear when the kingdom of God does not share territory with the kingdom of darkness? We allow the spirit of fear to take control not only of our lives, but of our pulpits and pews. That's why the church today is in denial, because we have failed to embrace what Jesus Christ has called us to do: our true mission.

It's time to give the spirit of fear an eviction notice and kick it out of our churches and set believers free. No wonder the early church was feared and respected everywhere they went. Yet we have lost our way as the church today. We have abandoned our true calling to set the captives free.

It's time for us to claim our true identity as believers and the church of Jesus Christ, to take back the territory and regain the victory, because God has not given us the spirit of fear, but of power and love and a sound mind (2 Timothy 1:7).

The worst fear is nothing but smoke and mirrors, and this is what FEAR means: false evidence appearing real. We have drunk the Kool-Aid and bitten into the devil's lie. We must learn to cast out the spirit of fear once and for all from every believer's life.

In *Destroying Fear*, you will learn how to break and uproot this tormenting spirit from your life and live the abundant life that Jesus promised us in His Word.

# A Powerful Read for Individuals Seeking Deliverance from Fear

- “John Ramirez writes an unprecedented book about spiritual warfare.”—Jennifer Eivaz, founder of Harvest International and bestselling author, on *Armed and Dangerous*
- Author is an internationally known evangelist, author, and highly sought-out speaker

**F**ear is a form of torment the enemy tries to plague people with in order to paralyze them, to steal their purpose and destiny from God’s best. None of us is immune to these attacks. Jesus came to destroy fear and set the captives free.

Speaking as one whom Jesus Christ set free from the devil’s grip, John Ramirez, once a satanic high priest, exposes the tormenting weapons of fear of our number one spiritual enemy, the devil, and equips and arms believers with the weapons of our warfare that God has given us through his Son, Jesus Christ, to abort the enemy’s mission. In this book, *Destroying Fear*, you will learn how to get back your peace and purpose and walk fearless into your destiny by dismantling every stronghold and stopping the enemy’s attacks once and for all, for a life of freedom!

EXCERPT

God is releasing a fresh, powerful dimension of Holy Spirit ability to discern the strategies of the enemy, the purposes and plans of heaven and its angel armies, and to see God's path forward to victory. Regardless of spiritual positioning or one's individual assignment from God, every believer needs to grow in the grace of the Lord to operate in discernment. Leaders need eyes to see and ears to hear what the Spirit of the Lord is saying to the church. Intercessors need insight in the realm of the Spirit so they can pray strategically and wage successful spiritual warfare. Businesspeople and those called to government need the ability to separate, scrutinize, and judge what is going on in the kingdoms of this world so as not to be deceived by the god of this world system and can operate above reproach as a Daniel or Joseph. We must learn to question without being rebellious. We must learn to judge without becoming judgmental. We must learn to scrutinize without becoming critical. Ministry team members, counselors, cell group leaders, and youth leaders, need a well-developed gift of discernment to effectively accomplish their assignments. Parents, grandparents, and students all need discernment to navigate the complexities of families and education in this modern age. Every believer needs to hear the voice of God, developed in discernment, in order to live lives of wisdom, victory, and breakthrough every single day. As we ask God for discernment, he will be faithful to give us eyes to see and ears to hear what the Spirit of God is saying.
