after Abortion*

Linda Cochrane

A Time-Tested Resource for Healing after Abortion

- This trusted resource has sold over 130,000 copies
- Will partner with Care Net on the launch, one of the largest networks of pregnancy centers in North America
- Contains specific Scriptures to help women deal with grief, denial, anger, forgiveness, and acceptance

No matter what influences a woman to end a pregnancy, the physical, psychological, and spiritual side effects are real and not always anticipated. Feelings of guilt, shame, and grief become a heavy burden, and many women feel that they will never be free, that no one understands, that God will never forgive them. But there is hope.

Linda Cochrane has been there. With an understanding spirit and a gentle hand, she guides hurting women to bring their emotional scars "out of the dark past and into his holy light" where true and lasting healing can take place. Cochrane delves into the Scriptures to offer help with issues such as relief, denial, anger, forgiveness, depression, letting go, and acceptance.

For every woman yearning for the peace of God's forgiveness, this study can be the first step to healing and wholeness.

Everything**

- Author is the president of Summit Ministries, which has an online reach of 250,000, an email list of 400,000, and an annual media reach of 100 million

America has passed a tipping point. A majority of Americans now say that truth is up to the individual and that ultimate truth cannot be known. Learning to "speak our own truths" was supposed to lead to dignity and harmony. Instead, our society struggles with unprecedented levels of social conflict, purposelessness, and loss of identity. And still, the "Truth versus truths" tension continues to grow.

Is all hope lost? In this inspiring book, Dr. Jeff Myers tells the fascinating stories of Jesus-followers who lived for Truth and transformed their world in times of crisis. These inspiring figures led the way in human dignity, science, art, medicine, education, politics, justice, and even the idea of meaningful work.

No matter what is going on around us, the truth is worth fighting for. If you long for a positive, restorative role in our own chaotic era, it's time to discover how truth changes everything.

YOUR NEW PLAYLIST

The Student's Guide to Tapping into the Superpower of Mindset

Jon Acuff with L.E. Acuff and McRae Acuff

Help Your Teen Overcome Overthinking and Develop an Unstoppable Mindset

- Acuff is a *New York Times* and *Wall Street Journal* bestselling author
- Acuff has an engaged social media following of more than 700,000, as well as more than 85,000 email subscribers
- Acuff's corporate clients include Range Rover, Walmart, Microsoft, and FedEx

When Jon Acuff's book *Soundtracks*, came out, one reaction surprised him. Parents across the country all said the same thing: "Do you have a version for teenagers? If I knew how to change my mindset when I was that age, my entire life would have been different." Why did they say that? Because truth grows like compound interest. Saving money when you're young has a bigger impact than it does when you save in your 40s. A single new soundtrack--Acuff's phrase for a repetitive thought--believed when you're 14 or 18 can change your whole life in the same way. In response, Acuff tagged his two daughters to help him create an honest, actionable guide to mindset for teenagers.

Your thoughts can work for you or against you, but the good news is you get a choice. The even better news is when you're young, your entire world is made of new. You're a movie that's barely started, a notebook with blank pages to fill, a song that hasn't hit the chorus. You have your whole life ahead of you. When you learn to create new thoughts, those thoughts lead to actions, and those actions lead to new results. Are you ready to tap into the superpower of mindset? Just hit play.

18 MINUTES WITH JESUS

Straight Talk from the Savior about the Things That Matter Most

Dr. Robert Jeffress

Unpacking Jesus's Best-Known but Least-Followed Teachings

- Dr. Jeffress's Baker books have sold more than 500,000 copies
- Dr. Jeffress's radio program, *Pathway to Victory*, and TV programs reach 106 million US households and 195 countries

Did you know you can read Jesus's Sermon on the Mount in about 18 minutes? Yet packed into this short talk are more life-changing and startlingly original teachings than anywhere else in Scripture. In it, Jesus dives past the surface into the heart of what we need and desire--from God, ourselves, and one another. It's the spiritual straight talk we need about the things that matter most in life.

Drawing from decades of study, Dr. Robert Jeffress breaks down Jesus's most well-known (yet least-followed) teachings about happiness, faith, relationships, sex, reconciliation, prayer, money, and more. He shows how we often misunderstand and misapply these verses and unpacks exactly what Jesus was teaching us about our own hearts and minds.

If you long to take your Christian walk to the next level, it's time to grasp these biblical truths that have the power to change your life.

Landra Young Hughes with Holly Crawshaw

Discover God's Goodness amid Life's Hardships

- Offers a positive, biblically based outlook on life's hardships
- Will appeal to readers of Christine Hoover, Andi Andrew, and Sharon Hodde Miller

Life is unfair. Bad things happen to good people. Not all dreams come true. We lose people. We fail people. And when we encounter the inevitable struggles of life, we may be tempted to ask God *Why me?* as we try to reconcile our pain with God's promises. But a far more helpful and life-enriching question for us to ask God is *What are you trying to teach me in this?*

Tackling ten common struggles, such as isolation, fear, rejection, failure, insecurity, temptation, and more, Landra Young Hughes shows you how to have peace even when life doesn't make sense. Speaking with great empathy born from her own losses and years in ministry, Hughes doesn't suggest you "get over" your hard times. Instead, she helps you recognize that, while you will always live in a broken world this side of heaven, your pain has much to teach you about God and yourself. With her empathetic help, you'll discover how to grow through grief and thrive despite adversity.

Blaine Hogan

Redeem Your Story, Redefine Your Creativity, and Create a Life That Truly Matters

- Author's commercial clients include Nike, Ancestry, Spotify, and Facebook
- Author regularly speaks on the topics of creativity and storytelling

After years stuck in the painful cycle of past abuse and ongoing addiction, actor and artist Blaine Hogan received the greatest gift: his life fell apart. No longer able to hide behind the veneer of success or find comfort in the shadows of addiction, Blaine was forced to look at the story his life was telling. And while he hadn't lost God, he'd lost himself along the way.

Desperate to find hope, he gave up the career he was building and took a major life detour where he discovered that facing his past was the key to unlocking a new kind of creativity. In *Exit the Cave*, Blaine shares the stories that shaped him--his own, others', and God's greater story--while exploring how our relationship to our past defines the way we live in the present. Through powerful personal revelations and insightful takeaways, he invites you to take up the practices of radical imagination and real creativity so you can tell a better story with your life.

If you've ever been stuck, addicted, ashamed, discontented, or lost, take courage--a richer, more whole, imaginative, and meaningful life is waiting for you just outside the cave.

*Inspirational Reflections from the Land Where
Jesus Walked*

John A. Beck

A Devotional Guide to the Holy Land

- Written by a biblical scholar and experienced Holy Land guide
- Features beautiful full-color photos
- More than 70 insightful devotions that each include reflection questions and a closing prayer

God has chosen to reveal himself to humankind in various ways at various times. Each of these encounters occurred in real, physical locations. Even visions--such as Jacob's ladder or John's Apocalypse--came to people in a particular place. Place is inextricably woven into the story of Scripture, and it's one of the most meaningful ways in which we can encounter God today.

Linking these locations with Scripture, reflection questions, prayer, and life-changing insight drawn from more than a quarter century of leading travelers through the Holy Land, John A. Beck offers you a devotional like no other. Illustrated with beautiful full-color photos, *The Holy Land Devotional* features the sites that Christian pilgrims most often visit, allowing you to walk in the footsteps of people like Jacob, Joshua, Gideon, Ruth, David, Martha, Peter, and, of course, Jesus.

Whether you've been to the Holy Land, are planning a trip, or just want to know more about the land where Jesus walked, this devotional invites you to grow closer to God as you hear him speaking in and through the Holy Land.

Whether we're trying to find time, save it, manage it, or make the most of it, one word defines our relationship with the clock: *anxiety*. Yet is productivity really the only grid for the good life? Have you ever imagined a life without hurry, relentless work, multitasking, or scarcity? A life that is characterized instead by presence, attention, rest, rootedness, fruitfulness, and generosity?

This is the kind of life we are meant for, says Jen Pollock Michel. But if we want to experience freedom from time anxiety, we have to reimagine our relationship with time itself.

In the pages of *In Good Time*, she invites you to disentangle your priorities from our modern assumptions and instead ground them in God's time. Then she shows you how to establish 8 life-giving habits that will release you from the false religion of productivity so you can develop a grounded, healthy, life-giving relationship with the clock.

Backed by Scripture and informed by years of research with teens just like you, this book does more than help you figure out what to do with your life; it will help you understand what your life means to the world--no matter who your friends are, what career you end up with, what kind of family you come from or will have in the future, what obstacles you may face, or what doubts trouble you along the way.
