*God's Radiant Answer for the World's Growing Darkness*

**David Sliker**

**Prayer Leader Reveals God's Unexpected Solution to Reach a Fading, Dying World**

- Sliker is an executive leader at the International House of Prayer and president of IHOPU
- Sliker ministers internationally and has been featured on GodTV
- Helps believers stand for biblical truth in a hostile and rapidly deteriorating culture

This last year exposed the anger and fear of the world. It also exposed the trajectory of humankind away from God, against his Church, and into increasing darkness--with the darkest hours still ahead. But the Lord has an unexpected answer for the rise of ugliness and violence.

Here International House of Prayer leader David Sliker gives believers hope for the times to come. God's merciful answer to the world's rage is a beautiful, unified Church, one that counters anger with kindness and mercy, loves its enemies, and overcomes bitterness and offense. David also shows how we can lay hold of the Lord's beauty via revelation and transformation. When we do, we will love like he loves. We will endure without despair. We will display his works. We will boldly, tenderly, and lovingly stand for his truth. And we will rise up as his Bride, whose beauty eclipses the darkness.
