BEYOND HER YES

Reimagining Pro-Life Ministry to Empower Women and Support Families in Overcoming Poverty

Marisol Maldonado Rodriguez

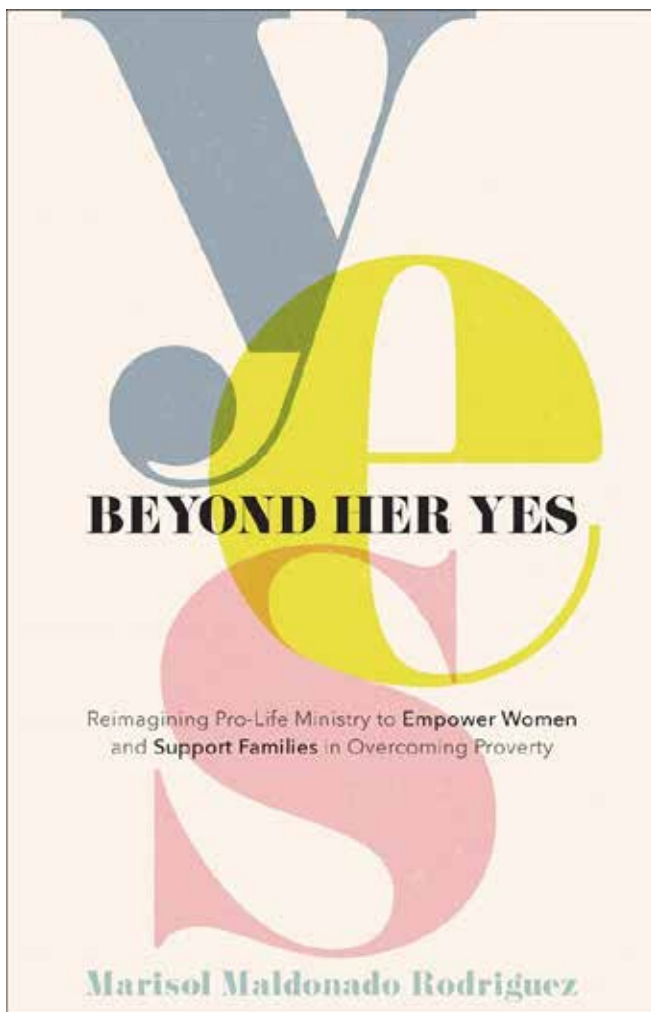

A Call to Apply Pro-Life Values to Lives outside the Womb

- Author is cofounder and director of RENEW Life Center in urban New Jersey
- Unique approach to the pro-life conversation
- Practical resource for expanding pro-life perspectives and ministries

Much pro-life ministry is focused on encouraging women to say yes to life rather than terminate their pregnancies. But what happens after that decision has been made? Who will provide that mother, who likely considered abortion because she could not see how she could afford to have a child, with the long-term emotional support, education, and guidance that will help her out of poverty?

Economics and abortion are intrinsically linked, and if pro-life ministry is to make a real difference in the lives of women and families, it must expand its perspective beyond that initial yes in order to address the underlying problem of generational poverty. In *Beyond Her Yes*, cofounder of RENEW Life Center Marisol Maldonado Rodriguez helps you understand the full impact that poverty has on women making life decisions and then shows how a comprehensive approach to pro-life ministries can make a far greater impact.

Saving the lives of the not-yet-born is just the first step. Discover how you can be part of saving entire families from a life of hardship and hard choices.

CROWNED WITH GLORY*How Proclaiming the Truth of Black Dignity

American History**

- Author is cohost of The Gospel Coalition's *Let's Talk* podcast
- Author has written for *Christianity Today*, *Desiring God*, The Gospel Coalition, and *Relevant*
- Author has more than 35,000 Instagram followers

America was founded on the concept of the innate and inalienable rights of humankind. Many Christians see an echo of the imago Dei--that every human being carries the image of God --within those ideals. Yet these rights were systemically withheld from the Black and enslaved residents of this country for centuries. Through it all, Black people have proclaimed the truth of their dignity and personhood in powerful and profound ways.

Crowned with Glory collects many of the writings of these men and women, both familiar and lesser-known, to shine a light on what has always been there: an enormous movement of Black Americans demanding the liberty they were promised and deserved. With moving and insightful reflections on these oft-forgotten or suppressed voices, author Jasmine L. Holmes offers a hopeful and encouraging testament to the power of unrelenting cries for justice that will strike a chord with anyone looking for a robust Christian history of resistance.

If you want to understand how we *got* here, read this book. If you want to know where we *go* from here, read it again.

GOOD BAGGAGE

How Your Difficult Childhood Prepared You for Healthy Relationships

Ike Miller

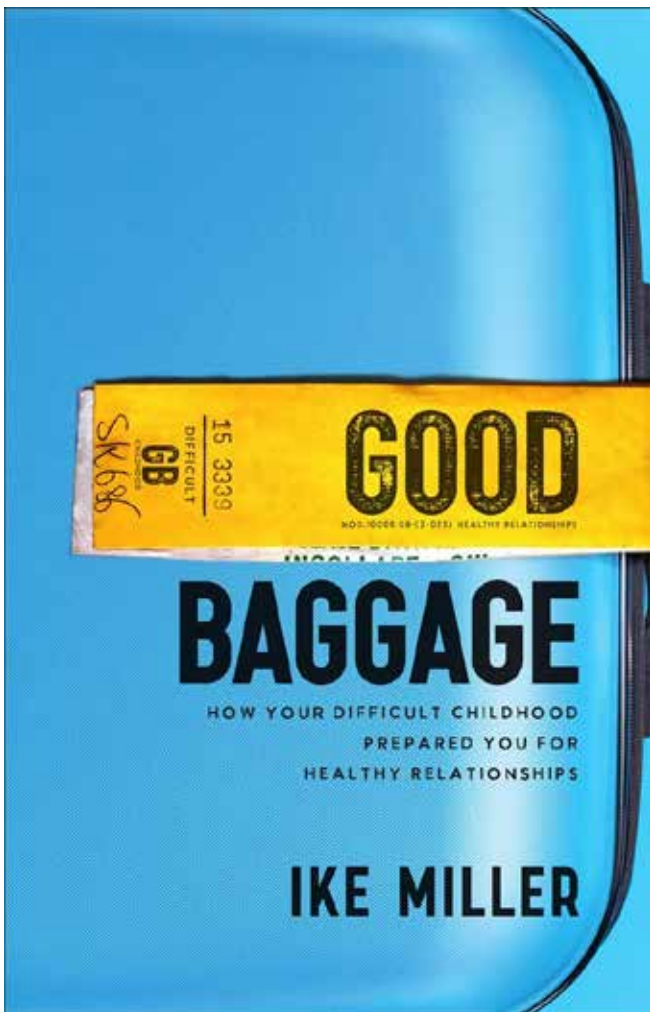

How Your Difficult Childhood Prepared You for Healthy Relationships

- Foreword by Jefferson Bethke
- Considers insights from psychology, counseling, and brain science, through the lens of Christian theology
- Author and his wife, Sharon Hodde Miller, co-pastor Bright City Church in Durham, North Carolina

Baggage has gotten a bad rap. We think it's all bad. We think it makes us less likely to have good, healthy relationships today. But baggage isn't just the bad stuff that happened to us in the past. It's the lessons we've taken from the pain we carry. It's how what we've been through has actually made us stronger and more capable than we imagine. And it's how we're going to make our current relationships work.

Far from minimizing past pain, pastor Ike Miller shows you how to go through the baggage you carry from a difficult childhood and pull out the good stuff. The intentionality you've developed. The empathy you've gained. The trust you value so highly. Miller shares from his own past in a dysfunctional family impacted by alcoholism and divorce, and his present as part of a healthy and loving family, to illustrate how to stop letting your past sabotage your present.

You'll find no platitudes or pat answers here. Rather, you'll discover untapped riches of experience and knowledge you already have that can make your relationships thrive and change the course of your life and legacy.

THE FIVE MARKS OF A MAN, REPACKAGED ED.

Finding Your Path to Courageous Manhood

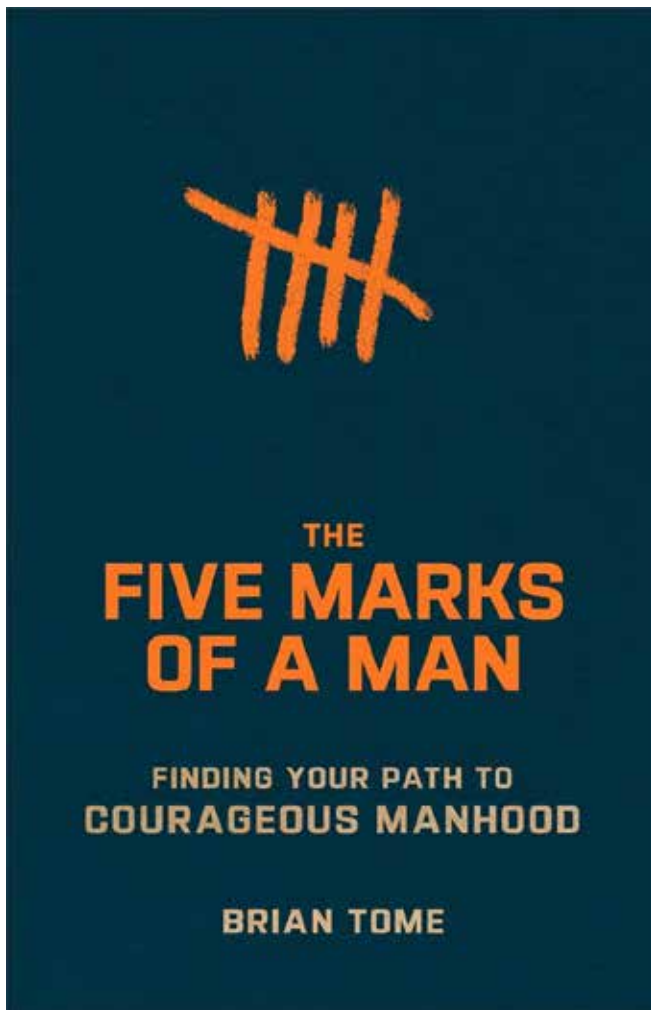

Brian Tome

Discover the Path to a True Manhood That Honors God

- First edition of this book sold more than 30,000 copies
- Author has a social media following of nearly 700,000
- Author is the pastor of Crossroads Church in Cincinnati, with more than 30,000 members

A boy doesn't automatically become a man at age 18. What differentiates a man from a boy is the way he lives. A boy lives day to day, wants to be MVP, plays, wants the reassurance of the crowd, and is a predator. A man has a vision for his life, is a team player, works, has the courage to take a minority position, and is a protector. These are the five marks of a man. It's not enough to just know them. A real man aggressively pursues them on a daily basis.

Drawing from his own experience and the lives of others, pastor Brian Tome calls on men to examine themselves and take steps in the direction of a fully realized manhood that honors God, respects women, elevates others, and works purposefully for an end greater than their own satisfaction or pleasure. It's time for men to step into their honorable place in the world and lean into a new reality--one defined by strength, purpose, and honor.

- First edition of *The Five Marks of a Man* sold more than 30,000 copies
- Author has a social media following of nearly 700,000
- Boldly designed, highly interactive guide

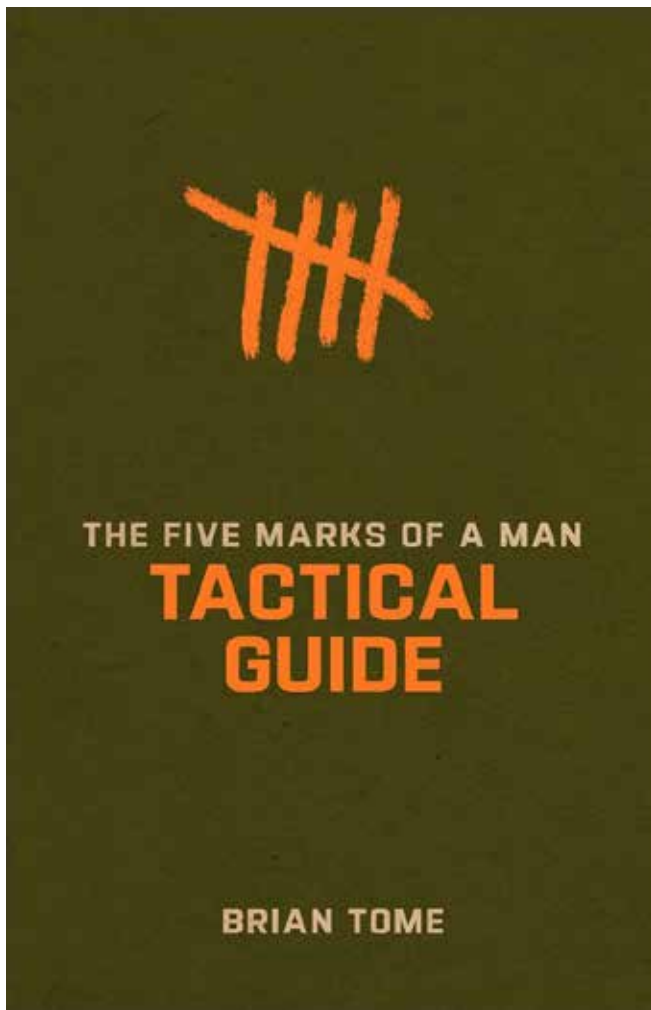

There are 45-year-old boys and 15-year-old men. What separates them isn't age, job status, or achievement. It's something deeper and more ancient.

The life of every man that matters has been defined by the five marks of a man. This tactical guide is designed to call out, develop, and grow these marks in your own life.

This isn't a book--it's a tool. It's not something you read; it's something you use to build a life that works. Each section focuses on one of the five marks, offering challenges, projects, and plans to put them into action. You're going to get your hands dirty. You're going to be in uncomfortable situations. You're going to be pushed. And you're going to grow because of it.

This isn't your grandma's fill-in-the-blank Bible study because you aren't a grandma. No one accidentally falls into a life of meaning--a life of meaning is built, intentional choice by intentional choice.

Men rise to meet challenges. Now is your time. The question is: will you?

FAITH BEYOND YOUTH GROUP

Five Ways to Form Character and Cultivate Lifelong Discipleship

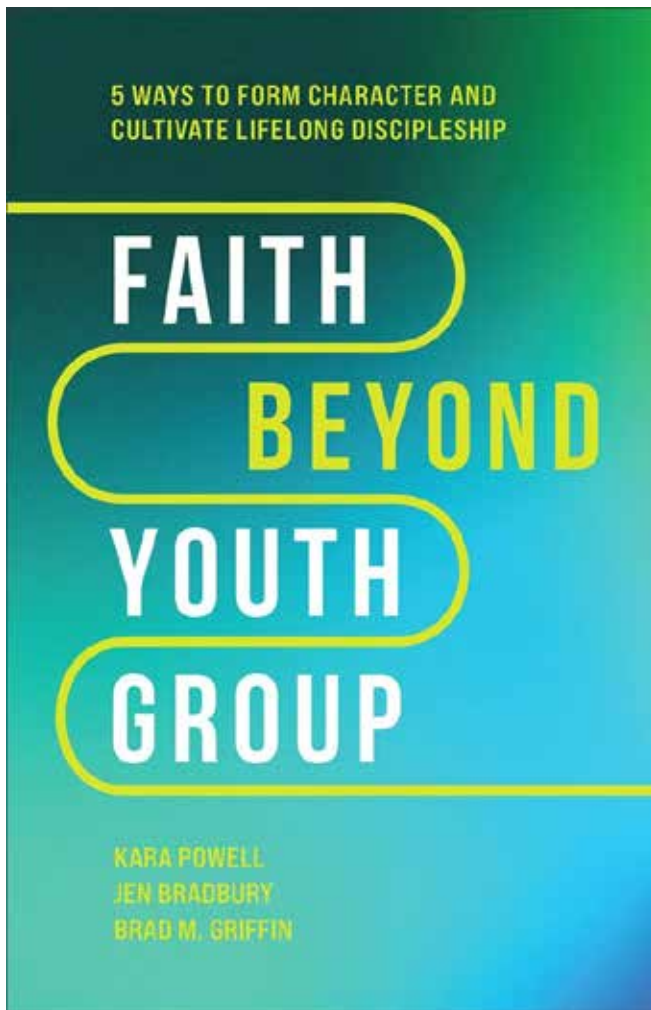

Kara Powell, Jen Bradbury, and Brad M. Griffin

Discipling Teens Today So They Won't Have to Deconstruct Their Faith Tomorrow

- Authors' books have sold more than 300,000 copies
- Authors have tremendous credibility with church and ministry leaders and a robust speaking schedule
- Based on new research and over 100 extensive interviews

Most typical youth ministries today produce nice, obedient kids who behave themselves--and then leave the church and the faith. Even those who remain struggle to extend their own faith beyond youth group. They seem like "good kids," but their lives and decisions outside youth group aren't oriented towards Jesus. Clearly that is not our goal. So what are we doing wrong? And how can we better serve the unique needs of the most anxious, adaptive, and diverse generation in history?

If you're tired of youth ministry that fails to change lives, it's time to change youth ministry. Building on two decades of the Fuller Youth Institute's work and incorporating extensive new research and interviews, *Faith Beyond Youth Group* identifies the reasons youth ministry often fails both short-term and long-term, and offers five ways adult youth leaders can cultivate character for a lifetime of growing closer to Jesus rather than drifting away. It shows leaders how to cultivate trust, model growth, teach for transformation, practice together, and make meaning so that the teenagers can become adults who hold fast to the truth 24/7 and boldly live out a robust faith in a watching world.
