Every December two things are guaranteed for graphic designer Mackenzie Graham--Christmas celebrations and the annual promotion at her workplace. Those two things are by no means mutually exclusive. In fact, the better an employee is at harnessing the Christmas spirit, the more likely they'll win the new job. With her social anxiety, Mackenzie never thought she'd be a contender in her company's holiday competition, so how exactly has she found herself dueling her workplace crush with wrapping paper tubes and using tinsel as her weapon of choice for a much-needed raise?

Jeremy Fletcher's life is meticulously planned out, including how to win this year's promotion at work. Not only will the new position fulfill some of his career goals, but the raise will help him as a single guardian to his twin niece and nephew. Jeremy has barely noticed Mackenzie Graham around the office, but now that she's his rival, he can't stop thinking about her. Her quirkiness intrigues him, and he's afraid that if he can't get his head on straight, the job isn't the only thing he'll end up losing to Mackenzie.

Lorelei Collins possesses a soft heart for any animal in need, so when she finds a buffalo calf bawling beside its mother's lifeless body, she can't help but bring it home to raise on the ranch she and her sisters are building in the Rocky Mountain wilderness. Little does she realize that its white coloring is rare and considered sacred by Native Americans, which makes it highly valuable to them and the European trappers alike.

A flood of men visit their ranch to regard the marvel, some trying to woo Lorelei into marriage so she'll bring the buffalo calf along as dowry, and others trying to steal the calf outright. When the men's advances become more sinister, she approaches Tanner Mason, the quiet and mysterious owner of the new trading post, with an idea: She and the calf will move to his post, along with her family's trusted Blackfoot friend. This will solve both their problems, bringing customers to his trade room and protecting her family from the trouble brought on by so many strangers. Yet as the danger travels with her, Lorelei and Tanner are faced with a threat greater than anything they're prepared for --one that will test the limits of both their abilities and the love growing between them.

USA Today bestselling author Misty M. Beller delivers an exhilarating addition to the Sisters of the Rockies series fraught with peril, adventure, and romance amid the majesty of the Rocky Mountains.

Leslie Gould

A Moving Series Sequel from Bestselling Dual-Time Amish Fiction Author

- Gould has sold more than 700,000 copies of her books
- "Incredibly well researched, thoroughly enjoyable, and singularly original, this book is a keeper."--Shelley Shepard Gray, *New York Times* and *USA Today* bestselling author on *A Brighter Dawn*

After the death of her parents, Mennonite Brenna Zimmerman relocates to the Lancaster County farm of her Old Order Amish relatives. There, she befriends Rylan Sanders, a disabled veteran, and commits to rising above her own grief to help him as much as she can. But when things take a turn for the worse, Brenna finds herself at a loss for what to do.

As Brenna struggles, her Mennonite friend Johann Mazur, a soldier in the Ukranian Army, encourages her to distance herself from Rylan. But when she discovers that Rylan's army buddies are withholding secrets that could help with his psychological healing, Brenna is torn between her feelings for Johann and her commitment to help Rylan.

Inspired by the story of her great-great-aunt who served with the Red Cross and supervised German POWs during World War II, Brenna considers her own future and must decide if she has the courage to give up the comforts she craves for the life she truly wants.

Bestselling author Leslie Gould continues her evocative Amish Memories series with a compelling dual-time tale set during World War II and present-day Lancaster County.
