5 Altars of Prayer That Move Heaven and Earth

Rick DuBose

Prayers That Move Heaven and Earth from a Prominent Pastor and Leader

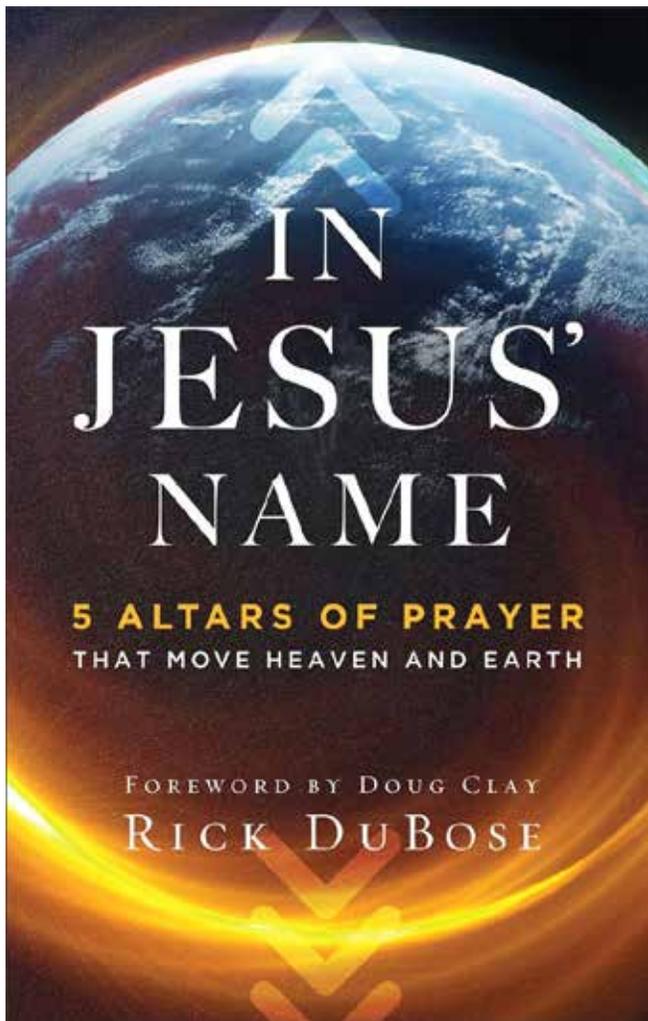

- Author is the assistant general superintendent of the Assemblies of God denomination
- DuBose speaks at 40 churches and 15 leadership events each year
- Book will be heavily promoted through the AG network, including their social media platform of 537,000+ members

Throughout Scripture, God's leaders built altars to mark where he met them in powerful, miraculous ways. Today, as evil sweeps across our land, God still longs to meet with us and pour out his power at those altars. But we've been seduced away by man-made distractions, our own plans, and worldly wisdom, leaving ourselves ineffective against the growing storm.

With insight and humility, international leader and pastor Rick DuBose shows the path back to five forgotten altars--and ultimately, the path to your place in heaven's throne room. Full of real-world application and encouraging inspiration, this book not only rebuilds your faith and restores your passion but also helps you

- ignite a fire for effective prayer in your church or prayer ministry
- employ the resources of heaven for change on earth
- stand your ground in five key areas of prayer
- create a culture of prevailing prayer in your church
- build spaces to repent, receive, and encounter God

Whoever controls the altar controls the outcome. It's time to storm the altars and pray with humble authority that moves heaven--and unleashes victory here on earth.
