

A Personal Guide to Hearing God through Dreams and Visions

- “A unique angle and testimony that no other writer on this topic has explored.”—from the foreword by James W. Goll, respected leader in the prophetic movement
- “This book is a must-read for the hour we live in!” —Terry Meeuwsen, cohost of the *700 Club*
- Includes an FAQ and glossary of terms and symbols

Many believers strive to discover why they can't hear God's voice—but they fail to realize that they can have “20/20 hearing” through their dreams. God is *never* silent. He longs to communicate, and if his voice falls on deaf ears, he will speak in pictures.

Sadly, instead of nurturing and nourishing their dream lives, many believers feel forgotten by God and miss out on his godly counsel. But they don't have to. With absorbing insight, prophetic leader Laura Harris Smith demystifies nighttime dreams and daytime visions. Topics include:

- making sense of symbols
- the top ten kinds of dreams
- how a life of holiness readies God's people to see
- REM sleep, dream cycles, and open visions
- the counterfeit dark sources of “vision”
- biblical dreams and modern testimonies

God is always speaking, even when his words come as pictures. There is no reason to miss a single word.

Expert Advice for Developing the Prophetic Gifting from a Leading Prophetic Voice

- Author is news editor of *Charisma* magazine and one of their most popular columnists
- A leader in the International House of Prayer (IHOP) network, she is a well-connected speaker with a growing media ministry and large social media platform
- Addresses each season of prophetic ministry, for seasoned and new believers alike

The prophetic ministry brings with it many challenges. The apostle Paul termed it a high calling—but it is never easy.

Author Jennifer LeClaire, who has experienced the joys and tears of this intense “making” process, equips and encourages other prophetic people. Starting from the initial call, LeClaire shows how to hold fast through the tests, trials, and temptations that inevitably confront the prophetic minister.

God is looking for people to entrust with the secrets of his heart. Whether readers are called to prophetic intercession, preaching, even singing, the training ground can be grueling. But the result is a man or woman who can shoulder the responsibility of being a “mouthpiece” for the God of the universe.

Keys to Overcoming 7 Strongholds That Keep Believers from Fulfillment and Joy

- Author has a growing television presence and media ministry
- Practical, candid advice helps readers conquer any obstacle
- Author and his message cross denominational lines

Believe it or not, many Christians have “strongholds” operating in their lives. They are new in Christ, yes. They know they are going to heaven. But something is blocking them from enjoying the abundant life Jesus promises his disciples here on earth.

That is not God’s plan, explains Bobby Davis. With relatable examples and in-depth teaching from Scripture, Pastor Bobby uncovers the predominant strongholds gripping Christians, including unforgiveness, a sense of inferiority, and “religion.”

He also offers real answers to real problems, giving all who are tired of being “stuck” the keys for breaking free. Readers will be encouraged to claim the freedom that belongs to every follower of Jesus and fulfill God’s “good and acceptable and perfect” plan for their lives.

ABOUT THE AUTHOR

Bobby Davis, a “preacher’s kid,” pushed the limits of drinking and drugs until his life was changed by the Lord in a Christian rehab facility. Now pastor of the large and growing Life Church in **Cookeville, Tennessee**, Pastor Bobby ministers worldwide, including through his television ministry. He and his wife, Jennifer, live in Cookeville with their two children. This is his first book.

How to Receive Extraordinary Answers to Everyday Prayers

- Foreword by bestselling author Randy Clark
- Step-by-step biblical guidance and practical tips on getting God's answers to the daily decisions everyone wrestles with
- Equips readers to access God's wisdom and provision every day

The Bible is full of spiritual wisdom. But does God provide direction for more specific, practical questions? Does he care about the little decisions believers have to make every day?

When Dr. Glenchur obeyed God's call to lay down her career in medicine and become a stay-at-home mom, she faced a thousand day-to-day decisions her medical training had not prepared her for. How should they fix the leaking roof? Was this the right bicycle for their daughter's birthday? With her husband out of work and no insurance, what should they do about healthcare?

Searching for discernment, Dr. Glenchur found herself in a crash course on prayer. She soon discovered that hearing God was more than an academic exercise; it was the very core of her family's survival. In this easy-to-read, power-packed book, she helps ordinary believers learn to access supernatural wisdom and provision.

Fresh Revelations on the Names of God and the Promises They Contain

- Beautiful repackaged from the bestselling author of *The Cross and the Switchblade*
- Emphasizes a relational, heart-knowledge approach to deepening the reader's walk with the Lord
- Shows how knowing God by name changes everything!

Many Christians long to know God as their healer or provider. Others need assurance that he holds their well-being in his hands. Still others seek the peace that comes from his presence.

All these prayer needs can be met, says much-loved author and minister David Wilkerson. The key is a deeper revelation of who God is. Each of God's names in Scripture reveals a quality of his nature and character. In this newly repackaged edition, Wilkerson explores ten Hebrew names for God that relate to times of testing and crisis, including *El Shaddai*, *Jehovah Jireh*, and *Jehovah Shalom*.

This book is for everyone who needs hope, encouragement, faith, strength, and a special word from God—all who want to meet their heavenly Father on a heart-to-heart level.
