Life for Lady Adelaide Bell was easier if she hid in her older sister’s shadow—which worked until her sister got married. Even with the pressure of her socially ambitious mother, the last thing she expected was a marriage of convenience to save her previously spotless reputation.

Lord Trent Hawthorne couldn’t be happier that he is not the duke in the family. He’s free to manage his small estate and take his time discovering the life he wants to lead, which includes grand plans of wooing and falling in love with the woman of his choice. When he finds himself honor bound to marry a woman he doesn’t know, his dream of a marriage like his parents’ seems lost forever.

Already starting their marriage on shaky ground, can Adelaide and Trent’s relationship survive the pressures of London society?

All Things Hidden

"A lot of story is packed into pages filled with loving, fully researched detail. The novel's power lies in its deceptive simplicity and clear narrative."—*Publishers Weekly* (starred review)

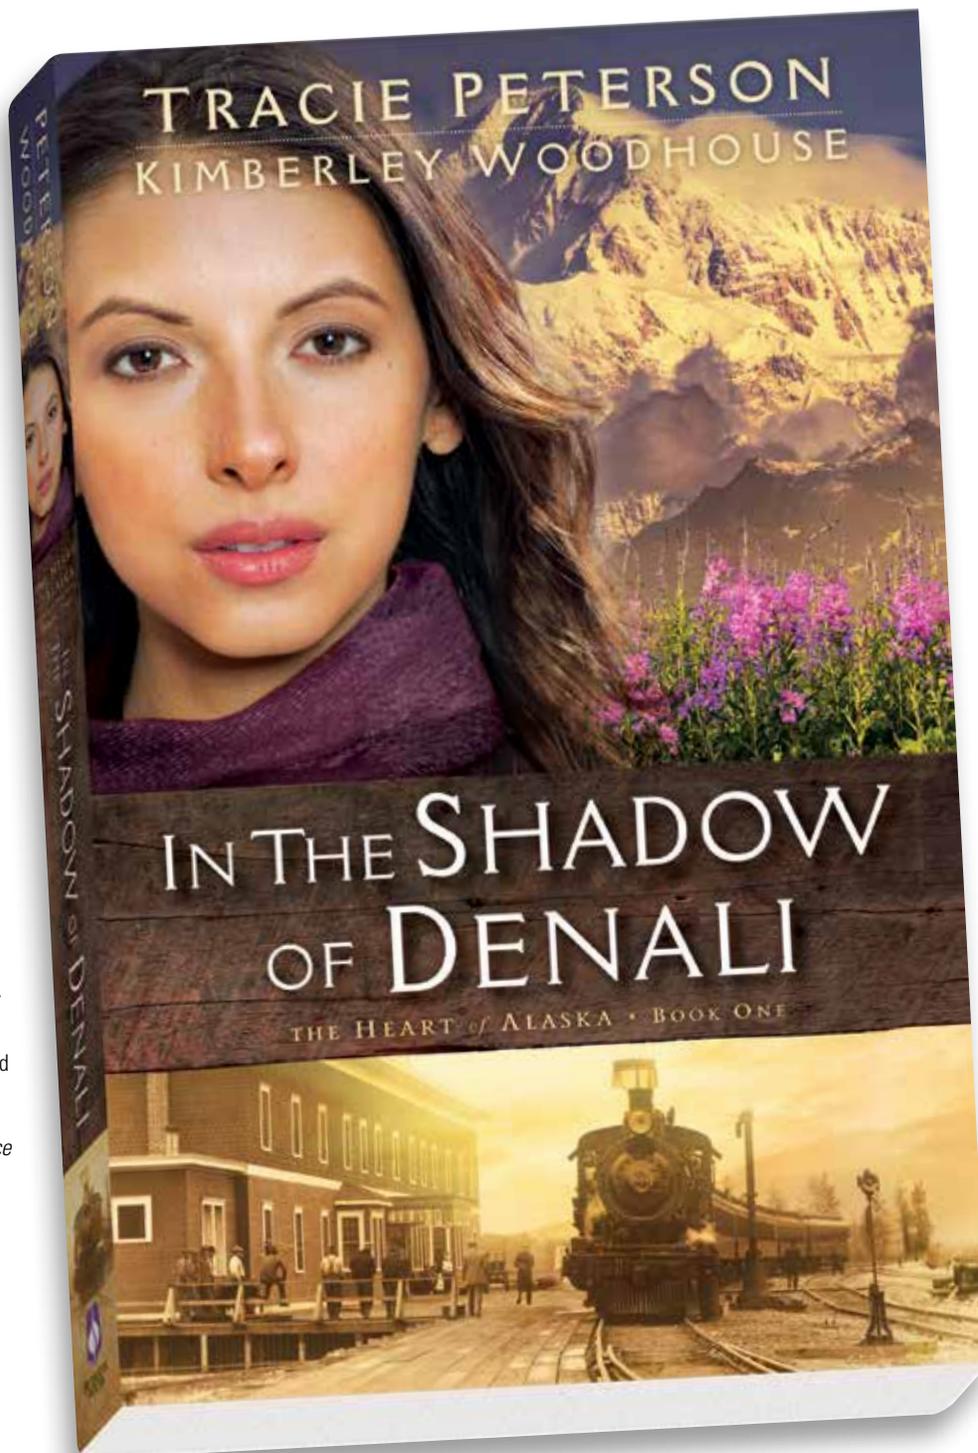

"Award-winning Peterson and Woodhouse have coauthored a marvelous story of love and adventure in the Alaskan frontier. Their characters spring to life against a background of historical events."—*Booklist*

"Full of unexpected twists and beautiful scenery, *All Things Hidden* is an engaging story against a beautiful backdrop. Readers will enjoy both the factual information provided about the 1935 colonization of the Matanuska Valley as well as the fictionalized happenings of that summer. The likable characters are not overly dramatized. While Jeremiah's secret is frustrating to readers who know the truth, the reveal does not play out as expected. All this, along with the suspense of the protagonist's story, makes this novel hard to put down."—*RT Book Reviews* Top Pick, 4½ Stars

Beyond the Silence

"A nice page-turner with a quite satisfying finale."—*RT Book Reviews*

"It is only through the grace of God and his lessons on forgiveness that Woody, Lillian, and Jimmy can rise above their situation and move on. *Beyond the Silence* is a story rife with intrigue, faith, and family."—*CBA Retailers + Resources*

Acclaimed Writing Team Pair Up Again for Gripping Historical Romance

- Tracie and Kim pack each of their novels with suspense, romance, and fascinating history
- The duo's first collaborations, *All Things Hidden* and *Beyond the Silence*, were acclaimed bestsellers

Cassidy Ivanoff and her father, John, work at the new and prestigious Curry Hotel outside Mt. McKinley. While John will be expedition and wilderness exploration guide for the wealthy tourists, Cassidy has signed on as a cook's assistant. Both are busy as the hotel prepares to welcome the president of the United States on his way to drive in the golden spike to officially complete the railroad.

Allan Brennan travels to the Curry Hotel to be an apprentice of a seasoned Alaska mountain guide. Ever since his father's death climbing Mt. McKinley, he's worked to earn enough money to make the trek to the Alaska territory himself. His father's partner blames their guide for the death of his father, but Allan wants to find the truth for himself. He finds an unlikely ally in Cassidy, and as the two begin to look into the mystery, they suddenly find that things are much less clear, and much more dangerous, than either could ever imagine.

After being imprisoned and branded for the death of her client, twenty-five-year-old midwife Julianne Chevalier trades her life sentence for exile to the fledgling 1720s French colony of Louisiana, where she hopes to be reunited with her brother, serving there as a soldier. To make the journey, though, women must be married, and Julianne is forced to wed a fellow convict.

When they arrive in New Orleans, there is no news of Benjamin, Julianne’s brother, and searching for answers proves dangerous. What is behind the mystery, and does military officer Marc-Paul Girard know more than he is letting on?

With her dreams of a new life shattered, Julianne must find her way in this dangerous, rugged land, despite never being able to escape the king’s mark on her shoulder that brands her a criminal beyond redemption.

Gould's Series Concludes in Love and Marriage

- Gould continues to gain readers and recognition for her Amish fiction
- Filled with romance and family drama, these bestselling novels satisfy all readers
- "Gould writes in a way that feels true to life and allows her characters to have real emotions, which endears them to readers."
—RT Book Reviews

Gregarious Rose Lehman, who's always the life of the Amish youth singings, is determined to marry the bishop's son, Reuben Byler—until the handsome Army buddy of her future brother-in-law shows up in Lancaster County. In comparison to Trevor, Reuben seems downright boring. Trevor shares Rose's sense of fun and adventure, and her easygoing disposition.

When her sister Lila's buggy is rear-ended and Lila is horribly injured, Rose finds herself with more freedom than she's ever experienced. Everyone is so concerned about Lila that no one realizes Rose is sneaking out with Trevor. Except for Reuben. But in his usual passive way, he doesn't confront her, nor does he address the situation with her Dat or anyone else in the district. Rose appreciates Reuben's discretion, but she also resents it. Part of her relishes the freedom she's found with Trevor, but the other part of her wishes Reuben would "fight" for her, as much as any Amish man would. Too late, she realizes the foolish choice she's made. Has she ruined her best chance at love, or is there another path to happiness she just hasn't seen yet?

Mystery Awaits on the Mysterious Yorkshire Moors

- Ideal for fans of *Masterpiece: Mystery!*, Agatha Christie, Rhys Bowen, and Jacqueline Winspear
- Readers will feel like they've stepped onto the lovely but dangerous moors
- Deering's wit balances with intricate plotting for a delightful cozy mystery read

At the urgent request of an old school friend, Drew and Madeline Farthering come to Bloodworth Park Lodge in the midst of the Yorkshire moors, a place as moody and mysterious as a Brontë hero. There have been several worrisome incidents out on the moor—property destroyed, fires started, sheep and cattle scattered—and worst of all, the vicar has been found dead on the steps of the church.

Drew's friend is obviously smitten with his bride of eight months, though it's hard to imagine what she sees in the awkward man. Drew can't help wondering if her affections lie more with the man's money and estate, while her romantic interests focus on their fiery Welsh gamekeeper. As the danger grows ever closer, it's up to Drew to look past his own prejudices, determine what is really going on, and find the killer before it's too late.

Bestselling and Acclaimed Author Delights Fans with Her Newest Belmont Mansion Novel

- Two-time Christy Award winner (and seven-time Christy finalist), *USA Today* bestselling author Tamera Alexander is a leading voice in southern historical fiction
- BELMONT MANSION novels praised by *Publishers Weekly*, *Booklist*, *RT Book Reviews*, *Library Journal*, and *USA Today's* Happy Ever After blog
- Unforgettable characters, touching romance, and a fascinating look into nineteenth-century classical and Appalachian music

A master violinist trained in Vienna, Rebekah Carrington manages to wheedle her way into an audition with the new maestro at the Nashville Philharmonic. But women are “far too fragile and frail” for the rigors of an orchestra, and Rebekah’s hopes are swiftly dashed when the conductor—determined to leave his mark on the world of classical music—bows to public opinion. To make matters worse, Adelia Cheatham, mistress of Belmont Mansion and Rebekah’s new employer, agrees with him.

Nationally acclaimed conductor Nathaniel Tate Whitcomb is Nashville’s youngest orchestra leader. And despite a reluctant muse and a strange buzzing and recurring pain in his head, he must finish composing his symphony before the grand opening of the city’s new symphony hall. Even more pressing, he must finish it for the one who first inspired his love of music—his dying father. As Tate’s ailment worsens, he knows Rebekah can help him finish his symphony. But how can he win back her trust when he’s robbed her of her dream?

As music moves us to tears yet makes our hearts soar, *A Note Yet Unsung* captures the splendor of classical music at a time when women’s hard-won strides in cultural issues changed not only world history—but the hearts of men.

And it doesn't help that Angie DuPree, the assistant to the doctor trying to save Cole, is as distracting a woman as Justin ever laid eyes on.

With her and the doc's timely skills, Cole looks to be on the mend, and Justin and the rest of the Bodens can turn their attention back to the dangers facing them. Tracie Peterson Begins Compelling New Series Set on the 1840s Frontier

- Every new Peterson novel becomes a CBA bestseller
- HEART OF THE FRONTIER series delivers danger, intrigue, romance, and faith challenges
- Author authentically recreates the history of her settings

Grace Martindale has known more than her share of hardship. After her parents died, raising her two younger sisters became her responsibility. A hasty marriage to a minister who is heading to the untamed West seemed like an opportunity for a fresh start, but a cholera outbreak along the wagon trail has left Grace a widow in a very precarious position.

Having learned natural remedies and midwifery from her mother, Grace seeks an opportunity to use her skills for the benefit of others. So when she and her sisters arrive at the Whitman mission in "Oregon Country," she decides to stay rather than push on.

With the help of Alex Armistead, a French-American fur trapper, Grace begins to provide care for her neighbors, including some of the native populace. But not everyone welcomes her skills—or her presence—and soon Grace finds herself and those she loves in more danger than she imagined possible.

Start of a Delightful New Series from Historical Romance Author Jen Turano

- Turano’s trademark wit, sweet romance, and hilarious mischief always leave readers smiling
- “[Turano] will have readers laughing out loud and rooting for their favorite characters to fall in love.”—*RT Book Reviews* Top Pick and 4½ stars review of *Playing the Part*
- First in a fun new series revolving around Gilded Age women in late 1800s New York society

Miss Permilia Griswold may have been given the opportunity of a debut into New York high society, but no one warned her she wasn’t guaranteed to “take.” After spending the last six years banished to the wallflower section of the ballroom, she’s finally putting her status on the fringes of society to good use by penning anonymous society gossip columns under the pseudonym “Miss Quill.”

Mr. Asher Rutherford has managed to maintain his status as a reputable gentleman of society despite opening his own department store. While pretending it’s simply a lark to fill his time, he has quite legitimate reasons for needing to make his store the most successful in the country.

When Permilia overhears a threat against the estimable Mr. Rutherford, she’s determined to find and warn the man. Disgruntled at a first meeting that goes quite poorly and results in Asher not believing her, she decides to take matters into her own hands, never realizing she’ll end up at risk as well. As Asher and Permilia are forced to work together and spend time away from the spotlight of society, perhaps there’s more going on behind the scenes than they ever could have anticipated. . . .

Intriguing Glimpse into the Past by Bestselling Historical Author Judith Miller

- Miller’s eye for historical detail shines in this novel about the chapel cars, a unique facet of early twentieth-century American history
- “A well-constructed plot and believable characters . . . a must-read.”—*Library Journal* starred review of *The Brickmaker’s Bride*
- CBA historical romance fans will enjoy this gentle love story playing out amid a West Virginia setting brought to life

With her penchant for seeing the best in everyone, Hope Irvine sees a world full of good people in hard places. When her father accepts a position traveling in a chapel car as an on-the-rail missionary, she is determined to join him in his efforts and put her musical skills to good use by serving the mining families of West Virginia, saving their souls, and bettering their lives.

Luke Hughes shares Hope’s love of music and her love of God, but as a poor miner he knows he can offer her no future. Still, the notes she sings resonate in his heart. When she begins to travel with a young mine manager to neighboring counties, Luke can hardly suppress his jealousy. It isn’t until he begins to suspect these missions of mercy might be the mine manager’s cover for illegal purposes, though, that Luke feels justified in speaking up. But how can he discover the truth without hurting Hope or, worse, putting her in danger?

When a well-to-do family asks Sallie Riehl to be their daughter's nanny for the summer at their Cape May, New Jersey, vacation home, she jumps at the chance to broaden her horizons beyond the Lancaster County Amish community where she grew up. Curious by nature, Sallie loves reading and learning, and she fears that her chances of making a good match with an Amish farmer will be hampered because of it.

Though she loves taking care of nine-year-old Autumn Weaver during the week, Sallie has free time on the weekends to enjoy the shore. It is there that she meets Edward Kreider, a young marine biology student who talks freely about all he's learning and asks about her interests, unlike the guys she grew up with. Sallie wonders if this is the kind of relationship she's been longing for. Then again, Ed isn't from her community—and he's Mennonite, not Amish.

Sallie is afraid of what her parents would think about her new friendship. But that's not all she's fearful of. When unexpected danger threatens Autumn, Sallie will have to put her fears aside. Will this be a summer to remember, or one to forget?
