Helping the Same-Sex Attracted Faithfully Follow Jesus

- “I can’t imagine any Christian not being helped by this book.”—**Kevin DeYoung** on *Compassion Without Compromise*
- A compassionate, practical approach for biblical faithfulness
- Author’s own story helps him relate to readers in this struggle

As Christians seek to be biblically faithful on the issue of homosexuality, two fundamental questions come to mind: *How can a person with same-sex attraction faithfully follow Jesus in his or her sexuality? And how can we support and encourage them in this?*

With compassion and wisdom—on a topic rife with misunderstanding and hurt—author and pastor Ron Citlau will help you think deeply and clearly about every option the Bible offers, and what it clearly does not. Having personally dealt with same-sex attraction, walked with others still struggling, and pastored those with gay loved ones, he thoroughly examines *all* of the available options—heterosexual marriage, singleness, celibacy, and more—and considers them in light of the Scriptures.

With clarity and grace, he helps you discover the remarkable gifts God provides to the Christian who struggles with same-sex attraction and desires to faithfully follow Jesus. Here is a message of hope and practical, loving guidance for those who are same-sex attracted—and those who love them.

Bestselling Authors Tackle Difficult Issues for Believers and Doubters

- Popular, trusted author team has sold more than 3.5 million books, including *God Is in the Small Stuff*
- Bruce and Stan take a biblically faithful (but nontraditional) approach to the big questions people are asking about God, heaven, and hell
- Includes candid, thoughtful questions for personal reflection or group discussion

When it comes to the big questions about heaven and hell—*Are these real places? Will God really send people to hell? What will we actually do in heaven?*—Bruce Bickel and Stan Jantz don't pretend to have all the answers. But they do know how to wrestle with uncertainty and doubt. They welcome questions, and in these pages they ask some of the most important ones you have about heaven and hell. With candor, insight, and a disarming touch of humor, they provide some answers to these critical questions, yet they leave enough space—and grace—for you to keep wrestling, asking, and seeking Truth.

There is no shame in asking—after all, even some of the greatest men and women in the Bible had doubts. Don't let your questions go unanswered. What you find might just change your life.
