A Near-Death Experience Reveals the Life-Giving Power of God's Love

- Foreword by John Burke, *New York Times* bestselling author of *Imagine Heaven*
- Author shares the account of his near-death experience and what he discovered about God
- Kay has been interviewed by major networks such as K-LOVE and was featured on GOD TV, which reaches 300 million viewers worldwide

Where is God when my suffering seems never-ending? Can I really find joy in this fallen world? This powerful book confronts these questions with stories of the author's near-death experience, a daughter's suicide attempt, mental illness, and numerous other gripping stories that demonstrate not only that God is present when we need him, but that through our trials we can find true intimacy with him.

Author Randy Kay recounts how, as a former devout agnostic, he survived a near-fatal accident while searching for the truth—and when he met the One he sought to disprove, his journey changed from a life of extreme trials into one of genuine joy. In these pages, Kay offers his testimony to show readers how God uses suffering and brokenness to build an intimate and indestructible relationship with him, while breaking down barriers and ushering the reader into an authentic relationship with the Author of love.

EXCERPT

I'm going to give you a four-letter word that will change your life: *stay*.

You need to learn this word and live this word. The grass isn't greener somewhere else. You just have to learn to see, value, and grow what you have, where you are.

For you to get the most out of this book, it's important that you understand the kind of staying I'm talking about. Ecclesiastes reminds us there is a time for everything. A time to live and a time to die. A time to cry and a time to laugh. A time to scatter and a time to gather. A time to plant and a time to uproot. You get the point. There's no question that times change. We switch jobs. We move to a new city. We get married. We have another child. We attend a new school. We strive for a new dream. Life requires change. And there are certainly times we have to shift into a new direction because the old one was unhealthy. Maybe we have to cut ties with a toxic person or make a move to better the future of our children. That's all well and good. At other times, however, things just don't feel fruitful or exciting. And while we may be tempted to cut bait and run, we don't feel the release from God. You might be in this very situation right now. Deep down in your spirit, you know that you know that you are not supposed to quit, give up, or leave the place God has called you to.

Inspiring Book and Curriculum from *New York Times* Bestselling Author Uncovers Your Hidden Potential

- Offers readers hope that they can thrive right where God has planted them
- Curriculum kit includes the book, a six-session DVD, and a participant's guide
- *Love Like You've Never Been Hurt* debuted at #15 on the *Publishers Weekly* hardcover nonfiction bestsellers list and has sold more than 176,000 copies
- Franklin speaks internationally to more than 60,000 annually, and his broadcast, *Kingdom Connection*, airs in over 249 countries, reaching a potential 2.3 billion viewers

Are you in a season of life where every search for direction, encouragement, or fulfillment seems to come up empty? You thought God had you in a place to thrive and grow, but you are ready to call it quits. There has to be something better.

You don't need a new garden; you just need to learn how to dig! In *Acres of Diamonds*, pastor and *New York Times* bestselling author Jentezen Franklin helps you discover the unfathomable riches Jesus Christ has for you. Rather than chase after a "better life," you can celebrate the untold spiritual provision to be found even in the midst of spiritual deprivation. Readers will learn to cherish where God has placed them as they uncover the hidden potential within their families, jobs, ministries, and communities . . . right where they are.

Spiritual Bravery Is Needed Empowerment for Every Believer

- Robinson has been featured on the History Channel, CBN, TBN, Sid Roth's *It's Supernatural!*, and many more
- Endorsements from Eric Metaxas, Bill Johnson, Randy Clark, Heidi Baker, James Goll, Patricia King, Michael W. Smith, and others
- Each chapter ends with a prayer, Bible promises, and activation steps to embolden believers to walk courageously every day

Our world is full of fear: fear of death, public speaking, flying, drowning, failure, rejection, snakes, needles, heights, darkness, enclosed places, and countless more. Satan uses fear to steal joy, kill opportunity, and destroy hope. God has an antidote: *supernatural courage*.

Our favorite Bible heroes achieved results greater than their natural abilities because of bravery that came only from God. Followers of Jesus throughout history have had the Holy Spirit come upon them to achieve supernatural outcomes. In *Supernatural Courage*, Robinson uses biblical examples, interviews, and testimonies, along with Bible promises, prayers, and activations to impart spiritual bravery for strength to live a life beyond what's normal.

These pages will help activate supernatural courage in your life so that you can hope—and then persevere through overwhelming challenges, stand against intimidation, believe for the impossible, forgive amid injustice, use spiritual gifts for spiritual victories, and finish the race God has given you.

EXCERPT

My entire life I've heard the saying "The dead coming back to life." I've always had the picture of a Michael Jackson "Thriller" music video of zombies dancing around, barely surviving in their primitive existence.

Then one day, early in the morning, a girl named Rosio was roaming the parking lot of the Dream Center. I pulled up to the front door and saw her clearly strung out and in a massive drug-induced paranoia. Working with addicts for decades, I've seen people devastated by drugs. This day it was more than just drugs; it was as if I were staring into the face of a zombie.

In a terrified voice she cried out, "Are you Pastor Matthew?"

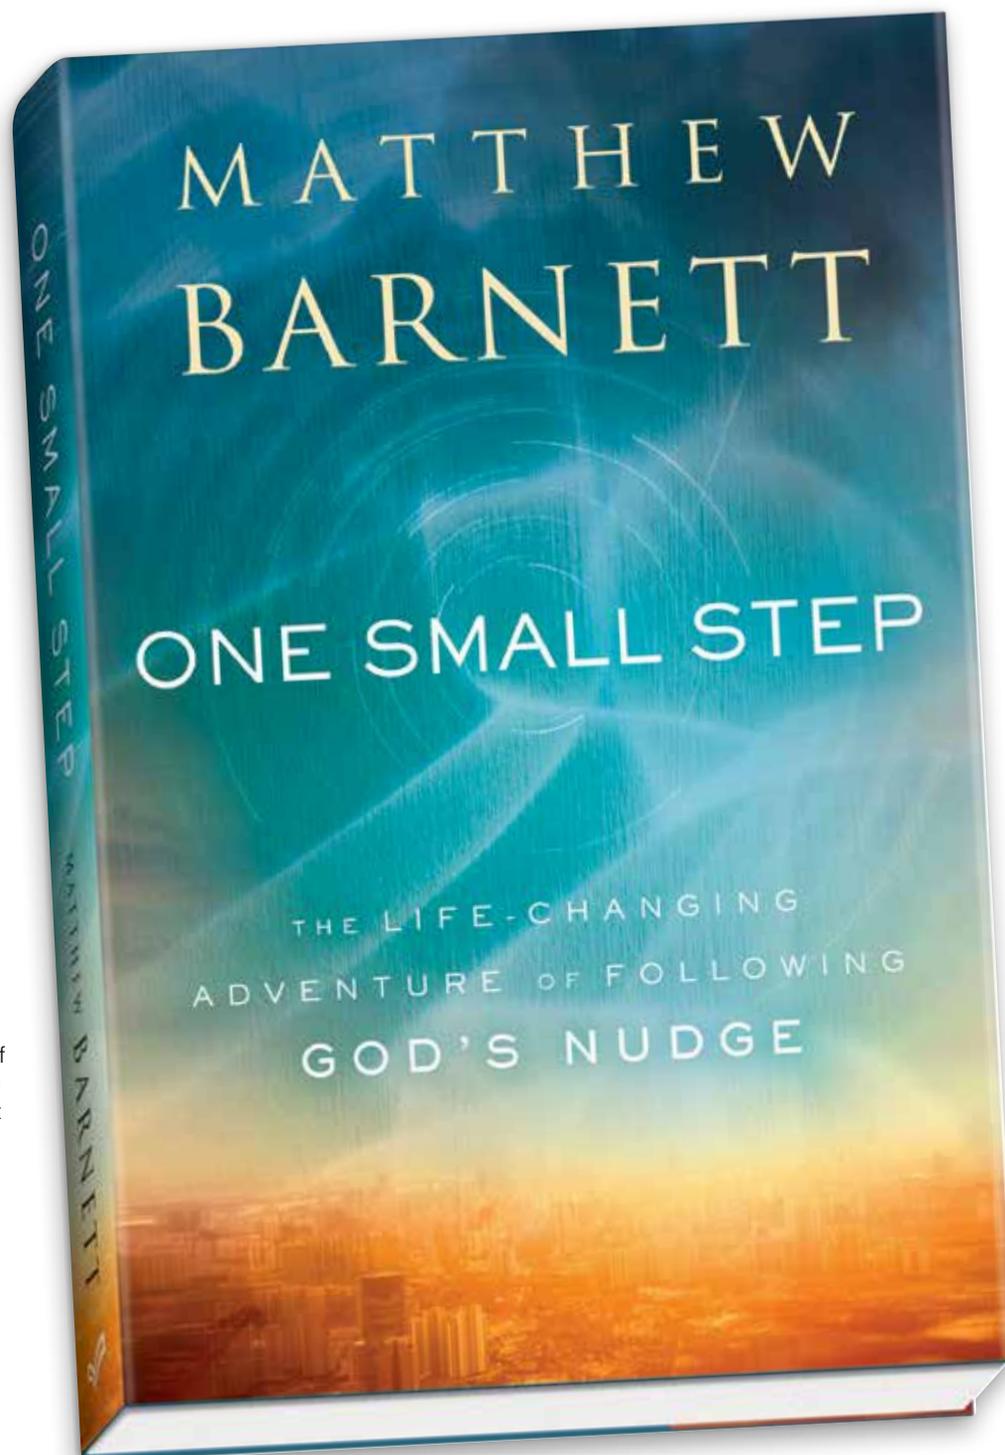

Nervously I responded, "Yes."

She said, "I need help!"

I am supposed to be a man of faith, believing all things are possible, but this day all I saw was a hopeless case.

I took her up in the elevator to check into our women's recovery program on the eleventh floor. The moment the elevator doors opened, a group of women in our rehab literally ran to Rosio with hugs and love, and began speaking words of endless possibility into her life. They didn't fear this "dead woman walking." They took a step toward her.

A year later, Rosio graduated from our program. When I saw her testify at graduation in her right mind, talking about her dreams for the future in front of thousands at church, I realized that when we step in the direction of compassion, it brings the dead back to life.

How to Change Your World One Small Act of Compassion at a Time

- Matthew Barnett is founder of the Dream Center, with 120 centers established throughout the world. The Dream Center provides housing for homeless families, provides assistance to veterans, rescues and shelters human-trafficking victims, and feeds tens of thousands of people weekly

Can ordinary people make a lasting impact on the world around them? Matthew Barnett's answer is an emphatic *Yes!* In *One Small Step*, he shows that it is not as daunting as one might think. It all starts with a heart that is open to the leading of the Holy Spirit and a willingness to do as he leads. These small steps—most often very simple acts that can be done on a daily basis—require only our obedience and follow-through.

With inspiring stories and biblical takeaways, bestselling author Matthew Barnett calls readers to set aside their fears and boldly embrace the life-changing adventure of becoming the hands and feet of Jesus to the broken people right outside their front doors. You will soon discover that “random acts of kindness” are not so random after all.
