In 1869, Gloriana Womack's family is much smaller since smallpox killed her mother and two of her siblings. She lives in a modest cottage in Duluth, Minnesota, with her father and young brother, and she has dedicated her life to holding her tiny, fractured family together—especially as her father is frequently gone on long fishing trips. Their livelihood may come from the waters of Lake Superior, but storms on the lake can be dangerous, even to those who know it well.

Luke Carson has come to Duluth to help shepherd the arrival of the railroad to the city's port, and he's eager to be reunited with his brother, Scott, who recently moved there with his pregnant wife. Competition for the railroad is fierce, with the neighboring city of Superior, Wisconsin, fighting for the tracks to come through their town instead. But the real danger lies in a resident of Duluth who is determined to have his revenge upon Luke.

When tragedy brings Gloriana and Luke together, they help each other through their grief and soon find their lives inextricably linked. If they survive the trials ahead, could it be possible they've been destined for each other all along?

"The hard choices between family and career are extreme for a woman in the early twentieth century, and Snelling skillfully shows the effect on all involved. Readers who enjoy the books of such authors as Lynn Austin, Janette Oke, and Tamera Alexander will be moved by this emotion-filled story."

—*Booklist* on *A Heart for Home*

"Snelling writes with her trademark richness, and her upright characters, intriguing stories, and vivid settings create a blissfully immersive reading experience. Norwegian language and other vernacular elements are seamlessly woven into the narrative, providing deep cultural authenticity. This symphony of immigrant farm-town life in the upper Midwest is so masterfully directed by Snelling, readers will be eager for the next novel about the good people of Blessing."—*Booklist* on *To Everything a Season*

Larkspur Nielsen is ready for a change. Her parents have passed on, and her older brother is successfully running the family business. She bristles at the small-mindedness that permeates life in her small Ohio community, and she sees little chance of a satisfying future there. She has a little money saved, and after turning the tables on a crooked gambler who had fleeced several locals, including her younger brother, she can stake a new start for herself and her three sisters.

As the gambler’s threats of revenge echo in her ears, she and her sisters head to Independence, Missouri, to join a wagon train bound for Oregon. Knowing that four women traveling together will draw unwanted attention, Larkspur dons a disguise, passing herself off as “Clark” Nielsen, accompanying his three sisters. But maintaining the ruse is more difficult than Larkspur imagined, as is protecting her headstrong, starry-eyed sisters from difficult circumstances and eligible young men. Will reaching their goal prove too much for them?

A New Amish Contemporary Romance Series from a Bestselling Author

- “Gould writes in a way that feels true to life.”
—RT Book Reviews
- Gould is a #1 bestselling Amish author who uses dual-time stories to weave together history, drama, romance, and faith
- Offers a moving story of fighting for the powerless in the face of opposition

When wild child Sophie Deiner—the daughter of an Amish bishop—is forced to return to Nappanee, Indiana, quilt-shop owner Jane Berger is one of only a few who welcome her back. It’s the last place she wants to be, but Sophie’s recent illness requires that she recover for a while.

As Sophie heals, she befriends a group of migrant workers and is appalled to learn of the wretched living conditions they’re forced to endure. Sophie begins advocating on their behalf, but soon finds herself opposed by an ex-boyfriend who is the farm foreman.

Jane begins relating the story of an Amish couple who rescued survivors of the Great Chicago Fire of 1871, many of whom were Irish immigrants. And Sophie is more convinced than ever that she needs to fight for the powerless. But when digging deeper makes conditions even worse, has she chosen a fight she can’t win?
