Alli Patterson

### New Rhythms to Build a Life on the Firm Foundation of Jesus

In *How to Stay Standing*, teaching pastor Alli Patterson shows you how to build a faith that actually makes a difference in your life, a faith that can withstand anything the world throws at it. Drawing insight from the parable of the wise and the foolish builders, Alli helps you get honest about the foundation of your faith. She then breaks down three simple rhythms of faith--*come, hear, practice*--that produce a strong faith that cannot be shaken.

If you've felt a nagging sense of anxiety that something in life is just not working, you need this book--now. Because while the waters may be rising, our God has given us the tools to build a faith that stays standing--even in a flood!

Drawing on cutting-edge research, *Triumph over Trauma* empowers you to find relief and hope once and for all. Rather than offering a one-size-fits-all solution, this whole-person treatment approach recognizes you as a unique constellation of emotional, physical, intellectual, relational, and spiritual dimensions. This book explains how trauma affects your emotions, body, brain, relationships, soul, and dreams. Then it shows you how to create a personalized plan to find your way back to wholeness, joy, and peace.

Do you feel fragmented? Like life is just a series of compartments you have to move between? Like your days are nothing more than to-do lists? Like your spirit is skewed out of alignment? Do you long to feel whole, connected, and fully integrated in mind, body, spirit, and relationship?

The best and surest way to pursue such wholeness is through prayer. Not the semimindless, I-just-ask-God-for-stuff-then-listen-to-the-deafening-silence kind of prayer you've tried before. That's not working. What you need is authentic connection that leads to harmony with God, yourself, and others. That kind of prayer is what *Words with God* is all about.

In this thoughtful book, Addison Bevere breaks prayer out of its religious box and places it at the center of your everyday life, the place where God longs to make himself real to you.

Most lifestyle books for women are saying one of two things: "Hustle!" or "Slow down!" We are either prodded into endless activity and productivity or told that what we really need is to prioritize rest, relaxation, and simply "being." Is it any wonder we feel torn in every direction, worried we're missing the opportunities God has placed before us while at the same time feeling guilty that we're doing too much?

Into this confusion comes Heather MacFadyen's empowering message to simply occupy your God-given space--a Hebrew definition of *humility*. God has given you talents and a sphere of influence. Your role is to fill that space, empowered by the Holy Spirit. In this book, Heather presents four boundary lines to help you identify your unique God-given space and shows you how to evaluate your next steps with confident peace so that you can stop feeling exhausted and guilty and start feeling fulfilled.

It's time to replace FOMO, inadequacy, and hustle culture with the satisfaction that comes from owning the space we've been assigned. *Right Where You Belong* helps you get there.
