## THE PATH OF LONELINESS, REPACKAGED ED.

*Finding Your Way through the Wilderness to God*

**Elisabeth Elliot**

**Compassionate Wisdom on How to Grow through Loneliness**

- Elisabeth Elliot's Revell books have sold more than 2 million copies
- Beautifully repackaged edition of a well-loved Christian classic

Whether through the death of a loved one, through divorce or estrangement in a marriage, or by being a single person in a world of couples and families, loneliness eventually comes to us all. It is well known that beloved author Elisabeth Elliot lost her first husband to murder in the South American jungle. Perhaps not as well known, she lost her second to the ravages of cancer. She has felt the deep pain of loss, just like you.

In *The Path of Loneliness*, Elliot gives hope to the lonely through tender reflections on God's love for us and his plans to bless us. Here you will find honesty and compassion, not platitudes. She tackles this difficult topic with grace and faith, showing you how to make peace with loneliness, however it has come about, and how to grow through it.

## THE MATTER OF LITTLE LOSSES

*Finding Grace to Grieve the Big (and Small) Things*

**Rachel Marie Kang**

**A Guide to Allowing Yourself to Grieve, Heal, and Hope Again**

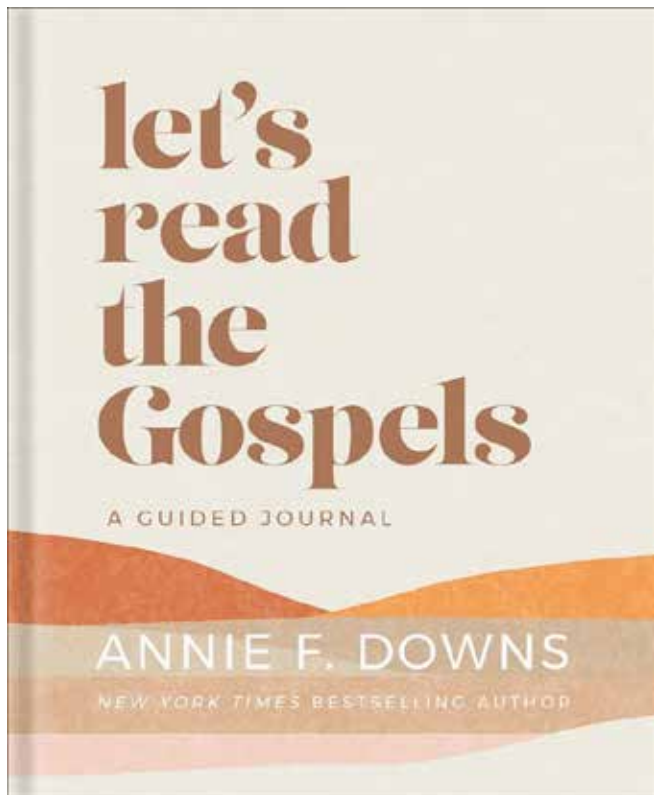

- Author is a contributing writer for *Proverbs 31* and (in) courage
- Author's writing has been featured by *Christianity Today*, *Ekstasis*, *She Reads Truth*, and more
- Will appeal to readers of Morgan Harper Nichols, Emily P. Freeman, Cole Arthur Riley, and K. J. Ramsey

Life is full of love, but it is also full of loss. Like paper cuts to the heart, every big and seemingly insignificant loss--the loss of friendships, faith, dreams, health, community, and everything in between--grieves us more than we think it will, and often more than we let on. Why? Because they *matter*.

In this compassionate and deeply personal book, Rachel Marie Kang invites you to see and be seen in the midst of your sorrow, your suffering--your story. Through prose and poetry that gives voice to all the things we lose along the way, this gracious book will help you

- ponder your loss without judgment
- remember *what was* and make meaning of your memories
- reflect on what is yet to be as you heal with hope

You don't have to bury your pain, and you don't have to pretend you're over it just because the world thinks you should be. Let Rachel walk hand in hand with you, giving space for sorrow and welcoming you as you find your way along the path to healing.
