The first book of The Daystar Dogs series, *Owen: Learns He Has What It Takes*, follows Owen, a yellow lab who's scared of new places and people and who stands too close and licks too long. But when he visits a children's hospital, a very special boy helps him find his resilience--even as Owen helps the boys and girls at the hospital do the same. Full of heart, hope, and healing, *Owen* shows what resilience looks like, helping kids work through fears and find the courage to face hard or scary things.

- Author's books have sold more than 30,000 copies
- Author is a well-known YouVersion Bible teacher and speaks regularly at churches and CRU events
- Author's combined social media following is more than 70,000

From the beginning, God created women and men equal in dignity, value, and worth. But our identity as daughters of God has been contested, both inside and outside of the church, and we're left wondering if we actually belong in the church--and the kingdom. Sharing the stories of the unsung women of the Bible, Amy Seiffert reveals how Jesus befriended, defended, healed, and depended upon women--and will do the same for you. Weaving biblical truth with thoughtful teaching, she empowers you to

- exchange fear and doubt for confidence and faith
- know a just God in the face of injustice
- stand firm in your dignity despite being marginalized
- tell a story of healing and hope through your scars
- use your unique gifts to show the world the godness of God

As you read Scripture, you'll see women are not second-class: They're image-bearers of the Most High. Without women--without you--the fullness of God's image is incomplete. And in his Kingdom, you are seen, heard, known, and commissioned to bring his redeeming love and truth to this world.

Uncovering the Diabolical Life of Satan and How to Resist Him

Jared Brock

Myth-Busting Biography of Satan from Award-Winning Author and Director

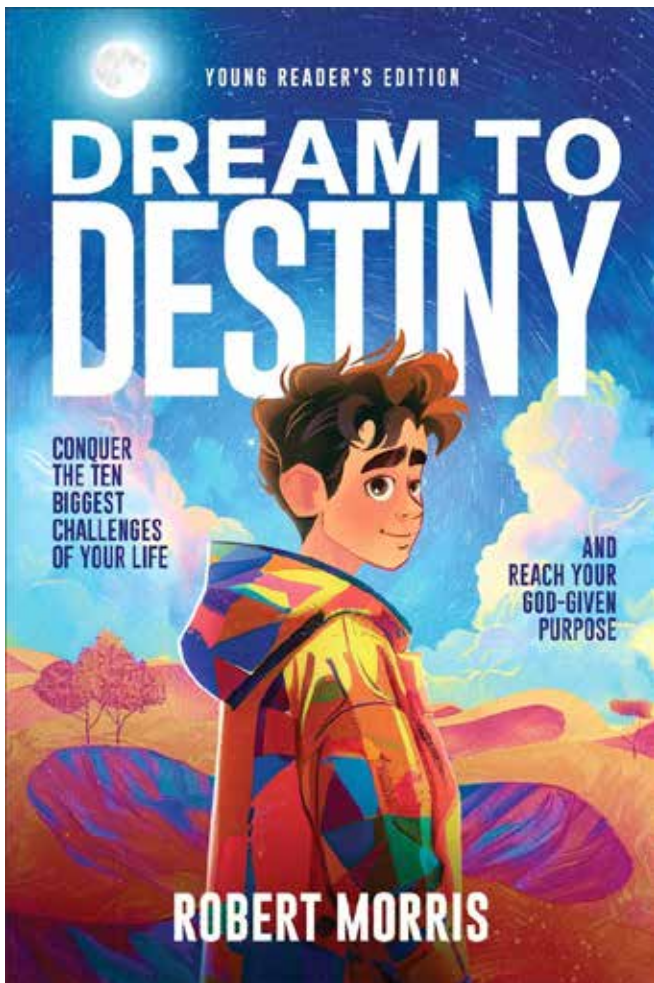

- Exposes the diabolical life of Satan, giving readers a more accurate picture of his work in the world
- Author is an award-winning biographer and documentarian
- Author media appearances include *The 700 Club*, *The Eric Metaxas Show*, *USA Today*, *Huffington Post*, *Focus on the Family*, *Christianity Today*, *The Guardian*, *Smithsonian*, and *TIME*

These days, the devil is even more popular than God: 56% of Americans believe he's real, whereas only 54% believe in God. Yet in the Bible, Satan is barely present, barely speaks, and is subject to God's authority. So how has he gotten so much airtime in the lives of Christians and the wider culture?

At turns engaging, discerning, and humorous, award-winning biographer Jared Brock sorts through the myths and misinformation about the devil, revealing a biblical adversary we need to know, including

- his real name, home, and life story--past, present, and apocalyptic future
- his actual powers--and lack of power
- how to spot, avoid, and overcome his tests, tricks, and tactics

When we have a biblical understanding of our adversary, we'll see new and deeper ways to live as faithful followers of Jesus and grasp our role in his epic story--and the hope of Christ's absolute sovereign kingship over all things.
