Eagerly Awaited Novella from

EXCERPT

Jennifer O'Malley sipped at the lukewarm coffee Tom had offered even as she studied him. She liked the fact that there was a sense of calm patience about the man. He wasn't the typical type-A personality she so often met on the surgical floor. She guessed him to be in his mid-thirties. To be working as a surgeon at this point in his career meant there hadn't been many slow hours in his life. The man wouldn't be doing surgery in this hospital, under this surgical department chief, without being one of the best in the nation at his job.

Her pager went off. She looked at the text and headed toward the elevators, glancing over her shoulder at him as she dropped the empty coffee cup in the nearest trash can. "Got a Medevac incoming. Sorry."

"Promise you'll walk by this floor again during your odd hours around here?"

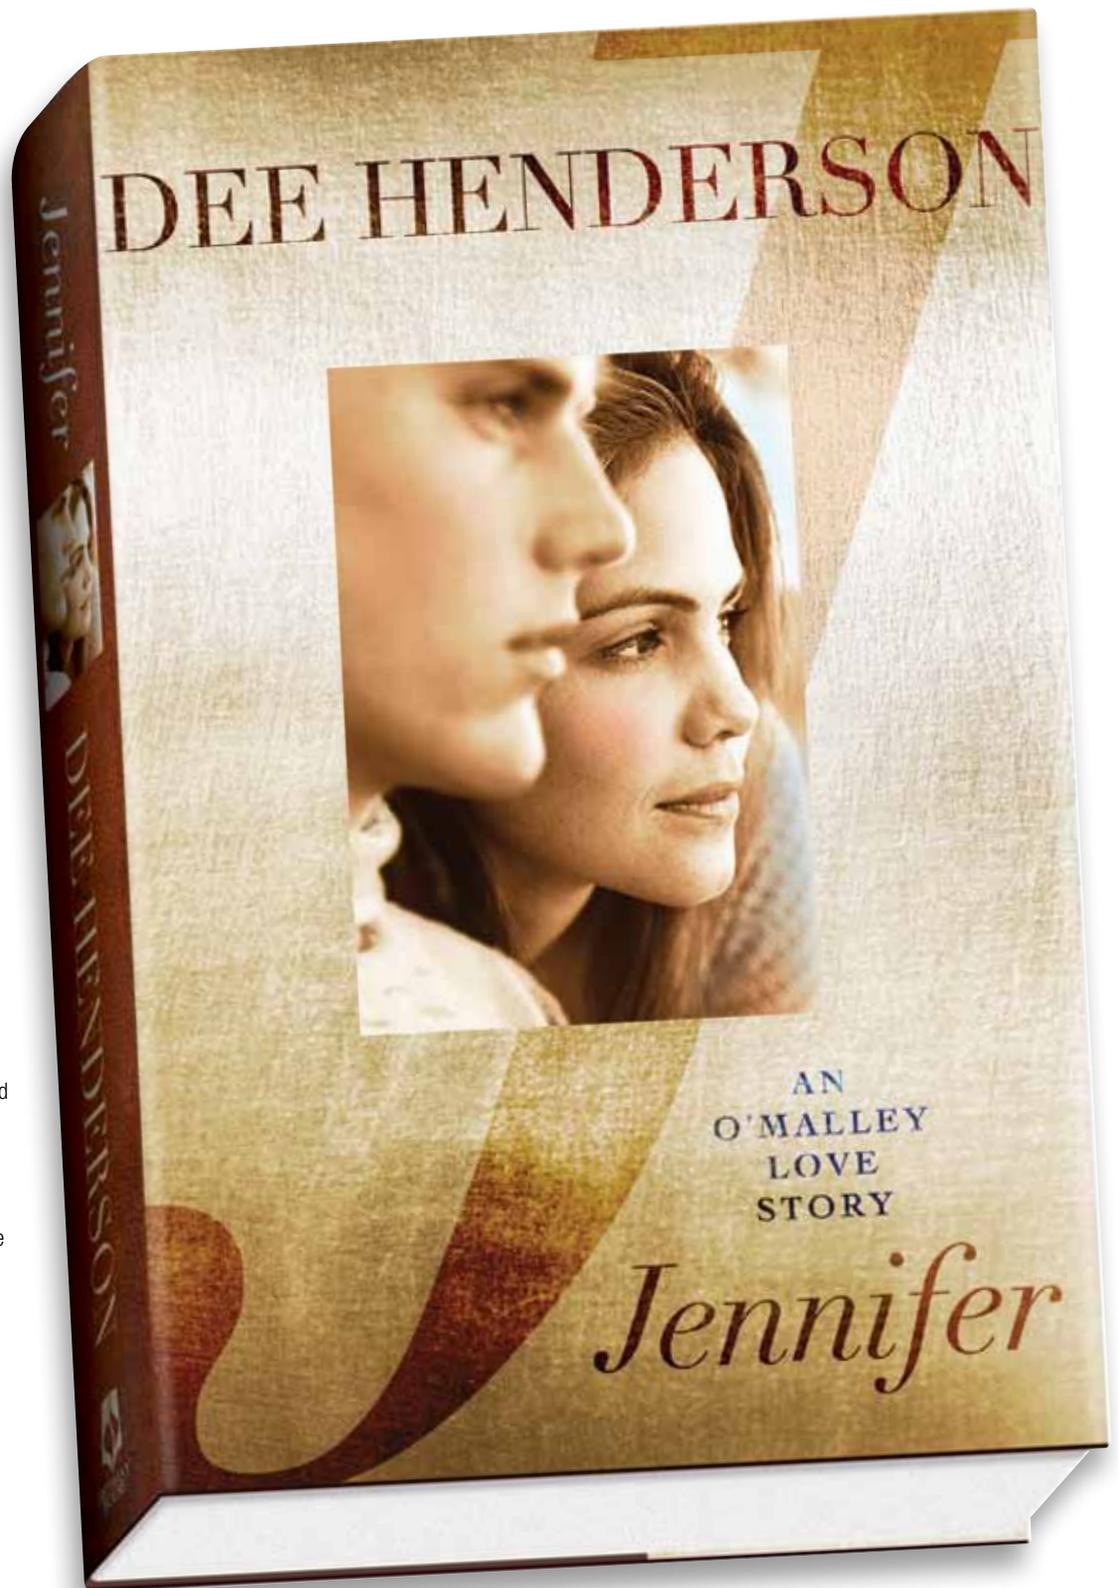

"I think that's a safe assumption for even a Texas surgeon to make."

"You're not Texan, I'm thinking."

"Chicago, south side." The elevator doors closed before she could add, *youngest of seven.*

The elevator rose swiftly toward the roof of the building. She didn't think her large and inclined-to-meddle family would slow him down, but it wouldn't hurt to at least mention them early on.

She suspected Tom Peterson would see her family more as a challenge than an obstacle. He had that air of confidence about him, and, surprisingly, she was looking forward to finding out. Her self-imposed sabbatical of a year off dating might be coming to an end in a rather unexpected way.

- The “story behind the story” of the youngest O’Malley—now available in print for the first time!
- Dee Henderson has nearly 3 million copies of her novels in print
- Author has won 2 Christy Awards and a RITA Award

It’s a summer of change for Jennifer O’Malley. The busy physician has a pediatrics practice in Dallas, and meeting Tom Peterson, and falling in love, is adding a rich layer to her life. She’s sorting out how to introduce him to her family—she’s the youngest of seven—and thinking about marriage.

She’s falling in love with Jesus too, and knows God is good. But that faith is about to be tested in a way she didn’t expect, and the results will soon transform her entire family.

Stunning New Novel from Award-Winning Author

- A coming-of-age drama set during the Great Depression and the Prohibition era of gangsters and bootleggers
- “Tatlock has a way of spinning a story that leaves readers deeply moved and unguardedly contemplative.”—*CBA Retailers*
- “Stellar writing sets Tatlock apart from her peers.”—*Romantic Times*

When Eve Marryat's father is laid off from the Ford Motor Company in 1931, he is forced to support his family by leaving St. Paul, Minnesota, and moving back to his Ohio roots. Eve's uncle Cyrus has invited the family to live and work at his Marryat Island Ballroom and Lodge.

St. Paul seemed like a haven for gangsters, and Eve had grown fearful of living there. At seventeen, she considers her family to be “good people.” They aren't lawbreakers and criminals like so many people in her old neighborhood. Thrilled to be moving to a “safe haven,” Eve is blissfully unaware that her uncle's lodge is a transfer station for illegal liquor smuggled from Canada.

Eve settles in to work and makes new friends, including an enigmatic but affecting young man. But when the reality of her situation finally becomes clear, Eve is faced with a dilemma. How can she ignore what is happening right under their very noses? Yet can she risk everything by condemning the man whose love and generosity is keeping her and her family from ruin?

Winsome and Romantic—the Perfect Summer Read!

- “A feisty heroine, romance, and comedy make this a fabulous debut and Wade an author to follow.” —*Library Journal* (starred review) on *My Stubborn Heart*
- Readers can’t help but fall in love with Becky’s vivid characters and sweeping love stories
- Strong reviews and solid sales prove Wade is the new voice in contemporary romance

When Meg Cole’s father dies unexpectedly, she becomes the majority shareholder of his oil company and the single inheritor of his fortune. Though Meg is soft-spoken and tenderhearted—more interested in art than in oil—she’s forced to return home to Texas and to Whispering Creek Ranch to take up the reins of her father’s empire.

The last thing she has the patience or the sanity to deal with? Her father’s thoroughbred racehorse farm. She gives its manager, Bo Porter, six months to close the place down.

Bo’s determined to resent the woman who’s decided to rob him of his dream. But instead of anger, Meg evokes within him a profound desire to protect. The more time he spends with her, the more he longs to overcome every obstacle that separates them—her wealth, his unworthiness, her family’s outrage—and earn the right to love her.

But just when Meg begins to realize that Bo might be the one thing on the ranch worth keeping, their fragile bond is viciously broken by a force from Meg’s past. Can their love—and their belief that God can work through every circumstance—survive?

- “I am a big fan of Dr. William Marty.”—Beth Moore
- Gives new believers, seekers, and seasoned Christians a deeper grasp of the New Testament
- Author has taught at Moody Bible Institute for over thirty years

To understand Jesus' life and ministry, we need to understand the history and culture of his world. Marty, author of the popular *The Whole Bible Story*, provides readers with a thoroughly readable, easy-to-understand history of Israel leading up to the time of Christ. Each chapter ties closely to the events of the New Testament as Marty carefully answers such questions as

- Who were the Pharisees and why was Jesus upset with them?
- Why didn't anyone like the Samaritans?
- When and why did the Jews start worshipping in “synagogues” rather than the Temple?

The book will include call-out boxes, summaries, and other tools to make this the most accessible book available on the topic.

Delightful Blend of Love and Laughter in Turano's Sophomore Novel

- Continues in the upper-class world of *A Change of Fortune* in 1880 New York
- Readers of Cathy Marie Hake and Mary Connealy will enjoy Jen Turano
- Strong-willed heroine meets her match in an equally stubborn private investigator

Miss Arabella Beckett has one driving passion: to help the downtrodden women of America. Naturally, she supports the women's suffrage movement and eagerly attends rallies and lectures across the country. On her travels, she makes a simple offer of assistance to a young woman in need that goes sadly awry and lands both ladies in more trouble than they can manage. An independent sort, Arabella is loath to admit she needs help and certainly doesn't need help from an arrogant, narrow-minded knight in shining armor.

Mr. Theodore Wilder, private investigator extraordinaire, is on a mission. A mission that began as a favor to his good friend Hamilton Beckett, but swiftly evolved into a merry chase across the country. By the time he finally tracks down Hamilton's sister, Arabella, he is in a less than pleasant mood. When the lady turns out to have radical ideas and a fiercely independent streak, he soon finds himself at his wit's end.

When they return home to New York, circumstances force their paths to continue to cross, but the most peculiar feelings growing between them certainly can't be love. When the trouble Arabella had accidentally stirred up seems to have followed her to New York and threatens her very life, the unlikely couple must face the possibility that they might have landed in the most peculiar circumstance of all: love.

On his way to interview for a position at a church in the Piney Woods of Texas, Crockett Archer can scarcely believe it when he's forced off the train by a retired outlaw and presented to the man's daughter as the minister she requested for her birthday. Worried this unfortunate detour will ruin his chances of finally serving a congregation of his own, Crockett is determined to escape. But when he finally gets away, he's haunted by the memory of the young woman he left behind—a woman whose dreams now hinge on him.

For months, Joanna Robbins prayed for a preacher. A man to breathe life back into the abandoned church at the heart of her community. A man to assist her in fulfilling a promise to her dying mother. A man to help her discover answers to the questions that have been on her heart for so long. But just when it seems God has answered her prayers, it turns out the parson is there against his will and has dreams of his own calling him elsewhere. Is there any way she can convince Crockett to stay in her little backwoods community? And does the attraction between them have any chance of blossoming when Joanna's outlaw father is dead set against his daughter courting a preacher?

Historical Suspense and Romance in the Wild West

- Lively romance mixed with danger, mystery, humor, and the unique backdrop of an 1880s mercantile
- Perfect for readers of Colleen Coble, Mindy Starns Clark, and Tracie Peterson
- “. . . a fascinating cast of characters that move readers through a novel that dispenses romance and wit in the intriguing context of a Wild West mystery. A most delightful and engaging read.”
—Publishers Weekly on *Love in Disguise*

Fired from her most recent governess position, Melanie Ross must embrace her last resort: the Arizona mercantile she inherited from her cousin. But Caleb Nelson is positive *he* inherited the mercantile, and he's not about to let some obstinate woman with newfangled ideas mess up all he's worked for. He's determined to get Melanie married off as soon as possible, and luckily there are plenty of single men in town quite interested in taking her off his hands.

The problem is, Caleb soon realizes he doesn't want her to marry up with any of them. He's drawn to Melanie more every day, and he has to admit some of her ideas for the store unexpectedly offer positive results.

But someone doesn't want the store to succeed, and what used to be just threatening words has escalated into deliberate destruction and lurkers in the night. When a body shows up on the mercantile steps—and the man obviously didn't die from natural causes—things really get dangerous. Can Melanie and Caleb's business—and romance—survive the trouble that's about to come their way?

An Amazing True Story of Angelic

EXCERPT

In the midst of this confusion, grief, and horror, a woman in the crowd sank to her knees on the pavement next to the burning car and began to pray—loudly, begging God to please help the rescuers get the mangled car open so they could get Tracey out. As the woman prayed, Dana Lawton and another man, Orlando Gonzales, watched as a silent lone figure suddenly walked out of the nearby woods and appeared almost to glow as he got closer to the car.

Initially, they thought the glow was simply light reflected from the car fire, but as they watched him, it was clear that he had a brilliance that seemed to emanate directly from him, irrespective of the fire's light or the various headlights shining on the scene. Gonzales in particular knew almost instantly that this man was not just another spectator, not just someone who happened upon the scene as he walked in from the western woods and swamp, an uninhabited area miles from the nearest town. Lawton was stunned, but he also knew exactly what he was seeing—an angel . . .

Just as Tracey revived and earthly life surged through her body, the angel wiped his hand over her face saying, "Tracey, everything's going to be all right." Then he looked up at the crowd, locked eyes with Lawton, and told him, in a slow and deliberate cadence, "Take - care - of - Tracey." Lawton watched as the angel returned to the same woods from whence he came, seemingly absorbed by the shadows.

Intervention in a Desperate Situation

- The dramatic account of Dann and Tracey Stadler’s impossible rescue from a horrific accident
- Inspiration and encouragement for readers that God miraculously intervenes in lives today
- A testimony to how God’s greatest blessings can flow from overwhelming burdens

The Stadlers’ harrowing journey began with a midnight crash caused by a drunk driver. The odds they would both survive the crash were minimal—a testimony to the miracles that began that night and continued through months of surgeries and hospitalizations. The Stadlers struggled to rebuild their lives, only to face more heartache and loss. But through the hard times, their faith grew as God continued to save them from despair and bring blessings into their lives.

For everyone seeking a deeper faith or affirmation of their belief in a good God, this book will provide hope and the reassurance that God still ministers through his angels today.

Downton Abbey Meets Agatha

EXCERPT

“Do you like mysteries, Miss Parker?”

“Don’t tell anyone,” she said, lowering her voice, “but I love them.”

“Capital!” Nick showed her a book. “Have you read any Ronald Knox? I’ve only just started this one.”

“I haven’t heard of him,” Madeline admitted.

“Some priest chappie turned mystery writer. He’s even got a list he calls his Ten Commandments, about what one should and shouldn’t put into a proper detective story.”

Madeline took the book from him, examining it. “Do you read, Mr. Farthing?”

“I manage to make out most of the words,” Drew said.

Madeline pursed her lips, fighting a smile. “I mean do you read mysteries? Have you read anything by Knox?”

He considered for a moment as he cut a slice of bread. “*The First Blast of the Trumpet Against the Monstrous Regiment of Women?*”

She tried to look severe, but managed only to laugh. “Not John Knox. Ronald Knox. Do you never say anything meant to be taken seriously?”

“On the contrary,” he said, “I’m quite a serious person.”

“Monumentally solemn,” Nick put in.

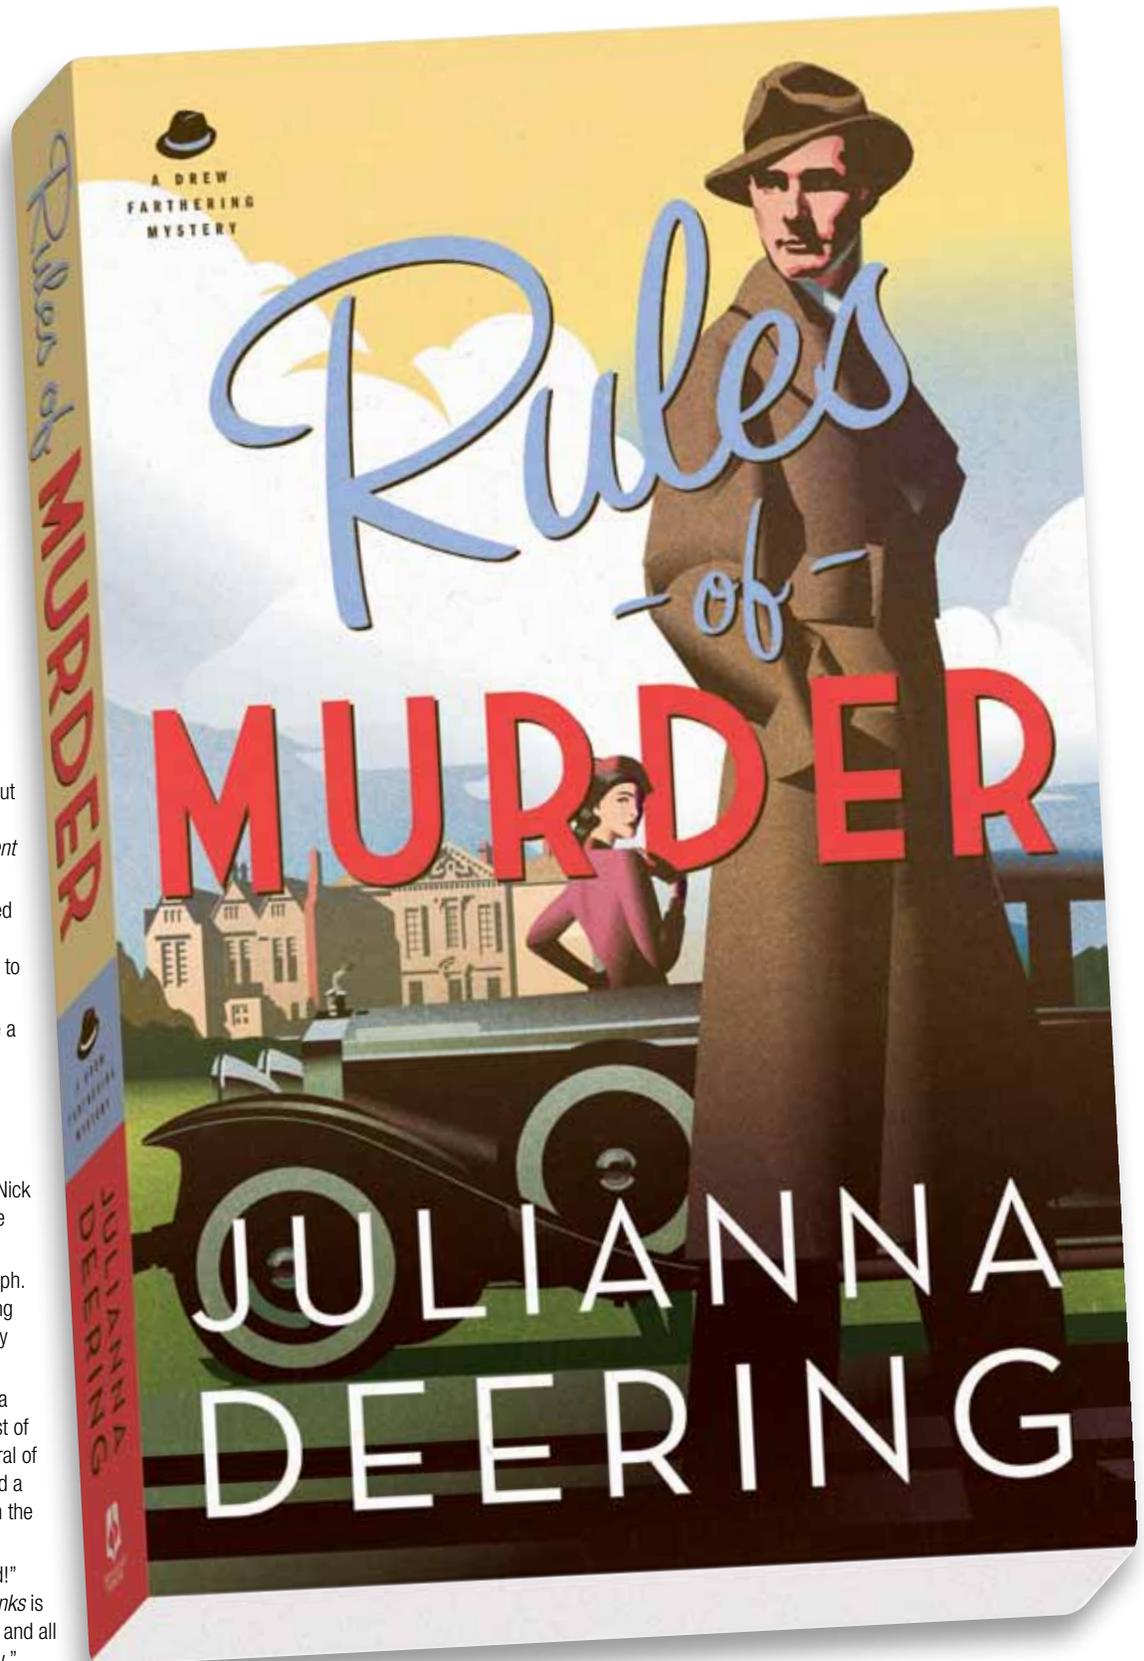

“Dare I say grim?” Drew asked, his expression thoughtful.

“I think you may go so far as grim,” Nick counseled, “provided you do not venture past that and on to moribund.”

“There,” Drew told Madeline in triumph. “What would such a dour fellow be doing reading so frivolous a thing as a mystery novel?”

Nick looked at Madeline and said in a loud stage whisper, “I have it on the best of authorities that Mr. Farthing has several of Mrs. Christie’s novels in his golf bag and a stack of books by that Sayers woman in the boot of his car.”

“I won’t hear such outright falsehood!” Drew protested. “Only *Murder on the Links* is in my golf bag. The rest of the Christies and all of the Sayers meanwhile are up in study.”

Christie in This Sparkling Mystery

- For readers of Dorothy Sayers, Agatha Christie, and Jacqueline Winspear’s *Maisie Dobbs*
- Wonderfully romantic early-1930s English manor setting
- High wit and romance make this a charming new cozy series

Drew Farthering loves a good mystery, although he generally expects to find it in the pages of a novel, not on the grounds of his country estate. When a weekend party at Farthering Place is ruined by murder and the police seem flummoxed, Drew decides to look into the crime himself. With the help of his best friend, Nick Dennison, an avid mystery reader, and Madeline Parker, a beautiful and whip-smart American debutante staying as a guest, the three try to solve the mystery as a lark, using the methods from their favorite novels.

Soon, financial irregularities at Drew’s stepfather’s company come to light and it’s clear that all who remain at Farthering Place could be in danger. Trying hard to remain one step ahead of the killer—and trying harder to impress Madeline—Drew must decide how far to take this game.

CEO of Large Nonprofit Warns

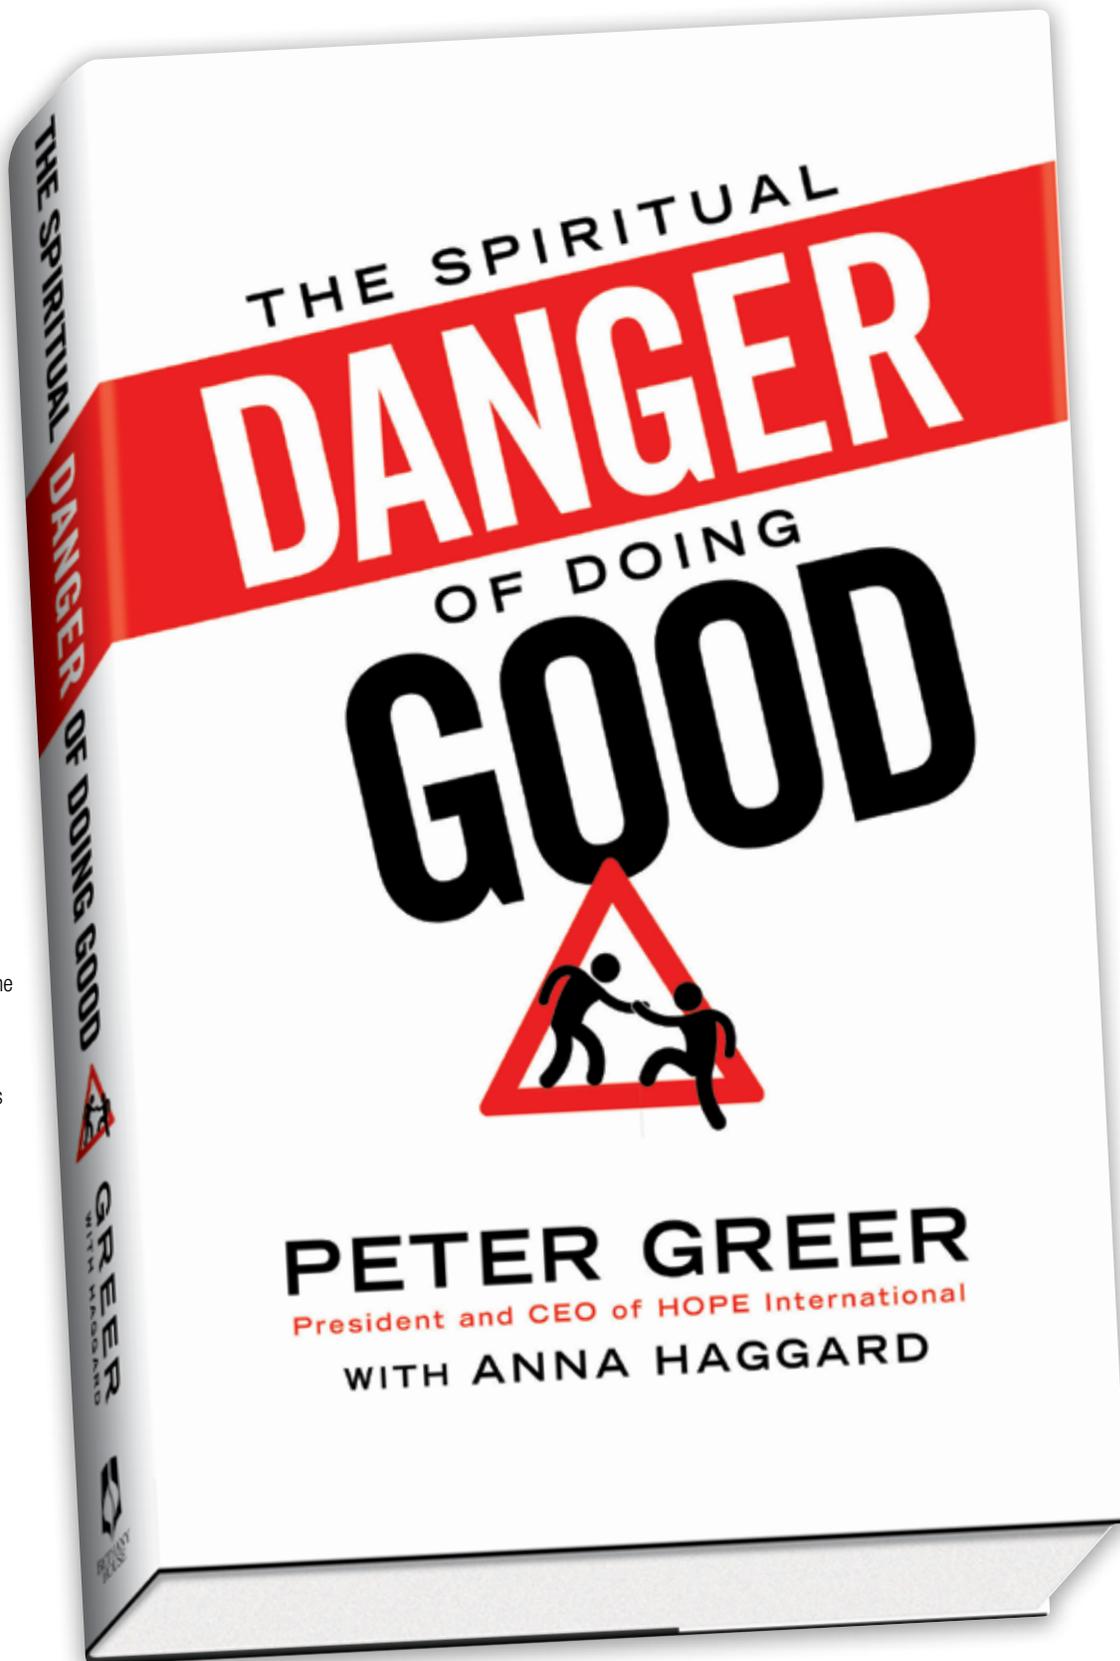

EXCERPT

The part of the story that still causes my stomach to churn is when I was finally allowed to distribute the blankets. This was my chance to be in the spotlight. Up on a platform, I bestowed my blankets on people who walked orderly through a line. The orchestration was almost perfect—we had roped off lines like at an amusement park—and I was the main attraction. We had lists of the families and a system to ensure that each family received their allotted amount. I was on the front lines of personally handing out blankets and helping families that had lost almost everything. Noble cause. Noble mission. Noble actions of a 25-year-old relief worker. A photographer was snapping pictures, and I smiled wide for the camera as I did “God’s work.”

And the thought that was going through my head at the time was not about my responsibility, not about the person receiving the blanket before me, but “I can’t wait until the people back home see these photos of me.”

Doing good turns out to be a lot more difficult than I originally thought it should be, both programmatically as well as personally. Sitting in the car that day in the refugee camp, surrounded by thousands of refugees, I wanted out. Living in the rain, sleeping in tents or a small guest house, and disagreeing with NGO leaders crept up on me. I was exhausted. But it wasn’t mere exhaustion.

I was unhappy and broken.

that Charity and Christian Service Can Have a Dark Side

- A powerful message for all Christians interested in ministry, social justice, and other causes
- Author speaks at large conferences such as Catalyst and Passion
- Story-driven, honest, and vulnerable approach will emotionally connect with readers

Most Christians today are interested in more than just preaching the gospel with words; they also want to serve others. But what happens when Christian service and social justice lead to burnout, pride, or worse? Peter Greer gives a firsthand account of how this can happen, leaning on his experiences as CEO of HOPE International, a large Christian nonprofit that serves those in need by helping them help themselves. Greer uses stories from his own life and others in ministry to help readers protect themselves from disillusionment and other dangers. He uses the Pharisees as a symbol of how something that starts off with the noblest of intentions can go off the tracks, and how to get it back on again. This book serves as a compassionate warning to everyone who works in ministry or charitable nonprofits, from CEOs to weekend volunteers.

The Spiritual Danger of Doing Good will include end-of-chapter questions for personal reflection or group discussion.

Choose Joy Now Available in

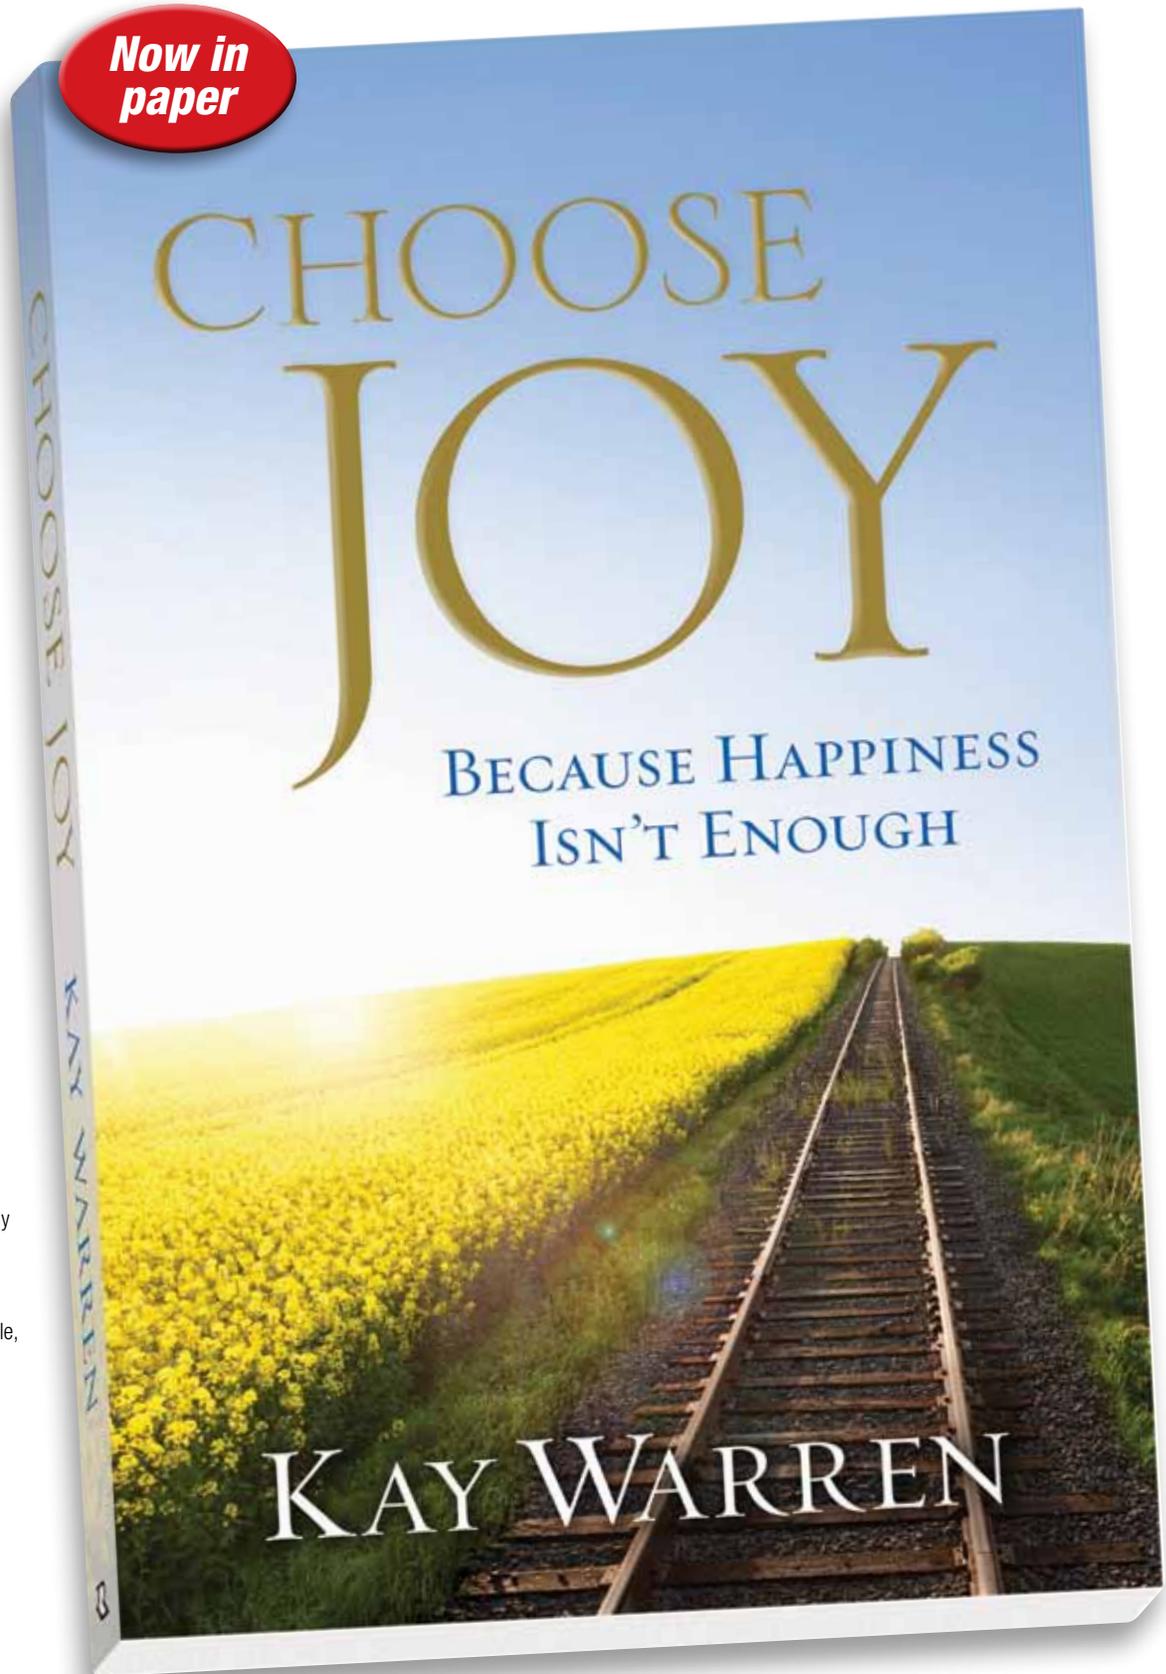

Now in paper

EXCERPT

Even though it may not feel that way to you at this moment, joy is available to you. You may be thinking, *I don't experience joy as much as other people do. It's just not my thing. Or, Joy means living in denial of all the pain in the world.* But as I've discovered in my own life, joy is not about your circumstances or about how you feel. It is definitely not about living in denial and ignoring sorrow or pain. Joy is something much deeper, richer, more stable, and definitely more accessible than you might have thought.

That's the beauty of the joy God offers. You no longer need to live in fear or worry, because God's joy will always be available to you. In this world you will have trouble, Jesus says. But you can still take heart. You can still receive joy. You are not dependent on anyone or anything other than God and yourself to know joy.

There's one promise I want to give you as we start: I will be honest with you about my life and my search for joy—maybe more honest than you will find comfortable. I will not gloss over my doubts, failures, and sins, and I will admit to you—and myself—my sweaty, middle-of-the-night wrestling with God over issues of faith. I will let you into the internal workings of my faith in process because I find my own faith bolstered when I know someone else is struggling and sometimes succeeding in letting Christ be formed in her. Spiritual growth doesn't happen automatically and is rarely pretty; we will all be "under construction" until the day we die and we finally take hold of the "life that is truly life" (1 Tim. 6:19). So let's walk side by side for a while, and I'll share with you what I'm learning about how to choose joy every day . . . in the best and worst of times . . . in every moment.

Ever wonder why some people seem to experience joy in their daily lives—even in the tough times—and others can't seem to find it no matter how hard they search? Is a joy-filled life really possible?

The answer is yes! And it's possible for every woman, no matter what her circumstances may be. In this inspiring book, Kay Warren teaches women what joy really is, where to find it, and how to choose it in the good times and the bad. With compassion and wisdom, she shows readers—even those who live with the constant companions of discouragement and depression—that true joy is deeper, richer, and more accessible than they might think. Perfect for small groups or individual reading, *Choose Joy* will empower women who feel like their emotions and well-being are at the mercy of others by helping them understand the life-giving truth that joy is within their grasp—every day.

EXCERPT

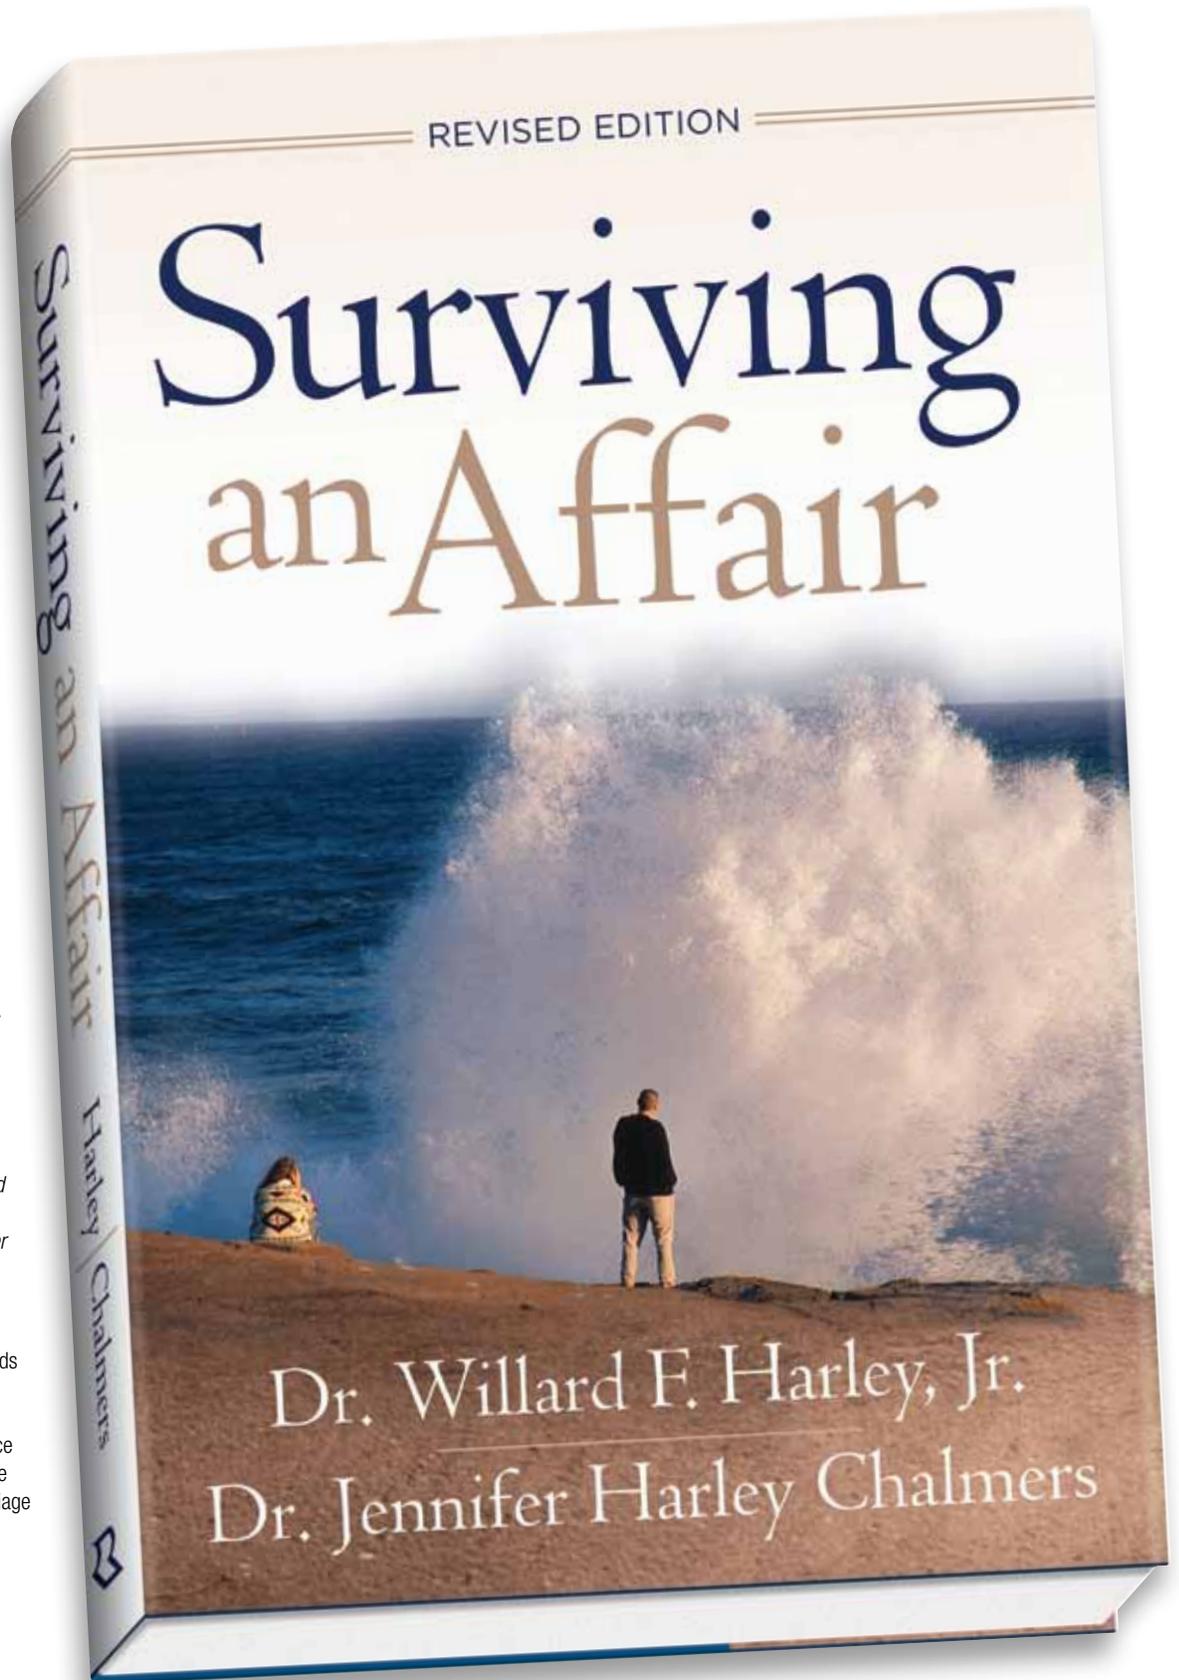

If you are a victim of infidelity, you have been on the emotional roller coaster ride of your life. Most couples caught up in the tragedy of an affair tell us that they have never felt such intense emotions. They are overwhelmed by anger, depression, fear, guilt, loneliness, and shame.

A betrayed spouse will ask, "How could my spouse do this to me—cheating on me, lying to me over and over again? I can never trust my spouse again. I have so much anger and resentment it scares me. My feelings go way beyond hurt—I can't even put into words the pain I am feeling."

A wayward spouse often says, "I used to beg my spouse for more attention, but I never beg anymore—my lover gives me all the attention I need. But I don't know if the attention I'm getting is worth the price. One moment I'm sure I've done the right thing. Then I look into the faces of my spouse and children and I'm not sure anymore. I don't want to give up my family, but if I give up my lover I'll be losing the best thing that ever happened to me. What should I do? I'm an emotional wreck!"

When a couple feel such strong emotions, many question if marital reconciliation is possible. *How can we ever recover from such pain? And even if we recover, can we live with the memory of betrayal? Can we ever trust each other again? Can we ever love each other again?*

As marriage counselors we have been asked these questions thousands of times—and have been able to respond with a definite *yes*. Let us assure you that if you put into practice what we recommend in this book, the prognosis for the future of your marriage is very good.

Marriage Classic

- Newly revised and updated, readers will find biblically based and practical wisdom
- Dr. Harley is the bestselling author of *His Needs, Her Needs*
- For over thirty years, Dr. Harley has been guiding couples through various challenges in their marriages

In fidelity is common, occurring in over half of all marriages. And it is one of life's most painful experiences for everyone involved—the betrayed spouse, the children, the extended family members, and even the lover and wayward spouse. With all that sadness, why do people have affairs? And once trust is broken, how can a couple reconcile?

In *Surviving an Affair*, Drs. Harley and Chalmers describe the most common types of affairs, the reasons they begin and end, the best way to end them, and the best way to restore a marriage after an affair. But most importantly, they help readers survive the ordeal by providing them with step-by-step guidance that minimizes suffering and offers hope for rebuilding a loving and trusting marital relationship.

- When we begin to think less of what people think of us, it is then we are able to think.
- If we gossiped about ourselves for a week, we might never gossip about another again.

Three Sisters Pledge to Help

EXCERPT

Hannah's sisters would be worried sick by now. She sat in a hansom cab beside Lincoln with the sunlight rapidly fading. She should've been home over two hours ago, but by the time they'd bandaged Lincoln's arm and spoken to the police, her hopes of getting home early had shattered like the restaurant's windows.

"You sure you're not hurt? I tackled you pretty hard." Lincoln touched her arm.

"I'm fine." But she'd be sore tomorrow. "I suppose I owe you a debt of gratitude."

"You make it sound so painful." His blue eyes teased her.

"Every time I'm sure I want nothing to do with you, you do something nice and almost convince me otherwise."

"Almost?"

She didn't answer. Kindness oozed from Lincoln, but he had taken their farm. Did he expect her to forget that? "Can you ask the cab to stop here?"

"But we're nearly three blocks away."

"Getting out now is for the best. I can't risk being seen with you escorting me home."

He informed the driver, and she adjusted her hat. "Any more glass shards?"

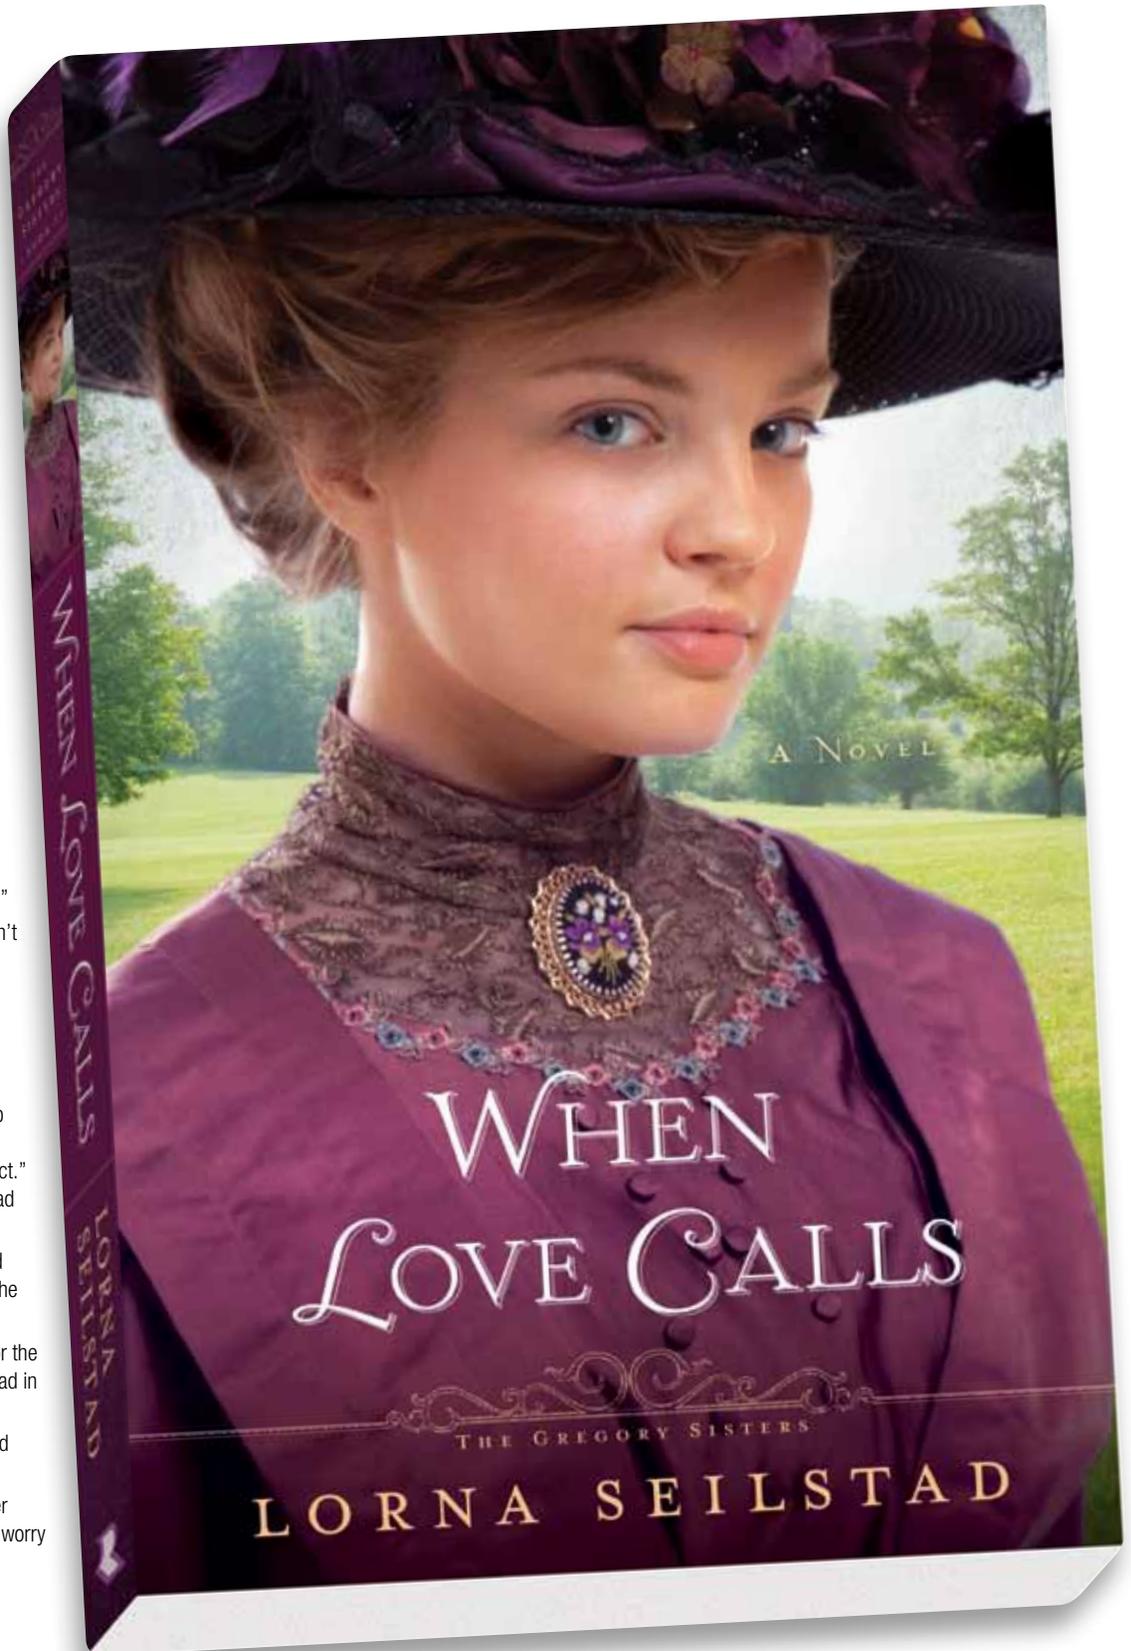

Gripping her chin between his thumb and forefinger, he tilted her head to one side and then the other. "You look perfect." He brushed over the scratch with the pad of his thumb. "Except for this."

The cab stopped, and Lincoln helped her out. "I'd feel better walking you all the way home."

She held up her hand. "Thank you for the offer, but you can't." She dipped her head in a brief nod and began to walk away.

"Hannah," Lincoln called, "if you need anything, anything at all—"

"Thanks, but I won't." She flipped her hand up without turning around. "Don't worry about me. I'll be fine."

Each Other Achieve Their Dreams in Life and Love

- It is 1908, and Hannah Gregory has her hands full providing for her two younger sisters—when romance calls, will she choose to answer?
- A lovely combination of emotional depth and romance
- Fans of Maggie Brendan and Lauraine Snelling will connect to this new historical romance series

Hannah Gregory is good at many things, but that list doesn't include following rules. So when she is forced to apply for a job as a telephone switchboard operator to support her two sisters, she knows it won't be easy. "Hello Girls" must conduct themselves according to strict—and often bewildering—rules. No talking to the other girls. No chatting with callers. No blowing your nose without first raising your hand. And absolutely *no* consorting with gentlemen while in training.

Meanwhile, young lawyer Lincoln Cole finds himself in the unfortunate position of having to enforce the bank's eviction of the three Gregory girls from their parents' home. He tries to soften the blow by supporting them in small ways as they settle into another home. But fiery Hannah refuses his overtures and insists on paying back every cent of his charity.

When one of Hannah's friends finds himself on the wrong side of a jail cell, Hannah is forced to look to Lincoln for help. Will it be her chance to return to her dreams of studying law? And could she be falling in love?

With historic details that bring to life the exciting first decade of the twentieth century, Lorna Seilstad weaves a charming tale of camaraderie and companionship that blossoms into love. Readers will get lost in this sweet romance and will eagerly look forward to championing each sister's dreams.

WHAT OTHERS ARE SAYING (AND SAVING!)

"I'm a single mom and love to help others, but never had the means to do it until now. It's awesome and the kids have really gotten into it with me."—Sandy

"I have just finished a back-to-school and a grocery shopping trip using your tips. I saved over \$200! Also our pantry and two freezers are beginning to fill up! Everyone in our household is thrilled!"—Tiffany

"My grocery bill and budget has been \$500.00 a month and we are building a house. I was trying to cut our bills down. The first time I went shopping, I was blown away how coupons changed my life. I went to the grocery store, bought \$124.00 worth of groceries, and paid only \$44.00. WOW!"—Sharvetta

"Now, for the first time, my family has 'name brand' foods and plenty more. This past week I was able to donate a bounty of toiletry items for a Wounded Warriors project. What a blessing!"—Betty

"The money we save now allows us to enjoy some of the benefits of being retired like camping trips, extended vacations, and taking more trips for mission work. We can now spend time volunteering and giving to others in ways we wouldn't have if we hadn't been challenged to live focused outward."—Johnnie

"I am amazed at the amount of products I have stockpiled, so many that I give to others on a regular basis. I praise God for allowing me to minister this way. There are three elderly couples in my church who enjoy the fruits of my abundance. To hear them say those groceries and other household items are an answer to prayer fills my heart with joy. The soup kitchen, my family, and friends also receive overflows. The best thing is I am staying in my budget."—Kathy

Two Very Different Sisters, An

EXCERPT

Storms, she could handle.

This, however, was a tsunami.

As the nurse adjusted the drip on her mother's IV, Karen Butler fought back a wave of panic and shifted in her chair to stare out the window. In the distance, a solitary oak tree reached toward the sky, its bare limbs devoid of life despite the lush growth of a Missouri spring all around it. A casualty of the harsh winter.

She could relate.

"Your mother's doing very well. She's lucky it was a mild stroke. How are *you* holding up?" The nurse moved toward the door.

"Fine."

Liar, liar.

"Well, if you'd like some coffee or a soft drink, there's a small kitchen next to the nurses station. Help yourself."

"Thanks."

Giving up the futile attempt to find a comfortable position, Karen rose, stretched the kinks out of her back, and began to pace.

No matter how mild the stroke, her mother was still going to need lots of help for the foreseeable future.

And guess who was expected to provide it?

Good old reliable Karen.

The knot in Karen's stomach tightened, and she crossed her arms, squeezing the flesh above her elbows. All her life, she'd tried to please Margaret. To accept family obligations without complaint. And what had it bought her? Nothing except criticism.

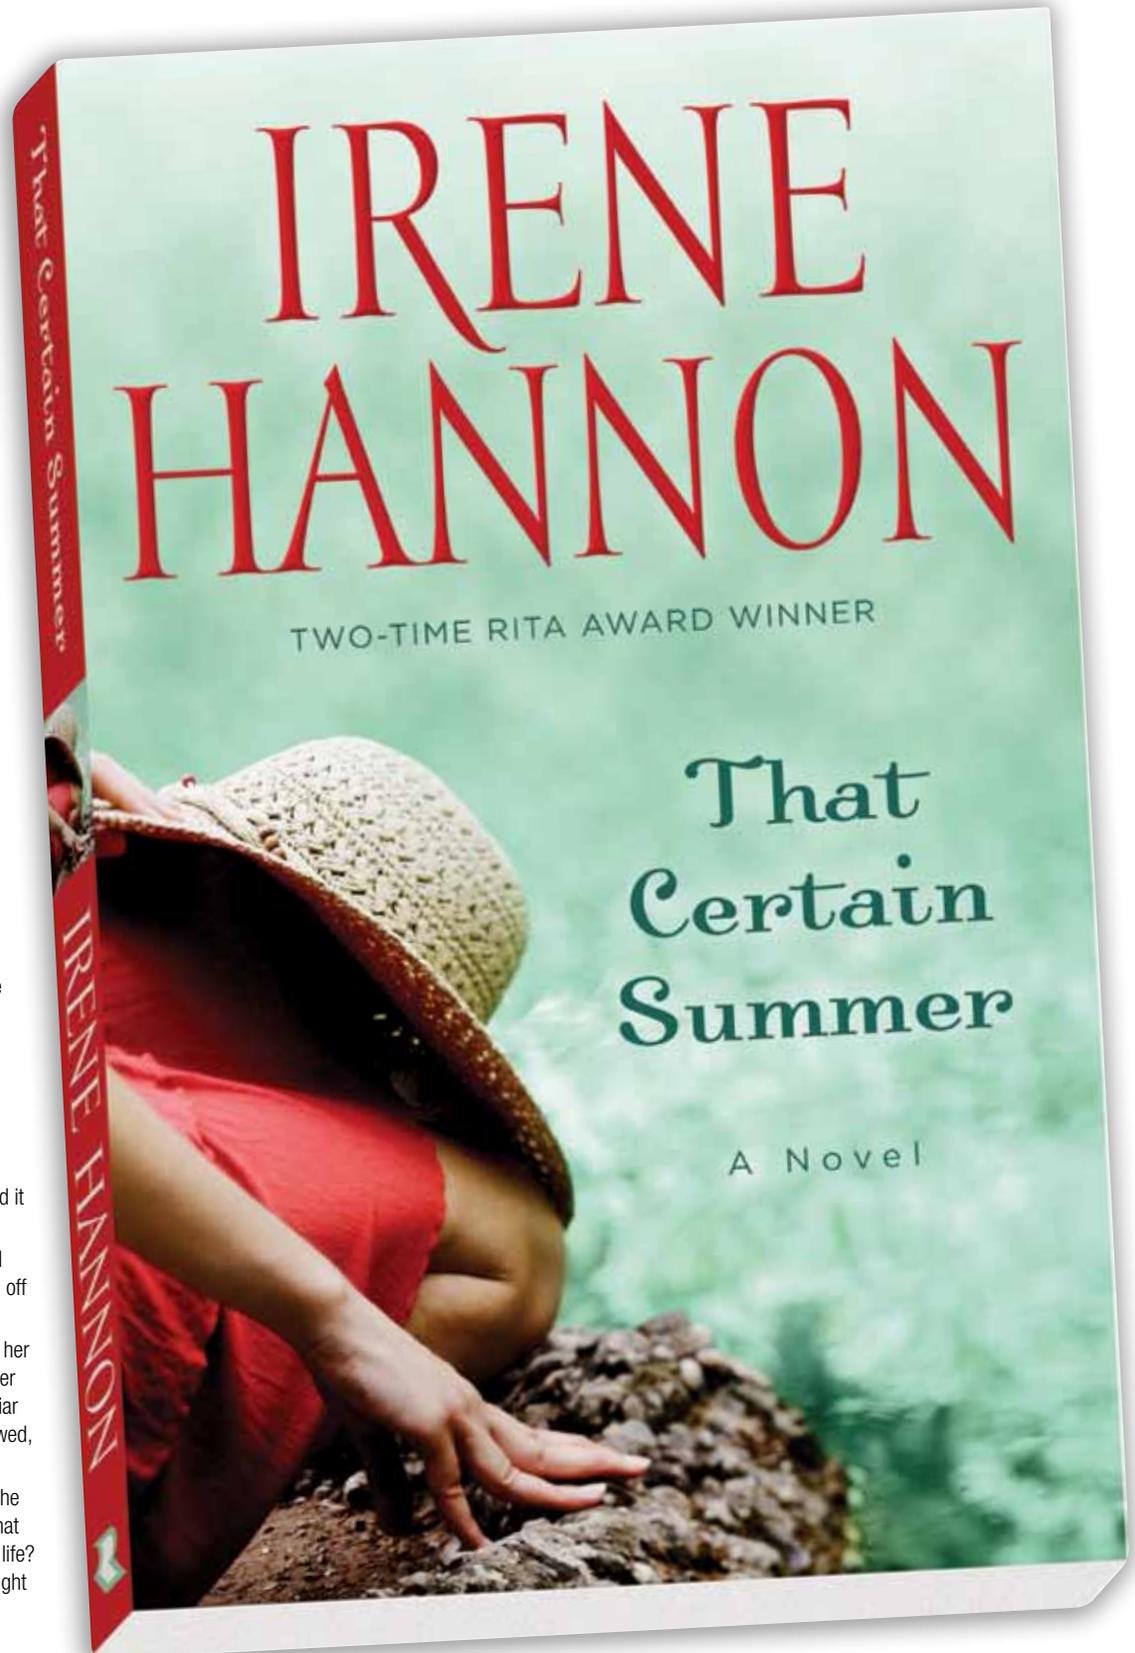

Yet what choice had there been after Val abdicated all family responsibilities and ran off to pursue a career in theater?

Her gaze fell on the small silver roses in her mother's pierced ears—a gift from her sister on some long-ago birthday—and the familiar resentment bubbled up inside her . . . followed, as usual, by annoyance.

Good grief, would she never grow up? She was too old for such petty nonsense. So what if Val was the golden girl with the charmed life? So what if she was Mom's favorite? She ought to get over it.

But she couldn't.

Because it still hurt.

Unexpected Homecoming, One Unforgettable Summer

- An uplifting story of coming to grips with the past and looking forward to the future
- Bestselling author has a devoted fan base eager for more
- Will appeal to readers of Debbie Macomber and Karen Kingsbury

Karen and Val are family—yet they’re anything but close. Karen has carried the burden of responsibility for her aging mother ever since her gorgeous sister left town years ago to pursue a career in theater. But Val had darker reasons for leaving town—as well as a secret to keep—and coming home has never been an option . . . until their mother suffers a stroke.

Reunited in their hometown, Karen and Val must grapple with their past mistakes, their relationship with each other, and their issues with a mother who is far from ideal. When a physical therapist raising his daughter alone and a handsome but hurting musician enter the picture, the summer takes on a whole new dimension. As their lives intersect and entwine, can each learn how to forgive, how to let go, and how to move on? And strengthened by the healing power of faith, might they also find the courage to love?

With her trademark compelling characters and heartwarming hope, fan favorite Irene Hannon offers her readers an inspiring true-to-life tale of complex family relationships, transgressions revealed and forgiven, and the complicated process of finding love.

An Intriguing Mystery That Will

EXCERPT

Two blocks from the police station, Kate parked her car curbside. Her stomach was more scrambled than her morning eggs, and her hands hadn't stopped trembling since she marched out of Parker's office vowing to find Daisy's killer.

Was she nuts?

What did she know about tracking down a murderer?

She could end up his next victim.

Her gaze darted from window to window. *Okay, Kate, get a grip. No one besides a roomful of cops even knows you're looking.* She pocketed her keys and stepped out of the car. A short walk might help her calm down and figure out what to do next.

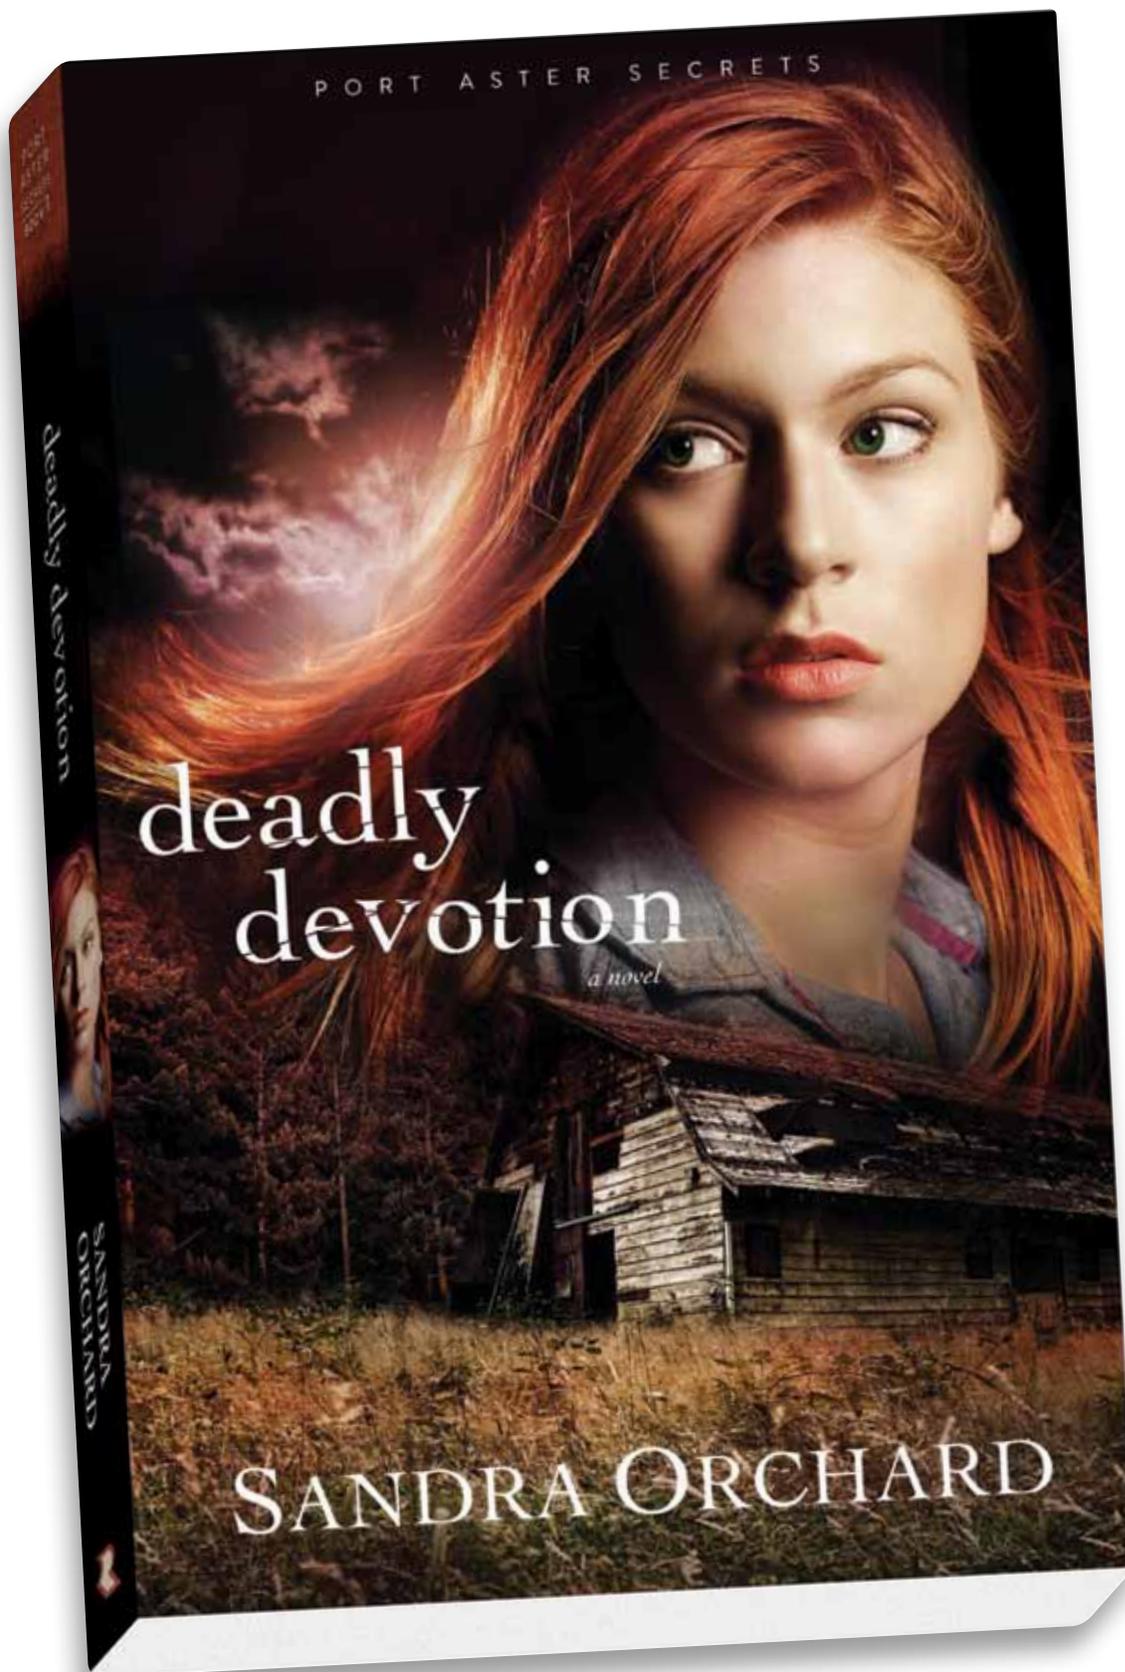

Bright splotches of sunlight dappled the tree-lined street, but the scene felt wrong—as if even the sky had failed her. The weather should be cloudy, miserable, like she felt.

How could Detective Parker insinuate Daisy killed herself on purpose?

He'd acted so concerned with those soft eyes and mellow tones, and then *boom*, he delivered that "people are rarely what they seem" line. Well, she'd show him. Daisy was an open book—and more than that, a woman full of life and zest. She never would have killed herself.

Kate would prove it.

Somehow.

The Dramatic Story of the Wife of the Man Who Ordered Christ's Crucifixion

- As the wife of Pontius Pilate, Claudia enjoys a world of privilege and wealth—will she risk it all for her secret faith in a Jewish rabbi?
- Taylor is faithful to the biblical account while creating a compelling and imaginative story
- Takes readers into the life and times of the first-century Roman era

Claudia's life did not start easily. The illegitimate daughter of Julia, reviled and exiled daughter of Caesar Augustus, Claudia spends her childhood in a guarded villa with her mother and grandmother. When Tiberius, who hates Julia, takes the throne, Claudia is wrenched away from her mother to be brought up in the palace in Rome. The young woman is adrift—until she meets Lucius Pontius Pilate and becomes his wife. When Pilate is appointed Prefect of the troublesome territory of Judea, Claudia does what she has always done: she makes the best of it. But unrest is brewing on the outskirts of the Roman Empire, and Claudia will soon find herself and her beloved husband embroiled in controversy and rebellion. Might she find peace and rest in the teaching of the mysterious Jewish Rabbi everyone seems to be talking about?

Readers will be whisked through marbled palaces, dusty marketplaces, and idyllic Italian villas as they follow the unlikely path of a woman who warrants only a passing mention in one of the Gospel accounts. Diana Wallis Taylor combines her impeccable research with her flair for drama and romance to craft a tale worthy of legend.

A Girl on the Brink of Love.

**PRAISE FOR
ANGEL SISTER**

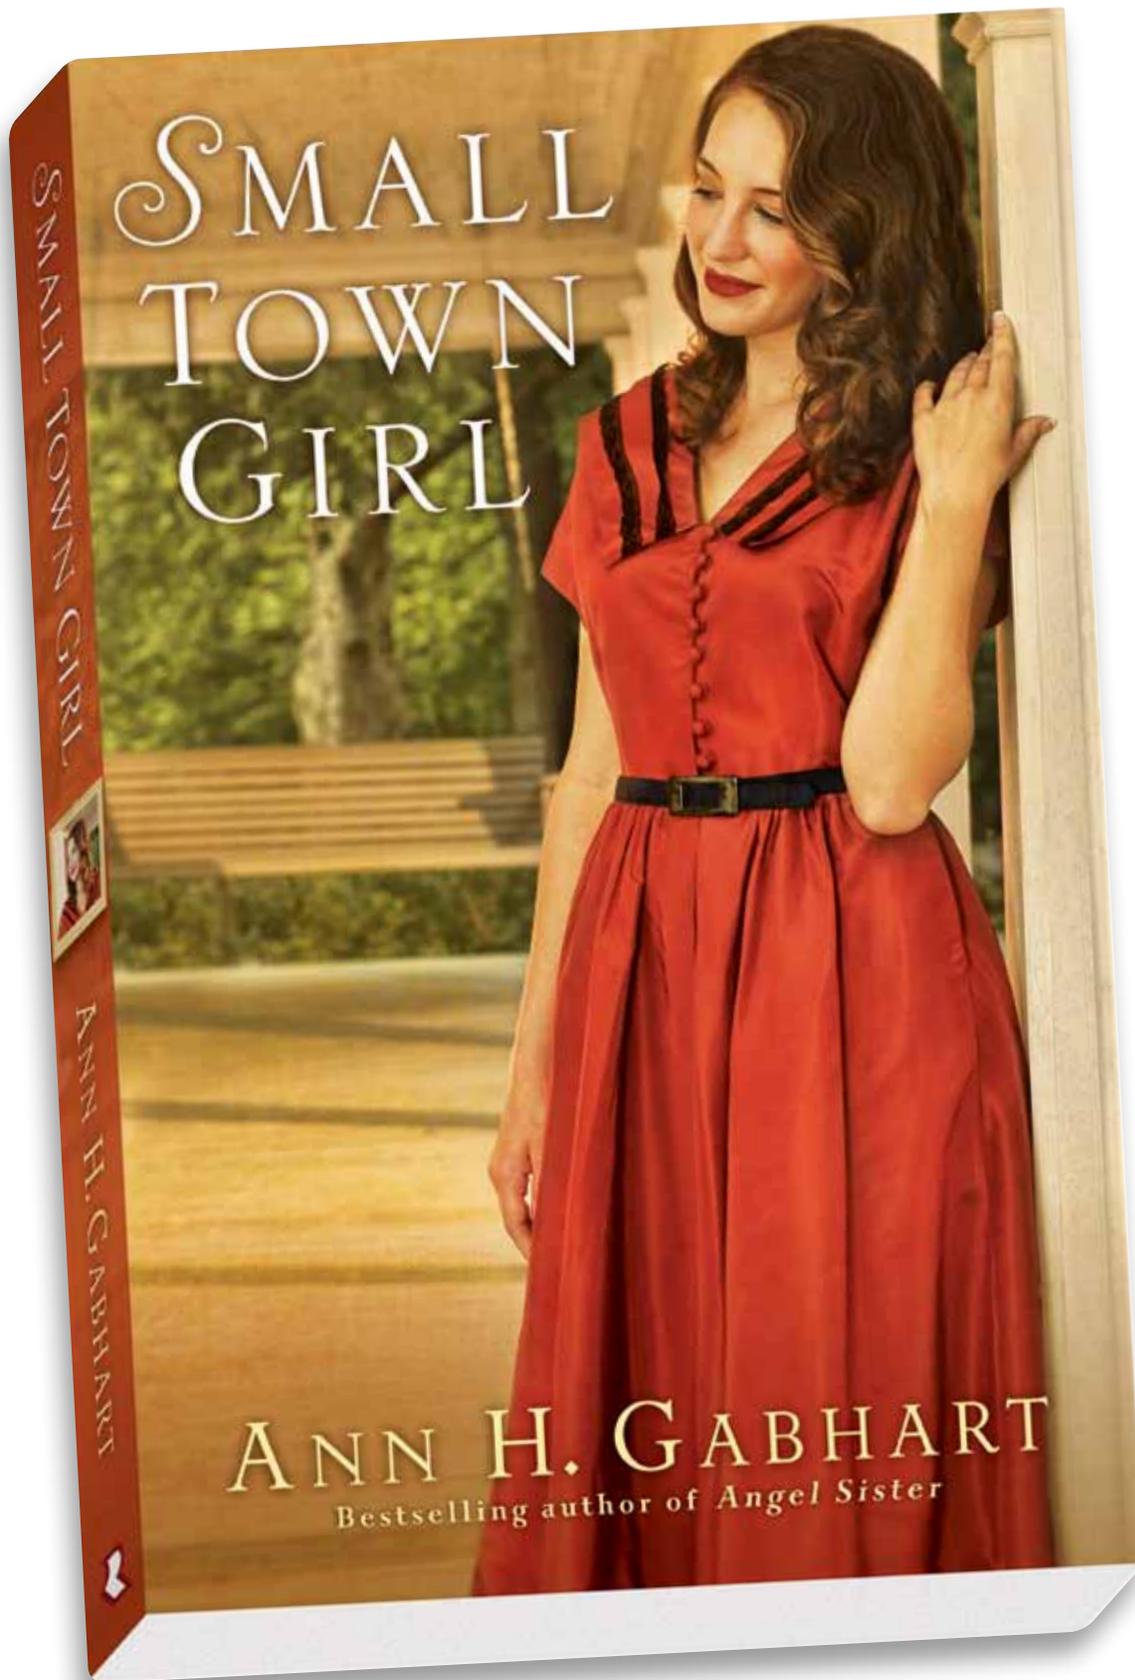

“What a jewel of a story. Reminded me of *To Kill a Mockingbird*. Like a Kentucky summer, *Angel Sister* starts slow and easy but by the end, roars along, leaving the reader breathless and wanting more.”—**Lauraine Snelling**, bestselling author

“This book will leave you changed as it uncovers family secrets and draws you into the days following the first World War and the Great Depression. It will astound you how the characters persevere while making difficult decisions amidst heartache and their determination to make it through the toughest of hard times.”—*RT Book Reviews*, 4½ star TOP PICK

“*Angel Sister* is testament to Ann’s exceptional skills as a writer and storyteller.”—*RelzReviews*

“One of the best novels I’ve ever read!”—*Night Owl Reviews*

“Two major strengths to Ann Gabhart’s writing include her deeply textured characters and rich atmosphere.”—*Crosswalk.com*

A Nation on the Brink of War.

- Gabhart returns readers to the beloved characters in the popular *Angel Sister*
- Set in the small town of Rosey Corner during 1941, a small town girl dreams of love in the midst of trying times
- Kate Merritt worries love's passing her by until Jay Tanner shows up to charm her hesitant heart

In the autumn of 1941, rumors of war whisper through Rosey Corner. The town practically vibrates in anticipation, as if it is holding its breath. But for Kate Merritt, it seems life is letting out a prolonged sigh. As Kate watches her sister marry the man Kate has loved since she was fifteen, her heart is silently breaking. And even the attentions of Jay Tanner, the handsome best man, can't draw her interest.

Then suddenly, Pearl Harbor changes everything. Kate's friends are rushing to get married before the boys go off to war. The newspapers talk of women making airplanes and bombs. Everyone in town begins rolling bandages, planting victory gardens, collecting scrap metal. Kate finds herself drawn to Jay in surprising ways, and when he enlists she can hardly breathe worrying about him getting killed. Could she truly be in love with him? And if she is, will she ever see him again?

In her gentle and textured style, Ann Gabhart tells a timeless story of love, sacrifice, and longing that will grip the heart and stir the spirit. Fans of *Angel Sister* will be thrilled to see Kate Merritt all grown up. New readers will find that Ann Gabhart weaves in *Small Town Girl* a beautiful story that will touch their hearts and win their loyalty.

“Engaging Amish romance with a

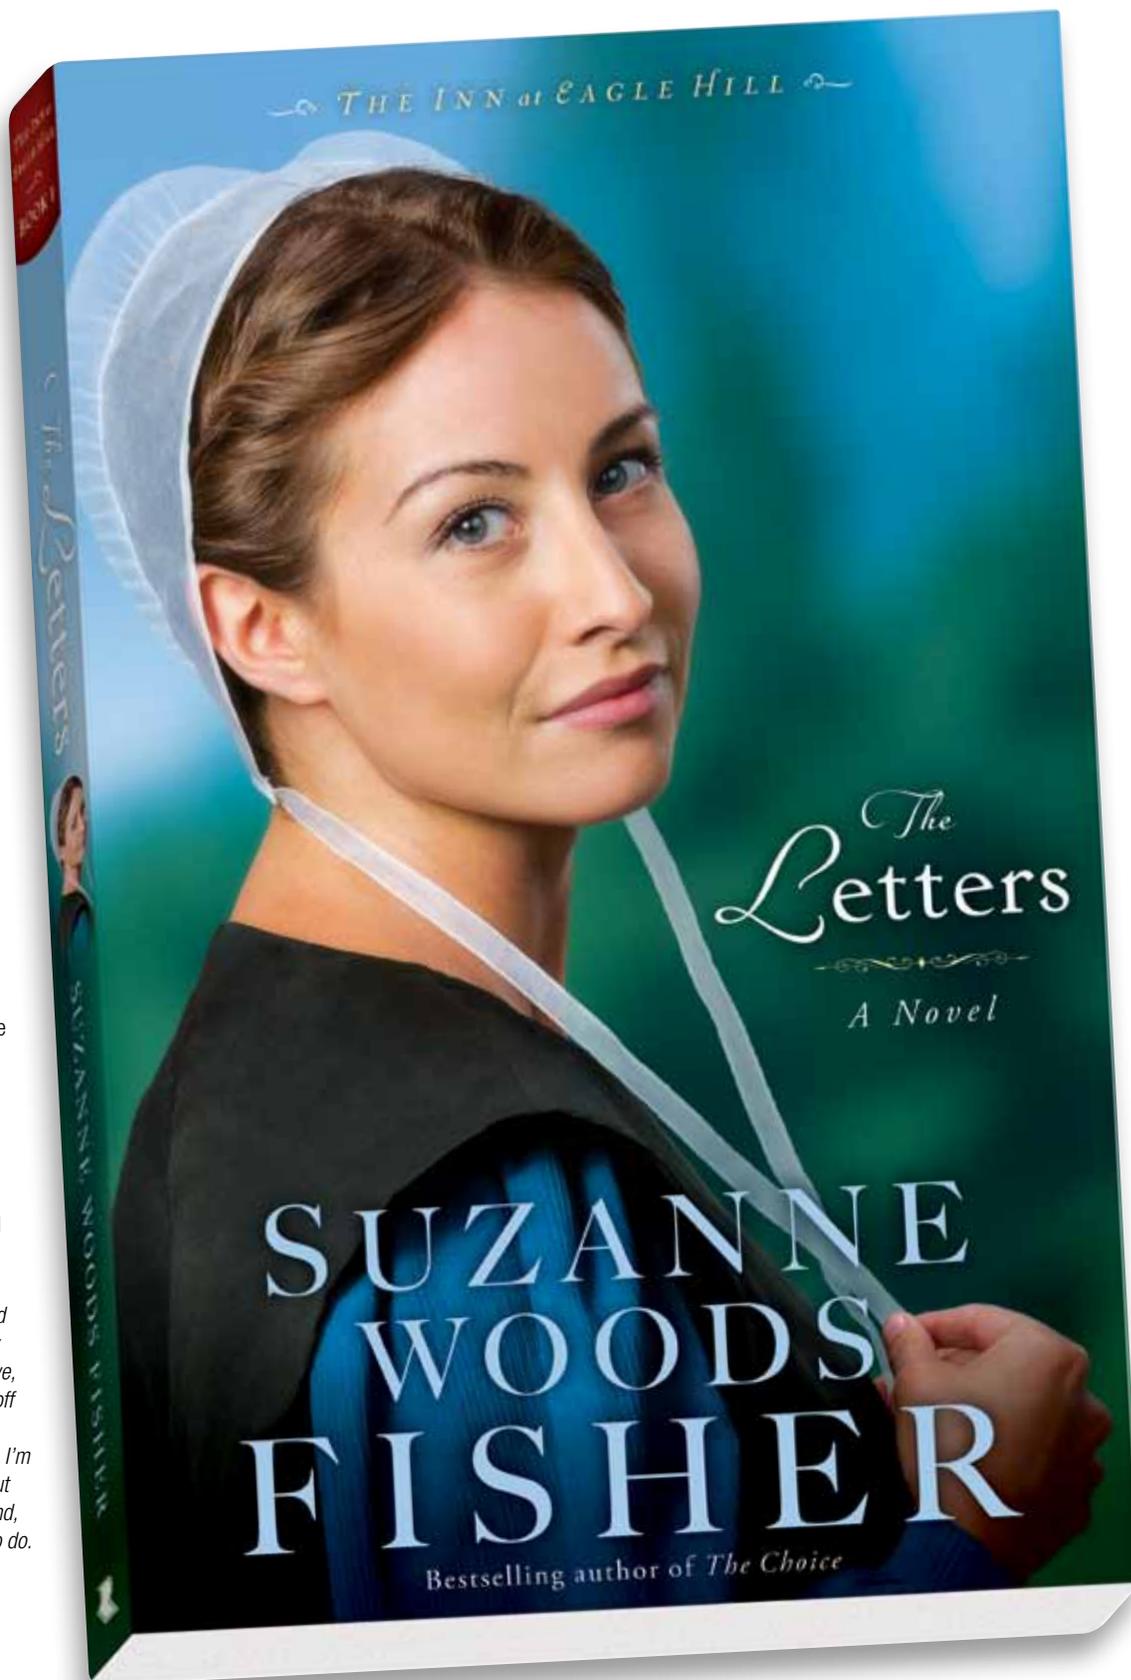

EXCERPT

The air had the sweet burn of frost. Long out of habit, Rose Schrock woke before dawn to carve a little time for herself before the day began. She liked the bitter cold, a cold that seemed to sharpen the stars in the wide Pennsylvania sky. Dawn was her favorite hour, the hour she felt most keenly aware of how fragile life truly was. Between one breath and the next, your whole world could change. Hers had.

On this morning, she walked along the creek that bordered the farm and climbed the hill. The thin March moon, low in the horizon, lit the sky but not the ground. Her golden retriever, Chase, trotted behind her, saluting trees along the path, baptizing each one as he went. When Rose reached the top of the hill, she sat with her back against a tree. In its awakening hour, the farm below seemed peaceful, lovely, calm. The birdsong symphony had just begun—something that always seemed like a miracle to Rose. How did that saying go? “Faith is the bird that feels the light and sings when the dawn is still dark.” And wasn’t that the truth?

Rose Schrock had been raised not to complain, so she didn’t complain, but the truth of the matter was, the last seven months had been the hardest stretch of her life: so many things went wrong that it was hard to know which trouble to pay attention to at any given time. . . . Before Rose left this quiet spot, she had something to do. To say. No, no. She had something to pray.

Lord, I beg your pardon, but I am in a fix. I’m about wrung out from all this, and it’s getting so I can barely tell which way is up. I’ve got four fatherless children, five, if I knew where that oldest boy had run off to, an addle-minded mother-in-law, and barely thirty-six dollars left in my pocket. I’m fresh out of backbone, Lord. And near out of fight. Near out. Lord, if you’d be so kind, look down here and let me know what to do. I need a Plan B.

homespun feel. . . . Recommend it to those who enjoy Wanda E. Brunstetter.” —*Library Journal*, starred review for *The Haven*

- Amish fiction fans love Fisher’s books—over half a million copies sold
- Suzanne’s gentle romance captures readers eager to embrace a love story surrounded by faith, family, and grace
- Fisher is Carol Award winner (for *The Search*) and was a finalist for a Christy Award
- Wonderful first book in a new series combines the world of the Amish with the charm of a bed-and-breakfast setting

Rose Schrock is a plain woman with a simple plan. Determined to find a way to support her family and pay off her late husband’s debts, she sets to work to convert the basement of her Amish farmhouse into an inn. While her family, especially her cranky mother-in-law, is unhappy with Rose’s big idea, her friend and neighbor, Galen King, supports the decision and he helps with the conversion. As Rose finalizes preparations for visitors, she prays. She asks God to bless each guest who stays at the Inn at Eagle Hill. As the first guest arrives and settles in, Rose is surprised to discover that her entire family is the one who receives the blessings, in the most unexpected ways. And she’s even more surprised when that guest decides to play matchmaker for Galen King.

With her signature plot twists combined with gentle Amish romance, bestselling author Suzanne Woods Fisher invites readers back to Stoney Ridge for fresh stories of simple pleasures despite the complexity of life. Fisher’s tale of God’s providence and provision will delight her fans and create many new ones. Welcome to the Inn at Eagle Hill.

A Girl on the Run. A Car That

EXCERPT

Ray was squatting on his heels behind the bar the next morning, checking his supplies when he heard the door open and someone step in. He waited for a voice, but there was only silence.

"Not open yet. Come back in an hour or so."

His hand closed around the baseball bat that he kept under the bar, and he stood up, keeping the bat out of sight under the counter. It was only that crazy California girl. He slid the bat back on its shelf.

"What can I do for you?"

"First of all, I want to say I'm sorry about yesterday." The girl smiled, and he noticed that when she wasn't screaming her head off, she wasn't bad looking. "I sort of lost it."

Ray shrugged. He sure wasn't going to argue about that.

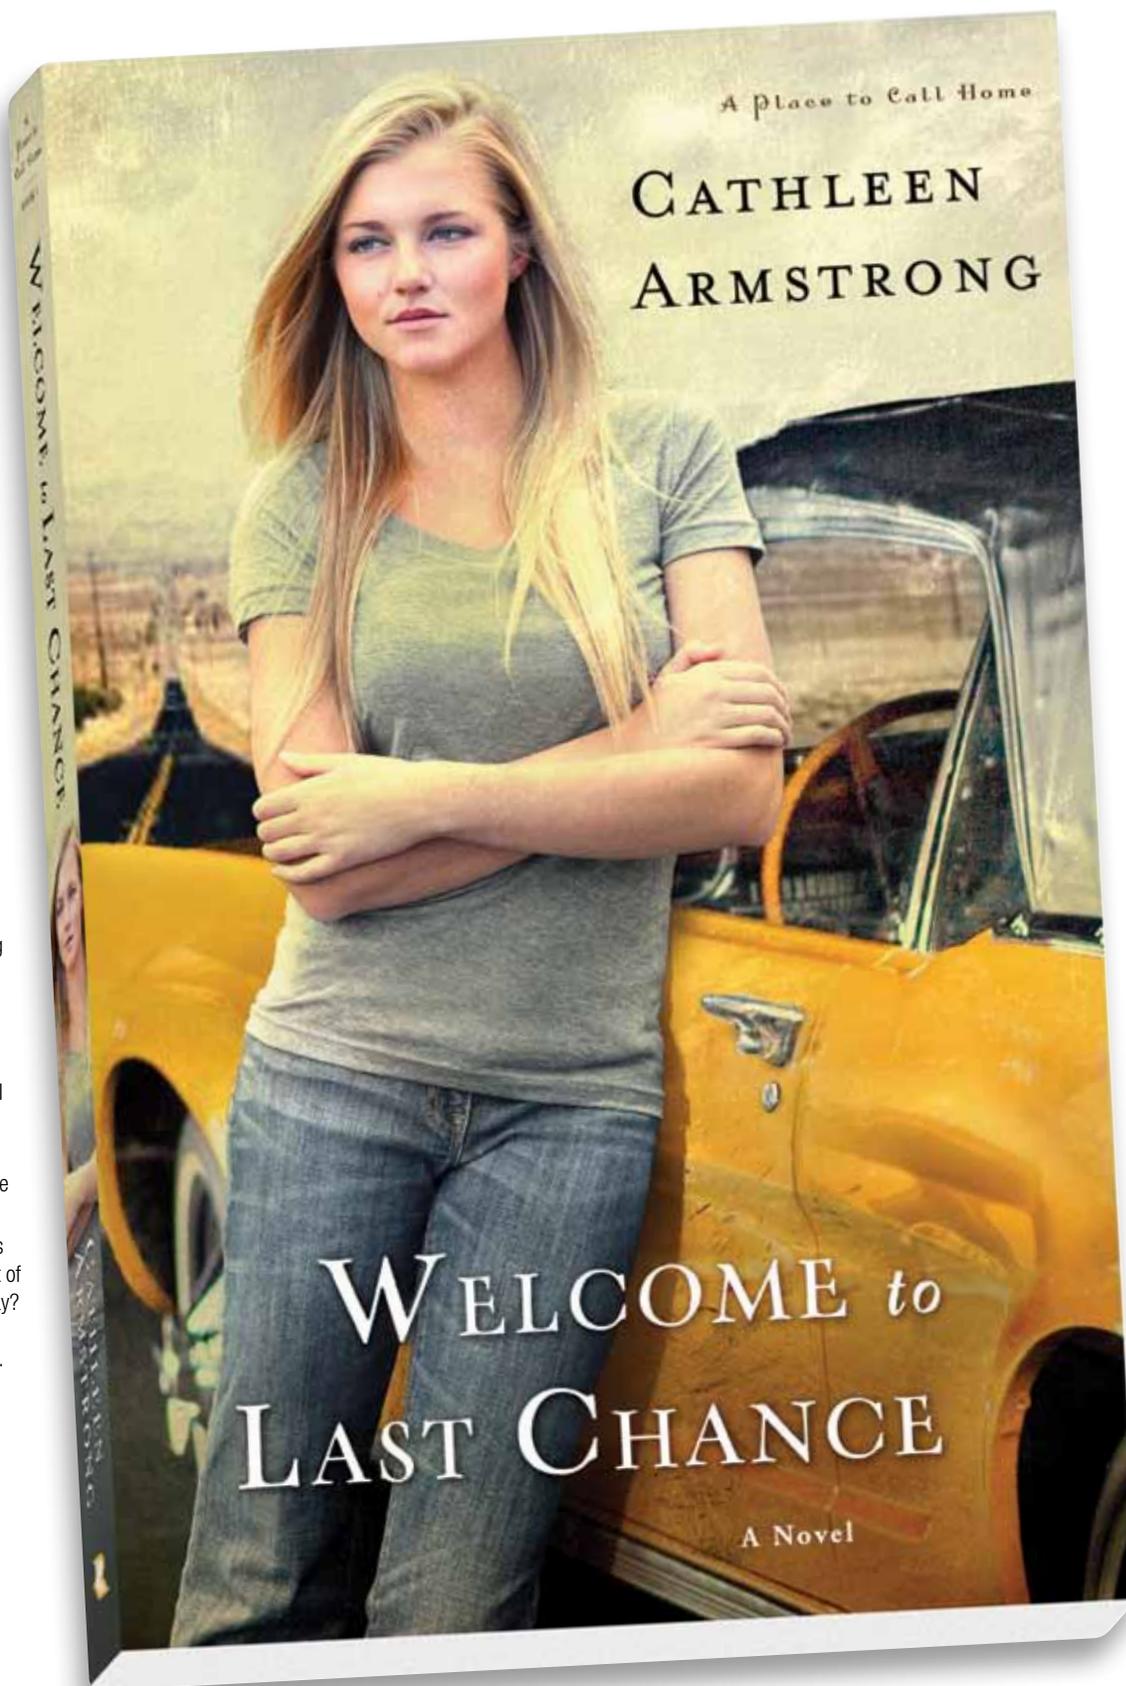

"Anyway, can we start over?"

She was all over sugar, but that made Ray even more uncomfortable. He had heard about those split-personality people, and if ever there was one, he was sure she was standing in his bar this minute. He had seen her all of three times and she had been a completely different person every time.

"I was hoping I could use your phone? I need to make some calls and I don't need Elizabeth or Fayette hanging over my shoulder listening in."

"There's a pay phone in the hall there by the restrooms. Help yourself."

"Well, the thing is, my calling card is about out of minutes, and I'm about out of cash. Do you have a phone that isn't pay? I promise I'll keep it short." Ray noticed that she had a dimple when she smiled.

Won't Run Any Farther. And Finally, a Place to Call Home.

- Prior to publication, *Welcome to Last Chance* won the ACFW Genesis Award in 2009
- Armstrong will have readers engaged from the very first page

The red warning light on her car dashboard drove Lainie Davis to seek help in the tiny town of Last Chance, New Mexico. But as she encounters the people who make Last Chance their home, it's her heart that is flashing bright red warning lights. These people are entirely too nice, too accommodating, and too interested in her personal life for Lainie's comfort—especially since she's on the run and hoping to slip away unnoticed.

Yet in spite of herself, Lainie finds that she is increasingly drawn in to the dramas of small town life. An old church lady who always has room for a stranger. A handsome bartender with a secret life. A single mom running her diner and worrying over her teenage son. Could Lainie actually make a life in this little hick town? Or will the past catch up to her even here in the middle of nowhere?

Cathleen Armstrong pens a debut novel filled with complex, lovable characters making their way through life and relationships the best they can. Her evocative descriptions, observational humor, and talent at rendering romantic scenes will earn her many fans.

Ed McGlasson shares his personal experience of having lost his own father before he was born. With deep conviction and strong encouragement, he invites hurting people to take heart and have hope in their heavenly Father who loves them, blesses them, and will never leave them. Pastor and Singer/Songwriter Takes Us Deeper with God in the Psalms

- A creative and deeply biblical exploration of the Psalms as a pathway to spiritual formation
- Author is the lead singer and founder of the musical group Sons of Korah
- Moves readers from “read your Bible and pray” to a heartfelt emotional connection with God

People typically have two ways of thinking about spirituality. Either they have accepted the false reality that they can only know *about* God, without knowing him personally, or they have romanticized spirituality to such an extent that it becomes far too otherworldly. In either case, expectations are lowered, and they live in spiritual bankruptcy, feeling like spiritual failures.

Pastor and musician Matthew Jacoby sets the Psalms to music as they were intended, performing them with his band, Sons of Korah, for over fifteen years. In the Psalms, he has discovered a portrait of authentic spirituality that helps us journey from deep sadness to profound joy. Jacoby gives readers an in-depth look at the Psalms as a pathway to intimate and satisfying relationship with God.

Renowned Psychologist Offers a

EXCERPT

Our culture is already sexually confused. And at the center of our confusion, I suggest, more than perhaps anything else, is the absence of a thought-through agreement about what makes a male person a masculine man and about what makes a female person a feminine woman. Reaching agreement on such a controversy-riddled issue requires an agreed upon starting point. Most evangelicals, I think, believe that when God made us male and female human beings, He intended that our *gender*, our social identity as masculine men and feminine women, would correspond to our *sex*, to our physical make-up as males or females. If you were born a male, live as a man, look like a man, relate to others as a man. If you were born a female, live as a woman, look like a woman, relate to others as a woman.

That starting point, however, immediately raises difficult questions. What does it mean to live, look and relate as men and women, to be *masculine* men and *feminine* women? The very words, masculinity and femininity, fill our minds with silly images, with superficial cultural stereotypes left over from earlier eras that continue haunting us today: three piece suits and frilly blouses, tough guys and tender women, broad shoulders and shapely legs, absent fathers who work hard and present mothers who cook well, strong leaders and submissive followers.

If we leave these stereotyped ideas behind, then another question needs to be asked: Do Christians have any biblical basis, any revealed wisdom, that we can draw from to understand what it really means for males and females to become masculine men and feminine women, to live, look and relate as men and women who because we bear God's image can reveal something uniquely wonderful about God by becoming truly masculine and truly feminine? Is that question even important?

New, Biblical Look at Gender and How Men and Women Impact Each Other

- Releases men and women to become fully alive in their God-designed masculinity and femininity, liberating them from debilitating and limiting stereotypes
- Paints a fresh, biblically documented vision of what makes a woman feminine and a man masculine, focusing more on how we impact each other than on restrictive cultural roles
- Dr. Larry Crabb is a highly respected psychologist and the bestselling author of more than twenty books

What makes a man masculine? A woman feminine? Did God design the two genders so differently? If so, why? The answers to these questions will free women and men to gladly embrace all that it means to be fully alive as gendered bearers of God's image who can profoundly impact others for good by the way they relate.

Author and psychologist Dr. Larry Crabb presents a biblically grounded understanding of gender uniqueness. His illustration of a bridge of connection shows how the two genders can relationally come together in God-revealing harmony as they celebrate their God-designed uniqueness. Readers will discover that God created male and female to relate in gender-specific ways to make a difference in others by displaying God's relational character. Crabb clearly shows men and women what it means to live fully alive as feminine women and masculine men.

How Technology Is Changing Our Brains . . . and Our Relationships

- An accessible, balanced approach that educates parents, teachers, and counselors on the effects of digital technology
- Introduces parents (digital immigrants) to the world of their children (digital natives)
- Each chapter includes a practical and biblical “What We Can Do about It” section
- Based on the latest research in psychology and neuroscience

In the world of technology, there are just two kinds of people: digital natives and digital immigrants. Digital natives are those born after the advent of the internet. They are comfortable with swift technological change and take the presence of technology in their lives almost completely for granted. They have “digital DNA” flowing through their bodies. On the other hand, digital immigrants are those born before the advent of the internet. Their comfort level with our technology-soaked world is more variable. But they are affected by the digital invasion just as much as their native children.

With the latest research supporting them, Dr. Archibald Hart and Dr. Sylvia Hart Frejd uncover both the subtle and the dramatic ways digital technology is changing us from within, focusing their exposé on the impact on the spiritual life of individuals. Through insights from neuroscience and psychology, they offer readers therapeutic and biblical strategies for handling the digital invasion in order to become good stewards of their digital lives. Parents, educators, students, counselors, and pastors will especially appreciate this cultural wake-up call.

Is it possible to live at peace in the midst of conflict?

As a child, Elias Chacour lived in a small Palestinian village in Galilee. When tens of thousands of Palestinians were killed and nearly one million forced into refugee camps in 1948, Elias began a long struggle with how to respond. In *Blood Brothers*, he blends his riveting life story with historical research to reveal a little-known side of the Arab-Israeli conflict, touching on questions such as:

- What behind-the-scenes politics touched off the turmoil in the Middle East?
- What does Bible prophecy really have to say?
- Can bitter enemies ever be reconciled?

Now updated with commentary on the current state of the Israeli-Palestinian conflict, as well as a new foreword by Lynne Hybels and Gabe Lyons, this book offers hope and insight that can help each of us learn to live at peace in a world of tension and terror.

Make a Lasting Difference by Putting Your Faith into Action

- A quick, accessible action plan that helps everyone make a difference
- Perfect for a church sermon series and small group study
- Helps readers express compassion and justice as an evangelistic witness in their communities
- Short accessible chapters can be read as a traditional book or as a daily devotional

Christians want to make a difference, but sometimes the ministry bar is raised so high that only those who are “go-getters” can do it. Mission work can look like a drastic life change, unattainable to those who aren’t in full-time ministry. So the average church member is left without a mission.

Pastor and author M. Scott Boren shows how ordinary Christians can make a huge impact through their everyday lives. Boren teaches church members how to make a difference for God where they are. At work. With friends. In the neighborhood. Mission work doesn’t need to be a life-altering event. It can be simply living a life that honors Jesus and points others to him.

ENDORSEMENTS

"Few commentaries help the reader move beyond study to thoughtful application, and fewer still move beyond application to teaching. That's why I am thrilled with the TEACH THE TEXT COMMENTARY SERIES."—**George H. Guthrie**, Benjamin W. Perry Professor of Bible, Union University, Jackson, TN

"Pastors, communicators, and fellow Bible teachers, shove some books over and make room on your shelves. The TEACH THE TEXT COMMENTARY SERIES was specifically envisioned with us in the lens and emphasizes precisely what matters most: communicating the heart of the authoritative text itself. Here is the best of biblical scholarship made accessible, applicable, and relevant to life."—**Beth Moore**, author and teacher

"Accurately balanced between good scholarship and solid preaching perspectives, these commentaries provide an unusually deep and relevant approach to the text. If you take preaching and teaching the Word seriously you must take this series seriously as well."—**Joe Stowell**, president, Cornerstone University

"The best of scholarship in a manageable size for busy pastors and teachers."—**Leith Anderson**, president, National Association of Evangelicals

"The content is easy to comprehend while giving enough meaty knowledge so everyday students and teachers of the Bible can grab hold of the powerful text with an assurance of sound interpretation."—**Dr. David Anderson**, lead pastor, Bridgeway Community Church, Columbia, MD

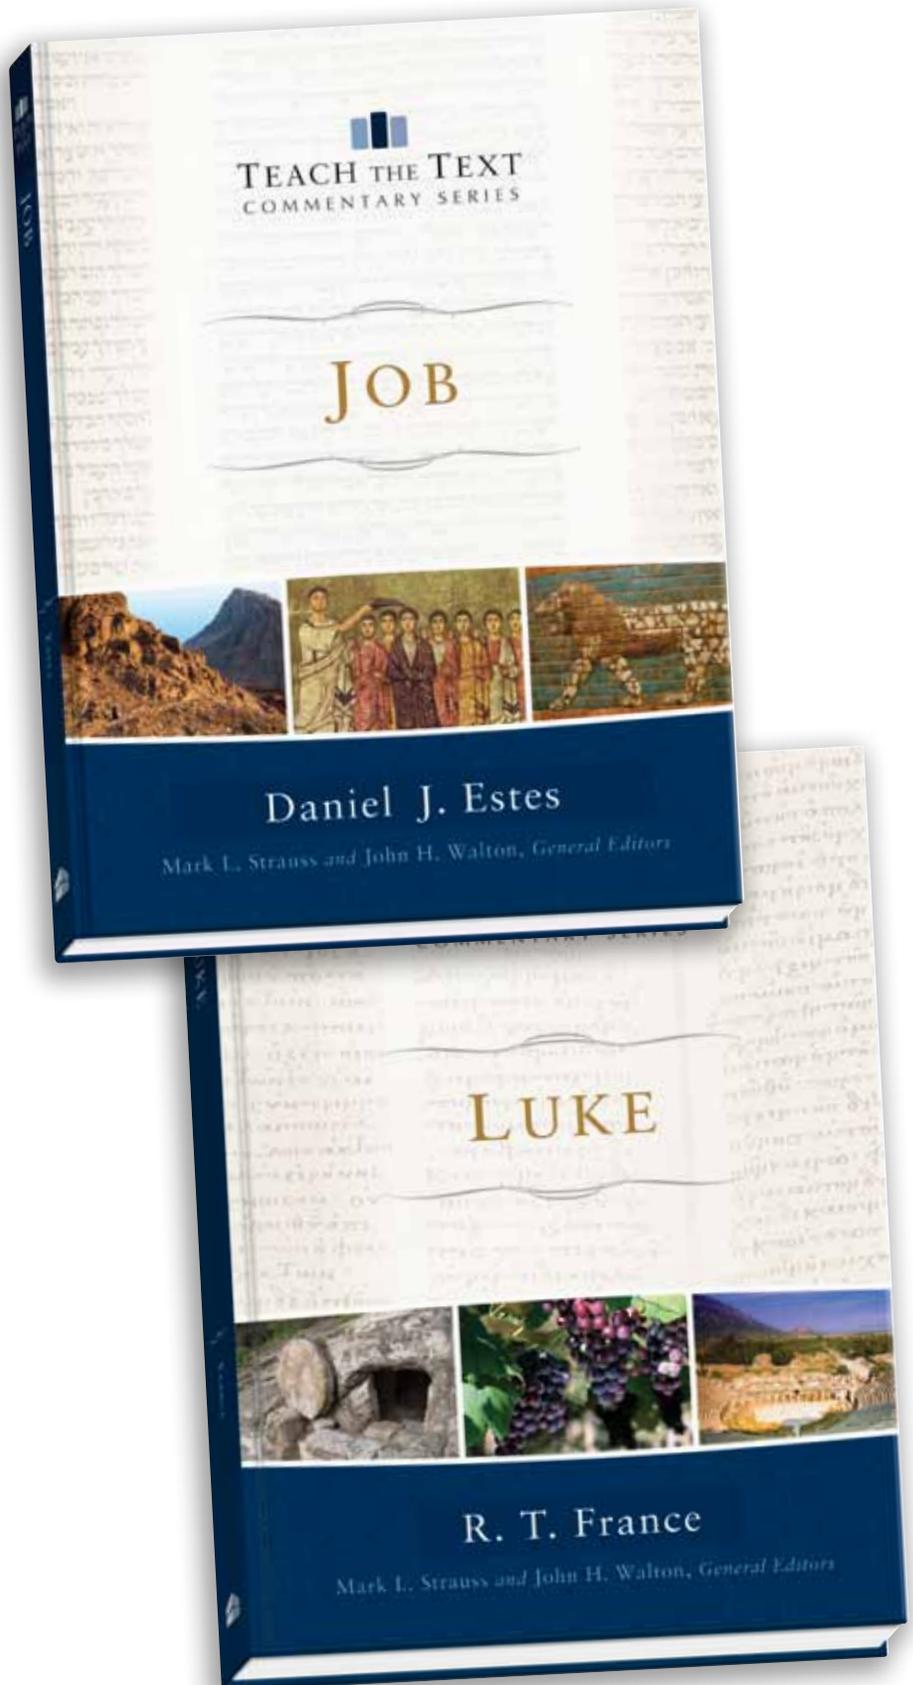

"A perfect tool for the pastor looking for 'sermon-ready' insights. They not only provide the most relevant 'sermon-friendly' information but organize it in a manner that makes it simple for the pastor to use."—**Miles McPherson**, senior pastor, The Rock Church, San Diego, CA

"We live in an era that desperately needs to hear not more cheap advice about successful living but 'the words of eternal life.' That means burrowing deeply into Scripture—and coming out again with fresh theological and spiritual insights for living. The TEACH THE TEXT COMMENTARY SERIES does that admirably."—**Mark Galli**, senior managing editor, *Christianity Today*

"I cannot think of a more urgently needed commentary series for the life of a pastor or teacher."—**Dan Kimball**, author of *They Like Jesus but Not the Church* and teacher at Vintage Faith Church, Santa Cruz, CA

Scholarship—Created for Pastors

- Helps pastors move seamlessly from the meaning of the text to its effective communication
- Each preaching unit includes five sections: Big Idea, Key Themes, Understanding the Text, Teaching the Text, and Illustrating the Text
- Full-color illustrations, maps, and photos illuminate the text

To craft informed sermons, pastors scour commentaries that often deal more with minutia than the main point. Or they turn to devotional commentaries, which may contain exegetical weaknesses. The TEACH THE TEXT COMMENTARY SERIES bridges this gap by utilizing the best of biblical scholarship and providing the information a pastor needs to communicate the text effectively. By keeping the discussion of each carefully selected preaching unit to six pages of focused commentary, the volumes in this series allow pastors to quickly grasp the big idea and key themes of each passage of Scripture. The text and its meaning are made clear, and sections dedicated to effectively teaching and illustrating the text help pastors prepare to preach. Full-color illustrations, maps, and photos are included throughout each volume to illustrate the world and events described in the Bible.

The third and fourth volumes of this series edited by Mark L. Strauss and John H. Walton are *Job* and *Luke*.

An In-Depth, User-Friendly Guide for Biblical Discipleship

- Recommended by J. I. Packer, Joni Eareckson, Tada Bruce Waltke, Rebecca Pippert, Jerry Bridges, and Sam Storms
- Field-tested, solidly biblical discipleship tool for any church education setting
- Comprehensive, practical, and accessible resource for becoming grounded in the faith

The greatest challenge for the twenty-first-century church is the lack of catechesis—training in biblical and doctrinal knowledge. As J. I. Packer states, “where wise catechesis has flourished the church has flourished, and where it has been neglected the church has floundered.” It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it. *Grounded in the Faith* takes up that challenge with twenty-four low-prep, in-depth sessions that will ground believers in the basics of their faith.

This discipleship guide presents individuals, small groups, and Sunday school classes with a cohesive understanding of historic, sound, biblical theology that serves as a catalyst for deeper intimacy with Christ. It is a user-friendly guide to growth in the Christian faith that covers important topics such as justification, overcoming temptation, sanctification, evidence for the inspiration of the Bible, the value of prayer, the guidance of God, the Trinity, the uniqueness of Christ, and the attributes of God.

Finding the Balance between Christian Legalism and License

- Follow-up book from the author of the much-discussed *Hipster Christianity*
- Helps readers live with the tension between legalism (law) and license (grace)
- Shows how positive engagement with culture enriches lives and honors God
- Includes a “Checklist for Christian Consumers” for use by groups, classes, and individuals

Culture is in right now for Christians. Engaging it, embracing it, consuming it, and creating it. Many (younger) evangelicals today are actively cultivating an appreciation for aspects of culture previously stigmatized within the church. Things like alcohol, Hollywood’s edgier content, plays, art openings, and concerts have moved from being forbidden to being celebrated by believers. But are evangelicals opening their arms too wide in uncritical embrace of culture? How do they engage with culture in ways that are mature, discerning, and edifying rather than reckless, excessive, and harmful? Can there be a healthy, balanced approach—or is that simply wishful thinking?

With the same insight and acuity found in his popular *Hipster Christianity*, Brett McCracken examines some of the hot-button grey areas of Christian cultural consumption, helping to lead Christians to adopt a more thoughtful approach to consuming culture in the complicated middle ground between legalism and license. Readers will learn how to both enrich their own lives and honor God—refining their ability to discern truth, goodness, beauty, and enjoy his creation.

Rock-Solid Defense for the Historic Understanding of the End Times

- Pastor and scholar provides a thorough review and defense of the church's historic view of the end times
- Author is co-host of *The White Horse Inn* radio show and a contributor to *Modern Reformation* magazine
- Expanded edition includes a new introduction, two new chapters/appendixes, a Scripture and subject index, comparative end times charts, and a new foreword by Michael Horton

Amillennialism, dispensational premillennialism, historic premillennialism, postmillennialism, preterism. These are difficult words to pronounce and even harder concepts to understand. *A Case for Amillennialism* is an accessible look at the crucial theological question of the millennium in the context of contemporary evangelicalism.

Recognizing that eschatology—the study of future things—is a complicated and controversial subject, Kim Riddlebarger provides definitions of key terms and a helpful overview of various viewpoints. He examines related biblical topics as a backdrop to understanding the subject and discusses important passages of Scripture that bear upon the millennial question.

Regardless of their stance, readers will find helpful insight as Riddlebarger evaluates the main problems facing each of the major millennial positions and cautions readers to be aware of the spiraling consequences of each view.

Evocative, Timely Teaching on Freedom from the Tyranny of Legalism

- Derek Prince is known for his relevant, nondenominational teaching that has changed the lives of millions
- A bestselling, trusted Bible teacher offers hope and mercy for those trapped by the law
- A revealing look at the lies of legalism and what grace really means

Believers and nonbelievers alike have been wounded by the sharp barbs of legalism. In a fresh take on a timely topic, beloved preacher Derek Prince offers a new way to understand the problem of legalism in the church—and how we can free ourselves from it.

Using the biblical characters of Cain and Abel, Prince shows how a faith consumed with upholding the law leads to bitterness, judgment, and selfish actions. He demonstrates that we can never live up to the letter of the law, and that striving for perfection keeps us from experiencing the freeing power of grace. In the upside-down Kingdom, says Prince, it is only through embracing grace that we are able to keep the “righteous requirement of the law” as we were commanded.

Through surprising biblical insights and practical teaching, Prince helps believers walk away from the tyranny of legalism and into the outstretched arms of a God who loves them no matter what.

Leading Prophetic Voice Reveals New Insight on Defeating an Ancient Evil

- Author is news editor of *Charisma* magazine and one of their most popular columnists
- “Jennifer is lifting her voice against an ever-increasing demonic invasion in the church.”—from the foreword by Mike Bickle
- She is a well-connected speaker with a growing media ministry and large social media platform
- Offers a fresh, deeper look at a hot topic

According to leading prophetic voice Jennifer LeClaire, the subversive Jezebel spirit continues to deceive many. She shows, with keen biblical insight, that Jezebel does much more than most believers thought—and that it’s time to expose the deceit and defeat the spirit’s insidious work.

By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She demonstrates biblically not only that the Jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God’s people.

A Real-Life Field Guide to Doing What Jesus Did

- Powerful teaching in the tradition of *Power Evangelism* and *When Heaven Invades Earth*
- Author is an up-and-coming leader with a large international platform and speaking schedule
- Author is endorsed by Randy Clark, Bill Johnson, and many others

The things Jesus did are not just for Bible times. They are for today. For everyone. Chicagoland pastor Robby Dawkins sees this again and again in his ministry to hurting people and even to gang members. Everyday people are seeing God's power unleashed through simple faith in God's Word; they are healing the sick, routing demons, and making a dynamic impact for the Kingdom of God.

But many other believers are missing out, unaware that they have far more power and authority than they realize.

Dawkins shares dynamic, real-life instruction and amazing stories from the front lines of ministry, showing that believers carry the authority of the Son of God and the power of the Holy Spirit wherever they are. When we walk in the presence and authority of God, we will *do what Jesus did*.

Pastor Reveals the Keys to Living without Fear or Worry

- “This book will show why you can trust God and how to keep from worrying.”—from the foreword by George Foreman, former two-time World Heavyweight Boxing Champion
- Friendly and practical message that helps readers face the future with confidence
- Includes discussion questions for individual reflection or group study

As many of us look to tomorrow, we can’t help but notice problems popping up like weeds. We may feel helpless in the face of these difficulties, which just seem to grow bigger as time goes on, and in no time, worry is creeping in.

The good news is, as common as worry is, there is a cure for eradicating it. The even better news: God is in control—and he has a plan.

Through practical tips, inspiring stories, and biblical teaching, Kent Crockett reveals two keys for eliminating worry from life: learning to trust God and learning to follow him. Here Crockett shows readers how to do both so they can face the future without fear—no matter what.

Fresh, Witty Approach to Friendship with God from a Popular Author and Filmmaker

- Darren Wilson is the well-known director of the successful documentaries *Furious Love*, *Finger of God*, and *Father of Lights*
- “The most fun I’ve ever had reading a manuscript!”—from the foreword by Bill Johnson
- An easy, conversational tone delivers poignant insights into knowing God more deeply

The God of the Bible gets happy, angry, sad. We can bless him. He is jealous, giving, patient, protective, loving. He has character traits, a personality. Yet God is often viewed as an absentee landlord, a distant deity, an enigma with a frowning face; and we carry the defeatist expectation that we will never truly know him.

Popular filmmaker Darren Wilson shows from Scripture that this isn’t so. Having traveled the world over for his documentaries and witnessed the miraculous more times than he can count, he comes to the Bible with an entirely fresh perspective to show readers how to approach God and how to understand their relationship to—and with—him.

At turns humorous and poignant, Wilson gives readers new understanding of some very familiar stories in the Bible, as well as modern-day stories of divine intervention, to show what these reveal about the character and personality of the Father—and how we can enter into a true, collaborative friendship with our Creator.

A Theological Reading of Esther and Daniel

The BRAZOS THEOLOGICAL COMMENTARY ON THE BIBLE advances the assumption that the Nicene creedal tradition, in all its diversity, provides the proper basis for the interpretation of the Bible as Christian scripture. The series volumes, written by leading theologians, encourage Christians to extend the vital roots of the ancient Christian tradition to our day. In this addition to the acclaimed series, two respected scholars offer a theological exegesis of Esther and Daniel. As with other volumes in the series, this book is ideal for those called to ministry, serving as a rich resource for preachers, teachers, students, and study groups.

A Fresh Look at the Spiritual Journey of C. S. Lewis

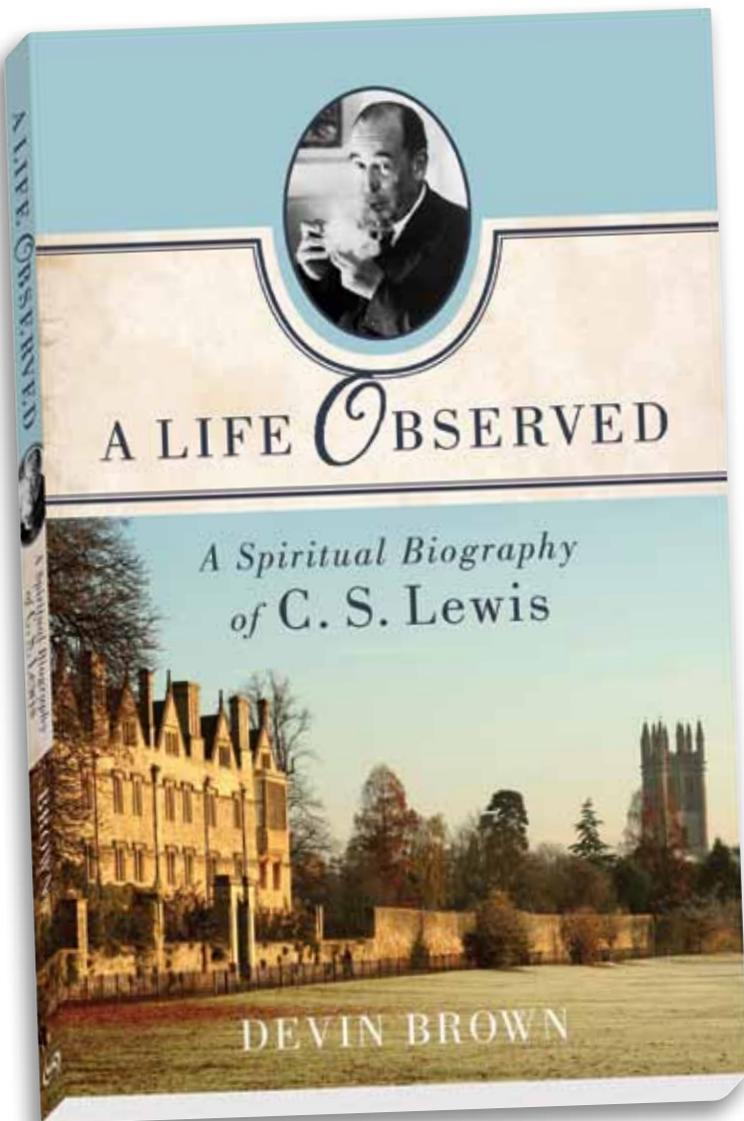

- Author is an expert on Lewis and is media savvy
- C. S. Lewis is one of the most influential Christian writers of our time
- 2013 marks the 50th anniversary of Lewis's death

C. S. Lewis is one of the most influential Christian writers of our time. The *Chronicles of Narnia* has sold more than 100 million copies worldwide and all Lewis's works are estimated to sell 6 million copies annually. At the fiftieth anniversary of his death, Lewis expert Devin Brown brings the beloved author's story to life in a fresh, accessible, and moving biography through focusing on Lewis's spiritual journey.

Although it was clear from the start that Lewis would be a writer, it was not always clear he would become a Christian. Drawing on Lewis's autobiographical works, works by those who knew him personally, and his apologetic and fictional writing, this book tells the inspiring story of Lewis's journey from cynical atheist to joyous Christian and challenges readers to follow their own calling. The book allows Lewis to tell his own life story in a uniquely powerful manner while shedding light on his best-known works.

Reformed Theology through the Eyes of John Calvin

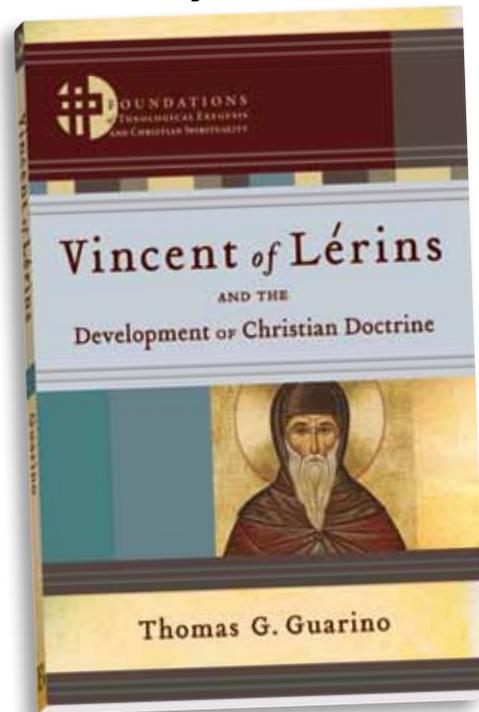

Richard Muller, a world-class scholar of the Reformation era, examines the relationship of Calvin's theology to the Reformed tradition, indicating Calvin's place in the tradition as one of several significant second-generation formulators. Muller argues that the Reformed tradition is a diverse and variegated movement not suitably described either as founded solely on the thought of John Calvin or as a reaction to or deviation from Calvin, thereby setting aside the old "Calvin and the Calvinists" approach in favor of a more integral and representative perspective. Muller offers historical corrective and nuance on topics of current interest in Reformed theology, such as limited atonement/universalism, union with Christ, and the order of salvation.

The Fascinating Influence of an Early Church Father

The theology of Vincent of Lérins is often reduced to a memorable slogan: "We hold that faith which has been believed everywhere, always, and by everyone." Thomas Guarino argues that this "Vincentian canon" has frequently been taken out of context. This book introduces Vincent's thought and its reception in Christian history, exploring Vincent's creative and innovative understanding of the development of doctrine and showing how it informed the thought of John Henry Newman. Guarino contends that Vincent's theology contributes significantly to theology and ecumenism in the twenty-first century. The volume is the second in a series on the church fathers edited by Hans Boersma and Matthew Levering.

Paul's Engagement with a Key Jewish Text

This study offers a fresh, thorough engagement with Paul's use of Deuteronomy, paying full attention to the concrete realities of Paul's exposure, in life and literature, to Torah. David Lincicum compares Paul's handling of Deuteronomy to the treatment of Deuteronomy in other contemporary Jewish sources. He shows how this key book of Jewish Scripture was influential in Jewish life and liturgy and how it bears on Paul's relationship to the Law.

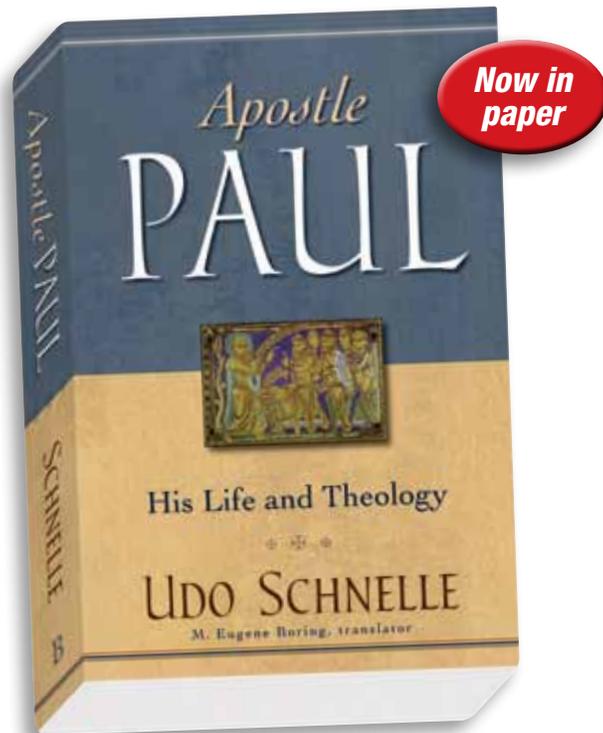

Originally published by Mohr Siebeck in the Wissenschaftliche Untersuchungen zum Neuen Testament series, this work is now available as an affordable North American paperback.

Doing Apologetics in a Postmodern World

The modern apologetic enterprise, according to Myron Penner, is no longer valid. It tends toward an unbiblical and unchristian form of Christian witness and does not have the ability to attest truthfully to Christ in our postmodern context. In fact, Christians need an entirely new way of conceiving the apologetic task.

This provocative text critiques modern apologetic efforts and offers a concept of faithful Christian witness that is characterized by love and grounded in God's revelation. Penner seeks to reorient the discussion of Christian belief, change a well-entrenched vocabulary that no longer works, and contextualize the enterprise of apologetics for a postmodern generation.

Here Eddie Gibbs, a bestselling author and veteran church and culture expert, addresses the challenges of reimagining the church in a post-Christian world. He gleans critical biblical insights from the early church's experience to help contemporary leaders and churches minister more effectively.

Gibbs compares and contrasts the social and cultural context of the twenty-first century with the first century, exploring what can be learned about the birthing of churches in the book of Acts and in Paul's letters. He identifies the issues Paul faced in order to sustain a movement growing exponentially and considers what lessons might be learned in addressing current challenges in the church. The book examines vital issues not only for the survival of the church but also for its revitalization and rebirth, and provides direction for local churches on becoming agents of mission.

A Provocative and Important Work by a World-Renowned Theologian

Now in paper

This major work by one of the world's top theologians offers a provocative and closely argued perspective on natural theology. Stanley Hauerwas shows how natural theology, divorced from a confessional doctrine of God, inevitably distorts our understanding of God's character and the world in which we live. This critically acclaimed book, winner of a Christianity Today Book Award, is now in paper. It includes a new afterword that sets the book in contemporary context and responds to critics.

An Accessible Biblical Theology from a Trusted Evangelical Scholar

Thomas Schreiner, a respected scholar and a trusted voice for many students and pastors, offers a substantial and accessibly written overview of the whole Bible. He traces the storyline of the scriptures from the standpoint of biblical theology, examining the overarching message that is conveyed throughout. Schreiner emphasizes three interrelated and unified themes that stand out in the biblical narrative: God as Lord, human beings as those who are made in God's image, and the land or place in which God's rule is exercised. The goal of God's kingdom is to see the king in his beauty and to be enraptured in his glory.

A Historical, Biblical, and Theological Presentation of Christian Mission

- Unique in its focus on the Holy Spirit in the work of mission
- Recovers missiological thinking from the early church for the twenty-first century

This comprehensive introduction helps students, pastors, and mission committees understand contemporary Christian mission historically, biblically, and theologically. Scott Sunquist, a respected scholar and teacher of world Christianity, recovers missiological thinking from the early church for the twenty-first century. He traces the mission of the church throughout history in order to address the global church and offers a constructive theology and practice for missionary work today.

Sunquist views spirituality as the foundation for all mission involvement, for mission practice springs from spiritual formation. He highlights the Holy Spirit in the work of mission and emphasizes its trinitarian nature. Sunquist explores mission from a primarily theological—rather than sociological—perspective, showing that the whole of Christian theology depends on and feeds into mission. Throughout the book, he presents Christian mission as our participation in the suffering and glory of Jesus Christ for the redemption of the nations.

Practical Guidance and Theological Reflection for Planning Special Worship Services

- Follow-up to the author's successful *The Worship Architect*
- Offers a detailed process for any tradition to successfully design special services
- Provides a model order for each service type (marriages, funerals, baptisms, etc.)

This book takes the principles found in Constance Cherry's successful *The Worship Architect*—in which she provided dynamic blueprints for designing worship services—and applies them to special services in the life of the church. Cherry, a worship professor and practitioner, offers theological reflection, practical guidance, and suggested resources to help worship leaders and ministry students in training to create meaningful special services related to the sacraments, life passages, and other occasions.

Cherry sets forth a process concerning worship design for special services and demonstrates how this process is conducive to virtually any style of worship practiced today in a myriad of Christian communities. She includes a model order for each service type, including weddings, funerals, baptisms, child dedications, Holy Communion, and more. The book not only explains what leaders do in order to preside at special services and how to do it, but also why they make certain choices. Each chapter includes discussion questions, practical exercises, and a basic glossary.

Introduces the Historical Jesus from the Perspective of Faith

- Author is a well-respected senior New Testament scholar
- Clarifies the relationship between history and faith with regard to Jesus
- Provides a comprehensive introduction to key issues and approaches

Many books are available on the historical Jesus, but few address issues that are critically central to Christian faith—namely Jesus as resurrected Lord, Christ, and Son of God. This comprehensive introduction to the study of the historical Jesus takes both scholarship and Christian faith seriously.

Leading New Testament scholar Lee Martin McDonald brings together two critically important dimensions of the story of Jesus: what we can know about him in his historical context and what we can responsibly claim about his significance for faith today. McDonald examines the most important aspects of the story of Jesus from his birth to his resurrection and introduces key issues and approaches in the study of the historical Jesus. He also considers faith issues, taking account of theological perspectives that secular historiography cannot address. The book incorporates excerpts from primary sources and includes a map and tables.

New Edition of an Influential Youth Ministry Classic

- Author is a nationally known expert in youth ministry circles
- Challenges readers to think about the theological nature of youth ministry
- Reaches a broadly ecumenical audience

Dean Borgman, a nationally known youth ministry expert, offers a new edition of his influential classic. Reaching a broadly ecumenical audience, this book challenges readers to think about the theological nature of youth ministry. Questions for discussion and reflection are included. This thoroughly updated edition was previously published as *When Kumbaya Is Not Enough*.

Praise for the first edition

"Writing with the lens of a theologian, the heart of a pastor, and welcome doctrinal breadth, Borgman has provided a 'field book' of pastoral theologies that takes seriously the social systems shaping the lives of adolescents. This book is a significant step toward the long-awaited conversation about theology and youth ministry in postmodern culture."—**Kenda Creasy Dean**, Princeton Theological Seminary; author of *Almost Christian*

"In this excellent work Borgman brings theological integrity, depth, and years of wisdom like nothing else I have seen in our field."—**Jim Burns**, author of *Teenology: The Art of Raising Great Teenagers*

Exploring the Spiritual Formation of Young Adults

- Authors are experienced in young adult and campus ministry
- Provides a practical theology for emerging adult ministry (18–30-year-olds)
- Bridges the gap between academic and popular literature on emerging adulthood

The shift from adolescence to adulthood, a recently identified stage of life called “emerging adulthood,” covers an increasing span of years in today’s culture (roughly ages 18–30) due to later marriages and extended education. During this prolonged stage of exploration and self-definition, many young adults drift away from the church.

Here two authors—both veteran teachers who are experienced in young adult and campus ministry—address this new and urgent field of study, offering a Christian perspective on what it means to be spiritually formed into adulthood. They provide a “practical theology” for emerging adult ministry and offer insight into the key developmental issues of this stage of life, including identity, intimacy and sexuality, morality, church involvement, spiritual formation, vocation, and mentoring. The book bridges the gap between academic and popular literature on emerging adulthood and offers concrete ways to facilitate spiritual formation among emerging adults.
