

How to Fearlessly Love When We Disagree

- Helps readers focus on what they're for and not what they're against
- Story-driven chapters make content read like narrative nonfiction
- A refreshing and biblical perspective on interpersonal relationships

In an age when we are as connected as we are contentious, an astounding number of opportunities exist that might compel us into an attitude of Us versus Them. In fact, Christians are getting the reputation of being “against” just about everything. But is this the best way to bear witness to the love of God before an unbelieving world? Or does it simply serve to push others further and further away from the life-giving power of Jesus?

Story-driven and biblically based, *No Fear in Love* encourages readers to trade condemnation for compassion. Author Andy Braner challenges us to love others the way God loves us—unconditionally, brokenness and all—and to trust that God is truly in control.

EXCERPT

When you rise to the challenge of adventurous living, your days will be richer and your soul will be fuller. There will be more risks, more dares, and more obstacles. And in return, there will be more memories that started out as dreams. Adventure doesn't happen by accident. It has to be intentional. I once wrote a magazine article titled "Get a Life." It was an exhortation to pastors. If your sermons are boring, it's probably because your life is boring! You need to get a life outside the four walls of the church so that you actually have something to say that people can identify with. An interesting life equals interesting sermons. So if you want to preach more exciting sermons, live a more exciting life! And that exhortation isn't only for preachers. Your life is your sermon. Or to take it a step further, your life is a unique translation of Scripture! The only question is this: Are you a good translation?

John 10:10 is a great example. Jesus said, "I came that you might have life and have it more abundantly." Do other people look at your life and want what you have? Or do they want no part of it?

Join the Fight against Today's Biggest Atrocity

- Fast-paced primer on the devastating reality of modern-day slavery—both sex trafficking and labor trafficking—and what we can do to stop it
- Combines heart wrenching stories, startling research, and practical advice
- Author is subject matter expert who is reviewed on national media such as Fox and CNN

In recent years, Americans have woken up to the reality that human trafficking is not just something that happens in other countries. But what most still do not understand is that neither is it something that just happens to “other people” such as runaways or the disenfranchised. The sex trafficker is no respecter of faith, education, or socioeconomic status, and even kids who are raised in solid families in middle and upper class suburbs can fall victim. Likewise, labor trafficking happens in our cities, neighborhoods and rural areas.

Through true stories and years of boots-on-the-ground experience, including at the Super Bowl, anti-trafficking expert Nita Belles teaches readers everything they need to know about human trafficking in the United States and what they can do to join the fight against it. She helps concerned parents, friends, teachers, law enforcement, government officials, and other leaders understand all forms of trafficking, identify risk factors, and take practical steps to keep their loved ones and neighbors safe from predators.

Jesus through the Eyes of Unlikely Followers

- Author is a mission researcher with twenty years of experience
- Teaches primarily through stories personally witnessed by the author
- Offers creative ideas for growth in faith from a global perspective on Jesus
- Describes worldwide movements of Buddhists, Muslims, and Hindus who follow Jesus outside the boundaries of Western Christianity

In his many travels as a researcher for Youth With A Mission, Bryan Bishop discovered a startling phenomenon: hidden movements of Muslims, Hindus, and Buddhists who are experiencing and following Jesus outside the boundaries of traditional Western Christianity. And they have plenty to teach Christians in the West who feel spiritually stagnant or disillusioned.

Through colorful firsthand accounts, Bishop unveils fresh expressions of faith that can revitalize our own. Those who have left or are feeling the pull to leave the church, along with those who chafe against the European-American cultural box into which we force Christianity, will welcome this expansive view of what it looks like to follow Christ.

God's Surprising Plan to Make Us Stronger

- Reveals that God is more interested in forming our souls than fixing our problems
- Shows that you are defined not by what happens to you but by what God is doing through you
- Author is a frequent speaker at many large churches, youth conferences, and colleges

When we think of success, we think of words like *bigger*, *more*, and *better*. Bigger paycheck, more security, better reputation. But what if God's perspective on success was radically different than our own? What if the things we seek to avoid—pain, suffering, weakness, insecurity—were the very things he used to mold us into his image?

With insights born from his own difficult journey, Clayton King offers readers a truly liberating understanding of weakness and suffering—not as God's punishment, but as his pruning. Revealing the God who is a companion in our most difficult seasons, King shows us that when we are in Christ, our deepest pain becomes the source of our greatest power, and our times of testing become our strongest testimony. Anyone who struggles to make sense of seemingly hopeless situations will find in this book not only hope for a brighter future but purpose in their imperfect present.

How to Bring Light, Not Heat, to Divisive Issues

**Now in
paper**

- Helps readers to live graciously without forfeiting their convictions
- Shows how to respond with love even in the face of controversy
- Chip is a bestselling author whose books continue to sell year after year
- His radio show, *Living on the Edge*, reaches more than one million active listeners each week

We live in a reactionary culture where divisive issues arise, people on either side throw stones, and everyone ends up more entrenched in their opinions than in reaching common ground—or even exhibiting common courtesy! If there ever was a time for Christians to understand and communicate God's truth about controversial and polarizing issues, it is now. Believers must develop convictions based on research, reason, and biblical truth—and be able (and willing) to communicate these convictions with a love and respect that reflects God's own heart.

In *Culture Shock*, bestselling author, pastor, and radio personality Chip Ingram shows readers how they can bring light rather than heat to the most controversial and divisive issues of our day. Covering topics such as right and wrong, sex, homosexuality, abortion, politics, and the environment, *Culture Shock* is every engaged believer's must-have guidebook to replacing reactionary hate with revolutionary love. A Fresh New Take on Building Vibrant Community

- Presents a unique model for healthy community using engaging stories and the upper room narrative
- Author's bestselling book, *Leading Life-Changing Small Groups*, has sold over 230,000 copies
- Author is a popular and strategic voice in areas of leadership development and small group life

We all want a place where our stories matter, our voices are heard, our uniqueness is celebrated, our failures are embraced, and our hopes are unleashed. That kind of deep, life-changing community was modeled perfectly by Jesus and the ragged bunch of disciples with whom he chose to spend his time. But how can we create it in our lives?

Using the relationship of Jesus to his disciples in the upper room, Bill Donahue presents a simple but compelling approach to community life that was modeled by Jesus and offered to us all today. Using a table, a towel, and the truth, Jesus created an "irresistible community" where everyone finds a place to belong, live fully in the truth, and serve others with joy. Foreword by Henry Cloud.

When God Makes Us Wait

- Author is an executive vice president at Insight for Living
- Examines the life of Joseph, exploring the confusion that occurs when God has promised everything but seems to be doing nothing
- Author shows readers how to better trust God in the silence

We have all experienced a disconnect between God's promises to us and our everyday reality. We wait, without understanding why. We want to know God's plan so that we can trust it—but God so often hides his plan so that we will trust *him*. What can we do in the meantime as we are waiting for an answer, a change, or a miracle?

With deep compassion, Wayne Stiles helps readers understand why God makes them wait. Unpacking the Old Testament story of Joseph, Stiles shows readers how to find comfort and opportunity in the time between God's promises and his answers, revealing the perspective-altering truth that sometimes when we think we are waiting on God, he is actually waiting on us.

Anyone who has felt a disconnect between God's promises and their reality, who doesn't know what God wants them to do next, or who struggles with the brokenness of their world will find in Wayne Stiles a wise and trustworthy guide to finding peace in the pauses.

PRAISE FOR THE SERIES

"I am thrilled with the TEACH THE TEXT COMMENTARY SERIES from Baker. I highly recommend it."
—George Guthrie

"The kind of commentary I have wanted for a long time." —Haddon Robinson

"The best of biblical scholarship made accessible, applicable, and relevant to life." —Beth Moore

"At last, a commentary series written by serious scholars who are seriously aiming at aiding teachers and preachers in the church. This puts whole worlds of biblical context and information in the hands that need it most." —John Ortberg

Focused Biblical Scholarship to Teach the Text Effectively

- Helps pastors move seamlessly from the meaning of the text to its effective communication
- Each preaching unit includes five sections: Big Idea, Key Themes, Understanding the Text, Teaching the Text, and Illustrating the Text
- Full-color illustrations, maps, and photos illuminate the text

To craft informed sermons, pastors scour commentaries that often deal more with minutia than the main point. Or they turn to devotional commentaries, which may contain exegetical weaknesses. The Teach the Text Commentary Series bridges this gap by utilizing the best of biblical scholarship and providing the information a pastor needs to communicate the text effectively. By concentrating each carefully selected preaching unit into six pages of focused commentary, each volume in this series allows pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage; sections dedicated to understanding, teaching, and illustrating the text; and full-color illustrations, maps, and photo.

The newest releases in this innovative commentary series are C. Hassell Bullock's treatment of Psalms 1–72 and Ronald W. Pierce's treatment of Daniel.

Accessible, Emotional Retellings from the Book of Acts and the Gospels

- Connects readers in a fresh way to the power and intensity of stories of the early church by retelling them in twenty-first-century settings
- Gives readers an easy, no-training-required way to talk about God with non-believing friends and family
- Author is on staff with Cru and speaks regularly to college-age and young-adult audiences

In the earliest days of the Christian church, the gospel spread out from Jerusalem in a burst of incredible stories. A man who could calm a stormy sea with a word, who healed the lame and the blind, who raised the ire of the religious leaders, and who even raised people from the dead. Compare this organic, even entertaining, method of spreading the Good News to how we are often encouraged to evangelize today, with clever arguments and our defenses already up in anticipation of rebuttal. Somewhere along the way, we've lost the plot to the greatest story ever told.

Now Matt Mikalatos invites us back into God's story, both to find our place in it and to rediscover the wonder that the apostles saw in their listeners as they told the story of Jesus, the Messiah they knew personally and loved fiercely. As they lose themselves in modern retellings of the events of the book of Acts, readers will find that sharing the story is easier and more rewarding than they ever imagined.
