

How Intimate, Caring Conversation Brings Freedom and Healing

Revised & Expanded

- Max Lucado implemented Freedom Tools in his church and highly endorses the teaching
- Over 1,000 churches currently use the Freedom Tools method—and more are added every day
- Includes a new section on how churches can implement Freedom Tools as a lifestyle and culture
- Foreword by Neil T. Anderson

How many times in everyday conversation do believers struggle to comfort a hurting world? We should be “first responders,” says Andy Reese, yet we lack the tools to reach out. On top of that, we fall into the modern trend toward personal disconnect. We grow ever more polite even when we encounter people with deep needs.

But God is up to something. He is changing the rules, as believers learn to speak the truth in love with confidence by following a few simple guidelines. These easy-to-use tools can fill even our casual conversations with the saving, healing, and delivering power of Jesus Christ. This newly repackaged edition is excellent for small group studies.

EXCERPT

As followers of Jesus, you and I are engaged in warfare. But this war is not against flesh and blood; it is against spiritual wickedness. Peter was speaking to the Church when he wrote, "Your enemy, the devil, is roaming about like a roaring lion, looking for someone to devour."

Demons are a reality, and they are at work today. These evil spirits gain access primarily by putting thoughts and images into our minds. The devil wants us to take ownership of these words and pictures—and if we do, if we own what he is putting into our heads, we will be defeated.

Even David, the great man of God, was deceived by Satan. The Bible tells us that Satan caused David to take a census in Israel. David did not know the devil was prompting him to take this census; he thought it was his own idea. So rather than reject the thought, he absorbed it. He took the census and was punished by the Father as a result of it.

We are in a battle. If we never learn how to fight, we will live as defeated Christians our whole lives. This is why I want to train you to recognize any demons that have attached themselves to you, to show you how they got access, and to give you the words to command them in Jesus' name to disconnect—to "dis-attach"—from you, so that they will be absolutely powerless over your life!

Popular Television Host Offers Groundbreaking Message on Deliverance

- Rabbi Schneider hosts the television show *Discovering the Jewish Jesus*, which is broadcast to millions of homes in the U.S. as well as in 200 other countries
- Self-deliverance is a unique angle among deliverance books
- Offers immediately practical principles and strategies for gaining personal victory over the powers of darkness

What if you suspected that evil spirits were harassing you? Should you simply cope? Would you need to track down an experienced deliverance minister for help?

Not at all, says Messianic Rabbi K. A. Schneider. Jesus has given you his own authority to break every demonic stronghold over your life. By understanding the principles of self-deliverance, believers can

- determine which thoughts and actions are inspired by demons
- speak specific commands that force demons to leave
- close demonic access gained through generational sins, fear, and trauma
- and much more!

If problems cannot be overcome by prayer or will power, demons are a likely culprit. The clear and practical application of biblical truth given here helps believers walk in—and maintain—freedom from evil spirits.

The Dangerous Deception behind Paranormal Phenomena Today

- Author's books have sold more than 300,000 copies
- A solid, page-turning treatment of the paranormal from a Christian perspective, covering everything from zombies and aliens to the occult and other prevalent demonic influences
- Reveals why counterfeit spirituality has become so prominent and why it attracts today's generation

Until recent years, the Bible stood as the spiritual benchmark for Western belief and behavior. Zombies, vampires, and other dark creatures were reserved for far-flung horror stories. Ghosts, hauntings, UFO sightings, and alien abductions were rare tales from the fringes. No more. The doors to paranormal spiritual powers have been thrown wide open.

In this eye-popping biblical analysis of current occult phenomena, Dr. Dailey exposes the hidden demonic agenda embedded in much of today's culture and entertainment. More than that, he shows how this dominating paranormal worldview taps into our souls' deepest spiritual longings and slyly offers up counterfeit spirituality that will not fulfill but kill. Through it all, Dailey points readers to the one Source of spiritual connection and power that can truly satisfy our souls.
