# Expert Advice for Those Facing Obstacles in Nurturing Grandchildren's Faith

- Focused, timely, and encouraging title in the GRANDPARENTING MATTERS series
- Addresses difficult family dynamics and problems with prodigals that challenge many in fulfilling biblical role
- Author founded the Legacy Coalition, a national leader in grandparenting ministry

Even under the best circumstances, it takes time and intention to disciple grandchildren and pass on a legacy of faith. So how much harder is the assignment in a family experiencing fractures such as divorce, estrangement, or prodigals? How are grandparents to reach grandchildren for Christ when there are such barriers? In *Overcoming Grandparenting Barriers*, Larry Fowler, founder of the Legacy Coalition, offers a helpful guide to influencing grandchildren's spiritual lives even in the most discouraging and hurtful situations, such as when

- an adult child is not following the Lord
- grandchildren are not being raised by the adult child and access to them is limited
- grandparents are prohibited from addressing spiritual matters when they visit their grandchildren

*Overcoming Grandparenting Barriers* provides guidance and strategies along with encouragement for grandparents to persevere—to understand that they are not alone and that their role is too crucial to give up on reaching the next generation for Christ.

# An Empowering Guide to Overcoming Parenting Frustrations

- Nearly 1 in 5 moms struggles with anger, Gallup reports
- Explores the internal and external roots of crankiness
- Addresses a high felt need of moms overwhelmed by today's family pressures

If we're honest with ourselves, almost every mom knows she can go from being kind to cranky in no time flat. When we're tired, busy, anxious, pre-occupied—okay, so anytime, really—we tend to default to snapping and barking at the people we love best. But life doesn't have to be this way.

Through coaching other moms who share a desire to be a kinder, gentler parent, Becky Kopitzke has learned the keys to taming the "momster" in all of us. And in this grace-filled book, she will help you

- assess the triggers that spark your angry responses
- understand your children better so you can minimize frustrations
- learn gentle, effective responses to trying situations
- and much more

Consider *The Cranky Mom Fix* your personal battle plan to focus on who you are and how to wield God's wisdom and strength in your family. With an extensive resource section of practical activities, tips, and self-assessment tools, this book will help you reclaim true peace for your soul and your home.

# Witness the Power of Forgiveness through the Charleston Church Shooting

- Author is the husband of one of the shooting victims and also a pastor and community leader
- Author's radical choice to forgive the shooter had a powerful effect on the media and community
- Insightful lessons on the peace and healing that can only come through forgiveness

While the murder of his wife devastated Anthony Thompson, he and three other relatives of victims chose to privately and publicly forgive the shooter. Years later, the church and community still struggle to understand the family members' deliberate choice to forgive the racist murderer. But as Charlestonians have witnessed these incredible acts of forgiveness, something significant has happened to the community—black and white leaders and residents have united, coming together peaceably and even showing acts of selfless love.

This book is the account of Anthony's wife's murder, the grief he experienced, and how and why he made the radical choice to forgive the killer. But beyond that, Anthony goes on to teach what forgiveness can and should look like in each of our lives—both personally, in our communities, and even in our nation. After much pain, reflection, and study, Thompson shares how true biblical love and mercy differ from the way these ideas are reflected in our culture.

Be inspired by this remarkable story and discover how the difficult decision to forgive can become the key to radical change.

# A Taste of Heaven

- Ordinary people share remarkable true stories of heavenly encounters
- An all-new collection that will strengthen faith and encourage readers to put their hope in heaven
- *Angels, Miracles, and Heavenly Encounters* has sold over 70,000 copies

**K**ing Solomon states that God has set “eternity in our hearts.” All our desires point to eternity and find their true fulfillment in heaven. But are there actually real glimpses of heaven in this life? Yes! Supernatural happenings take place from time to time as God so designates. Heaven reveals itself in the form of miracles, angels, and even near-death experiences. We also find it displayed in dramatic healings and gigantic answers to prayer that nothing else can account for.

*Heaven Sightings* contains a rich mixture of amazing true stories that will boost your confidence in God and his ability to work miracles in your own life—and give an even greater inkling of what the destination will be like at the end of your earthly journey. Put aside the worries of your day and be inspired to place your trust in the God of heaven.

- Amy Carroll is a member of the Proverbs 31 speaking team
- Cheri Gregory is part of bestselling author Kathi Lipp's writing team
- Includes interactive assessments to help identify strengths

**E**xhale is for the woman who is suffocating under the pressures of being all things to all people. The pressure of filling every unfilled spot at church, the kids' school, and work. The pressure of trying to do it all right, make decisions that benefit everyone else, and keep everyone happy.

Rather than adding more to your to-do list, in this book Amy Carroll and Cheri Gregory show you how to

- lose who you're not
- love who you are
- live your one life well

This isn't a time management book filled with how-to lists and calendar tools. Rather, it walks you through a process that releases you from the things that have created unbearable pressure. Then you'll be free to start investing your life in ways that fulfill the desires of your heart, benefit your people, and bring glory to God.

Includes Now Breathe activities that correspond to each chapter's content and interactive assessments to help identify strengths based on both inborn personality and spiritual gifting.

# Reject Pride of Ownership to Pursue a Kingdom First Agenda

NOW IN PAPER

- Shows how the open-source concept can be applied to ministry, multiplying the reach of Christian organizations
- Peter Greer and Chris Horst have successfully led HOPE International into partnering with other ministries
- Authors are well known in the nonprofit community and regularly speak at large conferences
- Foreword by Tom Lin

Faith-based organizations are sometimes known for what we're against—and all too often that includes being against each other. But amid growing distrust of religious institutions, Christ-centered nonprofits have a unique opportunity to link arms and collectively pursue a calling higher than any one organization's agenda.

*Rooting for Rivals* reveals how your ministry can multiply its impact by cooperating, rather than competing. Peter Greer and Chris Horst explore case studies illustrating the power of collaborative ministry. They also vulnerably share their own failures and successes in pursuing a kingdom mind-set. Discover the power of openhanded leadership to make a greater impact on the world.

"I love the African quote, 'If you want to go fast, go alone. If you want to go far, go together.' I'm grateful to Peter Greer and Chris Horst for celebrating Christ-centered teamwork and collaboration in *Rooting for Rivals*."—**Richard Stearns**, president of World Vision U.S. and author of *The Hole in Our Gospel*

# The Essential Stories of the Bible . . . and Why They Matter to You

- Gives readers an overview of the entire biblical narrative through the Bible's stories
- Application section and questions help readers understand why the stories matter to their lives
- Gives readers a greater understanding and context for the exciting Bible stories they remember from childhood

Most of us are familiar with the exciting adventures of David and Goliath, Noah, or Daniel in the lions' den, but we don't always understand how they fit together. We lack context, and so we sometimes miss the point.

*The Most Important Stories of the Bible* will give you a working knowledge of the key events in Scripture and how they flow into one big story. The book's 75 stories are compact, easy to read, and enjoyable. Each chapter includes a brief introduction that gives historical context to help you grasp the overall narrative of the Bible, and concludes with an explanation of why that story matters in our lives.

There's a reason most of the Bible is made up of stories. They speak to us in a deep way, helping us internalize God's message. And in the end, understanding the stories of God's Word will help us connect more closely to Jesus, the greatest storyteller of all.

# Keeping a Child Safe Requires More Awareness Than Ever Before

- Robinson is licensed counselor and recognized expert on sex abuse prevention
- Practical strategies and expert advice help parents move from fear to confidence
- For parents of children ages 1 to 18, as well as grandparents, youth ministers, teachers, and others
- This is a vastly important but underpublished topic

Even good parents often underestimate the dangers their children face. Research indicates that one in four females and one in six males are sexually abused before age 18. In most cases, the enemy is not a faceless stranger; it's someone you know and trust—a neighbor, a coach, or even a family member.

This book provides practical steps to ensure you're doing all you can to reduce the risks of abuse. But since you cannot be with your children 24/7, it goes beyond what you can do as a parent to teach you how to increase your child's own awareness and strategies in the face of potential dangers—without making them fearful.

Dr. Robinson, whose decades-long practice focuses on abused and endangered children, calls on her own case studies to show age-appropriate conversation starters for parents, teaching them how to ask the right questions and provide the right boundaries.

This book will help you move from fear to confidence on this heavy topic that is just too important to ignore.
