A Practical Theology of the Human Body

- Author is professor of Christian theology at The Southern Baptist Theological Seminary
- Each chapter has five components: topic, big idea, discussion, application, and items for further consideration
- Emphasizes God's purpose for our bodies

We rarely give thought to our bodies until faced with a physical challenge or crisis. We have somehow internalized the unbiblical idea that the immaterial aspect of our being (our soul or spirit) is inherently good while the material aspect (our body) is at worst inherently evil and at best neutral—just a vehicle for our souls to get around. So we end up neglecting or disparaging our bodies, seeing them as holding us back from spiritual growth and longing for the day we will be free of them.

But the thing is, we don't *have* bodies; we *are* our bodies. And God created us that way for a reason. With Scripture as his guide, theologian Gregg Allison presents a holistic theology of the human body from conception through eternity to equip us to address pressing contemporary issues related to our bodies, including how we express our sexuality, whether gender is inherent or constructed, the meaning of suffering, body image, end of life questions, and how to live as whole people in a fractured world.

EXCERPT

We take this phrase for granted, this raising of a son, but it's a heavy term, isn't it? When we say we're raising a child, what we're actually communicating, based on the history of the phrase, is, "I want you. I want you in my life. I'm going to take responsibility for you, and I'm going to give you everything I can to help you grow up and mature into the best person you can be."

So how do we raise a boy into manhood in this day and age? How can we raise a child into adulthood during these difficult times?

You've probably searched out this book because you, like me when I realized a son was on the way, feel overwhelmed at the prospect of raising a child into adulthood. Let me tell you this: you're not alone. I've actually met very few men who, when it comes to raising their kids, feel well-equipped. I've met very few men who, when confronted with the knowledge that they are having a baby, swell up with confidence that they have the skills and tools needed to raise this tiny child all the way up into adulthood.

But while I don't meet a lot of men who are confident, I do meet a lot of men who are determined. You're reading this book, so this is probably you.

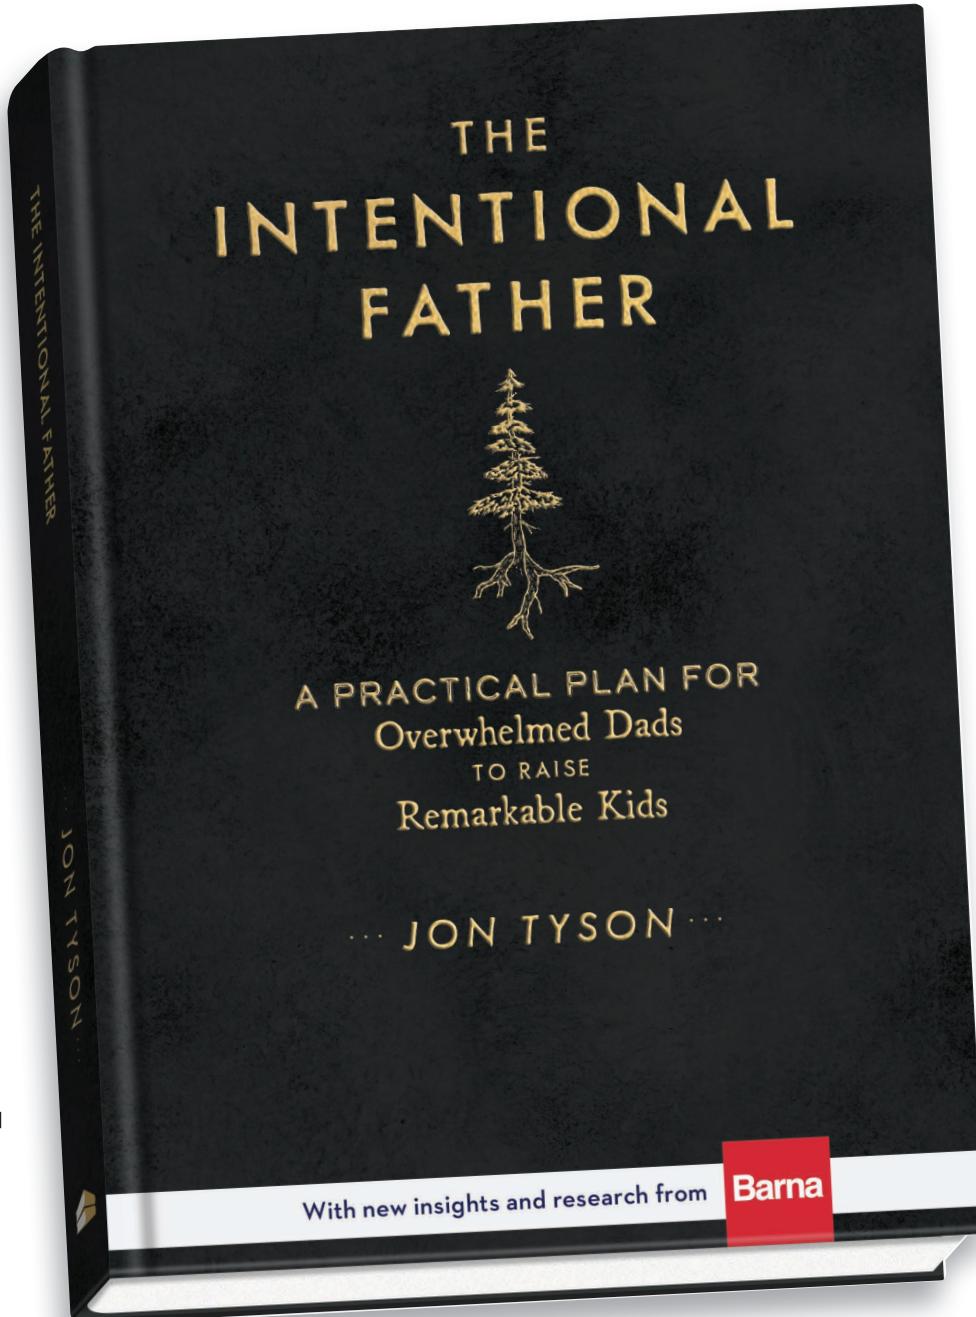

You're determined to get it right.

You're determined to pass on a legacy of blessing instead of brokenness.

You're determined to raise a child of consequence.

And because of that determination, because of that desire, I want to affirm you and honor you for your willingness to do the work, for looking around, and for trying to figure out how to raise your child in a God-honoring way.

You're already on the right path.

A Proven Plan to Raise Sons of Integrity, Faith, and Consequence

- Research-driven by original, timely, and proprietary Barna studies
- Practical, simple steps and activities to help dads raise sons with character
- Author is a board member of City Collective, a network of incarnational churches committed to multiplying missional church networks in the urban centers of the world

Self-initiation is killing our young men. Without strong mentors, boys are walking alone into a wilderness of conflicting messages about who they should be as men. It's no wonder that our sons are confused about what the world expects from them and what they should expect of themselves.

The Intentional Father is the antidote. This concise book is filled with practical steps to help men raise sons of consequence—young men who know what they believe, know who they are, and will stand up against the negative cultural trends of our day. Jon Tyson lays out a clear path for fathers and sons that includes specific activities, rites of passage, and significant “marking moments” that can be customized to fit any family.

It's not enough to hope our sons will become *good men*. We need them to be good at *being men*. This book shows how fathers, grandfathers, and other male mentors can lead the way.

The Story of a Civil Rights Legend, Now for Young Readers

- Named by *Christianity Today* as one of the top 50 books that have shaped evangelicals
- Perkins is cofounder of the Christian Community Development Association and director of the John M. Perkins Foundation for Reconciliation and Development
- Tells how Perkins' faith led him to respond to racism and injustice with compassion, vision, and hope

His brother died in his arms, shot by a deputy marshal. He was beaten and tortured by the sheriff and state police. But through it all, he returned good for evil, love for hate, progress for prejudice and brought hope to black and white alike.

The story of John Perkins is a gripping portrayal of what happens when faith thrusts a person into the midst of a struggle against racism, oppression, and injustice. It is about the costs of discipleship—the jailings, the floggings, the despair, the sacrifice. And it is about the transforming work of faith that allowed John to respond to such overwhelming indignities with miraculous compassion, vision, and hope.

Perhaps more now than ever, young people need to read his story. This youth edition of the book *Christianity Today* named as one of the top fifty books that have shaped evangelicals will inspire a new generation to seek justice, love mercy, and walk humbly with God in the face of radical social change.

Cultivate Beauty and Choose Hope in the Midst of Suffering

- Author is the daughter of Clay and Sally Clarkson and a regular guest on the *At Home with Sally Clarkson* podcast, which has exceeded 10 million downloads
- The Clarkson family has a combined social media reach of over 200,000
- Author is a three-time winner of the Frederick Buechner Creative Writing Prize

We live in a broken world. Amid the daily realities of sickness and isolation, disappointment and pain, it can be profoundly difficult to grasp the real goodness of God. But this is where God breaks into our darkness with beauty. In the wonder of creation, in art or film, story or song, in the kindness of his people and the good they create, God breaks into our pain in a tangible way, teaching us to trust his kindness and hope for his healing. Beauty is a voice singing into our suffering, beckoning us toward restoration.

In *This Beautiful Truth*, Sarah Clarkson shares her own encounters with beauty in the midst of her decade-long struggle with mental illness, depression, and doubt. In a voice both vulnerable and reflective, she paints a compelling picture of the God who reaches out to us in a real and powerful way through the “taste and see” goodness of what he has made and what he continues to create amid our darkness. “To recognize and trust God’s gift in pain,” she writes, “empowers us to create and love as powerful witnesses to God’s healing love in a hopeless world.”

If you want to renew your capacity to recognize and encounter God’s beauty in your life, this hope-filled book will show you the way.

Learn to Live and Lead More Fruitfully in Your Calling

- Author's books have sold over 400,000 copies
- Author has consulted with over 1,200 churches in more than 90 denominations
- Offers proven procedures and practices for making a church, ministry, or organization as fruitful as possible

If most pastors were pressed to describe an average day of ministry, they'd have trouble doing it. In a single day, a pastor may fill many different roles in quick succession, from counselor to theologian to student to CEO to custodian (well, let's hope there's usually someone else available to perform that last role). Some roles come more naturally than others, but every pastor wants to perform each role to the best of their ability.

In *The 10 Key Roles of a Pastor*, church consultant Gary L. McIntosh shows pastors how to

- understand and juggle their many essential roles
- prioritize their time and energy
- manage their people's expectations of them
- and empower others to take up the vital work of the church body

Pastors just starting out in ministry, as well as those who have been at it a while and find themselves overworked and overwhelmed, will value this practical resource. It is also an enlightening read for those in church leadership who would benefit from understanding the pressures their pastor faces on a daily basis.

12 Spiritual Practices to Build Your Faith and Engage Your Heart

- Author's YouTube channel has more than 1.3 million views
- Offers a fresh take on modern-day discipleship
- A versatile resource for seasoned Christians and those new to the faith

Are you looking for God's best for your life? Do you have a plan for getting there? God created you for an amazing adventure of faith, and the twelve spiritual practices found in *The Divine Adventure* offer a practical road map for your journey. By learning to apply ancient spiritual disciplines, you'll discover a life of wonder, passion, and flourishing faith.

Intensely personal and deeply practical, *The Divine Adventure* unpacks powerful disciplines that will revolutionize your prayer life, deepen your intimacy with God, create balance between rest and work, cultivate meaningful community with others, and more. Drawing from Scripture, ancient writings, visits to holy sites, and her own life experiences of brokenness and breakthrough, Rebecca Friedlander shares the keys that any follower of Christ can use to unlock their own divine adventure. Whether you're a new believer or a seasoned disciple, you'll find that implementing these practices will both empower your passion for Jesus and open new opportunities to express God's heart to others. Are you ready?

Learn to Disagree, Resolve the Conflicts You've Been Avoiding, and Create Real Change

- Author is a featured speaker with the Women Speakers Collective and speaks regularly at conferences and churches
- Author has been active in urban, multicultural ministry and justice work in Los Angeles and New York City
- Includes questions for reflection and small group discussion at the end of each chapter

When it comes to disagreement, we are in perpetual fight-or-flight mode. Rather than respond with a posture of compassion and connection, we are encouraged to "resist" others personally and politically. Either we engage in fruitless argument with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us. But the real resistance, the kind that helps us grow, is learning to love others—especially those who disagree with us.

If you're tired of seeing your real-life and online communities in turmoil and you long to be an agent of peace, understanding, and reconciliation, it's time to join a new kind of resistance movement—one that pushes us toward personal transformation. Grounded in Scripture and illustrated with compelling true stories, this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others, stop avoiding necessary tension, and resolve your internal and external conflicts.

When we make love our habitual reaction to the conflicts and divisions in our lives, we'll find that we can stay true to our convictions without sacrificing our relationships.

Finding Our Worth, Value, and Strength through Stories of the Past and Present

- Author has a combined online reach of over 8 million across all platforms
- Author will promote to her email list of over 100,000
- Author blends her own story with that of the biblical story of Mary and Martha

What do you do when that voice in your head tells you you're not enough? Not smart enough, not pretty enough, not capable enough, not present enough. Where do you turn when the world's promise that you can have it all becomes a crushing expectation that you must do it all, at all times, and keep a smile fixed on your face while you wither inside?

Unpacking the biblical story of Mary and Martha as she shares her own story of recognizing her unique giftedness, Denisse Copeland shares the liberating truth that you have a right to be *you*. Just you, at the feet of Jesus. She shows you how to embrace your identity as a woman set apart, not to do it all but to be exactly who God created you to be. No apologies. No guilt. No compromise.

If you're tired of comparing your life to others as you strive to be all things to all people, *Set Apart* is your invitation to lay your burdens down and abide in Jesus—faithful, free, and fulfilled.

ABOUT THE AUTHOR

Denisse Copeland was born and raised by a single mother in Bayamon, Puerto Rico. Her upbringing offered little stability, and Denisse soon found herself on a seemingly endless quest to find love and acceptance. It wasn't until Jesus shook her world that she truly found what she was looking for. Now a mother of two living in Oklahoma City, Denisse works alongside her husband, Rashawn Copeland, as an online minister and evangelist. Their ministry reaches more than 6 million people every year.

Kailee Delcour

EXCERPT

Today's teenagers can access almost any information. They can instantaneously receive scores of possible answers to just about any question—plus a list of new ones. But they're also growing up in families and churches who shy away from some of their deepest questions about faith and meaning.

One of the reasons young people are drifting from faith is that churches aren't focused on the questions they care about most. Instead, we're pitching answers to questions that aren't anywhere near their strike zone.

We're too often stuck in questions that reflect what happened in the past.

Or are missing what's unfolding in the present.

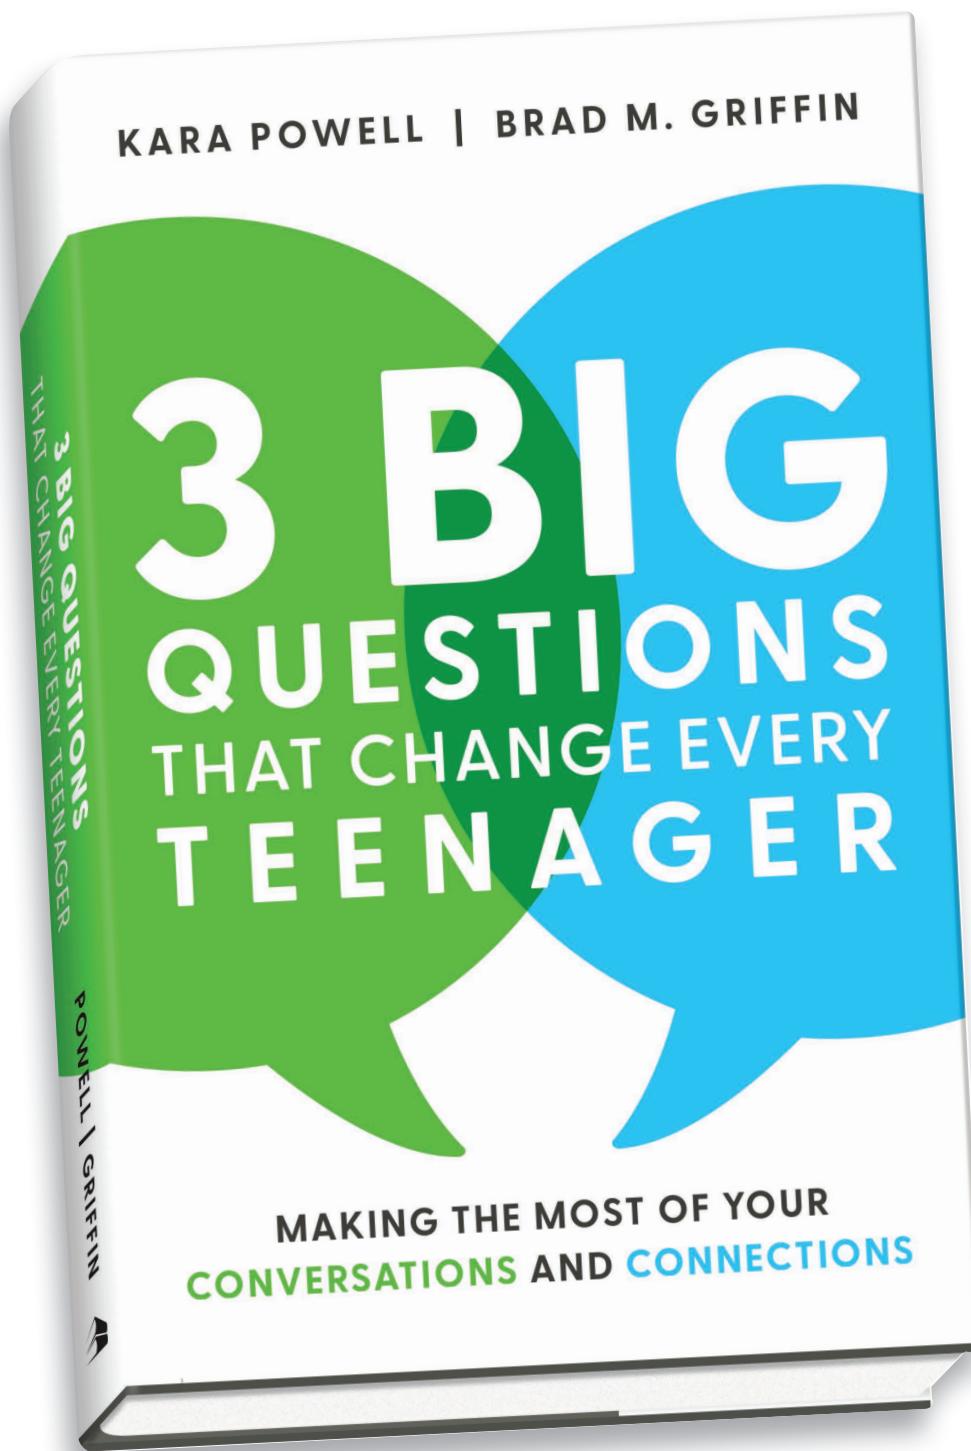

And are afraid of what's to come in the future.

During a recent Fuller Youth Institute summit, the executive director from a national training organization shared about one high school student who yearned, "I wish the church would stop giving me answers to questions I'm not asking."

The specific questions that he and other teenagers most value might be unique to our time, but questions aren't new to God. By one count of the four gospels, Jesus was asked 183 questions.

That's remarkable, but what's even more remarkable is that Jesus himself asked 307 questions.

The question isn't whether faith is big enough to hold young people's questions. We know it is. The question is whether we will take the time to hear and honor them.

How to Understand, Guide, and Communicate with This Generation

- Authors have tremendous credibility with church and ministry leaders and a robust speaking schedule**
- Combining data from over 1,200 diverse teens, academic research, and popular culture analyses, the FYI team merges statistics about this generation with rich stories from real young people today**
- Authors are the executive director and senior director of content of Fuller Youth Institute**
- Growing Young has sold over 75,000 copies**

Today's teenagers are the most anxious, creative, and diverse generation in history—which can make it hard for us to relate. And while every teenager is a walking bundle of questions, three rise above the rest:

- Who am I?
- Where do I fit?
- What difference can I make?

Young people struggle to find satisfying and life-giving answers to these questions on their own. They need caring adults willing to lean in with empathy, practice listening, and gently point them in the direction of better answers: they are enough because of Jesus, they belong with God's people, and they are invited into God's greater story.

In this book, which is based on new landmark research from the Fuller Youth Institute and combines in-depth interviews with data from 1,200 diverse teenagers, Kara Powell and Brad M. Griffin offer pastors, youth leaders, mentors, and parents practical and proven conversations and connections that help teenagers answer their three biggest questions and reach their full potential.

Live Your Best Life

- Natural follow-up to *Replenish*, which has sold 60,000 copies
- Includes several practical tools to help you chart the life you long to live
- Lance Witt served for over 25 years as an executive pastor for Saddleback Church

This is your life. Right now. You don't get a second chance to get it right. There are no mulligans. No do-overs. And no one has ever drifted into a rich and meaningful life by accident. But here's the good news: you are ridiculously in charge of your own life. As a Christ follower, you have every resource you need to live the abundant life Jesus promised.

In *It's Your ONE Life*, pastor Lance Witt offers you a roadmap to align yourself with God's purposes and take extreme ownership over your life. Sharing several practical tools, Witt shows you how to

- craft the life you want
- care for your emotional health
- establish a healthy rhythm of life
- do life *with* God, not just *for* God
- and practice the presence of people

A life of significance, focus, and richness is well within your grasp. *It's Your ONE Life* is the blueprint for making it happen.

Finding the Calm in the Chaos

- Sales of Chip Ingram's previous books exceed 1 million
- This is one of the top three messages that Chip's ministry plays on their broadcast
- Living on the Edge has a radio audience that reaches over 1 million listeners weekly, with an online community of over 1 million people

Our lives are fraught with anxiety. Conflict in our relationships, fears about the future, information overload, financial pressure, lack of contentment—all of them can steal our joy because they steal our peace. Through Christ we are promised peace, but how can we feel peace when we live in a world of chaos?

Because, says Chip Ingram, peace isn't a feeling; it's a choice.

In *I Choose Peace*, Chip unpacks Philippians 4 to show us how we can choose peace in

- relational conflict
- anxious moments
- a broken world
- difficult circumstances
- a materialistic culture

If you're tired of feeling anxious over the state of the world, your relationships, or your own heart, this encouraging book will help you quiet your worries and experience real, lasting peace that doesn't depend on what's going on around you.

I Choose Peace

A Great Resource for Studying the Life of Paul

- A fascinating guide to the life and ministry of Paul
- Helpful maps and photos illuminate a life that included great triumph and great hardship
- An easy to understand, convenient format

The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen, be they commoners or kings. His impact on the church and indeed on Western civilization is immeasurable.

From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome, *An Illustrated Guide to the Apostle Paul* brings his remarkable story to life. Drawing from the book of Acts, Paul's many letters, and historical and archaeological sources, this fully illustrated resource explores the social, cultural, political, and religious background of the first-century Roman world in which Paul lived and ministered. It sheds light on the places he visited and the people he met along the way. Most importantly, it helps us understand how and why Paul was used by God in such extraordinary ways.

Pastors, students, and anyone engaged in Bible study will find this an indispensable and inspiring resource.

Moving Personal Story Will Inspire You to See God's Hand in Your Own Life

NOW IN PAPER

- Author's TV show and radio podcast have a reach of over 100 million homes
- Frequent speaker at events including Catalyst, Orange, Willow Creek Global Leadership Summit, and more
- Author's personal adoption story has been featured on *The Steve Harvey Show*

Sam Collier's story started with rejection. When he and his twin sister were born, their biological mother gave them up for adoption. Though Sam loved his adoptive family, he sometimes felt like a puzzle missing crucial pieces. But God reached into Sam's life and showed him that he didn't have to write his own story, because it was really God who was telling *his* story through Sam.

In this deeply personal yet remarkably universal book, Sam Collier tells his inspiring story of abandonment, sacrifice, gratitude, and rescue, revealing how God is always doing something bigger and better than we might imagine. He has a purpose and a plan for every single one of us, and he is always telling his greater story through our trials, our relationships, and our triumphs.

If you're in the middle of a challenging time and long to know that God is working through it, Sam's story will teach you how to see the big picture, even when there are pieces missing.
