JESUS REVOLUTION, MOVIE ED.

*How God Transformed an Unlikely Generation
and How He Can Do It Again Today*

Greg Laurie and Ellen Vaughn

How the Jesus Movement Transformed the Church--And Can Transform You

- Movie edition of *Jesus Revolution* will release alongside of the Erwin Brother's movie/documentary in February 2023
- Author has a large social media platform with over 1 million Facebook followers
- Author's nationally syndicated radio program is also broadcast on more than 800 outlets around the world

God has always been passionate about turning unlikely people into his most fervent followers. Prostitutes and pagans, tax collectors and tricksters, the pompous and the pious--the more unlikely, the more it seemed to please God to demonstrate his power, might, and mercy through them. America in the 1960s and 1970s was full of many such characters--young men and women who had rejected the conformist religion of their parents' generation, didn't follow conventional rules, and didn't fit in. Their longing for something more set the stage for the greatest spiritual awakening of the twentieth century.

Discover the remarkable true story of the Jesus Movement, an extraordinary time of mass revival, renewal, and reconciliation. Setting intriguing personal stories within the context of one of the most tumultuous times in modern history, Greg Laurie and Ellen Vaughn draw important parallels with our own time of spiritual apathy and outright hostility, offering a new vision for the next generation of unlikely believers--and hope for the next great American revival.

- Author is vice president of The Witness, whose *Pass the Mic* podcast has had more than 8 million downloads

It can feel like the whole world is telling you to shut up.

To these forces, Ally Henry is here to say, "No. I am a loud Black woman, and I won't shut up." Ally knows what it's like to navigate racism and racialized sexism, having spent most of her life in predominantly white spaces. She's not taking it anymore, and she's calling you to join her in resisting racism by speaking the truth--no matter the cost. In this compelling book, Ally tells her own story of finding her voice, pushing back against oppression, and embracing her unique perspective as a loud Black woman. And she invites you to find your voice in a world that tries to silence you.

If you're tired of feeling silenced, misunderstood, and abused by society, you'll find here powerful words of liberation that will empower you to find--and use--your voice.

How a Culture of White Supremacy Devalues Us and How We Can Reclaim Our True Worth

Caroline J. Sumlin

Discover a Better Standard of Excellence

- A promising up-and-coming voice with a growing platform
- Author is cohost of *Black Girl Voices* podcast and host of *Meant for This* podcast
- Unique take on the evergreen subject of self-worth for women

You're not good enough. How many of us internalize this belief before we even reach adulthood? How many of us feel unworthy and unable to live up to what seem like impossible-yet-completely-arbitrary standards? Where do these toxic beliefs about ourselves come from? And who told us there is a way we are "supposed" to be anyway?

With passion and compassion, Caroline J. Sumlin reveals the force that keeps all of us, whether we are part of a marginalized group or not, from freely expressing who we are as image bearers of God: white supremacy culture. Sharing her own story, she helps you see the wide-ranging effects of living in a culture of white supremacy. She identifies the damaging beliefs we internalize from our very earliest days and shows us how to find clarity and freedom as we dismantle the oppressive structures that hem us in and force us to conform.

If you have struggled with perfectionism, self-doubt, unworthiness, or the unrelenting pressure to pursue someone else's version of "success," you will find here the tools you need to silence the voices that seek to keep you down and to value yourself as never before.

DON'T BURN OUT, BURN BRIGHT

How to Thrive in Ministry for the Long Haul

Jason Young and Jonathan Malm

Build toward Long-Term Energy, Health, and Success as a Leader

- Authors have worked with leaders at Chick-fil-A, Bayside Church, Ford Motor Company, FedEx Ground, 12Stone Church, Gorilla Glue, Delta Air Lines, North Point Ministries, Life.Church, and more

Pastors and ministry leaders are some of the hardest-working people in the world--and they have the high rate of burnout to prove it. As a leader, if you aren't operating at peak efficiency and taking care of yourself, it is bound to catch up with you in a big way. So few in ministry feel they have the time to take a sabbatical or tend to their own physical, emotional, and spiritual needs. But healthy rhythms of work and rest are the key to a thriving, long-term ministry.

Putting their years of experience as both leaders and consultants to work, Jason Young and Jonathan Malm show you how to fine-tune your leadership and organize your life in such a way that you can become a high-capacity leader without the exhaustion and discouragement so many feel. They teach you how to set healthy boundaries, release control, operate from your values, and much more in order to burn bright and make a lasting impact without sacrificing your health, happiness, and relationships.

LEADING WELL

A Black Woman's Guide to Wholistic, Barrier-Breaking Leadership

Jeanne Porter King

A Black Woman's Guide to Effective, Barrier-Breaking Leadership

- Author speaks more than 20 times a year on the topic of leadership
- Author is highly regarded in the leadership development world, regularly consults with Fortune 500 businesses, and coaches executive and aspiring women leaders
- Focuses on spiritual wellness for Black women as the center or core of our wellness so that we might truly lead well

Black women in leadership positions often experience resistance, both from external forces and from within. If you are a leader in your profession, community, or church, you may have been made to feel like an outsider--someone who must prove herself again and again to be worthy of following. Maybe you're tired, resentful, or beaten-down by the sense that you'll just never be good enough for some people.

Take heart and take a seat at the table with Jeanne Porter King. Drawing from the biblical account of the Samaritan woman at the well, King shows how this outsider and outcast has been reduced to a stereotype by the same racist and sexist forces that attempt to reduce *you* to a stereotype and hinder your God-given call to leadership. She then shows how God uniquely positioned and equipped her to lead her people to the truth despite attempts to keep her silent and small.

If you long to lead from a strong spiritual core rather than a set of expectations you had no part in setting, this book offers you the inspiration, encouragement, and practical tools to make leading well a reality in your life.
