## PURSUING GOD'S PRESENCE

*A Practical Guide to Daily Renewal and Joy*

**Roger Helland**

**Pastor and Theologian's Insights on How the Pursuit of God's Presence Changes Everything**

- Theological and practical approach to seeking the glory of God and the call to live presence-centered lives, not simply seeking signs and wonders
- Foreword by Mark Buchanan, respected pastor, theologian, and regular contributor to *Christianity Today* and *Leadership Journal*

As believers around the world pray for renewal and revival in our conflicted times, they often neglect a key ingredient: pursuing God's presence. The problem, says pastor and theologian Roger Helland, is that we were never taught, in a balanced and biblical way, how to seek, experience, and host God's *kavod*--his radiant glory, his manifest presence.

Offering grounded and practical teaching, balanced with Scripture and Spirit, Helland shows how to live out a deeper biblical experience of the Holy Spirit and the manifest presence of God, helping you

- sort through common fears and misunderstandings about God's presence
- discover hands-on ways to pursue holiness and the presence of God in everyday life
- live a presence-centered life in discipleship at work, home, and church
- experience God's supernatural strength, vitality, transformation, renewal, and joy

The world needs believers who, like the psalmist declared, seek the manifest presence of God continually. When you learn to seek, experience, and host God's presence, it will transform you--and it will transform the world.

## THE LORD'S SUPPER

*Our Promised Place of Intimacy and Transformation with Jesus*

**Jonathan Black**

**Access the Everyday Power of Christ's Table from a Leading Pentecostal Scholar**

- Author is a rising Bible teacher who speaks up to 30 times per year at churches and theological conferences, including the European Pentecostal Theological Association Conference
- Foreword by Dr. Michael Brown, author, apologist, and radio host
- Author is a Pentecostal theologian with specialized learning in the Lord's Supper
- Provides a spirit-filled application for communion in spiritual warfare, personal healing, and intimacy with Christ

From the very beginning, the Lord's Supper has stood at the heart of Christian worship. But over the years we've turned it into a monthly ritual squeezed in between "real" worship. If Jesus lives in us, and the Holy Spirit is poured out on us, why do we need to eat bread and drink wine? Does it really matter?

It does matter--and it's life-changing, says leading Pentecostal theologian Jonathan Black. With warmth and depth, he explores not only the biblical and historical significance of the Lord's Supper, but also how the Table is still a powerful place of transformation and encounter with Jesus.

Whether you're feeling the lack of his presence or are ashamed of sin in your life--or have never felt anything during Communion--Black helps you see that Christ's call to his Table is a call to the promise of presence, glory, healing, forgiveness, victory, and intimacy. And Christ's invitation to partake in his feast is your invitation to taste and see that the Lord is good.

Clearing away the confusion, prophetic leader and teacher Venner J. Alston not only gives you a biblical framework for encountering God, but also encourages you to expect it.

With clarity and insight, she helps you

- understand your supernatural capacity to encounter the living God
- discover how these encounters reveal more of his nature and desires
- discern the characteristics of true supernatural moments from heaven
- recognize the different types of encounters
- position yourself to experience God in deeper ways

Encounters are not just for a few "deeply spiritual" saints; they are to be experienced by all believers. God wants to take you to a new realm so you can experience his glory like never before--and share it with others. Are you ready?
