TIMELESS #2

Gabrielle Meyer

### Meyer Continues Her Dramatic Historical Time-Travel Series

- "Fans of history, romance, or time travel will adore this book."--Julie Klassen on *When the Day Comes*
- "An exciting, page-turning plot, filled with fascinating history."--*Historical Novels Review* on *When the Day Comes*
- Perfect for fans of Jody Hedlund's *Waters of Time* series and Susan Meissner

Maggie inherited a gift from her time-crossing parents that allows her to live three separate lives in 1861, 1941, and 2001. Each night she goes to sleep in one time period and wakes up in another. Until, that is, she turns twenty-one, when she will have to forfeit two of those lives--and everyone she knows in them--forever.

In 1861, Maggie is the daughter of an influential senator at the outbreak of the Civil War, navigating a capital full of Southern spies and wounded soldiers. In 1941, she is a Navy nurse, grappling with her knowledge of the future when she's asked to join a hospital ship being sent to Pearl Harbor. And in 2001, she's a brilliant young medical student, fulfilling her dream of becoming a surgeon, yet unable to use her modern skills in her other paths.

While Maggie has sworn off romance until she makes her final choice, an intriguing man tugs at her heart in each era. The mysterious British gentleman. The prickly, demanding doctor. The charming young congressman. She's drawn to each man in different ways, only complicating the impossible decision she must make, which looms ever closer.

With so much on the line, how can Maggie choose just one life to keep and the rest to lose?

## THE WOMAN FROM LYDIA

THE EMISSARIES #1

Angela Hunt

**Absorbing New Testament-Era Series from a *New York Times* Bestselling Author**

- Angela Hunt's books have sold over 5 million copies worldwide
- "Hunt breathes brilliance into the dusty, mystical past."--*Booklist* starred review
- Epic in scope, this New Testament Roman Empire-set series will appeal to readers of Francine Rivers's beloved Mark of the Lion series

Widowed Euodia, known to her neighbors as "the Lydian woman," seeks to make a fresh start by moving to the foreign city of Philippi. She finds new purpose after meeting Paulos, apostle to the Gentiles, who opens her eyes to helping those in need, particularly women and those who have been enslaved.

Retired Roman soldier Hector has settled in Philippi with dreams of a future filled with wealth and status, pooling his army earnings with Lucius, his fellow comrade in arms turned business partner. His hopes are dashed, however, when Paulos robs their youngest slave of her lucrative ability to foretell the future, rendering her worthless to Hector's ambition.

When Euodia becomes aware that Sabina is being mistreated, she buys Sabina from Lucius, intending to set the girl free. But when Hector claims the sale was not legitimate, he takes Sabina back and swears he will find someone to restore her valuable "gift" . . . even if he must travel to the ends of the earth to do so. Following close behind him, Euodia and her servants set out to rescue Sabina, not for gain, but to rescue and set her free forever.

In her stirring series starter, *New York Times* bestselling author Angela Hunt dives into the perilous days of the early church as Christians struggle to remain true to their faith amid the highest of risks in a hostile pagan culture.

## LETTERS FROM MY SISTER

Valerie Fraser Luesse

**Two Sisters. One Single Event. A Family Changed Forever.**

- Will appeal to readers of Southern fiction and historical fiction
- Luesse's debut novel, *Missing Isaac*, made the ECPA bestsellers list and won a Christy Award
- "This is the kind of book you can't wait to get home and read every night."--Sara Peterson, editor in chief of *HGTV Magazine*, on *Almost Home*

At the turn of the twentieth century, sisters Emmy and Callie Bullock are living a privileged life as the only daughters of a wealthy Alabama cotton farmer when their well-ordered household gets turned upside down by the arrival of Lily McGee. Arrestingly beautiful, Lily quickly--and innocently--draws the wrong kind of attention. Meanwhile, Callie meets a man who offers her the freedom to abandon social constraints and discover her truest self.

After Lily has a baby, Callie witnesses something she was never meant to see--or did she? Her memory is a haze, just an image in her mind of Emmy standing on a darkened riverbank and cradling Lily's missing baby girl. Only when the sisters are separated does the truth slowly come to light through their letters--including a revelation that will shape the rest of Callie's life.

Bestselling author Valerie Fraser Luesse weaves a complex and suspenseful tale dripping with intrigue, romance, and Southern charm.

### Uncovering Long-Held Family Secrets Can Be Freeing

- Will appeal to fans of Lauren Denton
- Author's debut, *The Edge of Belonging*, was the 2021 Christy Book of the Year
- "Cox is a writer to turn to for emotionally rich and redemptive fiction."--*Booklist* starred review on *The Secret Keepers of Old Depot Grocery*

Beekeeper Beckett Walsh is living her dream, working alongside her father in their apiary, until his untimely death sends her world into a tailspin. She suddenly finds she must deal with a new part owner of the family business--one who is looking to sell the property. Beck cannot fathom why her father would put her into the position to lose everything they built together.

When Callie Peterson is named in the trust of a man she's never heard of, she's not sure what to do. Her fledgling business has just taken wing and her mother has reentered her life asking for help getting into rehab for her lifelong substance abuse issues, making Callie's financial situation rather . . . precarious. She's sure she has no right to someone else's farm, but the money from the sale could solve her problems and give her the stability she's always craved.

As these two women navigate their present conundrum, they will discover a complex and entangled past full of secrets--and the potential for a brighter future for both of them.
