Gabrielle Meyer

Meyer Continues Her Dramatic Historical Time-Travel Series

- "Fans of history, romance, or time travel will adore this book."--Julie Klassen on *When the Day Comes*
- "An exciting, page-turning plot, filled with fascinating history."--*Historical Novels Review* on *When the Day Comes*
- Perfect for fans of Jody Hedlund's *Waters of Time* series and Susan Meissner

Maggie inherited a gift from her time-crossing parents that allows her to live three separate lives in 1861, 1941, and 2001. Each night she goes to sleep in one time period and wakes up in another. Until, that is, she turns twenty-one, when she will have to forfeit two of those lives--and everyone she knows in them--forever.

In 1861, Maggie is the daughter of an influential senator at the outbreak of the Civil War, navigating a capital full of Southern spies and wounded soldiers. In 1941, she is a Navy nurse, grappling with her knowledge of the future when she's asked to join a hospital ship being sent to Pearl Harbor. And in 2001, she's a brilliant young medical student, fulfilling her dream of becoming a surgeon, yet unable to use her modern skills in her other paths.

While Maggie has sworn off romance until she makes her final choice, an intriguing man tugs at her heart in each era. The mysterious British gentleman. The prickly, demanding doctor. The charming young congressman. She's drawn to each man in different ways, only complicating the impossible decision she must make, which looms ever closer.

With so much on the line, how can Maggie choose just one life to keep and the rest to lose?

Absorbing New Testament-Era Series from a *New York Times* Bestselling Author

- Angela Hunt's books have sold over 5 million copies worldwide
- "Hunt breathes brilliance into the dusty, mystical past."--*Booklist* starred review
- Epic in scope, this New Testament Roman Empire-set series will appeal to readers of Francine Rivers's beloved Mark of the Lion series

She finds new purpose after meeting Paulos, apostle to the Gentiles, who opens her eyes to helping those in need, particularly women and those who have been enslaved.

Retired Roman soldier Hector has settled in Philippi with dreams of a future filled with wealth and status, pooling his army earnings with Lucius, his fellow comrade in arms turned business partner. His hopes are dashed, however, when Paulos robs their youngest slave of her lucrative ability to foretell the future, rendering her worthless to Hector's ambition.

When Euodia becomes aware that Sabina is being mistreated, she buys Sabina from Lucius, intending to set the girl free. But when Hector claims the sale was not legitimate, he takes Sabina back and swears he will find someone to restore her valuable "gift" . . . even if he must travel to the ends of the earth to do so. Following close behind him, Euodia and her servants set out to rescue Sabina, not for gain, but to rescue and set her free forever.

In her stirring series starter, *New York Times* bestselling author Angela Hunt dives into the perilous days of the early church as Christians struggle to remain true to their faith amid the highest of risks in a hostile pagan culture.

Left with an estate on the brink of bankruptcy after their father's death, Lady Marigold Fairfax and her brother open a private investigation firm marketed to the elite . . . to spy on the elite. Dubbed The Imposters, Ltd., their anonymous group soon becomes the go-to for the crème of society when they want answers delivered surreptitiously. But the many secrets Marigold learns about her peers pale in comparison to her shock when she and her brother are hired to investigate her best friend's father as a potential traitor.

Sir Merritt Livingstone has spent a decade serving the monarch in the most elite guard, but when pneumonia lands him behind a desk in the War Office Intelligence Division just as they're creating a new secret intelligence branch, he's intent on showing his worth. He suspects a man of leaking information to Germany as tensions mount between the two countries, but needs someone to help him prove it, so he turns to The Imposters, Ltd. No one knows who they are, but their results are beyond compare.

Lady Marigold is determined to discover the truth for her friend's sake, and she's more determined still to keep her heart from getting involved with this enigmatic new client . . . who can't possibly be as noble as he seems.
