TRANSLATING JESUS

How to Share Your Faith in Language Today's Culture Can Understand

Shauna Pilgreen

How to Engage Culture with the Good News of Christ

- Foreword by Mark Batterson
- Author is cofounder of Epic Church in San Francisco
- Offers a fresh vision for everyday evangelism

We in the church do not speak the same language as the culture. We use many of the same words, but they rarely mean the same thing. And speaking louder isn't the answer. If we are to faithfully and effectively share the Good News, we have to *translate* Jesus.

Embracing and unpacking the bilingual nature of spreading the gospel, pastor and teacher Shauna Pilgreen shows you how to learn the language of the culture so that you can clearly communicate the love of God in the three places Christ and culture meet: the gate, the cross, and the table. By learning how to share your story in the language of the culture, you'll not only find spiritual conversations more fruitful but also build a supportive and loving community of bilingual believers excited about inviting others to enter the kingdom of God.

Dr. Michelle Bengtson

Hope for When the Pain Won't Quit

- Bengtson is a neuropsychologist with more than 25 years in the mental health field
- Over 20% of adults in the US suffer from chronic pain, and many more suffer from emotional, relational, or spiritual pain
- Gives readers a biblical road map to cope with and grow through painful experiences

Everyone experiences pain at times. It can manifest physically, emotionally, relationally, or spiritually. It can follow tragic accidents, great loss, sudden betrayal, or unexpected and unwanted change. Often it is temporary. But what do you do when it isn't? When the pain just won't go away, when healing does not come, when the grief and hurt settle in?

Drawing on her own experience of chronic pain and her years as a board-certified clinical neuropsychologist, Dr. Michelle Bengtson provides a countercultural perspective on pain. Offering hope without any false promises or empty platitudes, Dr. Bengtson unwraps the complex emotional aspects of dealing with pain. She gives you permission to question God, helps you identify the lies you've believed about your pain, and reorients your perception based on the truth of God's Word. Each chapter ends with a recommended playlist, reflection questions, and a prayer.

Your pain may not change, but your experience of it can.

How God Redeems and Rewrites Your Story
Christian Bevere

How to Ditch Shame and Move on to More

- "Christian brings a raw, vulnerable gift to girls of her generation--the unyielding truth of the only source of unshakable power and confidence--our heavenly Father and the work done for us by Jesus Christ."--Madison Prewett Troutt, bestselling author and TV personality
- Messenger International will promote the book using their email list of over 500,000 and social media reach of over 3 million
- Compelling new voice for young women

Shame. The very word makes us pull back and look for somewhere to hide. Shame constantly reminds us of our past failures and whispers in our ears that the future will be no different. Because it wants us to believe that we're no different. It's a lie, but when we're tethered to past mistakes, it can be hard to tell the lies of the enemy from the truth of God.

The truth is, Christ wants to give you a new heart, a new name, and a new identity. He can render shame powerless in your life, mind, and spirit. Just as you would with a bad ex-boyfriend, it's time for you to make a clean break with the past so that you can live fully in God's promises.

With great compassion, Christian Bevere shows you how to silence shame in your life. She offers practical ways to overcome regret, insecurity, and the lies you've believed about yourself so you can develop a positive, godly self-image and move into your future with confidence. No matter left you feeling broken, God wants to repurpose, redeem, and restore your story. With Christian's help, your new story can start today.

I USED TO BE _____

How to Navigate Large and Small Losses in Life and Find Your Path Forward

Chuck and Ashley Elliott

Navigate Through Grief with Biblical Mental Health Tools

- Authors are content creators and speakers whose work can be found on RightNow Media and YouVersion
- Authors have counseling and pastoral backgrounds, bringing a unique perspective
- Helps readers process various kinds of grief, including the death of a loved one, a health diagnosis, and more

When you suffer a loss, you enter the realm of "used to be." You used to be married. You used to be employed. You used to be pregnant, secure, healthy, sober, thin. You used to be a son or daughter, a brother or sister, a mother or father. And in that used-to-be space there is deep emptiness, loneliness, and sorrow. It's a place we all dwell for a while. But it's not a place in which we are meant to remain.

The path forward includes exploring the unseen elements of grief. With this book, pastor Chuck Elliott and counselor Ashley Elliott light the way to a better future. Sharing biblical advice and proven mental health techniques, they help you learn how to fully feel and face your grief, hold onto your faith, and develop healthy ways to see yourself, your life, and your loved ones. They offer coping strategies for when moving forward seems impossible and guide you toward building new thinking patterns that will result in true healing and growth.

Maybe you "used to be" something--but there is a future waiting when you "will be" once more.

HOW TO FIND HOPE WHEN LIFE HURTS

Jimmy Evans with Frank Martin

Heal Emotional Wounds and Free Yourself from the Past

- Evans is the bestselling author of *Lifelong Love Affair* and cofounder of MarriageToday
- Provides biblical wisdom and real-life application to resolve emotional pain
- "Jimmy Evans shines a light on those dark, unhealthy places--all while pointing readers toward God, the source of true healing."--Dr. Tony Evans

We all experience emotional pain, but few of us know how to deal with it properly. Our unresolved pain accumulates deep within the recesses of our hearts, in a place Jimmy Evans calls the "hurt pocket." The more we accumulate, the more we are mentally, emotionally, and relationally crippled. But what if we could reach into that hurt pocket, confront our pain, and experience release and freedom?

In this life-changing book, Jimmy Evans shows you how to completely remove and resolve every negative event from your past that is compromising your present and keeping you from your God-given destiny. With inspired vulnerability and searing honesty, he helps you forgive others (and yourself) and discover true inner peace and hope for the future.
