Frightened by the chaos in society, many parents fear for their children's futures--and end up raising them to pursue some vague idea of success. But what if we enlarged our focus? What if we created homes that nurture hope and birth world-changers?

Just as Saint Benedict thrived during the Dark Ages through God-centered daily rhythms and Amy Carmichael created hopeful homes in the midst of destruction and despair, we can create a rule of life that nurtures communities of faith. By highlighting the simple, intentional practices in the lives of notable women, homeschool mom and life coach Jennifer Pepito helps you

- discover God's best for your family and home
- push back chaos by finding your own rhythm
- eliminate distractions so your home becomes a place of refuge
- foster a family culture of simplicity and stability
- raise children who are lights in a troubled generation

Don't fear the future. Create a home that brings life to future generations--and shines with hope and peace in these trying times.

A Study of the Doctrine of Perseverance

Robert Shank

Classic, Arminian Text on Free-Will Doctrine Now Revised and Expanded

- Highly respected text is considered a classic in many Arminian circles
- Now expanded with new chapters and scholarly research throughout
- New foreword by Craig Keener

Does one moment of faith secure a person's eternal destiny with God--even if that person later stops following and trusting in Jesus? Or does a person have to keep on trusting and following Jesus in order to remain in saving relationship with God?

Now expanded with new chapters and research, this landmark book continues to offer one of the more penetrating studies on the controversial doctrine of eternal security, perseverance, and apostasy in the New Testament. Calling into question the popular "once saved, always saved" belief, internationally respected pastor and scholar Dr. Robert Shank reveals that the question we should be asking is not, "*Is the believer secure?*" but rather, "*What does it mean to be a believer?*"

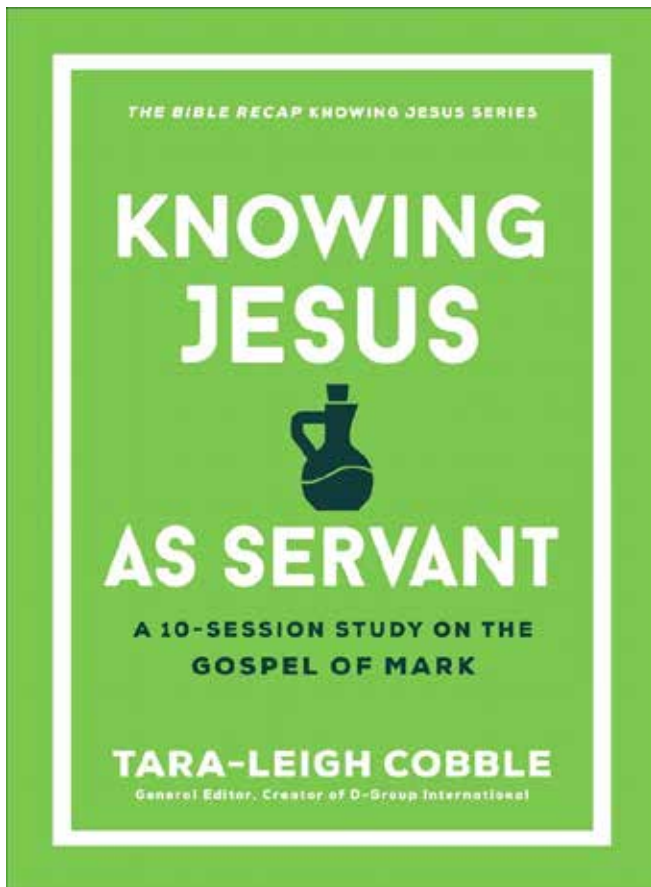

Straightforward, thorough, and grounded in biblical understanding, Shank warns Christians about dangers that could potentially lead a believer to become an unbeliever (falling away from faith) and share in the unbeliever's eternal destiny--hell. Falling away is avoided by remaining in a saving union with Christ through a lifetime of trusting dependence upon Him.
