FINDING OUR MUCHNESS

Inheriting Audacious Boldness from Women of the Bible

Kim M. Maas

Prophetic Insight for Women of Our Time to Move Boldly

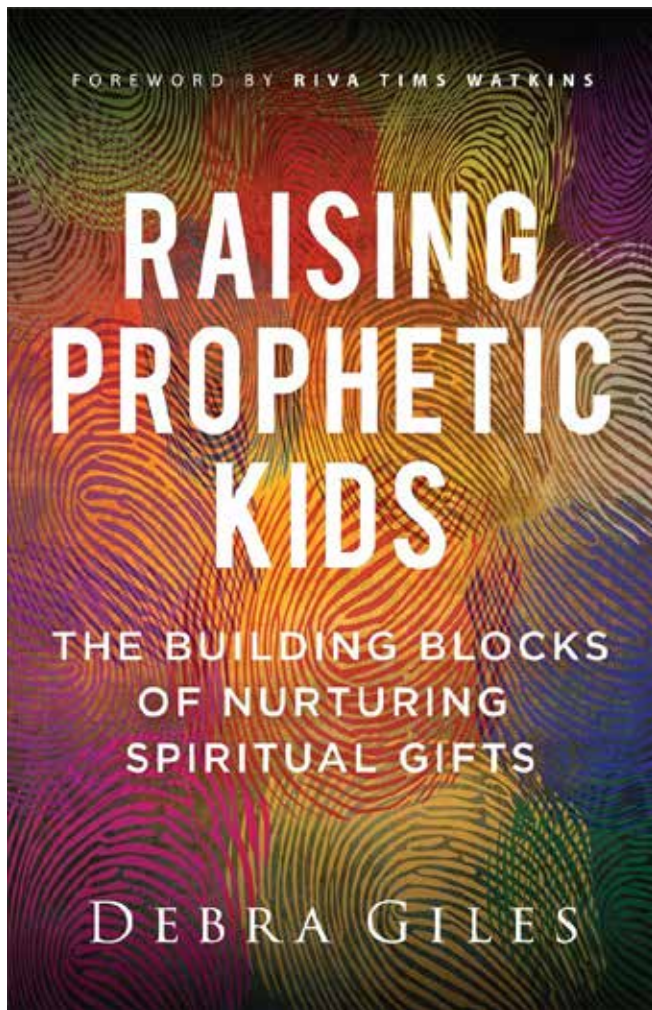

- Kim Maas travels internationally, preaching and teaching on prophecy and kingdom advancement
- Foreword by Patricia King
- Podcaster on *Voice of the Shepherds* and podcast and TV host on *Move Forward with Dr. Kim Maas*
- Includes 10 bonus devotions for inspiration and activation

On the forefront of every move of God have been women--empowered to advance the kingdom. These women found their *muchness*--their ability to be brave, dream big, take risks, and rise to their calling. And it's time for a new generation to find their muchness, too.

With fresh prophetic insight and practical wisdom, Kim Maas calls you away from the competing voices in culture by reminding you of the brave women in Scripture. Battling struggles, loss, and judgement amid cultural oppression and religious suppression, these women were politically savvy, prophetically perceptive, and covenantally obedient. And their lives give you permission to be audacious, showing you how to

- break through cultural barriers, religious traditions, and political limitations
- refuse to be defined by your circumstances
- dream, risk, and fight again
- discover your kingdom identity and purpose

You are a part of a great company of women, called by God. It's time to rise up in faith, move forward with boldness, and fulfill your role God's plans for our time.

THE JOURNEY TO BIBLICAL MASCULINITY

12 Paths Every Man Must Take

Jake Hamilton

Fresh Vision of Spirit-Empowered Masculinity Challenges and Emboldens Men

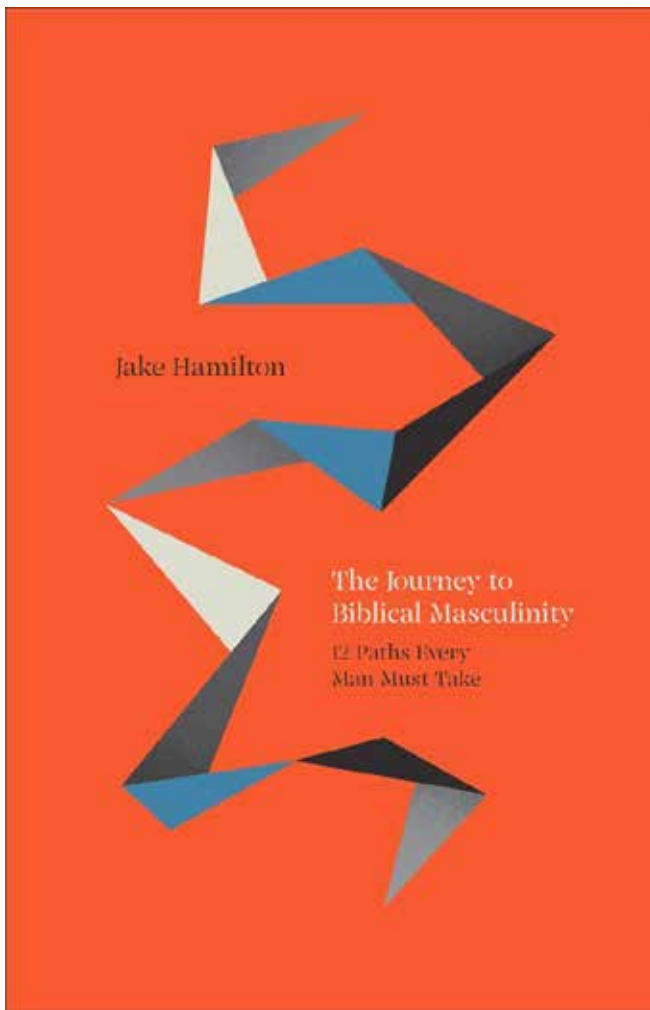

- Author has a combined social media following of over 100K
- Hamilton and his wife, Nicci, founded marriage ministry called THE FIGHT
- Provides practical wisdom and encouragement for the Spirit-empowered reader about godly masculinity

As culture attacks men, marriages, and families, the Church has failed to empower men to connect courageously and consistently with the story God wants to write with them.

Looking to Jesus as the model, Jake Hamilton casts a fresh vision of Spirit-empowered masculinity that calls men to be who they were created to be. Diving into Scripture, ancient traditions, and the mythological story of Parzival, Jake reveals 15 time-tested pathways God uses to train you to

- own the radical responsibility God's placed on you, no matter the cost
- use your unique perspectives and personality to fight the evil around you
- hold your ground with confidence, courage, and conviction
- no longer be sidelined by shame, addiction, depression, and disconnection
- live with purpose, clarity, integrity, and boldness

Biblical masculinity is not toxic. It is modeled in the life of Jesus Christ. It's what our world needs. It's time for real heroes to rise up, stand with humble strength, and fight against all odds for your identity, marriage, children, and the Kingdom.
