*How Answering Quiet Callings Inspires
Extraordinary Stories of Ordinary Grace*

Kathy IZARD

Inspirational Stories of How God Is Already at Work in Our Lives

- Author writes for Katie Couric Media and has been featured on national media
- Author is a frequent speaker across the country
- Includes a discussion guide to help you discern how God is calling to you

Ever feel like it's easier to believe we'll meet God in the afterlife than it is to feel God at work in *this* life, with its chores and schedules and messes and unrealized dreams? The truth is, God is at work every day of our lives, but because this work is quieter than we expect, we so often dismiss it as coincidence or chance. What if we could clearly understand those divine whispers? What if listening to them is the beginning of living out our truest story and purpose?

In *Trust the Whisper*, Kathy IZARD shares compelling true stories that help you connect the "God Dots" in your life. Sharing her own and others' experiences of moving from a place of doubt that a higher power even exists to being certain about the divine weave in the world, Kathy offers you the courage to recognize God's guidance in your own life. She helps you ask the right questions, trust your deepest intuition, be powerfully present, embrace the unexpected, and risk believing in the dreams God is quietly urging you to follow.

Hal Donaldson is the founder and CEO of Convoy of Hope, a nonprofit organization that leads humanitarian initiatives across the United States and around the world. The author of more than 30 books, Hal has degrees in journalism and biblical studies. He and his wife, Doree, have four daughters.

Lindsay Donaldson-Kring trained as an attorney and now serves with Convoy of Hope's marketing and communications team.

WHAT REALLY MATTERS

How to Care for Yourself and Serve a Hurting World

Hal Donaldson with Lindsay Donaldson-Kring

Caring for Yourself While Serving Others

- Author is president of Convoy of Hope, which has a combined social reach of over 300,000
- Author has access to a database of 200,000+ emails
- Author's organization is one of the top 50 largest charities in the nation

When it comes to our personal well-being, success is often more dangerous than failure. As we try to fulfill others' expectations, we deplete our time, energy, and enthusiasm and end up feeling wrung out or burned out, sometimes even flaming out in spectacular ways. It may feel like the solution is just to quit--our jobs, our passions, our ministries--but there is a way to pour into others *and* take care of ourselves.

Sharing the dramatic, true, and untold story behind the creation of Convoy of Hope, Hal Donaldson and his daughter Lindsay Donaldson-Kring pull back the curtain on Hal's journey to greater mental, physical, and spiritual health amid the all-engrossing task of starting and sustaining a ministry. They reveal the toll ministry and compassion work can take on both individuals and families, then point toward healing and wholeness.

Insightful and encouraging, this book offers practical, real-world solutions to persistent problems associated with being the hands and feet of Jesus in a hurting world.

OTHERED

Finding Belonging with the God Who Pursues the Hurt, Harmed, and Marginalized

Jenai Auman

A Call to Those Desiring Refuge with the God of Radical Belonging

- Author has written for *Christianity Today*
- Author has 17 years of church ministry and leadership experience
- Book combines theological research and trauma-informed language to explain the causes and effects of othering

God's people are meant to be a blessing to others. Yet in the Scriptures, throughout history, and in our own times we too often see the people of God causing harm to people on the margins. Rather than caring for the widowed and the orphaned or loving the sojourner, too often we see abuse of power that breaks spirits and inflicts lasting harm.

For anyone who has felt left out or pushed out of the church, *Othered* is your invitation to find spiritual rest and belonging in a God who loves, restores, and blesses the outcast and the marginalized. Jenai Auman draws on her experience growing up as a biracial kid in the American South as well as working within toxic ministry environments to reveal a hopeful, trauma-informed way forward. This book illuminates how hurt and betrayal in the church are longstanding problems that God neither sanctions nor tolerates. It offers holistic responses to the grief, anger, and trauma that come with being ostracized or oppressed by the church. And it shows how God provides shelter and provision in the midst of the wilderness.

Because God sees, hears, and loves you--even if the church has failed you.

WHAT I SAW IN HEAVEN

The Incredible True Story of the Day I Died, Met Jesus, and Returned to Life a New Person

Heidi Barr

An Inspiring Near-Death Experience

- Foreword by John Burke
- An unforgettable and illuminating account of the day a Jewish girl died, met Jesus, and returned to life a new person
- Will appeal to readers of *Imagine Heaven* and *90 Minutes in Heaven*

Heidi Barr didn't believe in Jesus. No one in her Jewish family did, nor did they want to--especially not her father, who told her that Jesus Christ was the greatest hoax ever perpetrated on humankind. So when Heidi was in a terrible horseback riding accident and died at age 16, Jesus was the last person she expected to see. Yet she did. And then she returned to life.

This is the incredible true story of Heidi's difficult family life, her sudden death, her unexpectedly loving encounter with Jesus, and her return to life on earth as a person completely and irrevocably changed. This is also the story of Heidi loving her father and mother despite their disbelief of and disagreement with her faith. And this is the gripping, beautiful story of her parents' eventual reconciliation both with Heidi and with God, through the redeeming grace and all-encompassing love of Jesus Christ.

FAITH FOR THE CURIOUS

How an Era of Spiritual Openness Shapes the Ways We Live and Help Others Follow Jesus

Mark Matlock

What if the World Is More Open to Christianity Than We Think?

- Author is a leading voice on the next generation and has spoken live to more than 1 million teenagers in his career

It may surprise you to know that the majority of non-Christians are not hostile to the faith or looking for a fight. In fact, most are open and even curious about spiritual matters. Yet evangelism training and apologetic resources are often geared toward knowing what to say to hardcore atheists and evolutionists, who make up less than 10 percent of the unchurched population.

If you're ready to have respectful and fruitful spiritual conversations with your spiritually curious friends, neighbors, and family members, Mark Matlock offers this research-based approach. He shows you how to

- create a church culture that is open to spiritual exploration and discovery
- help foster meaningful connections to Jesus and his Church
- start spiritual conversations and break through common communication barriers
- bridge the gap between traditional Christianity and the modern spiritual climate

SACRED SCARS

Resting in God's Promise That Your Past Is Not Wasted

Dr. Michelle Bengtson

How the Pain of Your Past Uniquely Qualifies You for God's Purpose

- Author is a neuropsychologist with more than 25 years' experience in the mental health field
- Gives readers a biblical road map to cope with and grow through painful experiences
- Author's previous books have sold more than 40,000 copies

We all endure trials, pain, and hardship in this life. The enemy often uses those experiences to convince us that our brokenness disqualifies us from ever being used by God again--that we can no longer be a testimony because of our emotional or physical scars. The truth is, your past pain and brokenness actually serve as preparation for what God wants to do in you and through you, if you will but surrender to and trust in him.

In *Sacred Scars*, neuropsychologist and fellow sufferer Dr. Michelle Bengtson helps you

- understand suffering through a biblical perspective
- discover how the trials of your life serve a purpose
- reflect on the healing that God has accomplished
- comfort others with the comfort God has given you

Just as Jesus's scars didn't disappear after his resurrection, our scars tell our story and lend credence to our testimony of the love and power of God. If you are ready to turn your past pain into present comfort and future hope, let Dr. Bengtson be your compassionate guide.

NOW THAT SHE'S GONE

A Daughter's Reflections on Loss, Love, and a Mother's Legacy

Chelsea Ohlemiller

Reflections on the Impact of Losing Your Mother

- A collection of 100+ essays that can be read in whatever order the reader needs at that moment
- A giftable resource for women to validate their grief rather than move through it
- Author has over 125,000 highly engaged social media followers

The day your mother dies is the day you acquire a powerful and persistent new companion--grief. It is also the day you become the keeper of a legacy that has the potential to affect generations to come. Between a past you can't let go of and a future you can hardly find the energy to think about, you stand. The ground may feel shaky, but it is sacred. And it must be tread.

With vulnerability and honesty, Chelsea Ohlemiller walks you through her own journey of grief at the loss of her mother in order to help you along yours. These raw reflections on heartbreak, love, and hope in the midst of sorrow can help you put words to your own tangled feelings when you are speechless with grief. Chelsea does not couch her narrative in spiritual jargon or edit her feelings into "acceptable" sentiments that ultimately mean nothing and help no one. Instead, she invites you to be radically honest about your anger, disbelief, and sorrow so that you can move forward even if it feels like you will never be able to move on.

Whether you had a great relationship with your mother or a complicated one, you will find in this book a compassionate and understanding friend for the days, months, and years to come.

THE FIGHT FOR FEMALE

Reclaiming Our Divine Identity

Lisa Bevere

A Guide to Recovering Truth in a Culture of Lies

- Lisa Bevere is a *New York Times* bestselling author with over 1.5 million books sold
- Author and Messenger International have over 2 million social media followers and over 400,000 email subscribers
- Author has over 10 million podcast downloads

The very idea of womanhood is being assailed on all fronts: sexualized by our culture, eliminated from language, and silenced by the church. For decades, both sexes have been systematically undermined and stripped of their strength. Male and female were originally created as a power union, but that turned into a power struggle. For years, women listened to the lie that to be powerful they needed to act like men. Now the tables have turned, with men acting like women.

This attack is more than cultural, it is spiritual. Revelation 12:17 portrays a dragon enraged with women who has declared war on our children. Our enemy, terrified of what--and whom--we were made to reflect, seeks to blur the lines, distorting the very idea of what it means for women to bear God's divine image.

We were made for this fight. It will require honest, intimate conversations to emerge with God-inspired answers equal to the challenges of our day. Our marriages, children, churches, communities, and futures depend on it. It's time to unite, confident in our divine identity, clear in our commission, and courageous in our calling, to confront the darkness with love and light. It's time to fight for female!

By highlighting the simple, intentional practices in the lives of notable women, homeschool mom and life coach Jennifer Pepito helps you

A Study of the Doctrine of Perseverance

Robert Shank

Classic, Arminian Text on Free-Will Doctrine Now Revised and Expanded

- Highly respected text is considered a classic in many Arminian circles
- Now expanded with new chapters and scholarly research throughout
- New foreword by Craig Keener

Does one moment of faith secure a person's eternal destiny with God--even if that person later stops following and trusting in Jesus? Or does a person have to keep on trusting and following Jesus in order to remain in saving relationship with God?

Now expanded with new chapters and research, this landmark book continues to offer one of the more penetrating studies on the controversial doctrine of eternal security, perseverance, and apostasy in the New Testament. Calling into question the popular "once saved, always saved" belief, internationally respected pastor and scholar Dr. Robert Shank reveals that the question we should be asking is not, "*Is the believer secure?*" but rather, "*What does it mean to be a believer?*"

Straightforward, thorough, and grounded in biblical understanding, Shank warns Christians about dangers that could potentially lead a believer to become an unbeliever (falling away from faith) and share in the unbeliever's eternal destiny--hell. Falling away is avoided by remaining in a saving union with Christ through a lifetime of trusting dependence upon Him.

- ignite a true desire for Christ

FINDING OUR MUCHNESS

Inheriting Audacious Boldness from Women of the Bible

Kim M. Maas

Prophetic Insight for Women of Our Time to Move Boldly

- Kim Maas travels internationally, preaching and teaching on prophecy and kingdom advancement
- Foreword by Patricia King
- Podcaster on *Voice of the Shepherds* and podcast and TV host on *Move Forward with Dr. Kim Maas*
- Includes 10 bonus devotions for inspiration and activation

On the forefront of every move of God have been women--empowered to advance the kingdom. These women found their *muchness*--their ability to be brave, dream big, take risks, and rise to their calling. And it's time for a new generation to find their muchness, too.

With fresh prophetic insight and practical wisdom, Kim Maas calls you away from the competing voices in culture by reminding you of the brave women in Scripture. Battling struggles, loss, and judgement amid cultural oppression and religious suppression, these women were politically savvy, prophetically perceptive, and covenantally obedient. And their lives give you permission to be audacious, showing you how to

- break through cultural barriers, religious traditions, and political limitations
- refuse to be defined by your circumstances
- dream, risk, and fight again
- discover your kingdom identity and purpose

You are a part of a great company of women, called by God. It's time to rise up in faith, move forward with boldness, and fulfill your role God's plans for our time.

THE JOURNEY TO BIBLICAL MASCULINITY

12 Paths Every Man Must Take

Jake Hamilton

Fresh Vision of Spirit-Empowered Masculinity Challenges and Emboldens Men

- Author has a combined social media following of over 100K
- Hamilton and his wife, Nicci, founded marriage ministry called THE FIGHT
- Provides practical wisdom and encouragement for the Spirit-empowered reader about godly masculinity

As culture attacks men, marriages, and families, the Church has failed to empower men to connect courageously and consistently with the story God wants to write with them.

Looking to Jesus as the model, Jake Hamilton casts a fresh vision of Spirit-empowered masculinity that calls men to be who they were created to be. Diving into Scripture, ancient traditions, and the mythological story of Parzival, Jake reveals 15 time-tested pathways God uses to train you to

- own the radical responsibility God's placed on you, no matter the cost
- use your unique perspectives and personality to fight the evil around you
- hold your ground with confidence, courage, and conviction
- no longer be sidelined by shame, addiction, depression, and disconnection
- live with purpose, clarity, integrity, and boldness

Biblical masculinity is not toxic. It is modeled in the life of Jesus Christ. It's what our world needs. It's time for real heroes to rise up, stand with humble strength, and fight against all odds for your identity, marriage, children, and the Kingdom.

ON THE ROAD WITH SAINT AUGUSTINE

A Real-World Spirituality for Restless Hearts

James K. A. Smith

Finding a Real-World Spirituality with the Patron Saint of Restless Hearts

- *On the Road with Saint Augustine* was named one of the Top 100 Books and one of the 5 Best Books in Religion for 2019 by *Publishers Weekly*
- This book was a *Christianity Today* Book Award winner, an *Outreach* Resource of the Year, and it received a *Foreword INDIES* Honorable Mention for Religion

This is not a book about Saint Augustine. In a way, it's a book Augustine has written about each of us.

Popular speaker and award-winning author James K. A. Smith invites us to join him on a journey with an ancient African thinker who knows far more about us than we might expect. Augustine, says Smith, is the patron saint of restless hearts--a guide who has been there, asked our questions, and knows our frustrations and failed pursuits. Augustine spent a lifetime searching for his heart's true home and he can help us find our way.

Addressing believers and skeptics alike, this book shows how Augustine's timeless wisdom speaks to our deepest hungers and hopes.

"By following Augustine's model and sharing his own faith journey, Smith makes Augustine's guidance accessible to a new generation of seekers."--*Publishers Weekly* (starred review)

"Walk in the woods with me."

That's the invitation award-winning author Lore Ferguson Wilbert extends to readers in *The Understory*.

On this journey, Wilbert shares her story of alienation and disorientation after years of religious and political unrest in the evangelical church. In doing so, she looks to an unlikely place--the forest--to learn how to live and even thrive when everything seems to be falling apart. What can we learn from eroding soil, the decomposition process, the time it takes to grow lichen, the beauty of fiddlehead ferns, the regeneration of self-sowing seeds, and walking through the mud? Here, among the understory of the forest, Wilbert discovers rich metaphors for living a rooted and flourishing life within the complex ecosystems of our world. Her tenderness and honesty will help readers grieve, remember, hope, and press on with resilience.

FULLY ALIVE

Tending to the Soul in Turbulent Times

Elizabeth Oldfield

Finding Spiritual Strength When Things Fall Apart

- Oldfield hosts *The Sacred* podcast (in the top 3% of British podcasts)
- Author has appeared on BBC One and in CNN, *The Guardian*, and beyond
- Author is former director and now senior fellow at Theos, the UK's leading religion and society think tank

In a world experiencing turbulent change, we need people who are resilient, kind, open, generous, and brave. How do we become those people?

In *Fully Alive*, scholar and popular podcaster Elizabeth Oldfield uses the seven deadly sins as a framework to explore questions such as:

- How can I move from **sloth** to **attention** in order to make the most of my short life and stop getting distracted by trivialities?
- Is it possible to move from **wrath** to **peacemaking**? How do I become a depolarizing person in an age of outrage, tribalism, and division?
- What might it look like to move from **gluttony** to **awe**, finding transcendence in expansive, life-giving ways--not in the bottom of a tub of ice cream?
- How can I move from **pride** to **connection**, overcoming the disconnection that keeps me from intimacy, community, and ultimately from the divine?

Oldfield shows why, in a world heavy on judgment, she still finds the concept of sin liberating--and how, to her surprise, she keeps finding in her Christian faith ways to feel fully alive. Deeply serious yet amusingly relatable, this book helps us develop spiritual strength for when things fall apart.

Political and cultural wars are tearing communities apart. Issues such as immigration, racism, and guns are driving wedges between people and hampering Christians' impact in the world.

In *Empowered to Repair*, Brenda Salter McNeil looks to the biblical story of Nehemiah for answers. There, she finds an action-based model for repairing and rebuilding our communities and transforming broken systems.

McNeil goes beyond theories, offering practical tools Christians need for organizing, empowering, and activating people to join in God's work of equality, reparations, and justice. She provides strategies to drive systemic changes that go beyond superficial diversity and teaches the skills needed to engage in this important work long-term, such as organizing people, leveraging resources, and avoiding burnout through rest, prayer, and self-care.

Learning from Nehemiah, readers will be emboldened to go out and help build congregations, organizations, and communities where all people can flourish and reach their full, God-given potential.

THE MARY WE FORGOT

What the Apostle to the Apostles Teaches the Church Today

Jennifer Powell McNutt

Setting the Story Straight for the Mary Whom the Church Has Misunderstood

- McNutt has written for *Christianity Today* and *Christian History* magazine
- Author is an award-winning scholar, professor, and theologian who speaks at universities, seminaries, and churches
- Author is an ordained teaching elder in the Presbyterian church and a parish associate at her local church

Who was among the last at the cross and the first at the empty tomb? Mary Magdalene.

Her role in Jesus's ministry as told in all four Gospels was pivotal in many ways. Yet her story is often overlooked, confused, or scandalized by the church.

In *The Mary We Forgot*, award-winning church historian and theologian Jennifer Powell McNutt unpacks Scripture and church history to reveal the real Mary Magdalene as a model of discipleship for all Christians today--men and women alike.

McNutt also invites readers along on her journey through southern France, tracing the path remembered by the church as where Mary Magdalene spread the gospel. Christians will learn from the disciple known as the "apostle to the apostles" how to embrace Jesus's calling to "go and tell" with faith and courage. They'll also be encouraged by the reminder that God uses ordinary, imperfect, and unexpected people to share the good news of Jesus Christ.

THE CHURCH IN DARK TIMES

Understanding and Resisting the Evil That Seduced the Evangelical Movement

Mike Cospers

How Evil Is Masked in the Church behind the Best of Intentions

- Cospers hosted the smash-hit podcast *The Rise and Fall of Mars Hill* and is director of podcasts at *Christianity Today*
- Author regularly speaks on faith and culture issues at conferences and forums
- Author leads cohorts for church leaders and wrote *Recapturing the Wonder* and *Rhythms of Grace*

When calling out evil, we often look for the obvious: malice, cruelty, and wickedness. We try to uncover the impulses and motivations. But all too often, malevolence masks itself behind the best of intentions.

In *The Church in Dark Times*, Mike Cospers unveils this dynamic in the growing crisis of abuse and other failures in modern evangelical churches.

Cospers, a cultural critic and church leader, examines how the workings of evil have shifted in the modern world. Drawing on the work of 20th-century writer and philosopher Hannah Arendt, Cospers explores what we can learn from her theory of the "banality of evil," or ordinary people going along with corrupt principles and practices that have been normalized over time.

Through this fascinating study, Cospers uncovers the underlying causes of the breakdowns of the church and then offers practices that foster healing and renewal. This book will engage Christian leaders and all followers who want to better understand how church crises keep happening--and how we can resist them and move forward.

WOMANISH THEOLOGY

Discovering God through the Lens of Black Girlhood

Khristi Lauren Adams

Introducing Womanish Theology, the Theological Lens of Black Girlhood

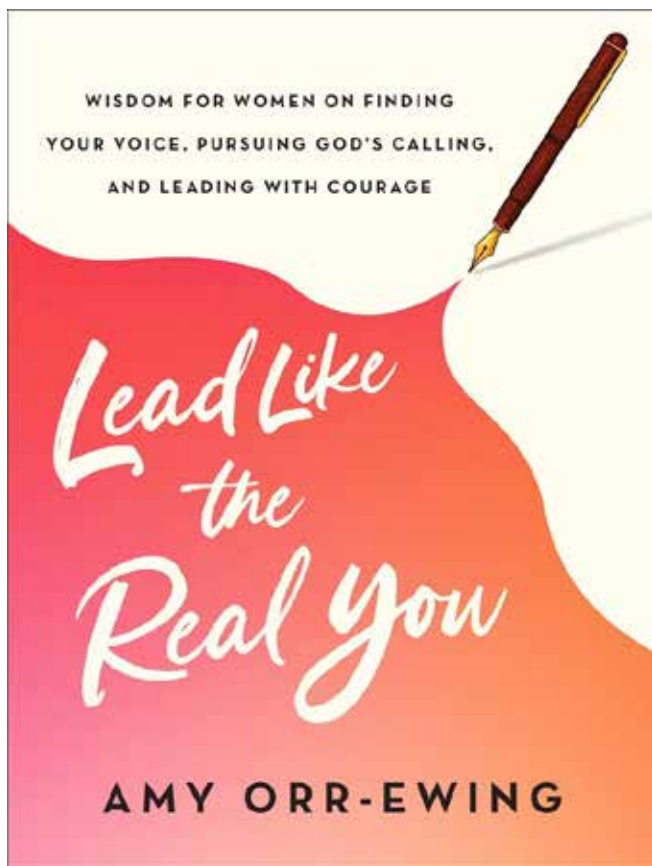

- Adams is a speaker, youth advocate, and ordained Baptist minister
- Author has over a decade of experience mentoring Black girls in church and school settings
- Author wrote the award-winning *Parable of the Brown Girl*

Khristi Lauren Adams's faith was first shaped by her experiences as a Black girl--learning about Scripture from her grandmother, Mama Hattie; "playing church" with her seven cousins over summer vacation; and grieving the murder of her 16-year-old friend when she was just 15.

In *Womanish Theology*, Adams reflects on those experiences, inviting readers to learn from a new perspective and guiding them to a deeper understanding of their own spirituality.

This groundbreaking book introduces a new branch of theological thought Adams calls *womanish*, as a play on womanist (the theology of Black womanhood). "Womanish," remembers Adams, is a term Black mothers used for young girls as they grew more interested in doing grown-up things. Adams draws on her own life story as well as the life stories of other Black girls to explore theological concepts such as Scripture, theodicy, salvation, prayer, neighborly love, and the image of God.

Through this journey, readers will learn that theology is for everyone and that the whole community of God can learn from the spiritual insights of Black girls.

THE DRAMA OF SCRIPTURE, 3RD ED.

Finding Our Place in the Biblical Story

Craig G. Bartholomew and Michael W. Goheen

A New Edition of a Bestselling Textbook

- Various editions have sold over 200,000 copies and have been translated into 10 languages
- Offers a compelling overview of the Bible's grand narrative
- Demonstrates how the biblical story forms the foundation of a Christian worldview

The story of the Bible and its account of God's action in the world give meaning to our lives and provide us with the foundation for our actions.

In this bestselling textbook, Craig Bartholomew and Michael Goheen survey the grand narrative of the Bible, demonstrating how the biblical story forms the foundation of a Christian worldview. In considering the biblical story, the authors emphasize the unity of the whole, viewing the Bible as a drama in six acts: creation, sin, Israel, Christ, church, and new creation. Two overarching themes--covenant in the Old Testament and kingdom in the New Testament--tie the biblical story together. Throughout, the authors suggest, God is revealed through the story and calls us to participate in his drama.

The third edition has been updated and revised throughout. Additional resources for students and professors are available through Textbook eSources.

He previously served as the managing director of the Henry Center for Theological Understanding and the associate director of the Jonathan Edwards Center at Trinity Evangelical Divinity School. He is also the coeditor of *Adam, the Fall, and Original Sin* and *Reading Christian Theology in the Protestant Tradition*.

DEFENDING SIN

A Response to the Challenges of Evolution and the Natural Sciences

Hans Madueme

A Striking Biblical and Theological Account of the Doctrine of Sin

- Defends the Augustinian-Reformed doctrine of original sin
- Addresses difficult questions from the natural sciences
- Engages current debates surrounding human origins and the fall

The conflict between the natural sciences and Christian theology has been going on for centuries. Recent advances in the fields of evolutionary biology, behavioral genetics, and neuroscience have intensified this conflict, particularly in relation to origins, the fall, and sin. These debates are crucial to our understanding of human sinfulness and necessarily involve the doctrine of salvation. Theistic evolutionists have labored hard to resolve these tensions between science and faith, but Hans Madueme argues that the majority of their proposals do injustice both to biblical teaching and to long-standing doctrines held by the mainstream Christian tradition.

In this major contribution to the field of science and religion, Madueme demonstrates that the classical notion of sin reflected in Scripture, the creeds, and tradition offers the most compelling and theologically coherent account of the human condition. He answers pressing challenges from the physical sciences on both methodological and substantive levels. Scholars, pastors, students, and interested lay readers will profit from interacting with the arguments presented here.

A SHORT GUIDE TO SPIRITUAL FORMATION

*Finding Life in Truth, Goodness, Beauty, and
Community*

Alex Sosler

**Spiritual Formation Rooted in Truth, Goodness, Beauty, and
Community**

- Takes a holistic approach to spiritual formation
- Highlights four exemplars from church history: Augustine, Dorothy Day, Teresa of Ávila, and Dietrich Bonhoeffer
- Foreword by Russell Moore

In a society always seeking the new and novel, Christians can become more grounded and mature through a retrieval of our common tradition. Alex Sosler sets forth the "transcendentals" of truth, goodness, and beauty--along with community--to help readers follow the way of Jesus.

Weaving together church history, theology, and devotional practice, Sosler offers a holistic introduction to spiritual formation, encompassing biblical truth, the pursuit of the good life, the contemplation of God, and communal belonging. Each section includes a biblical and historical precedent for the tradition and highlights an exemplar from church history: Augustine on truth, Dorothy Day on goodness, Teresa of Ávila on beauty, and Dietrich Bonhoeffer on church commitment and community.

This accessible book provides avenues for a broader and deeper spirituality that can shape the complexity of our souls. It is ideal for undergraduate students and as a formation primer for church adult education classes, classical schools, and homeschooling communities. Foreword by Russell Moore.

DEEP READING

Practices to Subvert the Vices of Our Distracted, Hostile, and Consumeristic Age
Rachel B. Griffis, Julie Ooms, and Rachel M. De Smith Roberts

Cultivating Spiritual and Intellectual Depth by Reading Well

- Presents reading as a remedy for prevalent cultural vices
- Offers formative practices that teach how to love virtue and desire the good
- Looks beyond the "worldview criticism" model of reading and teaching texts

This book helps readers develop practices that will result in deep, formative, and faithful reading so they can contribute to the flourishing of their communities and cultivate their own spiritual and intellectual depth.

The authors present reading as a remedy for three prevalent cultural vices--distraction, hostility, and consumerism--that impact the possibility of formative reading. Informed by James K. A. Smith's work on "the spiritual power of habit," *Deep Reading* provides resources for engaging in formative and culturally subversive reading practices that teach readers how to resist vices, love virtue, and desire the good.

Rather than emphasizing the spiritual benefits of reading specific texts such as Dante's *Divine Comedy* or *Adventures of Huckleberry Finn*, the authors focus on the practice of reading itself. They examine practices many teachers, students, and avid readers employ--such as reading lists, reading logs, and discussion--and demonstrate how such practices can be more effectively and intentionally harnessed to result in deep reading. The practices apply to any work that is meant to be read deeply.

RESURRECTION AND RENEWAL

Jesus and the Transformation of Creation

Murray A. Rae

Understanding Jesus's Resurrection and Its Implications for the World

- Makes a distinctive contribution to the discussion of Jesus's resurrection
- Explores how the world has changed in light of the fact that God has raised Jesus from the dead
- Shows how the resurrection expresses the promise that God is making all things new and how we are called to participate in that divine transformation

The resurrection of Jesus from the dead lies at the heart of the Christian faith. It is the turning point of history, with far-reaching implications for our understanding of what God is doing in the world.

Resurrection and Renewal is a fresh contribution by an award-winning scholar to the study of Jesus's resurrection. The book is not an apologetic; rather, it takes the resurrection as a given reality and examines what the Bible says about it. Murray Rae surveys the Gospel accounts, looks at the resurrection as the fulfillment of God's Old Testament promises to Israel, and examines how it reshaped the life of the apostle Paul and informed his theology. He explores how resurrection influences our understanding of Christ, salvation, the future, mission, the church, and the unfolding purpose of history. Attention is given to its implications for Christian living and ethics, the nature of Christian community, and the promises of Christian hope. This is invigorating reading for all who desire greater understanding of participation in the resurrection life made possible through the risen Lord.

INTRODUCTION TO BIBLICAL INTERPRETATION

FOUNDATIONS FOR SPIRIT-FILLED
CHRISTIANITY

Jacqueline Grey and Paul W. Lewis

An Introduction to Hermeneutics Emphasizing the Transformative Nature of Reading Scripture

- Addresses the importance of participating in God's redemptive story
- Provides principles and accessible guidelines for interpreting the Bible
- Calls attention to the Holy Spirit's role in the production, interpretation, and application of the Bible

This introduction to biblical interpretation expands the interpretive task to encompass both comprehension of the Bible's content and active participation in God's redemptive plan. The authors help readers engage with the beauty of God's Word and read it holistically for their intellectual and spiritual growth. They address the nature of interpretation; emphasize the Holy Spirit's role in the production, interpretation, and application of the Bible as a communication of the triune God; and explore the Bible's genres and historical contexts through the lens of God's redemptive story. They also provide principles and accessible guidelines for biblical interpretation in global contexts, including a guideline for beginning students to start their own Bible study. Above all, they emphasize the transformative nature of reading Scripture.

This series reflects the changing face of global Christianity. Series volumes highlight themes of interest to Pentecostal/Charismatic students; however, the books are respectful and inclusive of a variety of church traditions. Series editors are Jerry Ireland, Paul W. Lewis, and Frank D. Macchia.

A NEW AND ANCIENT EVANGELISM

Rediscovering the Ways God Calls and Sends

Judith Paulsen

A Truly Biblical Understanding of Evangelism

- Teaches about evangelism through the lens of biblical conversion stories
- Guides readers in recovering the ancient tradition of the church's evangelism
- Explains that God uses ordinary people of faith within their everyday spheres of influence to draw people to himself

Evangelism has a bad reputation. It's been loaded with sales tactics, market analysis, and high-pressure psychology, an approach that often flattens other cultures and dishonors those we want to reach. Evangelizers are encouraged to believe that everything depends on their understanding of the gospel and their powers of persuasion. No wonder so few people want to get involved in sharing the faith.

This book recovers the ancient tradition of the church's evangelism, rooted in the conversion stories of the Bible, to offer a truly biblical understanding of evangelism. Drawing on 25 years of experience teaching evangelism to laypeople and ministry students, Judith Paulsen shows that God uses ordinary people of faith within their everyday spheres of influence to draw people to himself. She helps readers share the Good News in a way that is authentic, respectful, and ideally suited to the cultural dynamics of today's world. Above all, she places the real work of evangelism where it belongs: with the God who is still at work calling people to himself. The book includes discussion questions, a Scripture index, and a bibliography.

SEVEN CHALLENGES THAT SHAPED THE NEW TESTAMENT

Understanding the Inherent Tensions of Early Christian Faith

F. Scott Spencer

Investigating Critical Areas of Tension That Shaped the New Testament

- Offers a fresh way to learn about the world and content of the New Testament
- Discusses the challenges that influenced the New Testament writings and how the writers responded to tensions
- Addresses seven "big ideas" that are discussed and debated in the New Testament

The New Testament writings reflect a sense of wrestling to understand what the world-shattering events of Jesus's life, death, resurrection, and ascension mean in the rough-and-tumble of daily life in a conflicted world. In this book, a senior New Testament scholar investigates seven critical areas of tension--historical, moral, political, material, social, perceptual, and temporal--that shape the "big ideas" discussed and debated in the New Testament.

This lively investigation explores the challenges that influenced the New Testament writings and how the writers responded to those tensions. The author shows that out of this upheaval came a remarkable set of creative, dynamic writings that have shaped and challenged millions of lives as sacred Scripture.

This accessibly written book offers a fresh way to learn about the world and content of the New Testament writings. It will help readers appreciate the rich diversity of New Testament thought cohering around commitment to the one Lord and Savior, Jesus Christ.

EMBEDDED GENRES IN THE NEW TESTAMENT

Understanding Their Impact for Interpretation

Jeannine K. Brown

Understanding the Impact of Embedded Genres on New Testament Interpretation

- Author is a widely respected scholar and a seasoned teacher of biblical interpretation
- Introduces embedded genres and how they contribute to the messages of New Testament authors
- Includes three case studies from across the New Testament corpus

Recognizing what we are reading--the genre--is crucial for understanding any written work, including the books of the New Testament. However, we may not always realize we use genre categories as we interpret, whether explicitly or implicitly. Embedded genres, or genres within genres, can substantively impact the interpretation of an entire New Testament book.

This short, accessible book by a widely respected scholar and seasoned teacher introduces embedded genres, their impact on New Testament interpretation, and how they contribute to the message of the New Testament authors. Jeannine Brown offers hermeneutical guidance for interpreting embedded genres and explores the hermeneutical questions they raise. She focuses on three case studies of embedded genres that have been contested, underidentified, or underappreciated across the New Testament corpus: the Christ poem in Philippians 2, riddles in Matthew, and a household code in 1 Peter.

Students of the New Testament, pastors, and ministry leaders will value this work.

THE OPEN SANCTUARY

Access to God and the Heavenly Temple in the New Testament

Nicholas J. Moore

A Comprehensive Study of the Heavenly Temple in the New Testament

- Examines the heavenly temple within its Jewish and Greco-Roman contexts
- Shows how the work of Christ gives believers access to God's dwelling place
- Offers a corrective to the way many people understand the Jerusalem temple in early Christian thought

How can impure, earthbound humans gain access to God, who is holy and in heaven? In ancient Israel and much of the ancient world, the answer was obvious: by means of a temple. The temple gives access to God because it images the cosmos.

This book explores how the concept of a heavenly temple emerged as an important theological concept for early Christians. They developed their understanding of Christ and his work in part through their understanding of heaven as temple. Nicholas Moore examines the heavenly temple in the New Testament within its Jewish and Greco-Roman contexts, demonstrating that the ministry of Jesus gives believers access to the dwelling place of God himself. Moore explores conceptions of the heavenly temple in the ancient world, Second Temple Judaism, the book of Revelation, Hebrews, the Gospels, Acts, and other early Christian literature.

This important contribution offers a corrective to the way many people understand the Jerusalem temple in early Christian thought. It is the first comprehensive study of the heavenly temple in the New Testament.

WHY WE PRAY

Understanding Prayer in the Context of Cosmic Conflict

John C. Peckham

Addresses the Puzzles of Petitionary Prayer and the Nature of God

- Author is a well-respected theologian whose work is garnering increasing attention
- Places petitionary prayer within the larger context of the Bible's cosmic conflict motif
- Offers fresh theological readings of key biblical texts on prayer

If God is all-powerful, all-knowing, and entirely good, why do we need to ask God to do good things? Won't God act for the best regardless? Do our prayers even make a difference? Why do some go unanswered? This brief, accessible book provides a fresh angle on our questions to help us think differently about why we pray and what happens when we pray.

John Peckham applies the insights from his successful book *Theodicy of Love* to the perennial problem of petitionary prayer, offering practical implications for how we might pray and live in ways that advance God's kingdom of unselfish love. Since our understanding of petitionary prayer is inseparable from our understanding of God, Peckham sheds significant light on the nature and character of God and the often-mysterious workings of divine providence. He does so by bringing theological and philosophical nuance to readings of key biblical texts on prayer, weaving in other scriptural clues to articulate an understanding of prayer that highlights not only its necessity but also its urgency. This book will appeal to students, pastors, church leaders, and thoughtful laypeople.

Franklin A. Markow

Introducing Organizational Behavior for Christian Organizations

- Author is an experienced teacher of leadership and organizational behavior
- Accounts for the unique dynamics and challenges of Christian organizations
- Each chapter includes practical leadership review questions, case studies, further reading suggestions, and sidebars

Organizational behavior is an important and growing field in leadership and management studies, yet it has been largely overlooked by Christian leaders. THE BLURRED CROSS

A Writer's Difficult Journey with God

Richard Bauckham

A Personal and Profound Theological Reflection by a Renowned Scholar

- Author is an internationally popular and highly respected biblical scholar
- Expresses deep insights on God's providence amid life's difficulties
- Beautifully written and includes memoir, theological reflection, and poetry

In early 2022, esteemed New Testament scholar Richard Bauckham nearly lost his ability to read--an alarming prospect for a man who considers reading, writing, and scholarly work to be his vocation from God. Despite it being one of the most difficult times of his life, it was also a period in which Bauckham felt closest to God.

In this beautifully written book, Bauckham combines memoir, theological and biblical reflection, and poetry to offer profound insight into God's providence amid life's difficulties. He discusses relevant aspects of his earlier life, delves into the time when his eyesight began to deteriorate, and reflects on issues that arose during that period. The book also includes generous amounts of Bauckham's own poetry.

Throughout his experience, Bauckham maintained a close relationship with God and drew nearer to him. His journey with God during this time led him to contemplate God's purpose for his life and how he can live in a way that reflects his overwhelming sense of gratitude. He shares his story as a way of encouraging others in their own unique walk with God.

GROWING WOMEN IN MINISTRY

Seven Aspects of Leadership Development

Anna R. Morgan

How to Develop Women Leaders in Local Church or Ministry Contexts

- A positive, comprehensive, research-based model for developing women in ministry
- Provides women in entry-level or middle management roles a pathway into positions with significant authority
- Offers policy suggestions, strategies, and values for ideal growing conditions

While many aspects of leadership development are similar for women and men, women face different cultural expectations and have different experiences than their male counterparts. Anna Morgan's own experiences in pastoral ministry leadership launched her search for a holistic way to grow the skills, influence, and authority of women who are gifted and called as leaders.

This book provides a positive, comprehensive, research-based model for developing women in church and ministry leadership. Morgan identifies 7 processes that form a leader over her lifetime. Three work inwardly as a woman grows in leadership: spiritual calling, giftedness, and emotional intelligence. Four work externally to shape her authority and influence: ministry leadership contexts, home life supports, communication, and leadership relationships.

Growing Women in Ministry is written in a clear, accessible style for both female ministry leaders and men seeking to promote female leaders. It includes policy suggestions, strategies, values for ideal growing conditions, and discussion questions.

CALVIN FOR THE WORLD

The Enduring Relevance of His Political, Social, and Economic Theology

Rubén Rosario Rodríguez

Why Does John Calvin Matter for the 21st Century?

- Shows how Calvin's theological legacy impacted the formation of the modern world and its social institutions
- Explores Calvin's global impact by examining his views on a broad range of social and cultural issues

John Calvin was arguably the most influential of the 16th-century Reformers. His supporters praise his transformative influence on the ecclesial, political, and economic spheres of modern life, while his detractors paint him as a ruthless proponent of theocracy. These conflicting images suggest there is more to Calvin than meets the eye.

In this volume, Rubén Rosario Rodríguez offers a creative engagement with Calvin's theological and political thought and provides a critical reclamation of Calvin's legacy. Rosario Rodríguez presents Calvin's theology in historical context and explores his global impact by examining Calvin's views on a broad range of social and cultural issues, such as political theology, migration and dislocation, nationalism, social welfare policies, revolution, racism, and religious pluralism. Rosario Rodríguez shows how Calvin's theological legacy impacted the formation of the modern world, its worldview, and its social institutions and presents Calvin as an engaging interlocutor on contemporary matters of social, political, racial, and economic justice.
