## New Novella From Dee Henderson Returns to Beloved O'Malley Characters

### *Jennifer: An O'Malley Love Story* by Dee Henderson

Minneapolis, MN—After her prominent return from a five-year writing hiatus, Dee Henderson is back and better than ever. A seasoned bestseller on Christian fiction lists, Henderson's 2012 release with Bethany House, *Full Disclosure*, marked her first appearance on the *New York Times* and *USA Today* bestseller lists. With a strong influence on the genre and a loyal following, Henderson remains the top name in inspirational romantic suspense.

To the delight of her fans, she now presents the untold story of the youngest O'Malley sibling, available for the first time in print. This eagerly awaited novella has ties not only to the O'MALLEY series, but also to her more recent release, *Full Disclosure*.

*It's a summer of change for Jennifer O'Malley.*

*The busy physician has a pediatrics practice in Dallas, Texas, and meeting and falling in love with surgeon Tom Peterson is adding a rich layer to her life. She's sorting out how to introduce Tom to her family—she's the youngest of seven—and thinking about marriage.*

*She's falling in love with Jesus too, and knows God is good. But that faith is about to be tested, and in a way she didn't expect. The results will soon transform her entire family.*
