BOOK ANNOUNCEMENT

Sophomore Novel From an Exciting New Voice in Historical Romance

Full of the tender realism, bits of humor, and heart-tugging scenes that first charmed readers in *Sixty Acres and a Bride*, Regina Jennings' sophomore novel establishes her position as an author to watch in historical romance. *Love in the Balance* is the spirited love story of Molly Lovelace—a Texan belle with big dreams and a heart that doesn't seem to want to catch up with her head.

Molly Lovelace dreams of a life without cares in Lockhart, Texas. She also dreams of handsome wrangler Bailey Garner, her ardent but inconsistent beau. The problem is, with Bailey's poor prospects, she just can't fit the two dreams together.

Then mysterious stranger Edward Pierrepont sweeps into town—and her life—and for the first time Molly wonders if she's met the man who can give her everything. But he won't be in Lockhart long and while it certainly seems like he talks about their glorious future together, she can't quite get Bailey out of her mind.

What's a girl to do with all these decisions when love is in the balance?

Offering dynamic characters and a classic western setting, *Love in the Balance* is a sure fit for any historical romance fan.

“A fresh voice in Christian historical romance...”
