A Foundational Guide for New and Veteran Christians Alike

A Radical Faith
Essentials for Spirit-Filled Believers
by James W. Goll

All of us dwell in a world hostile to the heavenly Kingdom. We must constantly battle an enemy who wants nothing more than to destroy us. Under such pressure, cracks can creep into the footings of our faith; beliefs we thought were unassailable seem less solid. We become more vulnerable in the fight against hell and may even collapse under uncertainty and fear.

Just as all strong towers are built on firm foundations, so it is with our faith. Perfect for both new believers and veteran spiritual warriors, A Radical Faith is an accessible, comprehensive guide from international teacher James Goll that lays out the enduring biblical fundamentals that establish the bedrock of belief for every mature Christian.

Goll explains the vital elements of the Christian faith, including the trinity, repentance, transforming faith, water baptism, the laying on of hands, baptism in the holy spirit and the resurrection from the dead.

With a companion study guide also available, this action-oriented handbook will help believers build an indestructible foundation of radical faith.

“What impresses me most is his love for the Bible and his conviction that no Christian can grow apart from knowing the Word of God. [A Radical Faith] is a book that is Christ-exalting and well worth reading.”
—From the foreword by R. T. Kendall

“Readers will discover the freedom to believe God with all their hearts. I recommend this book for the new and seasoned believer alike.”
—Bill Johnson, senior leader, Bethel Church, Redding, California; author, When Heaven Invades Earth
