Mining from years on the frontlines of prophetic ministry and overseeing the Bethel School of Supernatural Ministry, bestselling author Kris Vallotton takes you deep into the heart of one of the most crucial, compelling and controversial topics today: the office of the prophet. In this definitive guide, he reveals often-ignored foundational truths and provides critical advanced training, including how to

- discern your calling and grow in your gift
- define your divinely appointed sphere of influence and depth of authority
- prepare for the common, but dangerous, spiritual attacks prophets face
- navigate potential relational difficulties as you step into your gifting

Through this training, prophets will learn how to build a faith culture and develop a healthy prophetic community by shifting the atmosphere from fear to faith. In-depth curriculum, with eight sessions expanding on the teachings in *School of the Prophets*, is also available for small groups, church classes and Bible studies. The curriculum kit contains a DVD with eight dynamic twenty-minute teaching sessions from Vallotton, a leader's guide for facilitators, a participant's workbook and a copy of *School of the Prophets*.
