BOOK ANNOUNCEMENT

A Charming and Humorous Romance from Bestseller Cathy Marie Hake

Known for her laugh-out-loud historical fiction, Cathy Marie Hake delivers yet again with *Serendipity*. Through her witty dialogue and endearingly imperfect characters, Cathy uniquely explores life after the fairy-tale romance—and how instant attraction does not a marriage make. When life and wills get in the way, can love be held on to?

The only remaining woman in Carver's Hollow, Maggie Rose has cared for a ragtag of old men for years, bartering for a living and making soaps, lotions, and perfumes from a special rose recipe passed down for generations. She hasn't wanted to marry... at least that's what she thought. But when a strapping young man arrives on Maggie's doorstep, searching for a doctor for his ailing mother, life suddenly changes for the dark-haired beauty.

When instant attraction gives way to a clash of cultures—and wills—Maggie wonders if her marriage to Todd is as serendipitous as it first seemed. Can she and this stubborn Texas farmer make their dreams become reality before they lose each other—and their sanity?

Featuring a healthy dose of humor, a hint of passion, and plenty of fascinating historical detail, *Serendipity's* winning combination makes for a great read.

**“With her usual wit and amicable prose, Hake delivers
a pleasant Christian romance that also delves into deeper issues.”
