BOOK ANNOUNCEMENT

An Exciting New Novel From Bestselling Author Dani Pettrey

New York Times bestselling author Dee Henderson calls rising star Dani Pettrey “a name to look for in romantic suspense,” and the success of Pettrey’s first two books shows that readers and critics feel the same. Both Pettrey’s debut novel, *Submerged*, and sophomore novel, *Shattered* stayed on bestseller lists for months after releasing. Acclaimed by the likes of *Publishers Weekly* and *USA Today*, Pettrey’s ALASKAN COURAGE series features a family saga in the style of Dee Henderson’s classic O’MALLEY series.

In Pettrey’s latest novel, *Stranded*, the McKenna family takes to the high seas for a gripping new adventure romantic suspense fans will love.

Darcy St. James returns to Alaska to join a journalist friend undercover on the trail of a big story. But when Darcy arrives, she finds her friend has disappeared. Troubled by the cruise ship’s vague explanation, Darcy uses her cover as a travel reporter to investigate further.

The last person Gage McKenna expects to see during his summer aboard a cruise ship leading adventure excursions is Darcy. And in typical Darcy fashion, she’s digging up more trouble.

He’d love to just forget her—but something won’t let him. And he can’t help but worry about her as they are heading into more remote regions of Alaska and eventually into foreign waters. Something sinister is going on, and the deeper they push, the more Gage fears they’ve only discovered the tip of the iceberg.

“*Shattered* is a fast-paced suspense and the romance thread is a sizzling undercurrent throughout every chapter... Fans of Dee Henderson’s O’MALLEY Family series will love Pettrey’s McKenna clan.”
—USA Today

“With the drama of an Alaskan winter as her setting, Pettrey once again blends suspense, romance, and mystery into a fast-paced story that will keep readers on their toes.”
—Booklist on *Shattered*

“[A] steadily paced thriller... Pettrey’s debut novel is a thoughtful attempt to capture both love and suspense in this intricately plotted mystery.”
—Publishers Weekly on *Submerged*
