## Pastor Reveals the Keys to Living Without Worry

*The Sure Cure for Worry*  
*Learning to Trust God No Matter What Happens*  
by Kent Crockett

As many of us look to tomorrow, we can't help but feel anxious about the possibilities and problems that might arise. We often feel helpless in the face of these difficulties, which just seem to grow bigger as time goes on, and in no time, worry is creeping in.

The good news is, as common as worry may be, there is a cure for eradicating it. The even better news: God is in control—and He has a plan.

In *The Sure Cure for Worry*, bestselling author Kent Crockett explains how God can guide you, even now, along His chosen path, without your realizing it—from the circumstances you face to the people you meet—to accomplish His plan. Through practical tips, inspiring stories and biblical teaching, Crockett reveals the two necessities that enable you to face the future without fear: believing that God is in control and learning to let Him guide you. *The Sure Cure for Worry* helps you to do both so you can live one day at a time, release your problems to God and live life to the fullest.

**“The book you are holding in your hands will show how you can trust God and how to keep from worrying.”**
