## A Charming and Hilarious New Romance From Jen Turano

A promising new voice in inspirational historical romance, Jen Turano has received praise from *RT Book Reviews* and *Booklist* for her unique writing style and humor. She returns to the upper-class world of 1880s New York for her third novel, *A Talent for Trouble*. With the energy and wit that is quickly becoming her signature, Turano weaves a delightful comedy of errors featuring laugh-out-loud moments and a romance to root for.

*Disappointed in love, Miss Felicia Murdock is tired of pretending to be someone she's not. She's decided things need to change—she's ready to spread her wings and embrace life.*

*Grayson Sumner, on the other hand, is through spreading his wings and is ready to settle into the life of a respectable gentleman. But that seems impossible whenever Miss Murdock, with her unfortunate knack for stumbling into troublesome situations, is near.*

*Just as Grayson decides he's had enough of her antics, Felicia's life is endangered by a connection from his past. As they confront this threat, will Grayson and Felicia decide they want to spend the rest of their lives keeping one another out of trouble?*

**“This madcap battle of the sexes is the sequel to Turano’s hilarious *A Change of Fortune*, and it is perfect for any reader who enjoys stories bubbling with humor.”**

A Top 10 Pick for Romance!**

**“*A Talent for Trouble* is a laugh-out-loud historical romance with feisty, fun-loving characters who want to live the way they want to—not the way society demands.”**
