## Historical Suspense and Romance in the Wild West

The acclaimed author of more than 25 novels, Carol Cox is a trusted name in historical romantic suspense. She combines lively romance, suspense, and humor to create compelling stories set against fascinating historical backgrounds. Cox's latest novel, *Trouble in Store*, is a thrilling new mystery surrounding an 1880s mercantile. When the owners of the mercantile die unexpectedly, a disputed inheritance turns out to be the least of the troubles in store...

*After losing her position as a governess, Melanie Ross turns to her last resort: the Arizona mercantile she inherited from her cousin. Unfortunately, Caleb Nelson is positive he inherited the mercantile... and he's not interested in sharing.*

*Melanie and Caleb are forced to set aside their differences, however, when someone starts sabotaging their store. And as they spend more time together, Caleb begins to realize that Melanie could be the perfect partner for him, and not just in the mercantile. But will their business—and their budding romance—survive the trouble ahead?*

**“For a fast-paced story full of fun, action, mystery, and love, I highly recommend you treat yourself to *Trouble in Store* by Carol Cox. Her delightful characters and historical accuracy provide a delightful read!”**

**—Judith Miller, bestselling author of the HOME TO AMANA series**

**“Cox has fleshed out a fascinating cast of characters that move readers through a novel that dispenses romance and wit in the intriguing context of a Wild West mystery. A most delightful and engaging read.”**
